HELLO READER We are only responsible for our articles etc. others herein are for theirs responsible or like Jane's are in honour of them for being a Folk Patriot until their death. Whatever pedantics think about my grammar I hope you clearly grasp what I say about which you are free to payfully use Your Voice in "Our Voice" to write, if you stay in our Folk Family norms of decency and is not insultive of anyone e.g. intrusive on their private life which is not against the criminal law or their social stated morals, otherwise you get your money back from this pioneering paper, which as an open Folk Forum gives payers the means (By we being viably cheap with only entrants proved too poor to pay being dependent on the editor) to publicly say their opinions on anything in this paper's Economics; Country; Culture; Health; Home; Politics; Travel; Sport etc. sections **About** its section place, entrants must trust the Editors' layout decision. **The ethnic** media e.g. Asian Times; The (Caribbean) Gleaner; Jewish and Muslim Chronicles; The Voice (Headlined as being "**Britains Best Black Paper**") rightly support their kind, faiths etc. but under the Parasites' and Folk Traitors' vile propaganda media made hostile social climate (*That has cowed Our Folk to accept alien control of our economy and so military, political, cultural dictatorship of our country*) these papers, books etc. are in libraries and sold in shops while true **Folk Loyal British** ones are accused of racism etc. for supporting, as do the alien media, their folk and **banned** in Free Speech's name, to choke us to death against which "Our Voice" etc. will fight to the death. **Wily Alien Racists** call us racists to **exalt their race** and stop us from seeing nature has bred many races with richly diverse ethnics, cultures, giving Africans, Asians, Caucasians, Orientals a natural pride in their forebears and so defend their race, culture, land etc. as nature's raw law says: **Any specie unfit to live does into death flit**. So as all healthy races we defend ours but don't brazenly assume we are a superior **God Chosen Race** picked to rule the world, as do the megalomaniac phoney semite, pseudo jew, anti-goyite, paranoid Zionist bigots thru their repulsively offensive Eliust Racism.

THE WORLD'S SHEEP JUST RUN BACK UNDER THE WOLF PACK'S ATTACK "I appreciate the world leaders taking my phone calls as I explained to them why I think Paul will be a strong president of the World Bank," (**Folk Traitor OV Ed.**) Bush told a press conference on Wednesday. "I've said he's a man of good experiences. He helped manage a large organization. The World Bank is a large organization; the Pentagon is a large organization - he's been involved in the management of that organization," Bush said. He described Wolfowitz, 62, as a skilled diplomat, referring to his positions at the State Department and his tenure as US ambassador to Indonesia in the 1980s. The US president also said Wolfowitz is "committed to development". Traditionally, the World Bank's president has been a US citizen as the US is the largest shareholder in the institution. Wolfowitz's nomination would be subject to a routine vote of the World Bank's (**Zionited OV Ed.**) executive directors. The nomination was quickly welcomed by fellow countryman James Wolfensohn, the outgoing World Bank president, and by Rodrigo Rato, the managing director of the bank's sister institution, the International Monetary (**Misers' OV Ed.**) Fund (IMF). "If he is confirmed by the member countries, Wolfowitz will bring to the bank an impressive record of public service with extensive experience of management and of international affairs, in particular in Asia and the Middle East," said Rato in a statement

*A Zionist's only loyalty is to the top flag.
Note his money bound idolising creeps lower than sheep who must be forcibly herded. OV*

Some civil society analysts predicted a new phase of confrontation between the global social justice movement and one of the largest symbols of US and European domination, the World Bank. "In his career, Wolfowitz has so far not shown any interest in poverty reduction, environmental protection and human rights," said Peter Bosshard, the policy director of IRN. "His election as World Bank president would most likely exacerbate the current backlash against social and environmental concerns at the World Bank, and would initiate a new era of conflict between the Bank and civil society." Wolfowitz was behind the US decision to exclude non-US companies from competing for billions of dollars in Iraq's reconstruction contracts, a move that fueled international fury and accusations that the US was motivated by economic greed in its invasion of the oil-rich Arab country. Iraq reconstruction contracts and projects have been marred ever since by charges of favoritism, corruption and fraud because of the no-bid contracting process, little or no official supervision and manipulation of prices by US companies. Watchdog groups say that hundreds of millions of dollars are being wasted as a result of corruption by contractors and sloppy government controls. Wolfowitz is an architect of many of the post-invasion policies in Iraq, including privatization, deregulation and commodification of social services and public goods, along with plans to end subsidies that sustain millions (**Thereby as a War Criminal guilty of wilfully causing their death by starvation OV Ed.**) of Iraqi citizens. "Wolfowitz's role in promoting of economic changes in Iraq and elsewhere suggest he

would work to push the bank to focus even more on imposing the so-called ' structural adjustment' policies like forced privatization and indiscriminate trade liberalization, policies which have failed to create growth and have exacerbated poverty across the globe," said Neil Watkins, national coordinator for the anti-debt campaigning group Jubilee USA Network. "Paul Wolfowitz is the most controversial choice Bush could have made," said Njoki Njoroge Njehu, director of the 50 Years Is Enough Network. "As the most prominent advocate of imposing (**Zion's will via OV Ed.**) the US' s will on the world, this appointment signals to developing countries that the US is just as serious about imposing its will on borrowers from the World Bank as on the countries of the Middle East," she added. Critics say that the Wolfowitz nomination, coming on the heels of the nomination of another hawk, John Bolton, as US ambassador to the United Nations, reveals "the contempt this administration has for the international community". According to Robert Weissman, director of Essential Action, "Wolfowitz brings no apparent development experience to the job, but does offer a record of unabashed militarism and unilateralism that represents exactly the wrong direction for the World Bank. **Except for the title and Zionist flag plus OV Ed comments the above article is extracted from:**

THE PRIME MINISTER Blair erupts last month when it was announced that peers sitting in the House of Lords are to get pay rises worth up to 20 per cent, including a new £100 a day lords attendance allowance which they can claim even if they are away on official trips. They are also in line to be paid salaries for the first time ever. The Blair Government has also confirmed a two per cent pay rise for MPs and Ministers this year, with two further inflation linked hikes over the next two years. The rises for MPs mean their pay, which currently stands at £57,485, is likely to top £60,000 within two years. The increases have been revealed in a report by the Senior Salaries Review Body (SSRB) and rubber-stamped by the Cabinet in mid-October. The review of parliamentarians' pay has been carried out at the request of Prime Minister Tony Blair. **RAKE-OFF** The rises for the peers - now increasingly dependent on the favour of the Premier following his reforms of the Upper House have caused the most outrage. They mean that the lords members' daily rake-off will increase from £245.50 to £290. And to qualify for this sum all a peer has to do is step into the chamber for a few minutes, make sure that his or her presence is recorded, then make a claim. Whether the peer stays any longer in the House is immaterial. In addition to all this, peers are able to claim £65-a-day office costs allowance on non-sitting days. Nice for those who can get it! In addition to this, peers will be able to claim £100 a day for official trips. In a report on the pay rises in *The Mail on Sunday* on October 17th it was estimated that a peer who made ten such claims a year could walk away with a total of £47,000 a year tax-free! In all this it must be remembered that virtually all peers, like Members of the Commons, have ample other sources of income. These new allowances are just icing on the cake. In the same report it was stated that lords' allowances have more than doubled since Blair became Prime Minister, scrapped hereditary peers and appointed more than 100 labour peers to replace them. **GRAVY TRAIN** In any organisation where pay rises were performance-related, our politicians would be suffering reductions in their incomes rather than increases. It is very obvious that these moves to raise their pay are quite cynically conceived so as to make them all the more dependent on the good offices of Tony himself. Blair is not ignorant of a rule that has operated throughout history. Rulers - and particularly tyrannical ones - know how to keep their followers sweet: they grant them generous payouts so that, should they ever think of getting rebellious, they remind themselves of where their daily bread is buttered and keep well in line. Anywhere else this is called corruption. But in politics of the Blair type it is business as normal! **From Spearhead Nr.429**

BNP Was UKIP's Retro Rocket Further to our Editorial (p.31). comment on the fashionable vote for UKIP. Is it not amazing that - at the time of writing - virtually all the political pundits are putting its success down solely to the public's opposition to the EU? Opinion polls conducted in May showed that only 2 to 4 per cent of voters regarded Europe as their main concern. In contrast, one poll said mass immigration was the principal concern of the voters. Having previously avoided any criticism of immigration policy (or lack of), UKIP's hired Machiavellians, Max Clifford and Dick Morris (see Editorial) saw that it was a vote winner and spread the word that "UKIP was concerned about mass immigration". The mass media mouthpiece of the political establishment readily picked this up knowing that it would harm the BNP's chances. **Confirmation of this** came in a letter in the *Sunday Telegraph* 13.06.04 from a G.Dawson of Thingwall, Wirral (which has also been picked up by "Nick Griffin in his article on "Disaster for the Tories"). **Mr Dawson wrote:** "There is reason to believe that the BNP was the retro-rocket that powered the rise of the UKIP in middle class areas. I have been told by several Conservative voters that, of all the pamphlets they received for the European elections, the one that fired them up most came from the BNP. It hammered Michael Howard on both asylum seekers and immigration". **Of course** the problem was that with illegal smear campaigns conducted by such Marxist inspired bodies as *Searchlight*, Unison, and Unite Against Fascism (UAF) and condoned by the mass media, many middle class voters found it much easier on their conscience to vote for the media created clean image of the UKIP, which they believed had been born by some act of political immaculate conception. **The voters may regret** their actions sooner than they think if the record of the three UKIP MEPs elected in 1999 is anything to go by. According to its founder, Alan Sked, the maiden speeches of Michael Holmes and Graham Booth were greeted with derisory howls of laughter at Strasbourg. The first called for greater powers for the European Parliament - not exactly UKIP policy - and the second was incomprehensible. According to independent research by the European Studies centre at the London School of Economics, the three often voted in different ways on the same issue. Indeed, says Alan Sked, their voting record is bizarre. They were unanimous when they voted against reforming the notoriously corrupt expenses system and were the only British party to do so. **One final point** on how deep their patriotism goes, even though they had £2 million in funds they had their election addresses printed in Eastern Europe because they were cheaper. The BNP, with £250,000 funds, had ours printed in Britain because we believe in protecting British jobs. **From John Bean's Nationalist Notebook in Identity Nr 45** www.bnp.org.uk

From Jane's June 1979 "CHOICE" From: Daily Telegraph Nov. 1978
PEERING AT THE ROOTS (Peter Simple - Way of the World)

The Church of England, up to now an amateur in the field, is to enter the race relations industry in a more professional way. According to a report issued by the British Council of Churches it is to launch, in collaboration with that curious and interesting body, a campaign to raise £700,000 in the next seven years for the "improvement of race relations". You have been warned.

The British Council of Churches' report, which is called "The New Black Presence in Britain", says that many black people belonging to the second generation born here are "standing out" against society and conformity". The result is violent and criminal behaviour.

"We have come to believe", it concludes, that the main cause for all this disorder is not the arrival of black people but something more deeply rooted in the nature of British society".

Now what can this mysterious "something" be? Can it be the feeling, still persisting in this country" in spite of every effort to discourage and extirpate it, that there is such a thing as a British, or at any rate an English nation; a nation which, although it has been made up, through its long history, of various racial elements, was not so long ago largely homogenous and yes, I'm; afraid it is necessary to use the

dreaded word - **white**; a nation which has therefore not been able, even, if it wished, to assimilate a very large number of wholly alien immigrants and their descendants. What nation on earth could have done so?

What the British Council of Churches seems to be worrying about, in fact, is the very existence of this nation as a nation. It is this lingering consciousness of being a nation which is 'deeply rooted in the nature of British society". If it were not so, why should that society be called British at all?

Christian Church members, especially in the alien and usury rotted false British one, have been lured by their devilish foes to make the church a refuge for criminals and so drive Christianity plus selves to commit suicide by their acceptance of their foes distortion of Christ's allegedly said "Love your foes" which is contrary to his act of *whipping the money merchants out of the temple* and his saying: **"Any who offend a little one it were better they had millstones hung about their necks and be drowned in the sea."** OV Ed..

**THE SLEAZY POLITICS OF THE TWO FACED WHEELER DEALERS
WHEREBY THEY KEEP OUR FOLK ECONOMICALLY BLEED UNTIL DEAD**

BETRAY THEM NOT 1.2.2002

Get up Lads and Lassies from your arses
 Stop being the booze brained masses
 The parasites rob as their driven asses
 Kept as slaves under economic duress
 As peanut paid workers kept under stress
 So they can max profit from you press
 And let us whilst we live this one life
 Accept that life is first a strife to survive
 And then the vying struggle to thrive
 That needs the wits and guts to drive
 Any trying to you of your work's fruit deprive
 Into hell to suffer slaving in the Devil's hive
 Which is now up to you our Folk Loyal youth
 Backed by we elders who have not stood aloof
 From always fighting to preserve the truth
 So you Folk Loyal youth will have the proof
 Against Folk Traitors who deserve no ruth
 As it is they who have misled Our Folk to be goofs
 Who let aliens dictate over them under their roofs
 Yes Goofs - Or one must be blind not to see
 What the Zionited leeches are doing to we
 As a deadly plague infesting our country
 Making it a multi mixed race menagerie
 And cheap labour cannon fodder colony
 Villaged in their global Imperium of Usury
 Wherein our children under alien oriented 'care'
 Are by traitor teachers stuffed to hate their forebears
 And Producers are by their leechers' porn torn apart
 Debased to erase all Folk Loyalty from their hearts
 And under traitor unions' sway meekly accept peanut pay
 As the fays have even kinked love into a sordid sex game
 Used to breed the cheapest labour for the parasites' gain
 Resulting in rearing the queers' borne AIDS in its train
 That threatens to exterminate us all in humanity's name
 For a few goody goodys' think quarantine is inhumane
 So the infected are allowed to spread the deadly bane
 For which we who stay on our arses are also to blame

As we let the fays display their shitty ways without shame
 While our alien leechers' neroically play away their days
 Most as Pseudo Jew Khazars strutting the world as tsars
 Ruthless Capitalist and Communist Comrade Commissars
 Whose laws drive our men and women against each other
 By democidal scientific social psychological applied chides
 Luring us to love races whose stuff does Our Folk smother
 And so like the idiotic dodoes commit Folk Suicide
 For they stupidly bring the alien races' numbers to the fore
 Causing our Folk to have little hope to be free anymore
 Because soon they will lose their mother tongue
 So no longer can their bards' lyrics be sung
 Nor will anyone hear church bell chimes rung
 Likely ousted by "Allah is great" wailed from a mullah's lung
 As Taf, Mac, Pat, Tom to kingdom come will have gone
 For as their leechers' mass media mind moulded ones
 Goofed i.e by the Mamzers' BBC daily whined holocaust con
 Profitably spread by its pseudo semite anti goyite scions
 They would blindly attack rather than listen to anyone
 Warning they will be butchered as mutton by the alien legions
 Who we Folk True elders have tried to be rid of peacefully
 But have been hunted gagged jailed beaten by the oligarchy
 And some killed in the name of free speech and democracy
 So now we tell Folk Loyal youth to wisely learn from we
 That they can only know liberty when Our Folk are free
 Militarily starting with being rid of Folk Traitors terminally
 For the leechers have managed to Our Folk divide
 Thru FolkTraitors suppressing our unity and pride
 By betraying Our Folk's youth who in foreign fields died
 Then to replace our millions of dead to whom our rulers' lied
 Mass importing money migrant alien armies to over us bide
 And crush all of we who want our rulers for treachery tried
 As parasitical two faced wheeler dealers
 Helped by life's vilest scum the Folk Traitors
 And their like turncoat toady collaborators
 Who our dead military would if they could
 On the spot have the lousy lot shot
 As a vengeful reminder to **BETRAY THEM NOT**

OUR CAUSE Like other parties in history we the **Patriotic People's Power Party (PPPP)** were born to fight for Our Folk's desire to survive and thrive by destroying the evil threatening to exterminate us against which we shall use our media etc. to foster as our name betokens Folk Loyal Nationalism i.e. Folk Family Unity or Folk Fascism which name the puppets of Zionism (**Parasitism, Racism and Imperialism's peak**) can call we giving us no shame for it is one of the **few** names that **embodies an anti parasite politic that the leechers express fear of** as most others e.g. Conservative, SWP, Labour, Communist are just our leechers' loving carrot and stick parties whom as their money masters' voices howl against Fascism in their phony democracy's name ironically snorting against our urged Populism i.e. **Sober Majority Folk Willed Rule (The only real democracy)** that they attack thru their medias' daily lies against us now backfiring on them to give us good free publicity that is winning over their disaffected who less vote for the cosmopolite parasites' puppets and are rightly turning to us saying **As you Fascists are our parasites' most feared foes then you must be we producers best friends who say we must bury our leechers to the reign over our made wealth gain**. This Folk Positive Propagation trend is making our Folk Traitor rulers tear out their hair in despair for in their haste to bury Our Folk Identity that unifies us in our fight against being suicidally genetic genocidally etc. bred into multi mixed race cheap labour they make draconic laws against us and abusively call our Folk Patriotic Civil Servants, Military, Police "**Institutionalised Racists**" for as Europeans having, like all true Orientals, Africans, Asians etc. healthy natural species of life an instinctive self preservation **Natural Patriotism** to serve and preserve their Caucasian kith and kin for which cause the PPPP exist aware that we will be ruthlessly opposed by our treacherous foes who like we must fight (**As nature only accepts those having the strength to exist**) to decide whom will rule in our land the Parasites as Our Folk's exterminators or we Producers as Our Folk's propagators **So Parasites, Folk Traitors, Toady Collaborators** heed this warning: **The Souls of Folk Patriots** you hunt, torture and murder expect their kinfolk to avenge them as they would them in **this holiest of wars you started for Our Folk to be or not to be** **LIVING AS A FREE FOLK ETERNALLY**

OUR AIMS The survival of our lands' genetic, history, cultural, geo united Folk needs the undivisive strength of an ethnic **(W)elsh(I)rish(S)cots(E)nglish** run and owned **Republican Confederal Britain** with a united outer military, economic, political, cultural defence based on the max inner unity of **Competitive Producers'** anti usury/pollution run cooptivist industries; **Humane** social welfare; **Co-ordinated** laws for Our Folk's best (*Or we can be divided and conquered*) to reduce crime etc. For which the Irish need to unite before cosy chaired 'Good Doers' and FolkTraitors (*Who even con their kin by claiming to be Folk loyal Socialists whom they stab in the back by greating more Capitalist leechy aliens in.*) make the Irish **bury themselves - As duped Brits in other parts of Britain are doing - unless the leechers are rooted or as needed booted out** by our retrieving the wealth they robbed from Our Folk to pay their transport home.
