HELLO READER We are only responsible for our articles etc. others herein are for theirs responsible or like Jane's are in honour of them for being a Folk Patriot until their death. Whatever pedantics think about my grammar I hope you clearly grasp what I say about which you are free to payfully use Your Voice in "Our Voice" to write, if you stay in our Folk Family norms of decency and is not insulting of anyone e.g. intrusive on their private life which is not against the criminal law or their social stated morals, otherwise you get your money back from this pioneering paper, which as an open Folk Forum gives payers the means (By we being viably cheap with only entrants proved too poor to pay being dependent on the editor) to publicly say their opinions on anything in this paper's Economics; Country; Culture; Health; Home; Politics; Travel; Sport etc. sections **About** its section place, entrants must trust the Editors' layout decision. **The ethnic media** e.g. Asian Times; The (Caribbean) Gleaner; Jewish and Muslim Chronicles; The Voice (Headlined as being "**Britains Best Black Paper**") rightly support their kind, faiths etc. but under the Parasites' and Folk Traitors' vile propaganda media made hostile social climate (*That has cowed Our Folk to accept alien control of our economy and so military, political, cultural dictatorship of our country*) these papers, books etc. are in libraries and sold in shops while true **Folk Loyal British** ones are accused of racism etc. for supporting. as do the alien media, their folk and **banned** in Free Speech's name, to choke us to death against which "Our Voice" etc. will fight to the death. **Wily Alien Racists** call us racists to **exalt their race** and stop us from seeing nature has bred many races with richly diverse ethnics, cultures, giving Africans, Asians, Caucasians, Orientals a natural pride in their forebears and so defend their race, culture, land etc. as nature's raw law says: **Any specie unfit to live does into death flit**. So as all healthy races we defend ours but don't brazenly assume we are a superior **God Chosen Race** picked to rule the world, as do the megalomaniac phoney semite, pseudo jew, anti-goyite, paranoid Zionist bigots thru their repulsively offensive Elitist Racism.

Never blame the Parasites for they are born by the stupidity of twits whom the sly Leechers keep max cheap labour bred by laws and propaganda to be bled until dead

Hello Friends You who secretly agree with the brave few who dare to openly go against the sausage stuffing holocaust etc. propaganda pushed down Our Folk's throats by the **6 million column** of Zionists and their viler Flunkey Folk Traitor shite, but **fear to lose** job and home if you openly did in this surveilled electronic gulag, **alien loyal regime's terrorist state**. Also, you may know, there are Romantic, Raving and Realist Racists. **Romantic Racists** think they only need to have their Race's blood to repeat their Folk's past feats to keep living, so they aloofly try to get power via their alien leechers and viler Folk Traitors rigged ballot box which belief proves the **Romantic Racists are weaker survivalists** than their **elitist racist** Pseudo Jewish Khazar Capitalist and Communist Comrade Commissar **leechers**, who ken their political etc. leechy race's survival depends on having the brains to gain the economic power to sustain the *bleeding of their suckers who breed them* by their stupidity, which is why leechers survive, thrive and live in luxury. This makes **Raving Racists** angry and fanatically attack their leechers to get what was stolen from them, but as they have no alternate politic against being robbed they are oft misled and with their **Folk Family are bled till dead**. The **Realist Racists** have an alternate politic but haven't yet swayed their Folk to accept it means **primarily fighting an economic war to politically own** their forebears wrought and fought for homeland whose natural resources they need the skills to turn into the fruits of life on which **their Folk Family** can survive and thrive, as **ruthlessly** as **Zionists** and grey squirrels **naturally do** to oust our red squirrel, which we should have the wits to learn from and guts to **self blame not foes** for being **lured fools** who let *foes rob the fruits of life from us* so they can lavishly live. For **Life** is the **Strife** *tween its varied species* that **decides nature's physically best and mentally smartest to survive and thrive**, otherwise no species will be strong enough to live on nature's few life giving stormy elements, and we humans could never be the logically conscious and so prime species with the strength to help their weak and sick kin.

The three main ways of aiming to get democratic People's Power are 1) The **Romantic sucker's**, who in **begging bowl** parties, try to get power via their **foes self protective** rigged voting system whereby, like a **never learning** flock of lemmings they are fooled, **oft by ZOG** (*Zion's Owned Government*) **agents**, to forever commit suicide by jumping into their leechers' ballot box. 2) The **Raver fanatic's** try to get power by armed force before having the party **economic means** and Folk sympathy to sustain their war to defeat their leechy oppressor's **state terrorism** causing the **in vain death** of many (FFFF) Folk Family Freedom Fighters and civilians and so weakening of social sympathy and their *submission into extinction*. 3) The **Realists' practical way**, *but in the beginning harder*, to co-optively regain the economic power to sustain its Folk Faithful political and cultural expression and develop the militant strength to self defensively support it against, **the to be expected** ruling leechers **state terrorism**, and thus win the backing of Our Folk's brains thru their satisfied stomach's and gain the aim of making **Our Folk victorious**.

A Party which aims to win the most functional **work proportional vote** elected Democracy (Meaning a society whose Folk Forum Reps **serve** a free people not a Parasitocracy dictatorship which as our so called servants **govern** us as a *subject people*.) must itself be functionally democratic by schooling each other with the co-operative economic, political, cultural, military self defense and security skills so it is able to use them in the society it aims to make otherwise, they could not even run a corner shop etc. to sustain a viable economy able to satisfy their race's food needs to stay alive and **will again become their leecher's slaves**. For a race needs the savvy to win the feed on which to breed. As it is not enough to win power, there must be a corporate social economic system based on democratic principles able to prevent the rebirth of corruptive parasite races etc. so e.g. Zion's mind moulding, moron making mass media must be de-monopolised, usury banking must be abolished and replaced by a Folk Bank control of the currency **which is society's life's blood**, to be only loaned against more than the like worth collateral that does not impoverish the individual or society; also the land with all other natural resources must be socially owned thru the local and national **job proportional** elected Folk Forum's Reps who as caretakers can rent out the land to *preservative* farmers and miners, plus sell natural resources, which with import taxes etc. pay for the social services and make **income tax** and its **collectors unneeded** to so cut **bureaucracy** and **free more folk to be wealth producers** instead of **leecher's flunkies**. All social defense enterprises must be socially administered whose employees incomes will be equivalent to the average like employed in all private enterprises which must, after maintenance and investment etc. costs, like the state enterprises share their profits between their employees. Those not in direct productive social employment e.g. teachers, doctors, will have like incomes, inclusive profit bonus, and conditions of work as the average employed with like skills. Self employed shopkeepers, teachers, etc. will earn their own pay and humane terms of work and get all social benefits as free health care etc. The global exchange value of the currency shall be founded on the day's top priced commodity as valued via gold's worth, and contracts shall be paid in the currency's like worth at the time of signing them, to so stabilise money's value as it shall helpfully be double anchored against currency frauds and storms plus savings will be protected against being looted thru devaluation by inflation caused by our leecher's usury forever growing compound interest. Thereby, saved money's real worth will **increase** thru higher production's price reductions, so one can buy more. For a prime cause of money's devaluation (= inflation of prices) is the sum of interest to be paid on the money that has been borrowed to make life's wares. and fight Zion's profiting imperialist holocaustic world wars and now mopping up wars e.g. in Palestine, Iraq, Afganistan etc.

WANTED Folk Loyal men and women to be £12 (OAP etc. £6) a year **PATRIOTIC PEOPLE'S POWER PARTY MEMBERS OR VOLUNTEERS** whose **main reward** will be to win our forebears' wrought and fought for homeland back from parasites and Folk Traitors and their mass imported alien leechers and cheap labour whose hid policy is to exalt their cultures and selves by burying Our Folk and culture that unitedly we must firmly reverse e.g. by using their **twisted legal rope** to choke us **to hang them before they bury us**.

Membership's basic rules are total loyalty to our party members democratic majority decided (Or in a crisis by our elected reps) ground policies of a tough dedication to one's own and folk's welfare and freedom that thru our practical alternative producer politic to the present parasite one fires a fighting spirit trained and ready to rid our streets and halls etc. of anti democratic alien loyal fanatic mobs and oust Folk Traitors etc. with their welcomed in cheap labour and shyster armies in a fight to the death for the *Human Right of Our Folk to Survive and Thrive* by making our taxes paid politicians, police etc. do their **Folk Loyal duty** of resolutely defending Our Folk's Rights to peacefully demonstrate and speak our minds thru our media, in our shops and taxed for libraries etc. without fear of being hounded from our homes, jobs and arrested, beaten, jailed, accimurdered under an undemocratic decided excuse e.g. **"Being liable to cause a breach of the peace"** to suppress Our Folk in *our forebears' wrought and fought for country* in submission to i.e. the wily Occupied Palestine loyal Khazar Capitalist and Communist Comrade Commissar Pseudo Jew **loan sharks'** made orders that we must fight and die for their vampiric usury dictated politic in democracy's name while denying our right to query the truth of their lies and support of alien rule favouring mobs etc. that cause Our Folk's need to rise to enforce life's **Natural Human Right Law** to stay alive and live in liberty by using all the needed force to proudly be and keep being **A Free Folk** by never letting **Folk Traitors** to again us yoke **with leechers** by whom we are **bled till dead** as their **cowed slavish goy mokes**

Jane's April 1978 "CHOICE" IT'S GOT TO BE STOPPED

We think there is much to be said for considering ways and means of making immigration far less attractive than it is at present. For instance:

1. Stop all £600 entry grants
- 2 Stop all claims for Social Benefits
- 3 Insist upon a substantial deposit on entry as, for instance, they dp in Jamaica and Australia
4. Insist upon a deposit of £400 in respect of each 'dependant'
5. Discontinue money now remitted overseas

6. Discontinue all tax concessions for dependant children not domiciled in the United Kingdom

We want also to take a hard look at the large number of applications for British naturalisation which are a growing feature of local newspaper columns, and call for up-to-date figures from the Home Office. Can supporters please keep a four weeks' watching brief for such applications and let us have copies from your paper(s). Another problem requiring urgent Government attention and clarification is that of the Arabs who are swarming over large parts of London, buying up hotels and residential property which they then empty and re-sell or let to their fellow countrymen who are very noisy and whose habits often leave much to be desired. We are told they are immigrants; that we must befriend their wives and teach them English. The truth, however, seems to be that a great many of them are here primarily for medical treatment in luxurious clinics and our own private hospital beds which have been denied to us by this Labour Government. Barbara Castle, when Minister of Health, paid a special visit to the Middle East to make the necessary arrangements, since when planeloads of Arab men, women and children have streamed into Britain. Meanwhile, the queue for National Health Service beds has grown longer than at any time. If private beds were available to those on the waiting list able and willing to pay for them, there would far more free beds for those unable to do so. As it is, they are occupied by foreigners while our own people are left to suffer. If this is the Government's idea of promoting good race relations, then we most certainly should withhold our vote from Labour (**and Com, Lib, Cons OV Ed.**) at any future election.

The London Islamic Turkish Association announced in Nov.1977 that it planned to add two minarets to a former synagogue in Hackney which is being converted into a mosque, and they had already asked for a muezzin - a man who chants the prayers - to be sent from Cyprus. The idea to be submitted to Hackney Council for planning permission but Mr. Ramadan Guney, founder and chairman of the UK Turkish Islamic Trust, said minarets would be built whatever the outcome from the Council's Planning Department. If people object to the noise—the call to prayer is made five times a day, starting at dawn — he will offer to buy them out and convert their homes into hostels for overseas students. (**When will our drug, booze and sex doped Folk realise they are being on a grand scale robbed of Country and Liberty.** OV Ed

It is my opinion that, **as our homeland is geographically an interdependant group of islands**, all members of a Folk Loyal **democratic** elected party should reject its **divisive bickerers (Who, wilfully or not, serve our enemies)** against each others party members instead of showing, in *Our Folk Family case*, **Welsh-Irish-Scottish-English WISE BRITISH** unity thru all actions that unite Folk Loyalists to be e.g. **British Business Battlers** who, against the ruthless invading alien pirates, defend their race's beauty plus **together** maintain and attend their cenotaph ceremonies with our oath of loyalty being **I LIVE TO LOVE, WORK, PLAY, FIGHT AND DIE FOR OUR FOLK AND LAND** so **never more** will we let **our military and Folk** be butchered for **Zionist or any other foes cause**. **Open** shops, repair etc work places to create the profits and fees to fund our old member's homes and protective legal, social, health etc.. Employing first our members then fellow Loyal Brits to cooperatively skill each other in the arts, crafts, self defence etc.. and thus end this loathsome situation of being **ourselves Traitors to our Folk Loyal Dead** by cowardly letting we and our children be dependant on being employed as **leeches flunkies to alien slave drivers**. So we must have quarterly Folk Loyalist Party leaders' national forums, etc. with the aim to provide employment for Our Folk, thru the employees co-opting of non competitive monopolies and the equaling of the producer's income to their production so they have the purchasing power to buy what they make and so get full employment and highering of their material standard of living. **As morals** make up the code of manners needed to preserve the wellbeing, health and life of ones race, our morals must include Our Folk's decided erasing of lewdities and sadisms which debase ones personal self respect **for without it there can be no social respect for others** and so no **democracy** which, due to the need to have a social order, gives rise to the **bully's dictatorship** as we have now, and our fight for freedom and justice would **have been in vain**.

The Our Country has been made a multi mixed race colony in *Zion's Global Imperium of Usury* that has lured Our Folk to the brink of extinction, via the parasites' parliament of puppet politicians etc. enforced genetic democide, Our Folk are **partly** being barred from keeping alive by some joining Folk Loyal parties for they were fooled by Zionists' Hollywood etc. thuggish propaganda into believing Fascist National Socialists (**Who were schooled to know booze and liberty are oft foes, and to be gutsy fighters against the Zionist Capitalist/Communist fooling of the working folk into bowing to Zion's thuggish enslavement of them.**) were booze brained boastful thugs, or inter bickering isolationists, so they don't even have the sober guts to show any patriotic unity by proving to be **unified Folk Loyalists** who respect Our Folk's dead **at the cenotaph** under the banner of e.g. **It is our aim to ensure they did not die in vain for Their Folk and Country.** (e.g. In Iraq or Aghanistan for **Zion's** aims.) Or it will be as W. Churchill said against the wrong foe, that I've changed a bit to our day's plight. **"You had the choice between action and apathy You chose apathy, and you have got ethnic-cum-race war. You would not fight for Our Folk's survival when you could have easily won without bloodshed; now if you do not fight when your victory could be sure and not too costly; a time will come when you must fight with all the odds against you and have only a dodgy chance of survival. There may even be a worse case. You may have to fight when there is no hope of victory, for it is better to perish than to exist as slaves."**

It is time **True Christians** realised Christ was an **Anti Parasitist** who **did not Turn the other cheek or Love his enemies** as shown by him gutsily driving the parasites out of the temple and say "Any who abuse a child, should have a millstone put around their neck and be dumped into the sea" For which acts and proverbs he was crucified by the Self God Chosen who think Christ is the **most monstrous Anti Semite**, to such a degree of hate as to forbid the *Christphobics* to speak his name and it would cause an uproar if Jesus was said in a synagogue

Now, to rid our homeland of alien parasites and their viler Folk Traitor shite plus their mass imported multi race legions of alien Capitalist cheap labour and spongers in Socialism's name we must end their imposed on us multi cultural inflictions as: **Hinduism's** Religious Ritualised Rape by Forced and Child marriages; Inherited caste system; Widow burning; Animal worship. **Islam's** Sharia Law's Death penalty for adultery and homosexuality, amputations for theft, flogging for fornication or public intoxication. Cruel animal butchery. **Voodooism's** Animal and its pervert's human sacrifices. **Zionism's** Pseudo Jew Khazar Self Sanctified God Chosen Racists **hijacked** and secularised **Judaism**, used **as a front** for their usury etc. to leech us to death, as cruelly as their animal butchery. **Against** which, I first urge an active economic driven politic to win the Victory of Our Folk's Liberty. For, if we win the economic battle to build our arts, crafts, business skills we can oust the aliens by economic laws as President V.V.Putin made in Russia i.e. "Only ethnic Russians can own shops and other businesses. As Invaders do not come for they love and wish to benefit us, **they come to get rich by robbing us of our work's made and land's wealth,** and will return to their lands, with any help we need to give reluctant, if we deny them any economic power. **Folk Traitors** must **hang** for their intent to cause **Our Folk's bloody death plus having caused the hideous murders of many of Our Folk.** Any thinking this is harsh may be, *unmeant*, **traitors** who **help** to cause the **only sure option The bloody slaughter of Our Folk by the alien invaders.** For this **ZOG** regime, thru its **utopia conned** thugs, (Many of whom will **too late awake** to being **Zion's** leeches.) and control of the economy, media etc. plus help from their **viler Folk Traitors**, take advantage of our many **naively kind Folk**, who as **suckers for their leecher's sob stories**, they keep cowed and fooled, to **stop** us getting free from **ZOG'S** democidal yoking and choking of Our Folk.

Friends! I end with the hope, before I am gone into the unknown yon, that I leave you useful ideas to win **Your Own and Our Folk's freedom** from the ruthless paranoid megalomaniac self sainted God Chosen elitist racist tribe of sly Pseudo Jew Khazar Capitalist and Communist Comrade Commissars who have **hijacked Judaism** and with viler **Folk Traitors** turned by **State Terrorism** Our Folk, *by the* Norman Conquest **cruelly** pacified into class caste flunkey ranked subjects, to now be **cowed** collaborators **erving Zionism**, that has led Our Folk to the **edge of extinction** by Zion's **multi mixed race** enforced **genetic democide** and genetically stamped on the **physical/mental** features of Our Folk, **an act of treachery of such enormity, beyond any writer's wildest fantasy**, which Our Folk can only end by strict breeding laws, for **if it's too late** for Our Folk to **self purify** we must breed our **Best Folk** to build a **New Britain**, not a **New Jerusalem** which **job** is the **Pal-estini-ans** who, as us, are natives unprotected against democide by **Zion's usury shackled SC\UN** contrary to its charter's pledges. **So now**, we are in *our leecher's* lit **Total War** to **forever decide** Our Folk's **To Be or Not To Be** *May Our Folk Family Freedom Fighters will to smite Parasites and Folk Traitor shite prevail in our fight against any trying to make us hate and betray our race and as slaves bow to theirs*

FOLK FORUM for letters and articles fostering *United Folk Patriotism's Strength* for **UNITED WE WILL LIVE AND DIVIDED WE WILL DIE** and it's urgent to help stop Our Folk being in a few years dodoed into oblivion by alien loyal democidic ethnic extincers driving us to commit Folk Suicide by multi mixed race genetic genocide to be cheap labour and cannon fodder in our country now a colony in the paranoid megalomaniac Self Sanctified "God Chosen Race" Pseudo Jew Indo-Turk Khazar Capitalist and Communist Comrade Commissars' World Webbed Imperium of Usury helped by their bought and viler flunky Folk Traitors who our forebears would have rightly shot and cast out their invited invaders for Folk Traitors are life's worst scum, foulest of foes and most heinous of racists for they gladly betray their kin and Folk Family to be sapped then bloodily annihilated in favour of a ruthless alien race of parasite dictators who live by bleeding till dead the producers for the fruits of their work thru ruling over their mass medias' penned sheepish flock of toady collaborators whose cowardly way of trying to please our insatiable leechers is causing Our Folk's oblivion that we can only end by being a Folk Faithful unity of devoted activists with the wits and guts to when able with all non self destructive means take control of our economy to get the military, political, cultural power without waiting for a messianic leader to win the majority of our kinfolk's hailing of Our Loyal Folk's Victory to survive and thrive forever freed from this class caste flunkey ranked slavery for we prefer to fight to make the parasites commit their own suicidal Final Solution by we economically etc. helping fellow producers to win the inevitable Decisive Conflicts to live and die worthily freed from slavery in a Grimm's mass media mind muddled and Pied Piper led into Carrolls' Wonderland believing our leechers lies as in Andersen's "The Emperors New Clothes" while existing on an Orwellian "Animal Farm" as unequally equal guinea pigs in a scientific social psychology run lab, propagandised to think we live in a democracy anthening "God Save Royalty" having been Big Boss carrot and stick driven to exist on booze, porn and balls to be cattelised, lovelessly lab bred, cloned, biocomputerised peanut paid en-gene-ered robotic slaves vacuously serving a leechy tribe of elitist parasites as their conned toady idiots used to gain their world power aims as a self haloed God Chosen Race and Churchill's ("Popular Science" June 1925)? writ wish that maybe made Huxley novel it in his "Brave New World" which is evolving rapidly

OUR CAUSE Like other parties in history we the *Patriotic People's Power Party (PPPP)* were born to fight for Our Folk's desire to survive and thrive by destroying the evil threatening to exterminate us against which we shall use our media etc. to foster as our name betokens Folk Loyal Nationalism i.e. Folk Family Unity or Folk Fascism which name the puppets of Zionism (**Parasitism, Racism and Imperialism's peak**) can call we giving us no shame for it is one of the few names that **embodies an anti parasite politic that the leechers express fear of** as most others e.g. Conservative, SWP, Labour, Communist are just our leechers' loving carrot and stick parties whom as their money masters' voices howl against Fascism in their phony democracy's name ironically snorting against our urged Populism i.e. *Sober Majority Folk Willed Rule (The only real democracy)* that they attack thru their medias' daily lies against us now backfiring on them to give us good free publicity that is winning over their disaffected who less vote for the cosmopolite parasites' puppets and are rightly turning to us saying *As you Fascists are our parasites' most feared foes then you must be we producers best friends who say we must bury our leechers to the reign over our made wealth gain.* This Folk Positive Propagation trend is making our Folk Traitor rulers tear out their hair in despair for in their haste to bury Our Folk Identity that unifies us in our fight against being suicidally genetic genocidally etc. bred into multi mixed race cheap labour they make draconic laws against us and abusively call our Folk Patriotic Civil Servants, Military, Police "**Institutionalised Racists**" for as Europeans having, like all true Orientals, Africans, Asians etc. healthy natural species of life an instinctive self preservation **Natural Patriotism** to serve and preserve their Caucasian kith and kin for which cause the PPPP exist aware that we will be ruthlessly opposed by our treacherous foes who like we must fight (**As nature only accepts those having the strength to exist**) to decide whom will rule in our land the Parasites as Our Folk's exterminators or we Producers as Our Folk's propagators **So Parasites, Folk Traitors, Toady Collaborators** heed this warning: **The Souls of Folk Patriots** you hunt, torture and murder expect their kinfolk to avenge them as they would them in *this holiest of wars you started for Our Folk to be or not to be* **LIVING AS A FREE FOLK ETERNALLY**

OUR AIMS The survival of our lands' genetic, history, cultural, geo united Folk needs the undivise strength of an ethnic (**W**)elsh(**I**)rish(**S**)cots(**E**)nglish run and owned **Republican Confederal Britain** with a united outer military, economic, political, cultural defence based on the max inner unity of **Competitive Producers'** anti usury/pollution run cooptivist industries; **Humane** social welfare; **Co-ordinated** laws for Our Folk's best (*Or we can be divided and conquered*) to reduce crime etc. For which the Irish need to unite before cosy chaired "Good Doers" and Folk Traitors (*Who even con their kin by claiming to be Folk loyal Socialists whom they stab in the back by greeting more Capitalist leechy aliens in*) make the Irish **bury themselves - As duped Brits in other parts of Britain are doing - unless the leechers are rooted or as needed booted out** by our retrieving the wealth they robbed from Our Folk to pay their transport home. "**Nazis steal our hard earned wealth**" We hear the sly leeches wail. **That the pitiless robbers gloatingly bled out of their bled till dead pauperised producers.** Ref: **The EU etc.** We are for a world money but not one worthed by leechy Soro speculators who bleed countries into being their colonies and, **as if sheep,** fleece the producers of their work's worthed money, so we urge Our Folk to **KEEP** and **DO AS THEY LIKE** with **THEIR WORK'S MADE MONEY**

OUR VOICE As a media of the PPPP = PATRIOTIC PEOPLES POWER PARTY so you can help us be viable TO VOICE OUR FOLK'S WILL we ask Folk Loyal organisations and persons to buy their legally responsible say and so add YOUR VOICES to make "OUR VOICE" heard on most anything (*With a truly named etc. SAE to be kept secret and only published as you say and per word and number pay for*) in notice, articles, letters etc. that will stay the author's copyright outside their use by "OUR VOICE" and its affiliated. **Verified Paid** ads got after 1 week before our publication will most likely have to wait for the next publication. **Ads discounts** = 15% between 5 to 25; 25% to 50; 35% for any over 50 issues of "OUR VOICE" whose public sale price + **add any post cost** is 50p; a 12 issue subscription £10; **Bulk buying** discounts = as the above Ads. **Half of early returned issues** will be refunded **Overseas Buyers and Advertisers** need only add the air or sea postage costs to the above stated prices and pay us in British money by Travellers' Cheque < **This c. sized 187 words** at our VAT incl. price of 25p per word/number (*c. 75% less than other papers*) would cost **£46** + £2.pw for a BOX NR. to be paid only by **cheque or PO** (*Cartoons, pictures, styled adverts etc. will be at consulted prices*) At postage cost all pw mail can be posted to the advertiser

Any articles sent (We may publish anonymous ones **the senders hereby knowing they will lose their payments** if we do not publish them) will only be published by "OUR VOICE" or its affiliates if their editors think them within their mores and acceptable to their FOLK LOYAL readers who as we accept that life is the strife to survive and thrive even among the human race made of history's evolved life enriching many varied cultures, tongues, races, ethnics that to feed etc. their growing folk numbers are territorially etc. expansive so we must each be co-operatively protective of own survival and maybe our evolved continuity in a confederal world order thru a peaceful merger of economies, tongues, cultures etc. for which reasons we will resist any favouring of life's most ruthless predators i.e. **Parasites and Folk Traitors** who for self profit spread their **folk debase and erase** perversities resulting in the deadly AIDS whose sodomic carriers are kept alive to more spread love's death and fairly dance on the streets demanding (**From our parasite yoked folk who dare not against them talk**) more Human Rights to murder Humanity plus we have **MAD COW DISEASE** ETC. (Factualising the old saying: "**WHOMEVER THE GODS' WISH TO DESTROY THEY FIRST MAKE MAD**") and the agitating of the world's races etc. against each other to divide and conquer us and make us peanut paid multi mixed race cheap labour and cannon fodder slaves serving a leechy anti social welfare usury bred and fed self sanctified "**GOD CHOSEN RACE**" of **PSEUDO JEW KHAZARS** whose **DEMOCIDIC PROPAGANDA AND DRACONIC ANTI FOLK POWER LAWS ETC. PLUS IN WORK AND IN WORK AND WARS BEING BLED UNTIL DEAD FOR THEM** have weakened many of Our Folk's wills to survive and thrive and so they must be revived out of their suicidal sickness by eliminating our mind poisoners as ruthlessly as they do any sucker folk that swallow e.g. **THE PITILESS PSEUDO JEW KHAZAR CAPITALIST AND COMMUNIST COMRADE COMMISSARS'** WAILING WALL ANTI-RACISM BULL of contradictively (*For they have over many generations bled billions of us until dead as usury bred and fed leechy rulers that they fervently deny despite it being an obvious truth seen in their owning most of the world's top businesses, art works etc. which were leechd from their suckered folk on earth - not got from a god in heaven*) being a persecuted "**God Chosen Race**" that clearly makes their god a racist bigot So any betrayal of our military etc. dead and other undermining of our folk e.g. by favourably publishing our leechers' import of cheap labour (**As only in need will we let aliens be our advisers never Our Folk's supervisors or sports' etc. reps. for if we can't fight to win life's battles then we should be museum stuffed as a dodo folk**) will be tabu and if done will end the editors job as decided by "OUR VOICE" etc. Elected Guardians for going against their party etc. founders' wishes to preserve Our Folk by winning back control of our economy and so military, political, cultural power to revive Our Folk's natural lust to strife to survive and thrive that is secured by being soul bonded in **Our Folk Patriotic Politic that is religiously spirited in Our Folk Church Schools** *AS OUR INSULATION AGAINST ISOLATION AND EXTERMINATION*

*This is a FREE OPINION PAPER whose writers and editors are only legally responsible for their given views so if the above is to 'good doers' etc. a too raw sketch of the causes of Our Folk being led down Suicide Rd. and how to change it by burying Folk Traitor rulers (If not too late) to turn Our Folk from the edge of extinction then let aliens bury the fools who have Patriots hunted, jailed, tortured, killed for trying to warn Our Folk via e.g. "Our Voice" which as other Brit media is banned by Folk Traitors from libraries, shops, etc. that boast **AntiBrit** African, Asian, Jewish etc. media*
