House of Commons, London, SW1A OAA 26/1/79

Dear Mrs. Brown,

Thank you for your recent letter about male fiances. I cannot understand your remarks about no definite policy. Mr. Whitelaw made it clear at Leicester last April and I made it clear at the Conference last October we would not allow male fiances and husbands in. I enclose a copy of my speech. The question of adequate housing and funds for would-be immigrants is one I am pursuing with the Minister at the moment. I suspect it is a question of enforcement rather than changing the law. Yours sincerely, Keith Speed

Keith Speed Esq., R.D., M.P., House of Commons, London, SW1A OAA. 31/1/79

Dear Sir, I thank you for your letter of the 26th inst., enclosing a copy of your speech made last October, and cannot understand why you have omitted to mention the Conservative policy on polygamous wives and families, about which I specifically asked. I notice that Mr. Whitelaw did not mention this subject in his speech on Conservative policy last April. You both seem afraid to bring this matter forward.

I am glad to know that the Conservative Party will stop male fiances and husbands coming into this country, which privilege has already been so flagrantly abused, but unfortunately far too many Asians have gained admission here by this ruse and we are stuck with them.

I must say I was highly amused to read your statement that most immigrants know that "one does not get something for nothing." This is precisely what happens here when uninvited, sometimes penniless, immigrants walk into Britain and immediately draw on all the benefits of the Welfare State before having contributed one penny towards the cost. No wonder resentment is growing among English people! How can you make such a statement? I think the Welfare State is at the root of our troubles and that without it we would not have an immigration problem. It is plain to be seen that most coloured immigrants come here to reap the benefits of our Welfare State, so dearly paid for by the indigenous population. There is not another country in the world which lavishes Welfare benefits on immigrants immediately they step foot in the country. No wonder our economic position is in such dire straits!

I could not find any reference in your speech to the indigenous population, whose lives have been disrupted by this massive unwanted coloured invasion, and think it is about time that the Conservative Party paid a little more attention to their welfare.

Yours faithfully, E.M. Brown (Mrs.)

The terror of the Norman reign must also be pictured for our offspring to see, how for many centuries our forebears were kept in slavery and why today, we must fight for our liberty or die with the honour of having given our all to free our folk from being under the yoke of alien loyal rulers, in whose palaces and gruesome factories we serve as their "Hewers of wood and carriers of water" class caste fawning flunkies, worked to the orders of a few snobby Norman accented, priestly pious, pompous parasites, living in a social scene of parasites' palaces and money towers, workers' slum ghettos and a few remains of the Normans' awesome castles, dungeons, parapetted fortress churches, many of which were rubbled by Cromwell's artillery whilst, being unable to pay his army, in debt to usury fed Jewry, who thereby became Cromwell's and Britain's money masters after having been banished from England in 1290 by Edward I and since sneaked back, mostly from Holland as mostly Khazar Pseudo Jews, under many guises, slyly using our folk's names { **Which a folk should only let their true kin use to baulk being misled and discredited by alien misuse.** } to become the most powerful { *Religious ritualised, rabid racist.* } combine of City of London Money Merchants, who from their slave and goods trade colonisation of Africa, India, Australia, America etc. grew ever richer, notably on direct slavery practiced by all races, colours, creeds for thousands of years, since conquerors could use captives as cheap slave labour to build their Pyramids, royal palaces etc.. Also, the torturing and hanging of petty criminals and political prisoners or as white slaves shipping them to concentration camp colonies, and the buying and selling of children to pay debts and be abusively worked as chimney sweeps, whores etc. that was not abolished by the ruthless rulers of Britain, until their need for more profitable school skilled industrial labour in the late 19th and early 20th century; which was long after the early 19th century when the African chiefs selling of their fellow Africans' as slaves for a few trinkets was abolished by the London government in its judicial territories to Arab, European and Jewish slave traders, the latter having a nigh monopoly ownership of the holocaust slave ships { **Wherein it has been estimated that nearly twice as many of the enslaved white, mostly shanghaied, seamen died than the negro slaves, as the owners cared less for the whites who, as today, were a less profitable unsellable ware.** } and so the Pseudos were the biggest opposers to abolishing the slave trade, which they only accepted on realising the wealth of Africa needed a growing number of the relative cheap native labour who were immune to the local ills and so able to enrich, with Africa's treasure chest of gold and diamonds etc. the leechy money merchants who, in the early 17th century, had got tired of paying protection money, in the form of taxes to royalty, to protect them from their usury bled victims' wrath and keep the fancy feudal courts of the crowned self sanctified "God's holy reps on Earth"; so the usurers had Charles I executed by Cromwell and Edward Ist's, Folk Favoured banishment of Jews overruled by him, to get the loans to pay for his army of the socially voiceless small farmer, { *Most peasants only fought as hirelings for the Royalists or Republicans.* } artisans, traders etc. who were tired of being rent robbed by the leechy land lorded aristocracy and religiously revived Christ's teachings, saying that their god made all folk equal, and they politically expressed their religious ideology with the name Levellers or Common-Wealthers, demanding a Folk Representative government and ending of royalty, which, as all dictators, the royals could not accept and tried to militarily destroy it, thereby causing the bloody Civil War which became a Capitalist revolution, { **For the Common-Wealth Levellers, though the military victors, were bled till dead in the mutual slaughtering of themselves and the Charles I misled Catholics, especially in Ireland.** } that started as a good step forward for humanity, with the beheading of absolutist feudalism. Then with the victory of the Capitalist backed Levellers over the Feudalist backed Royalists and death of the "Commonwealth" republic with its "Lord Protector" Cromwell, the City of London merchants were, in accord with their creed of greed, roused to invest their war loans usury grown money in the growth of industry whose industrial owners were replaced by the leechers thru their loans usury interest. Capitalist products and services raised the social standard of living to Capitalism's highest, which is now in decline. Also, the Capitalists had the money power to decide the crowning of their royal puppet line { *As proved by the royal puppets having to bow to the sovereignty of the Money Merchants' City of London, by begging the Lord Mayor's will to enter it. The only place they must within their 'realm'* } to socially act as a protective buffer between the people and their real rulers, the money merchant bleeders, and to formally endorse the right of the parasites' puppet government to enact their money masters' decided taxes, wars and other social policies, making the parasites' puppet parliament **only** formally sovereign over the Folk. For, whatever the cabinet party's name e.g. Labour, it depends upon the City of London's usury Capitalists to finance its acts, being why the parasites' puppet politicians never bite the bloody hands that feed them, e.g. by outlawing usurers, as Folk Faithfullists dare, making the puppet politicians { *Who gladly back their Capitalist money god's bleeding of their peanut paid slaves to death.* } condemn us, in their pious priest's horrified, self-righteous way { *They dare not do against Zion's hideous crimes.* } for our Folk Faithfullism, is producer profiting anti-usury etc. social gainful Co-optive Capital self financed, that proves it to be the parasites' most feared enemy and producers' best friend.

Since the reign of Capitalism the producers have been more efficiently robbed of the fruits of their work, for 90% of what they make is taken directly or indirectly by their Capitalist parasite bosses as compared to 10% by their Feudal robber rulers. Also, as cannon fodder, for monarch and country and later in the abused name of democracy, the producers have been more ably used to keep their usury rulers' colonies, many founded in an earlier more openly rat race world, in bloody wars with other imperialist lands' robber rulers, mostly urged by their species of Pseudo-Jew usurer colonists, to have millions of their different usury ruled colonies jingoed soldiers butcher each other and increasingly more millions of civilians to make, expand and fuse cheap labour and raw material colonies into e.g. a phoney British Empire for in reality it was, economically and so politically, **a Zionist Empire** which painted red a 1/4 of the world map with British blood. Ironically Britain was then Zion's mother colony, causing Europeans to slaughter many millions of their Folk Flower in the 1st. and 2nd World Wars between the national industrialists and international financiers, resulting in the latters' victory and thereby dictatorship of the financial world and completion of their moving of its centre from London, England to New York U.S.A., and thence to Jerusalem in their ruthlessly Occupied Palestine which, as a self supposing biblical "Holy Folk", the self sanctified Pseudo-Jews claim is their god's Promised Land, from which to rule their World Imperium of Usury. So ending their British? Empire after fooling millions of Anglo/Celt Folk to fight and die for it, making Britain one of the cosmopolite parasites debt loaded colonies whose natives are economically, militarily, politically, culturally so bled till dead as to have no resistance to their rulers' debase and erase policy and genetic genocide by mind moulding their usury enslaved folk into believing that their forebears - **not their alien loyal leechy rulers** - were the devils who enslaved and luxuriously lived by robbing other folk. So, the captive Anglo/Celt Folk after being long duped and driven to do their alien rulers imperialistic orders, are now kept feeling ashamed of themselves and forebears by being fooled to take the blame for their leechy rulers' hideous war crimes, and so have little Folk Pride gut defiance left against being fucked out of existence by their rulers' mass imported, Folk Traitor welcomed alien cheap labour and shysters and bred into multi-mixed-race workers, being sunk to the lowest depths of poverty to be the world's cheapest labour, shaming their dead soldiers by being the Japanese etc. alien { **Economic thereby political etc.** } bosses servile servants, who as cowards lack the guts to fight for their freedom against being bowed beggars outside alien shops etc.; which Folk debasement is self incriminating evidence of their robber rulers debase and erase policy and Folk Traitors Folk Treachery, that threatens to end our Folk's history.

HELLO READER We are only responsible for our articles etc. others herein are for theirs responsible or like Jane's are in honour of them for being a Folk Patriot until their death. Whatever pedantics think about my grammar I hope you clearly grasp what I say about which you are free to payfully use Your Voice in "Our Voice" to write, if you stay in our Folk Family norms of decency and is not insulting of anyone e.g. intrusive on their private life which is not against the criminal law or their social stated morals, otherwise you get your money back from this pioneering paper, which as an open Folk Forum gives payers the means (By we being viably cheap with only entrants proved too poor to pay being dependent on the editor) to publicly say their opinions on anything in this paper's Economics; Country; Culture; Health; Home; Politics; Travel; Sport etc. sections **About** its section place, entrants must trust the Editors' layout decision. **The ethnic media** e.g. Asian Times; The (Caribbean) Gleaner; Jewish and Muslim Chronicles; The Voice (Headlined as being **"Britains Best Black Paper"**) rightly support their kind, faiths etc. but under the Parasites' and Folk Traitors' vile propaganda media made hostile social climate (*That has cowed Our Folk to accept alien control of our economy and so military, political, cultural dictatorship of our country*) these papers, books etc. are in libraries and sold in shops while true **Folk Loyal British** ones are accused of racism etc. for supporting, as do the alien media, their folk and **banned** in Free Speech's name, to choke us to death against which "Our Voice" etc. will fight to the death. **Wily Alien Racists** call us racists to **exalt their race** and stop us from seeing nature has bred many races with richly diverse ethnics, cultures, giving Africans, Asians, Caucasians, Orientals a natural pride in their forebears and so defend their race, cult- ure, land etc. as nature's raw law says: **Any specie unfit to live does into death flit**. So as all healthy races we defend ours but don't brazenly assume we are a superior **God Chosen Race** picked to rule the world, as do the megalomaniac phoney semite, pseudo jew, anti-goyite, paranoid Zionist bigots via their repulsively offensive Eliuist Racism.

Never blame Parasites for they are born by the stupidity of twits who the sly Leechers keep max cheap labour bred by loans, laws, propaganda to be bled till dead

This Folk Positive Propagation trend is making our Folk Traitor rulers tear out their hair in despair for in their haste to bury Our Folk Identity that unifies us in our fight against being suicidally genetic genocidally etc. bred into multi mixed race cheap labour they make draconic laws against us and abusively call our Folk Patriotic Civil Servants, Military, Police **"Institutionalised Racists"** for as Europeans having, like all true Orientals, Africans, Asians etc. healthy natural species of life an instinctive self preservation **Natural Patriotism** to serve and preserve their Caucasian kith and kin for which cause the PPPP exist aware that we will be ruthlessly opposed by our treacherous foes who like we must fight (**As nature only accepts those having the strength to exist**) to decide whom will rule in our land the Parasites as Our Folk's exterminators or we Producers as Our Folk's propagators **So Parasites, Folk Traitors, Toady Collaborators** heed this warning: **The Souls of Folk Patriots** you hunt, torture and murder expect their kinfolk to avenge them as they would them in **this holiest of wars you started for Our Folk to be or not to be** **LIVING AS A FREE FOLK ETERNALLY** **(3) OUR AIMS** The survival of our lands' genetic, history, cultural, geo united Folk needs the undivise strength of an ethnic (Welsh)(Irish)(Scots)(English) run and owned **Republican Confederal Britain** with a united outer military, economic, political, cultural defence based on the max inner unity of **Competitive Producers'** anti usury/pollution run cooptivist industries;
