## BURNING BELIEFS

Tho it was an aim of Christians to convert 'Jews', they eluded it by seizing the money might to get world power by which the 'Jews' perverted the 'Christian' clergy into a Folk Traitor herd of toady turds, who bless the work and war fodder lured to die for Zionism.

**For Jew, please read Pseudo Jew Khazar Capitalist and Communist Comrade Commissar OV Ed**  
"What is the profane basis of Judaism? Practical need, self interest. What is the worldly cult of the Jew? Haggling. What is his worldly god? Money. The god of the Jews has been secularised, into (Zionism OV Ed.) and has become the god of this world. The bill of exchange is the real god of the Jew. His god is only an illusory bill of exchange. Very well: then in freeing itself from the swindlers' huckstering and usury, and thus from real and practical Judaism, humanity would free itself. Money is the jealous god of Israel, beside which no other god may exist. Money abases all the gods of mankind and changes them into commodities. Money is the universal and self sufficient value of all things. It has, therefore, deprived the whole world, both the human world and nature, of their own proper value. Money is the alienated essence of man's work and existence; this essence dominates him and he worships it. That which is contained in an abstract form in the Jewish religion - contempt for theory, for art, for history, and for man as an end in himself - is the real, conscious standpoint and the virtue of the man of money. Even the species-relation between man and woman, becomes an object of commerce. Woman is bartered. {Whored OV Ed.} The chimerical nationality of the Jew is the nationality of the trader, and above all of the financier. Its from its own (Money borrowers and Folk Traitors OV Ed.) bowels that usury driven society ceaselessly begets the Jew." Karl Marx 1818-83 (Is his truth Anti Semitism OV Ed)

**Jane's 1979 6th WINTER EDITION "CHOICE" ANTI-INVASION ARGUMENTS**

1. We were never consulted as to whether we would accept a multi-national invasion.
2. We have given no mandate to any British government to change our national identity.
3. We strongly suspect the immigrants have also not been told the reason for their admission to Britain.
4. 85% of the indigenous population have consistently opposed the immigration policy through a succession of public opinion pools, the latest one being MARPLAN published on 31st October, 1978 and reproduced on this page.
5. Britain was already the second most heavily populated country in the world when the invasion started.
6. Britain can only properly feed 30 million people. Today we have 55 million.
7. The enormous cost to the taxpayer of the invasion.
8. For 10 years coloured immigrants have been singled out by the entire Establishment for 'positive discrimination'.
9. Homelessness and housing queues have reached an all-time peek. Multi-occupation for profit is illegal and constitutes a grave health risk.
10. Overmanning together with job creation and a range of training schemes for youngsters are officially being used to conceal the true number of jobless. Without the invasion none of all this would be necessary and our own people could be at work.
11. The police are constantly and publicly criticised and accused of bias by blacks and other ethnics despite immense efforts by the police to improve relations. We object strongly to the police being harassed in this way by disgruntled aliens aided and abetted by e.g. Black Power activists.
12. Our children are not receiving proper education in multiracial schools.
13. We question the methods and resources by which Asians are enabled to buy so many sub-post offices, newsagents and chemists throughout England. What role do local councils and mortgage societies play? Is there no unseen official pressure to establish these immigrants as shop keepers so that they not only acquire accommodation but can also employ their relatives and friends at low rates of pay or no pay at all, thereby enabling the latter to claim State benefits?
14. Alien customs, 'cultures' and religions creat innumerable problems for Britain rather than enrich our society as the Establishment is so fond of claiming.
15. We strongly object to immigrants being exempted from existing legislation or preferred in new laws, i.e. the 3 Race Acts which have all markedly favoured the coloured people whilst at the same time inhibiting our own freedom of speech and choice where immigration and race relations are concerned. *No ethnic minority must be above the law of this land. These reasonings caused by Folk Traitors, have by past and to be expected future terrorism been more validated.* *OVEd*

### Serialized extracts from (1992) PPPP's manifesto The Justicians' Millenia 2000 A.D.+ ( ISBN 0952971917 Economics

31) Folk Pension age, for men and women, shall be 65, and their pension shall equal 65% of the best year of their last 8 year's income; anyone whose so reckoned pension is below 65% of the Social Average Take Home Income = S.A.T.H.I. shall have a, socially paid, topped up pension { Foreign work earned pensions being the only others allowed. } equal to 55% of the S.A.T.H.I., if their reckoned pension is below 55% of S.A.T.H.I., unless they have a compensatory gradable de-productive disability wherefore they shall be paid up to 65% of the S.A.T.H.I. e.g. If your best year of the previous 8 year's earnings are between 55% and 65% of the S.A.T.H.I., then your pension shall be the same unless you are disabled and so get a top up pension relative to your disability's grade. Unless any of pension age is, by qualified doctors, certified unfit to work, nobody shall be obliged to be pensioned and so cannot be sacked without fair cause, and shall have a pay rise of 7% as long as they can be productively employed. For a parasiteless society will need all the folk loyal producers it can creatively employ, to pay for the best schooling of its children, caring for its sick etc. and most healthy folk prefer to live longer as happy, part or full time, worthy producers, than be bored to death as aimless pensioners, who by alien rulers are even denied the right to freely choose, if of sound mind, their ethnic or religious help, company etc. **which basic human right** Folk Fascism will return to them.

(32) As we humans are the principal means of production, whose work makes the fruits for our living, it is only economic and political sound sense to socially invest in our education and health, so that we are kept in good physical and mental health, to make a healthy and productive etc. economy for a safe and happy life; therefore our lifelong basic needs, such as schools, hospitals, colleges etc. and their needed equipment shall be socially provided by Local Folk Forums according to the Confederal/National Folk Forums' set basic standards, as their need and sustainable economic etc. viability is decided by the Local Folk Forums and their respective Local Medics, Teachers etc. Co-operatives, to foster ourselves into being the most democratic, happiest and best consumer/producers, favouring the fostering of humane souls and wise minds.

(33) As it is the material goods made to the consumers' desires by the direct producers e.g. farm and industrial workers, engineers, scientists, artists etc., whose consumer accepted prices for their wares give the Folk their mentally grasped evaluation of a money's real purchasing power, then the social employed indirect producers e.g. nurses, doctors, teachers, rates of pay and conditions of work shall be the index linked average, between the co-optimely and self employed in like work. e.g. the Folk Forum employed doctor, engineer, nurse, scientist, bus driver, artist, teacher etc., shall get the average hourly pay of their - Folk School exam decided - equally qualified and like employed private and co-operative doctor, engineer, nurse, bus driver, teacher, etc.; for their competitively won income is a measure of the folk's demand for their work, which shall be the Folk Valuation of their fellow Social Servants' worth, for their relative quantitative and qualitative results, after any differences of conditions etc. are taken into account, to give all producers equal pay for equal work. Thus checking the e.g. "Employ My Pal" growth of a bureaucratic bog with two, three, four etc. of social employed doing only the same amount of work as a single co-optive or self employed doctor, engineer etc.; so if a staff of social servants do only half of a like number of co-optive and self employed in the same work and conditions, then they only get half their average income. Thus lancing any cancerous growth of ever increasing numbers of secure employed, paid, seated and conceitedly dictatorial, with ruling class aped arrogant accents, gobbly- looking uncivil servants, whose ever declining productive work makes them relatively parasitical. This should help the rise of folk friendly and highly productive Social Servants and keep the direct and indirect producers in economic harmony to prevent them being divided against each other, which fosters cheap labour, that the parasites naturally exploit to grow on and rule over their captive victims, who are so harnessed to serve the parasites they think they are fighting, and so are easier bled until dead.

34) To help end the history of the ruling parasite's inschooled class structure of - folk taxed for - privileges, giving Teachers, M.P.s etc. paid long holidays etc. as compared with other producers, their times and terms of work shall be, as fairly practical as possible, as all other producers'. And, except for their school study essentials, e.g. books, premises, equipment, any exam won, above compulsory school, students will get no subsidies, grants, loans etc; instead they shall be given a socially decided fair living wage and holiday pay equal to the average non student producer of like age group and earned grades of skills in their work, and the students who qualify for a curriculum's final diploma within the Folk School Forums allotted time shall be rewarded with 1/3 of a years pay. Students who do not gain a degree at their first sitting may re-study for half of their curriculum's time and if they then do not gain their diploma, they shall have to be productively employed, in any honest paid work, for 2 years before they can sit for an exam again to get social paid study. All graduates must first try to be employed, for at least three years, in any subject they are degreed for, unless circumstances compel them to get employment in other paid productive work, before they can sit for any other degree. Thus, helping to prevent the growth of an idealist and aloof academic class, who have no socially productive verification of their theoretical knowledge and tend to think that work is too demeaning for them to do, as they stuff their parrot brains with facts and figures and produce nothing to pay for their living; making them live on the work of others and so are parasitical. Instead, society must uproot the feudal class accented mentality from the class room by democratically teaching e.g. phonetics; Folk History; debating; to foster realist and diligent Folk Fascist producers, who gain pride from earning their studies as Folk Students who do not think any work is too low for them, and can socially stand on their own feet by paying for their own keep etc. and thereby can help their folk to do so, having self-earned their folk's diploma merited respect to be their qualified advisers; thus ending the rearing of feudal class minded, bourgeois idealist students, who parasitically lout about on social grants and parents' payments etc. vainly presuming that they have the maturity of knowing life and its economic and political science's realities for they have a little wordy { **Not worldly.** } knowledge of their theories, and so think they can be the producer's leaders, with which arrogance the know-all's prove their immaturity and are easily wield by realistic parasites to agitate, as rabid rabble partys. for utopic politics that cause the slaughter of countless millions of soldiers and civilians in holocaustic wars, causing grimmer folk poverty and enslavement of the producers, that only the usury arisen and driven mass murder munition making ghoul's gain more power from, as they make the surviving bourgeois student 'Socialists' age into sour reactionaries who, as grovelling turncoating toadies, support and work for the parasites.

**By their acts you know them.** Due to an historical and biological growth of varied Folk Family cultures it may take a long time before they are agreeable, by establishing **Folk Fascism - A democracy, electorally decided from bottom up to be free from and bury all thieving parasites.** by getting free from (1) **Capitalism** - A plutocracy, diversely dictated from the top to max rob the workers. Bury your leechers, history's slyest conners. TO BE FREE**

**HELLO READER** We are only responsible for our articles etc. others herein are for their responsible or like Jane's are in honour of them for being a Folk Patriot until their death. Whatever pedantics think about my grammar I hope you clearly grasp what I say about which you are free to payfully use Your Voice in "Our Voice" to write, if you stay in our Folk Family norms of decency and is not insulting of anyone e.g. intrusive on their private life which is not against the criminal law or their social stated morals, otherwise you get your money back from this pioneering paper, which as an open Folk Forum gives payers the means ( By we being viably cheap with only entrants proved too poor to pay being dependent on the editor ) to publicly say their opinions on anything in this paper's Economics; Country; Culture; Health; Home; Politics; Travel; Sport etc. sections **About** its section place, entrants must trust the Editors' layout decision. **The ethnic** media e.g. Asian Times; The (Caribbean) Gleaner; Jewish and Muslim Chronicles; The Voice ( Headlined as being **"Britains Best Black Paper"**) rightly support their kind, faiths etc. but under the Parasites' and Folk Traitors' vile propaganda media made hostile social climate ( *That has cowed Our Folk to accept alien control of our economy and so military, political, cultural dictatorship of our country*) these papers, books etc. are in libraries and sold in shops while true **Folk Loyal British** ones are accused of racism etc. for supporting, as do the alien media, their folk and **banned** in Free Speech's name, to choke us to death against which "Our Voice" etc. will fight to the death. Wily *Alien Racists* call us racists to exalt their race and stop us from seeing nature has bred many races with richly diverse ethnics, cultures, giving Africans, Asians, Caucasians, Orientals a natural pride in their forebears and so defend their race, culture, land etc. as nature's raw law says: **Any specie unfit to live does into death flit**. So as all healthy races we defend ours but don't brazenly assume we are a superior **God Chosen Race** picked to rule the world, as do the megalomaniac phoney semite, pseudo jew, anti-goyite, paranoid Zionist bigots via their repulsively offensive Eliitist Racism.

**FOLK FORUM** for letters and articles fostering United Folk Patriotism's Strength for **UNITED WE WILL LIVE AND DIVIDED WE WILL DIE** and it's urgent to help stop Our Folk being in a few years dodged into oblivion by alien loyal democidic ethnic extinters driving us to commit Folk Suicide by multi mixed race genetic genocide to be cheap labour and cannon fodder in our country now a colony in the paranoid megalomaniac Self Sanctified "God Chosen Race" Pseudo Jew Indo-Turk Khazar Capitalist and Communist Comrade Commissars' World Webbed Imperium of Usury helped by their bought and viler flunky Folk Traitors who our forebears would have rightly shot and cast out their invited invaders for Folk Traitors are life's worst scum, foulest of foes and most heinous of racists for they gladly betray their kin and Folk Family to be sapped then bloodily annihilated in favour of a ruthless alien race of parasite dictators who live by bleeding till dead the producers for the fruits of their work thru ruling over their mass medias' penned sheepish flock of toady collaborators whose cowardly way of trying to please our insatiable leechers is causing Our Folk's oblivion that we can only end by being a Folk Faithful unity of devoted activists with the wits and guts to when able with all non self destructive means take control of our economy to get the military, political, cultural power without waiting for a messianic leader to win the majority of our kinfolk's hailing of Our Loyal Folk's Victory to survive and thrive forever freed from this class caste flunkey ranked slavery for we prefer to fight to make the parasites commit their own suicidal Final Solution by we economically etc. helping fellow producers to win the inevitable Decisive Conflicts to live and die worthily freed from slavery in a Grimm's mass media mind muddled and Pied Piper led into Carrolls' Wonderland believing our leechers lies as in Andersen's "The Emperors New Clothes" while existing on an Orwellian "Animal Farm" as unequally equal guinea pigs in a scientific social psychology run lab, propagandised to think we live in a democracy anthening "God Save Royalty" having been Big Boss carrot and stick driven to exist on booze, porn and balls to be cattleised, lovelessly lab bred, cloned, biocomputerised peanut paid en-gene-ered robotic slaves vacuously serving a leechy tribe of elitist parasites as their conned toady idiots used to gain their world power aims as a self haloed God Chosen Race and Churchill's ("Popular Science" June1925?) writ wish that maybe made Huxley novel it in his "Brave New World" which is evolving rapidly

**(2) OUR CAUSE** Like other parties in history we the Patriotic People's Power Party ( PPPP ) were born to fight for Our Folk's desire to survive and thrive by destroying the evil threatening to exterminate us against which we shall use our media etc. to foster as our name betokens Folk Loyal Nationalism i.e. Folk Family Unity or Folk Fascism which name the puppets of Zionism ( **Parasitism, Racism and Imperialism's peak**) can call we giving us no shame for it is one of the few names that **embodies an anti parasite politic that the leechers express fear of** as most others e.g. Conservative, SWP, Labour, Communist are just our leechers' loving carrot and stick parties whom as their money masters' voices howl against Fascism in their phony democracy's name ironically snorting against our urged Populism i.e. **Sober Majority Folk Willed Rule ( The only real democracy )** that they attack thru their medias' daily lies against us now backfiring on them to give us good free publicity that is winning over their disaffected who less vote for the cosmopolite parasites' puppets and are rightly turning to us saying **As you Fascists are our parasites' most feared foes then you must be we producers best friends who say we must bury our leechers to the reign over our made wealth gain**. This Folk Positive Propagation trend is making our Folk Traitor rulers tear out their hair in despair for in their haste to bury Our Folk Identity that unifies us in our fight against being suicidally genetic genocidally etc. bred into multi mixed race cheap labour they make draconic laws against us and abusively call our Folk Patriotic Civil Servants, Military, Police **"Institutionalised Racists"** for as Europeans having, like all true Orientals, Africans, Asians etc. healthy natural species of life an instinctive self preservation **Natural Patriotism** to serve and preserve their Caucasian kith and kin for which cause the PPPP exist aware that we will be ruthlessly opposed by our treacherous foes who like we must fight ( **As nature only accepts those having the strength to exist**) to decide whom will rule in our land the Parasites as Our Folk's exterminators or we Producers as Our Folk's propagators **So Parasites, Folk Traitors, Toady Collaborators** heed this warning: **The Souls of Folk Patriots** you hunt, tor-ture and murder expect their kinfolk to avenge them as they would them in this holiest of wars you started for Our Folk to be or not to be **LIVING AS A FREE FOLK ETERNALLY**

**(3) OUR AIMS** The survival of our lands' genetic, history, cultural, geo united Folk needs the undivise strength of an ethnic (Welsh(Irish)(S)cots(E)nglish run and owned **Republican Confederal Britain** with a united outer military, economic, political, cultural defence based on the max inner unity of **Competitive Producers'** anti usury/pollution run cooptivist industries; **Humane** social welfare; **Co-ordinated** laws for Our Folk's best ( *Or we can be divided and conquered* ) to reduce crime etc. For which the Irish need to unite before cosy chaired 'Good Doers' and Folk Traitors Who even con their kin by claiming to be Folk loyal Socialists whom they stab in the back by greeting more Capitalist leechy aliens in ) make the Irish **bury themselves - As duped Brits in other parts of Britain are doing - unless the leechers are rooted or as needed booted out** by our retrieving the wealth they robbed from Our Folk to pay their transport home. **"Nazis steal our hard earned wealth"** We hear the **sly** leeches wail. **That the pitiless robbers gloatingly bled out of their bled till dead pauperised producers**. Ref: **The EU** etc. We are for a world money but not one worshed by leechy Soro speculators who bleed countries into being their colonies and, **as if sheep**, fleece the producers of their work's worthied money, so we urge Our Folk to **KEEP** and **DO AS THEY LIKE** with **THEIR WORK'S MADE MONEY**

**(4) OUR VOICE** As a media of the PPPP = PATRIOTIC PEOPLES POWER PARTY so you can help us be viable **TO VOICE OUR FOLK'S WILL** we ask Folk Loyal organisations and persons to buy their legally responsible say and so add **YOUR VOICES** to make "OUR VOICE" heard on most anything ( *With a truly named etc. SAE to be kept secret and only published as you say and per word and number pay for* ) in notice, articles, letters etc. that will stay the author's copyright outside their use by "OUR VOICE" and its affiliated. **Verified Paid** ads got after 1 week before our publication will most likely have to wait for the next publication. **Ads discounts** = 15% between 5 to 25; 25% to 50; 35% for any over 50 issues of "OUR VOICE" whose public sale price + **add any post** cost is 50p; a 12 issue subscription £10; **Bulk buying** discounts = as the above Ads. **Half of early** returned issues will be refunded

**Overseas Buyers and Advertisers** need only add the air or sea postage costs to the above stated prices and pay us in British money by Travellers' Cheque < **This c. sized 187 words** at our VAT incl. price of 25p per word/number ( *c.75% less than other papers* ) would cost **£46 + £2.pw** for a BOX NR. to be paid only by **cheque or PO ( Cartoons, pictures, styled adverts etc. will be at consulted prices )** At postage cost all pw mail can be posted to the advertiser

**(5) Any articles sent** ( We may publish anonymous ones **the senders hereby knowing they will lose their payments** if we do not publish them ) will only be published by "OUR VOICE" or its affiliates if their editors think them within their mores and acceptable to their **FOLK LOYAL** readers who as we accept that life is the strife to survive and thrive even among the human race made of history's evolved life enriching many varied cultures, tongues, races, ethnics that to feed etc. their growing folk numbers are territorially etc. expansive so we must each be co-operatively protective of own survival and maybe our evolved continuity in a confederal world order thru a peaceful merger of economies, tongues, cultures etc. for which reasons we will resist any favouring of life's most ruthless predators i.e. **Parasites and Folk Traitors** who for self profit spread their **folk debase and erase** perversities resulting in the deadly **AIDS** whose sodomic carriers are kept alive to more spread love's death and fairly dance on the streets demanding ( **From our parasite yoked folk who dare not against them talk** ) more Human Rights to murder Humanity plus we have **MAD COW DISEASE** ETC. ( Factualising the old saying: **"WHOMEVER THE GODS' WISH TO DESTROY THEY FIRST MAKE MAD"** ) and the agitating of the world's races etc. against each other to divide and conquer us and make us peanut paid multi mixed race cheap labour and cannon fodder slaves serving a leechy anti social welfare usury bred and fed self sanctified **"GOD CHOSEN RACE"** of **PSEUDO JEW KHAZARS** whose **DEMOCIDIC PROPAGANDA AND DRACONIC ANTI FOLK POWER LAWS ETC. PLUS IN WORK AND IN WORK AND WARS BEING BLEED UNTIL DEAD FOR THEM** have weakened many of Our Folk's wills to survive and thrive and so they must be revived out of their suicidal sickness by eliminating our mind poisoners as ruthlessly as they do any sucker folk that swallow e.g. **THE PITILESS PSEUDO JEW KHAZAR CAPITALIST AND COMMUNIST COMRADE COMMISSARS'** WAILING WALL ANTI-RACISM BULL of contradictively ( *For they have over many generations bled billions of us until dead as usury bred and fed leechy rulers that they fervently deny despite it being an obvious truth seen in their owning most of the world's top businesses, art works etc. which were leeches from their suckered folk on earth - not got from a god in heaven* ) being a persecuted **"God Chosen Race"** that clearly makes their god a racist bigot So any betrayal of our military etc. dead and other undermining of our folk e.g. by favourably publishing our leechers' import of cheap labour ( **As only in need will we let aliens be our advisers never Our Folk's supervisors or sports' etc. reps. for if we can't fight to win life's battles then we should be museum stuffed as a dodo folk** ) will be tabu and if done will end the editors job as decided by "OUR VOICE" etc. Elected Guardians for going against their party etc. founders' wishes to preserve Our Folk by winning back control of our economy and so military, political, cultural power to revive Our Folk's natural lust to strife to survive and thrive that is secured by being soul bonded in **Our Folk Patriotic Politic that is religiously spirited in Our Folk Church Schools AS OUR INSULATION AGAINST ISOLATION AND EXTERMINATION**

**(6) This is a FREE OPINION PAPER** whose writers and editors are only legally responsible for their given views **so if the above is to 'good doers' etc. a too raw sketch of the causes of Our Folk being led down Suicide Rd. and how to change it by burying Folk Traitor rulers ( If not too late ) to turn Our Folk from the edge of extinction then let aliens bury the fools who have Patriots hunted, jailed, tortured, killed for trying to warn Our Folk via e.g. "Our Voice" which as other Brit media is banned by Folk Traitors from libraries, shops, etc. that boast AntiBrit African, Asian, Jewish etc. media** (7) Please send ads and donations as all payments to our cause by recorded post to **F.P.
