

SO WHAT? When we Self Freed Folk Familylists are in power we shall try you anti-gentilites, Zionist Pseudo Jew Khazar Capitalist and Communist Comrade Commissars, megalomaniacal paranoid, self fooled and sainted God Chosen elitist racists and your viler flunkey Folk Traitors, for the crime of forcibly applied Genetic Democide of Our Folk, by slyly having us mass slaughtered in your wars for world power and the mass importation of alien cheap labour and shysters whom you raise to be your rip off shopkeepers, toady teachers, doctors, preachers, police etc. overseers of us to be as your bred, cowed, rootless, interbred multi mixed race, cheapest possible servile labour, democidically bled until dead in your Global Imperium of Usury since Folk Traitors made Our Country into another of your yoked colonies.

As liberals engage in 'can't t-lose' debate over Britain, we say...
Time to stop feeling guilty about being 'racist'
 LAST MONTH the liberal establishment conducted one of its familiar debates about 'racism' - a debate which in fact wasn't a debate at all! It all began with a report published by a think-tank set up by the Runnymede Trust, in the first place with the approval of government ministers. According to the report, the word 'British' is tainted with 'racism', and the idea of the 'British way of life' is a lie. The report called for a "rethinking of the national story and national identity" to reflect the views of Asian, Black and Irish people. The idea of the British Nation, it continued, was "deeply entwined" with race and therefore should be "symbolically written out of the national story." **REACTION** This, understandably, brought furious reactions from around the country. But, regrettably, it was chiefly articulated by politicians and journalists. What an outrage, they cried, to suggest the word 'British' has racist connotations! All races,

they claimed, can share in 'Britishness', and to back this up numerous newspapers trotted forward well-known members of ethnic minorities to say how 'British' they felt themselves to be. A *Daily Mail* leader was typical, describing as British "the waves of people who have settled here, from the Saxons and Vikings to the Afro-Caribbean and Asian peoples of our own day." In other words, either way the 'anti-racists' win the argument. Racism is axiomatically bad; the only question to decide is whether being patriotic and proud to be British is racist or not! **WHAT WE SAY:-** We beg to differ. First, we believe that patriotism and race feeling are not two separate and mutually exclusive things; on the contrary, they are inseparable. And as for Britishness, this is, equally, inseparable from British racial origins. Prior to recent Third World immigration, (**Invasion by Folk Traitor invitation. OV Ed.**) the waves of settlers coming to the British Isles were wholly European and, in the vast majority, indigenous to Northern Europe. Over the centuries; they blended and came to form a common British type - not difficult for their origins were extremely similar. Saxons, Vikings, Normans, Celts, Huguenots, Flemings - all these came from common European origins and are responsible for Britain's great achievements. There can be no comparison between these tribal groups and the Afro-Caribbeans and Asians who came later and brought with them vastly different- and incompatible - cultures. We believe that vital to the preservation of Britain's national identity is the preservation of the native English, Scottish, Welsh and Irish stocks which have gone to create that identity. And if to say this is 'racist', so be it **RACISM NO CRIME** So let's be done with this idea that to be a racist is a kind of crime - something of which we need to feel guilty. It's not so. Of course, it's wrong to ill-treat a person because of their race; we're as much against this as any so-called 'antiracists'. But that's something entirely different from being proud of our own race and wanting to preserve it. And we'd better start thinking seriously about preserving the white British breed for if we don't we're going to lose our country by the time this century is out! We can make a start by not being ashamed at being 'racist'. So the next time they call you this don't be apologetic; surprise them by looking them straight in the eye and say "So what? (No.381) www.spearhead-uk.com (Jews, Africans, Asians, Orientals etc. and even lice are proud of being such. So why can't we be proud of being **W.I.S.E Brits** instead of conned, cowed twits? **OV Ed.**

WANTED Folk Loyal men and women to be £12 (OAP etc. £6) a year **PATRIOTIC PEOPLE'S POWER PARTY MEMBERS OR VOLUNTEERS** whose **main reward** will be to win our forebears' wrought and fought for homeland back from parasites and Folk Traitors and their mass imported alien leechers and cheap labour whose hid policy is to exalt their cultures and selves by burying Our Folk and culture that unitedly we must firmly reverse e.g. by using their **twisted legal rope** to choke us **to hang them before they bury us** **Membership's** basic rules are total loyalty to our party members democratic majority decided (Or in a crisis by our elected reps) ground policies of a tough dedication to one's own and folk's welfare and freedom that thru our practical alternative producer politic to the present parasite one fires a fighting spirit trained and ready to rid our streets and halls etc. of anti democratic alien loyal fanatic mobs and oust Folk Traitors etc. with their welcomed in cheap labour and shyster armies in a fight to the death for the *Human Right of Our Folk to Survive and Thrive* by making our taxes paid politicians, police etc. do their **Folk Loyal duty** of resolutely defending Our Folk's Rights to peacefully demonstrate and speak our minds thru our media, in our shops and taxed for libraries etc. without fear of being hounded from our homes, jobs and arrested, beaten, jailed, acci-murdered under an undemocratic decided excuse e.g. "**Being liable to cause a breach of the peace**" to suppress Our Folk in *our forebears' wrought and fought for country* in submission to i.e. the wily Occupied Palestine loyal Khazar Capitalist and Communist Comrade Commissar Pseudo Jew **loan sharks'** made orders that we must fight and die for their vampiric usury dictated politic in democracy's name while denying our right to query the truth of their lies and support of alien rule favouring mobs etc. that cause Our Folk's need to rise to enforce life's **Natural Human Right Law** to stay alive and live in liberty by using all needed force to proudly be and keep being **A Free Folk** by never letting **Folk Traitors** to again us yoke **with leechers** by whom we are **bled till dead** as their **cowed slavish** **goy mokes**

From Jane's June 1979 "CHOICE" "Bolton Evening News" 7/6/79. **Let Boat People' Go To The MP** Sir, - It seems our legislators have found a new, rich source to swell the thousands of immigrants pouring into Britain each year. I refer to the so-called "boat people" from Vietnam. These people have no claim to be settled in our small, over-crowded island, as indeed; none of the annual flood from Commonwealth countries have. We read about the "refugees" laden with gold bars, etc. yet local councils are urged to house them at the expense of the indigenous English on their waiting lists, and vast amounts from the tax-payer for luxury camps and social security payments. If Parliament insists on importing these people, what of the 635 Members of the House of Commons taking in a family each, and giving a real lead on the immigration policy they so ardently support. I asked my MP to lead the way. **E. McBriar (Mrs.) Good idea. OV Ed)**

During a series of protests on Monday, 4th June, 1979, against the admission of the Boat People, the Foreign Office, Home Office, B.B.C., UK High Commission for Refugees, British Council for Aid to Refugees etc. were visited, and the following was distributed:- **PROTEST: THE VIETNAMESE / CHINESE BOAT PEOPLE** The B.B.C. World Service disgracefully and untruthfully (**As the Ministry of Propaganda's Voice.** OV Ed.) put out on 2nd June, 1979 that there has been "a undercurrent of approval" in this country for bringing in more: Boat People. This, despite the fact that (1) We have 1 million homeless (Ref: April 1979 SHELTER Report) (2) There is a 68% increase in tuberculosis (**And Aids** OV Ed.) among immigrants in Britain (Ref. British Tuberculosis and Thoracic Association) (3) There are 600,000 people awaiting hospital treatment (4) We have 2 million (open and concealed) unemployed and more forecast (Ref. Observer 3/6/79) (5) Mounting crime and violence on our streets. THERE IS NO COMPASSION WHATEVER - ONLY RECKLESS IRRESPONSIBILITY - IN GRANTING ASYLUM TO A GROWING NUMBER OF CHINESE UNWANTED BECAUSE THERE ARE ALREADY 100,000-200,000 HERE. What now of Mrs. Thatcher's no more "swamping and Edward Heath's - at the time of the Uganda Asian expulsions - "no more substantial settlements (**Green voters grow lying politicians.** OV Ed) We warn the Government and the B.B.C. that if it persists in misrepresenting our peoples, wishes, they leave us no alternative but to defend our over-crowded county as best we may.

Our Folk Family is so cowed they still do not rise - and seem so de-loyalised as to be **unable to do so** - against Folk Traitors, whose enforcing of their Cosmopolite Parasite bosses' democidic policy of de-nationalism by mass importing aliens **to** - in olde English - **fuck us out of existence**, as done to other folk, by making us the leechers multi mixed race cheap work and war fodder, earns their being Swung **High In Trees** as the Sionist Hired Indiginous Traitors = **SHIT** they be while we Send Home Invasive Tribes and Terrorists. **OV Ed.**

SUICIDISTS C M 15.8.2005 FPW

Are Our Folk such a cowed and stupid breed
Or have we been made to our future lack heed
By an elitist self Chosen Race of parasite seed
Who by usury do us economically max bleed
To so politically, militarily, culturally us lead
And dictate what we should say, see or read
So we dare not of their acts make evaluations
Having by gagging laws mugged our minds
To stop us to their alleged holocaust question
Or their causative racist politics laying behind
The victims' suicide bombers' retaliations
To Zion's ruthless terrorists' designed
Mass murder bombing exterminations
Of many thousands of innocent civies
For their Freedom Fighters dare defy

Zion's mercenary military to colonise their country
In Democracy's name to Usury's Dictation apply
By using our rash youth for their leechers' to die
As our Folk Traitors propaganda stuffed military
Made war fodder with no rights to question why
E.g. traitors can import aliens to Our Folk contrary
With their diverse traits, opinions and religions
Greeted by Zionists to yoke and choke Our Folk
As our teachers, doctors, police and preachers
To mind mould Our Folk into exalting their leechers
Having promoted the aliens to over us supervise
To make us betray our military dead's Folk Loyalty
Proving that we no longer earn the name WISE
For true Brits would rise against such treachery
Having got the wits and guts to them so despise
As to traditionally hang Folk Traitors into history
Instead of being led twits by leechers' bled till dead
While our country is made a cheap labour colony
With naive 'Good Doers' on our genociders' side
In Zion's world wide webbed Imperium of Usury
Wherein they over each Folk Family preside
And by scientific social psychology applied
Urge each Folk - but not theirs - to commit suicide
By induced multi mixed race genetic democide
Thru breeding us into peanut paid cheap labour
Willing to be mass murdered as cannon fodder
In Socialisms name to the Capitalists favour
Thus making each Folk Family bowed minions
Meek parroters of their leecher's propaganda
Who fear to have any strong contrary opinions
To the ones in the Zionist dictator's petrified media
Whose editors etc. fear Zionited mobs' made terror
Ensuring no Brit loyal literature in shops or libraria
As anyone can see only alien loyalties do they mirror
Reflecting the cowed state of our alien yoked folk
For against such scorn for themselves few dare talk
As Zionists are now the chiefs of their hijacked Mafia
Most in fact being from a tribe of Pseudo Jew Khazars
Spying on us as Mossad agents in MI5 and the CIA
As Capitalist and Communist Comrade Commissars
Who would have us as their cowed dopes believe
Our sly leechers are by their mythical god divined
As its racist created Chosen Race of swinish thieves
Who by usury economics are as gangsters enshrined
To have the right to rule the world under their hand
From their illegally and ruthlessly Occupied Palestine
They rabidly claim to be their god's Promised Land
Got by their usury steered Security Council's vile crime
Of toadily ratifying Zion's demand to occupy Palestine
For by Zion's loans the SC is financially kept supine
Making most UN members meekly toe Zion's set line
To their Zionist led heinous crimes be cowardly blind
And in democracy's name they dictatorially undersign
By e.g. inaction to the slaughter of the folk in Deir Yassin
Claimed as a victory by the Irgun terrorists under Begin
Who got the (ig)Nobel Peace Prize by the sway of his race kin
And by the UN doing nought to enforce resolutions like 242

Meant to secure the Palestinian's land as their just due
Against the SC's illegal ratifying of invader Pseudo Jews
Who tell the UN via their SC's scorned views - Up You!
Which cocky perverting of the United Nation's Charter
And lack of determination by e.g. Middle East nations
To unitedly leave the UN until it is democratically fair

As equal nations freed from Zion's usury dictation
And able to stop the likes of Bush and his toady Blair
To piously call Zion's foes terrorist type murderers
To excuse their own barbaric total terrorist warfare
That can blast away any day thousands of innocent lives
Thru ordering their 'heroes' to bomb fom high in the air

To secure oil and Zion's Occupied Palestine will survive
By trying to bow Lebanon, Afghanistan and Iraq
Whose folk were only engaged in life's daily strife
Having nought to do with the New York attack
Fighting only against nature's forces to thrive
Thinking 9/11 was another hideous black day
That blew thousands of innocent lives away

Done by they who thought it to be the only way
For they were weaker in weaponry to their enemy
Who murder Palestinians, Afghans and Iraqis each day
Aiming to enforce the world's Folk Families to be
Thru using Zion's e.g. usury bowed Britain and USA

A multi mixed race bred cheap labour menagerie
Serving the self God Chosen Race of Zion slavishly
Who as world power mad megalomaniac terrorists
Committing the most heinous Crimes against Humanity
Should be tried for war crimes as pitiless extremists
Who invade other counties in the name of democracy
And expect them not to resist as will any Folk Loyalists

For murdering many thousands of innocent civvies
And then think we should free them from all blame
For causing vengeful suicide bombers to try the same
On relative much smaller scales as 7/7 that often fail
But in Zion's press are blown up into an howling wail
As the imperialists desire to Our Folk bloody shame

By letting the leeches lure us to mass murder for their aims
Naturally resulting in Zion's foes hating Our Folk's name
As any folk would if subjected by an invader to the same
Which soul filled hate does the suicide bombers sustain
As did Churchill with 'We will fight on the beaches..'

While he and royalty etc. would flee to Canada by plane
Did the same suicidalism to Our Folk braggingly preach
As do the likes of Bush and Blair from their safe armchairs
Expecting us to to fight and die for they who do us leech
For let's be fair they did so called pre-emptive war declare
Meaning the bullies legalising of their pitiless aggression

By mass murdering civvies, their said collateral, from the air
On pretensions of e.g. there being weapons of mass destruction
In Afghanistan and Iraq whose folk didn't commit the 9/11 attack
Done by Saudis thinking against Islam's foes they fought back
And naturally when the Folk in the lands of Bush and Blair

Do not enough care to topple such leaders from the ruling chairs
The invaded lands' Folk Loyal suicide bombers in total despair
Lacking weaponry to their foes hideously powerful ones compare
Think their bombers' Folk should their own Folk's suffering share
And so try to end such wars for all peaceful Folk's mutual welfare
By driving out the vampiric ghoulish warmongers out of their lairs

So no matter how they change the rules of their made war games
That excuse mass murdering of civvies for the leechers' aims
Folk Patriots will still hang Folk Traitors in justice's name

For such slimy scum are the vilest of folk decay's bred creatures
As they betray their Own Folk to be by leechy aliens bled till dead
Then as wilfully made porn etc. rotted swill be fed to the vultures

For e.g. as misled Twit Brits we are relative to aliens being fewer bred
Thereby killed off as Zion's conned believers in a multi mixed race culture
That destroys our wits and spunk needed to secure Our Folk's future

Instead of having the sense of knowing we must use max offence
Against any who will not leave Our Folk in peace and use violence
As it is the only defence against any who threaten Our Folk's existence

Otherwise the e.g. Zionist elitist self sainted God's Chosen racists
As sly predatory imperialists will make Our Folk their own suicidists

FOLK FORUM for letters and articles fostering United Folk Patriotism for UNITED WE WILL LIVE AND DIVIDED WE WILL DIE and it's urgent to help stop Our Folk being in a few years dodoed into oblivion by alien loyal democidic ethnic extincers driving us to commit Folk Suicide by multi mixed race genetic genocide to be cheap labour and cannon fodder in our country now a colony in the paranoid megalomaniac Self Sanctified "God Chosen Race" Pseudo Jew Indo-Turk Khazar Capitalist and Communist Comrade Commissars' World Webbed Imperium of Usury helped by their bought and viler flunky Folk Traitors who our forebears would have rightly shot and cast out their invited invaders for Folk Traitors are life's worst scum, foulest of foes and most heinous of racists for they gladly betray their kin and Folk Family to be sapped then bloodily annihilated in favour of a ruthless alien race of parasite dictators who live by bleeding till dead the producers for the fruits of their work thru ruling over their mass medias' penned sheepish flock of toady collaborators whose cowardly way of trying to please our insatiable leechers is causing Our Folk's oblivion that we can only end by being a Folk Faithful unity of devoted activists with the wits and guts to when able with all non self destructive means take control of our economy to get the military, political, cultural power without waiting for a messianic leader to win the majority of our kinfolk's hailing of Our Loyal Folk's Victory to survive and thrive forever freed from this class caste flunkey ranked slavery for we prefer to fight to make the parasites commit their own suicidal Final Solution by we economically etc. helping fellow producers to win the inevitable Decisive Conflicts to live and die worthily freed from slavery in a Grimm's mass media mind muddled and Pied Piper led into Carrolls' Wonderland believing our leechers lies as in Andersen's "The Emperors New Clothes" while existing on an Orwellian "Animal Farm" as unequally equal guinea pigs in a scientific social psychology run lab, propagandised to think we live in a democracy antheing "God Save Royalty" having been Big Boss carrot and stick driven to exist on booze, pom and balls to be cattleised, lovelessly lab bred, cloned, biocomputerised peanut paid en-gene-ered robotic slaves vacuously serving a leechy tribe of elitist parasites as their conned toady idiots used to gain their world power aims as a self haloed God Chosen Race and Churchill's ("Popular Science" June 1925)? writ wish that maybe made Huxley novel it in his "Brave New World" which is evolving rapidly

OUR CAUSE Like other parties in history we the ***Patriotic People's Power Party (PPPP)*** were born to fight for Our Folk's desire to survive and thrive by destroying the evil threatening to exterminate us against which we shall use our media etc. to foster as our name betokens Folk Loyal Nationalism i.e. Folk Family Unity or Folk Fascism which name the puppets of Zionism (**Parasitism, Racism and Imperialism's peak**) can call we giving us no shame for it is one of the **few** names that **embodies an anti parasite politic that the leechers express fear of** as most others e.g. Conservative, SWP, Labour, Communist are just our leechers' loving carrot and stick parties whom as their money masters' voices howl against Fascism in their phony democracy's name ironically snorting against our urged Populism i.e. ***Sober Majority Folk Willed Rule (The only real democracy)*** that they attack thru their medias' daily lies against us now backfiring on them to give us good free publicity that is winning over their disaffected who less vote for the cosmopolite parasites' puppets and are rightly turning to us saying ***As you Fascists are our parasites' most feared foes then you must be we producers best friends who say we must bury our leechers to the reign over our made wealth gain.*** This Folk Positive Propagation trend is making our Folk Traitor rulers tear out their hair in despair for in their haste to bury Our Folk Identity that unifies us in our fight against being suicidally genetic genocidally etc. bred into multi mixed race cheap labour they make draconic laws against us and abusively call our Folk Patriotic Civil Servants, Military, Police **"Institutionalised Racists"** for as Europeans having, like all true Orientals, Africans, Asians etc. healthy natural species of life an instinctive self preservation **Natural Patriotism** to serve and preserve their Caucasian kith and kin for which cause the PPPP exist aware that we will be ruthlessly opposed by our treacherous foes who like we must fight (**As nature only accepts those having the strength to exist**) to decide whom will rule in our land the Parasites as Our Folk's exterminators or we Producers as Our Folk's propagators **So Parasites, Folk Traitors, Toady Collaborators** heed this warning: **The Souls of Folk Patriots** you hunt, torture and murder expect their kinfolk to avenge them as they would them in ***this holiest of wars you started for Our Folk to be or not to be*** **LIVING AS A FREE FOLK ETERNALLY**

OUR AIMS The survival of our lands' genetic, history, cultural, geo united Folk needs the undivisive strength of an ethnic (W)elsh(I)rish((S)cots(E)nglish run and owned **Republican Confederal Britain** with a united outer military, economic, political, cultural defence based on the max inner unity of **Competitive Producers'** anti usury/pollution run cooptivist industries; **Humane** social welfare; **Co-ordinated** laws for Our Folk's best (*Or we can be divided and conquered*) to reduce crime etc. For which the Irish need to unite before cosy chaired "Good Doers" and FolkTraitors (Who even con their kin by claiming to be Folk loyal Socialists whom they stab in the back by greeting more Capitalist leechy aliens in,) make the Irish **bury themselves - As duped Brits in other parts of Britain are doing** - unless the leechers are rooted or as needed booted out by our retrieving the wealth they robbed from Our Folk to pay their transport home. "Nazis steal our hard earned wealth" We hear the sly leeches wail. **That the pitiless robbers gloatingly bleed out of their bled till dead pauperised producers.** **Ref: The EU etc.** We are for a world money but not one worthed by leechy Soro speculators who bleed countries into being their colonies and, **as if sheep**, fleece the producers of their work's worthed money, so we urge Our Folk to **KEEP and DO AS THEY LIKE** with **THEIR WORK'S MADE MONEY**
