The following was Posted by ZeroTolerance:- In his so-called book," Long Walk to Freedom", Mandela says that he "signed off" with this act of terrorism. People should take a look at what Mandela "signed off" with while he was in prison - convicted for other acts of terrorism! President P.W. Botha told Mandela way back in 1985, that he could be a free man as long as he did one thing: Publicly renounce violence. Mandela refused. That is why Mandela remained in prison until the appeaser F.W. de Klerk freed him unconditionally. **The bottom line is that Nelson Mandela never publicly renounced violence - and we should never forget that.** (BY REMEMBERING MANDELA'S VICTIMS WHOSE HATE FOR THEIR MURDERERS AND TOADY PRAISERS OF THEM WE LIVING SHOULD HAVE THE GUTS AND RIGHT TO EXPRESS FOR THE SILENCED MURDERED WITHOUT FEARING POLICE ARREST OV Ed. 26.6.08 CM FPW)

DISCIPLINARY TRIBUNAL Hello present and coming folk of this world Around the sun thru our galaxy being hurled In our star studded skies seemingly for eternity As it whirlingly travels about the infinite universe And you wonder what is humanity's meaning and destiny Well maybe across time my lines can with you converse So you may see a scene of where humanity has been To any official censured history of my time disperse Which may help you to see what your way of life must be To live joyfully free and not in slavery be submersed Against such captivity in any Shylocks' parasitocracy I have written this maybe history's worse piece of verse That does one's rulers and toady Folk Traitors curse In dedicaton to Folk Patriots who fight for their Folk's liberty To preserve their Folk Family identity unto their posterity Against Chosen Racists eradicating all Folk Families but theirs Who with their usury forged shackles we must from Our Folk tear In forever loving memory of our Folk Loyal ancestry Whose hands wrought with their blood and love our homeland Fighting and dying in trust that their kin would be just And not let their hopes with their bodies go to dust As one soldier poet to a serving comrade did write Before he was blown away into eternity's dark night "Should you get home tell them of us and say For your tomorrows we gave our lives away." Now his and mates' souls must burn with hate To see it was for the cosmopolite parasites' gain In the misused name of democracy that they died in vain Folk loyal souls can hear their spirits woefully cry How many millions of us for Our Folk on the Somme etc. did die In war's hell made by leechy devils who on earth dwell And how many of our corpses bridge the River Kwai So Folk Traitors life's vilest creatures would our sacrifice deny As we rot being ever forgot by Penny Poppy Patriots Making Our Folk's colossal war losses of little or no worth Compared with their usury rulers' claimed monstrous Holocaust By their monopolised mind moulding media given birth Scientifically imposed propaganda in daily wailing doses Kept up since the 2nd World War To over their own hideous War Crimes sugared excuses pour Katyn, Dresden, Hiroshima, Nagasaki, Vietnam need one say more For which none were Nuremberg tried but as media made heroes died And from their vanquished nations filch billions in reparations Paying for the self divined Pseudo-Jew khazars' occupation of Palestine Hysterically believing it to be their God Chosen Race right And through the might of their usury castrated e.g. U.S.A. surrogate states Having their marionetted U.N. ratified right to slaughter Arab semites Ironically against such anti-semite etc. elitist racism we were told to fight By wily propagandists making most of our kin believe their lies Proved to be so by the liars hounding all who try to them verify And hysterically attack any daring to doubt their rulers' truths As the 'Holocaust' that their robber rulers forbid any to prove As many of us were cuckoo suckered to unquestioning accept as true Lured by "Our Masters' Voice" that crosses the sky to our minds ply With the belief that true patriots should fight and die To keep our land and folk from falling into alien racist hands But now we see Our Folk are yoked under alien loyal overlords being choked And by alien minorities' promotive decrees forbidden to protestingly write to live free Many of our Folk as unemployed or booze and drug bums begging for crumbs Flopped in doorways of streets lined with alien rip-off shops Which Our Folk fear to walk and against Folk Traitors talk Being accused of racism should they utter any Folk Patriotism As Folk Patriots are hounded out of homes, schools, jobs etc. by fanatic mobs Utopist bigots who by their boots try to their rulers' most hated enemies mute Whilst they claim to be workers' favouring Communists cum Socialists Yet their alleged Capitalist crooks' shops profitably sell their books Knowing from such naively utopic dears' politic they need nothing fear As all utopians fall on their bureaudom's inability to run a viable economy So in democracy's abused name they are let be in this parasitocracy A feudal conqueror's founded class caste flunkey ranked society Which having no solidarity of Folk Family loyalty against enemies Has bred most in the world servile scabs, butlers etc. turncoat toadies Who for peanut pay will kiss any ruler's asses in every way And would love monkeys if their free spirits could be broke So they with fellow flunkies could as snitchers "Yes Boss" talk Howling Racist, Fascist at any who would their bosses' aims revoke To make us rootless multi mixed race cheap labour cannon fodder flunkies Needed to feed the Scrooges' multi national industries in all countries Debt colonised in Zion's world wide webbed Imperium of Usury Wherein the predators have lured their prey to for them pray E.g. Thinking they live in a democracy and sing God Save Royalty Piously condemning Italians and Germans for not ousting dictators Whilst not daring to openly speak against their inherited predators Whose horrendous War Criminals are idolised and buried in cathedrals Having kept their subjects under max exploitation for many generations To sustain their grace and favour homes, palaces, trains, yachts and planes In this Lilliput Land of droolers schooled to idolise their robber rulers For whom they go and shoot other folk so their masters can the defeated loot Whilst being fooled to go and die in foreign fields to their land unto aliens yield As living kin are conned to welcome in Capitalist cheap labour as being Socialist Which must make Karl Marx and other social good doers rave in their graves On seeing me curtly stopped from doing what a bias teacher deemed insulting In a college wherein one is supposed to learn to be critically discerning As democratic Voltaire who fled from such hypocrisy to his critics said "I may hate what you say but I will fight to the death for your right to it say" For he knew that in those who would have criticism forbidden is the dictator hidden Then another teacher accuses me of being racist for I do the self God Chosen racists decry So I said "The worst racists are those who act against their own race" in reply For history proves that a goofed folk are easily by alien racists yoked and choked And rightly or wrongly I see our work and war bled until dead folk in such a plight Like the now Folk Loyal awoke Fijians who were being led to commit suicide by genetic genocide.

WANTED Folk Loyal men and women to be £12 (OAP etc. £6) a year *PATRIOTIC PEOPLE'S POWER PARTY MEMBERS OR VOLUNTEERS* whose **main reward** will be to win our forebears' wrought and fought for homeland back from parasites and Folk Traitors and their mass imported alien leechers and cheap labour whose hid policy is to exalt their cultures and selves by burying Our Folk and culture that unitedly we must firmly reverse e.g. by using their **twisted legal rope** to choke us **to hang them before they bury us.**

Membership's basic rules are total loyalty to our party members democratic majority decided (Or in a crisis by our elected reps) ground policies of a tough dedication to one's own and folk's welfare and freedom that thru our practical alternative producer politic to the present parasite one fires a fighting spirit trained and ready to rid our streets and halls etc. of anti democratic alien loyal fanatic mobs and oust Folk Traitors etc. with their welcomed in cheap labour and shyster armies in a fight to the death for the *Human Right of Our Folk to Survive and Thrive* by making our taxes paid politicians, police etc. do their **Folk Loyal duty** of resolutely defending Our Folk's Rights to peacefully demonstrate and speak our minds thru our media, in our shops and taxed for libraries etc. without fear of being hounded from our homes, jobs and arrested, beaten, jailed, acci-murdered under an undemocratic decided excuse e.g. "**Being liable to cause a breach of the peace**" to suppress Our Folk in *our forebears' wrought and fought for country* in submission to i.e. the wily Occupied Palestine loyal Khazar Capitalist and Communist Comrade Commissar Pseudo Jew **loan sharks'** made orders that we must fight and die for their vampiric usury dictated politic in democracy's name while denying our right to query the truth of their lies and support of alien rule favouring mobs etc. that cause Our Folk's need to rise to enforce life's *Natural Human Right Law* to stay alive and live in liberty by using all the needed force to proudly be and keep being **A Free Folk** by never letting **Folk Traitors** to again us yoke **with leechers** by whom we are **bled till dead** as their **cowed slavish goy mokes**

Jane's 1979 6th EDITION " CHOICE "
INVASION By Courtesy of Parliament

Every patriot who reads this paper must begin to consider very carefully whether he or she can continue to enjoy the luxury of leisure when our nation is threatened, as never before, with slow extinction by deliberate genocide. When invaders have appeared in the past, we dropped everything and rushed to our posts, eager to do our bit whatever the cost. No one dreamed then of confusing patriotism with fascism, or calling us racists for leaping to the defence of our country,

You may well ask: "What can I do to halt the invasion?" because the one we are witnessing daily is so different from anything we have ever read about or actually experienced, and we are unled and feel powerless to influence the situation. It is well to remember that had we adapted the same attitude to the 1939 crisis we would certainly have lost World War 11. The great thing is to recognise that a state of invasion actually exists today in Britain and that Parliament has no intention whatever of changing course unless we force it to do so.

Our power lies in our patriotism, our pride of race, our numbers, our known ability to fight and win; in the taxes we pay to finance the invasion, in civil dis-obedience and, of course, in our vote. (*And mostly, thru mutual help Folk Loyal Parties and members, having the wits and guts to skill each other in the martial and cultural arts, crafts, professions and employ etc. to win Our Folk's help by creating the economic power to win and KEEP political power.* For to paraphrase Napoleon *A politic marches on its stomach.* OV Ed.)

Sadly, it has become a matter of **THE PEOPLE VERSUS PARLIAMENT.** Under that title on another page you will find **CHOICE** suggestions for saving Britain. (To again paraphrase: *You win the people's hearts thru their stomachs and their minds via your acts.*

To be buried as the Arawak Indians etc. as museum pieces in history's dark night Thru being outbred by the faster breeding Folk Traitor wel- comed Capitalist cheap labour Without asking Our Folk trying to make under the guise of humanism a multi cultural society That can only end in multi ethnic conflicts as the polarising unappeasables claim more territory Against which foreseeable tragedies due to Folk Traitors and their lured good doer collaborators Who make me wonder whom will they blame or turn to when tyre necklaces around them burn As they now expect me to be quiet and think I shall get fair hearing in a sitting wherein bias stinks E.g. Without a hearing I am from college banned on the hearsay of teachers and snitchers To be in a gulagic termed "Disciplinary Tribunal" judged by my accusers' associates Helped by genetically inborn snitchy witnesses who even their users view with scorn Resulting in them sitting in judgement on their own brought case which Folk Patriots hate Reminding one of the inquisitors in the "God Fearing" Dark Ages of suspicion and superstition Which bias witch-hunting judgements alas democrats have not yet been able to fully erase Made by canting bigots to save their nepotic "More equal than others" fellow comrades face Finding me guilty for not having as they mass propaganda wrought Zionised thoughts Making some think they would not try to stifle a symbol like the Hammer and Sickle Under whose Zionist money fed and led banner many millions were tortured and murdered Because they did not whine the dictators and toady collaborators' "Politically Correct" lines For their native souls' fired spirit of freedom could not to Zion's beck and call commissars crawl As they had no illusions of Disciplinary Tribunals' foregone conclusions knelling democracy's funeral C.M. 24.3.96

ECONOMICS (Continued from previous OV issue)

(5) The customers will pay for all services joined to a private or social power source, e.g. gas, electric, telephones, electronic media, relative to their used units cost, the price of petrol etc. will include the costs for roads and every vehicle's basic insurance; to help end all avoidable personal and social taxes, subsidies, standing charges etc. and so stop the rise of parasite loyal, bloated bureaucrats, managers etc. who favour the Shylockian gangsterdom's extortional means, to pay for their rudeness, laziness, inefficiency, overlording egos' high salaries, feasts, "Golden handshakes" etc., that the millstoned taxpayers must pay, for their rulers' pitiless inhumanity. Thus, society can foster the maximum of skilled wealth producers by minimising parasitical bureaucratising of the Folk's Social Services, to end our being bled until dead by taxes etc., robbed from us by Folk Traitor governments to pay the usurers ever growing interest on their loans, at the cost of cutting health services etc. whereby the usurers enslave the folk and turn their lands into colonies, of multi-mixed-race cheap labour toadies and child slaves, in the vile, creed of greed, cosmopolite parasites' world wide webbed Imperium of Usury.

(6) All the nation's land, sea, air and their resources shall be Folk Property { With no payment to the present thieves of our natural Folk property } so they can be leased or rented for farming, building etc. by the Local Folk Forums at prices to cover their local social costs, at the Confederal/National Folk Forum's set standards, of e.g. education, defence, health, policing, roadways, housing, working conditions etc.. Our Folk's blood, sweat, tears and love soaked Homeland may be lease rented to and by Our Folk, but NEVER be given or sold to anybody. For the founding stones of Our Folks' security and democracy e.g. money, territory, Folk Fascists will not let anyone turn into parasite profiting wares.

(7) As Folk Fascism is the soul of loyalty to Folk and Land, the Folk will be truly rooted in their owned Folkland, by having the fullest possible right of way to their Folkland - which they must preserve as natural as feasible - including waterfronts, waterways etc. if legally they are not home, farm, factory, office, military or unsafe etc. property. Hopefully, a Folk's real ownership of their land will help to build a Folk expressive, anti kosher kitsch, prosperous, lovely green and pleasant land of Flow-in-Architecture's country contoured and landscaped lovely roads, cities, etc. worth living, working and fighting for; on ending the ugly barrack blocks of mean money built slum ghettos. So the folk can fulfil the parasites' puppet politicians false promise of "A Land Fit For Heroes" for which millions of sailairsols were treacherously lured to horrifically die in holocaustic wars, for the victory of usury's bred and on the Folk's blood, sweat and tears fed, cosmopolite parasites.

(8) The Confederal/National Folk Forum shall get their revenues - to make them economically viable, politically accountable and minimally bureaucratic - from their economic sources e.g. a alcohol tax relative to its health and safety etc. social costs; no taxed television, whose costs will be covered by their, socially regulated, private and social programme and advertising time buyers. Also, if socially beneficial, rent out communal properties and services e.g. railway lines, canals, roadways, airways, airports, docks, telecommunications but not armaments, heavy industries, vital postal and communication centres and lines, import and export taxes, banks i.e. anything for economic, military, safety etc. reasons needed to build and keep, to protect the Folk's Solidarity and give their Folk Loyal reps and armed services the needed might, to defeat Folk Traitor or parasite bids to de-humanisingly computerise one's folk into robotic flunkies, made dependent upon alien industry, shipping, airways, farming etc. and so lose their economic power to be a Free Folk. Any loss or surplus profit of the Folk Reps administered enterprises to be socially debited or credited costs in the following year's budget, whose yearly costs (except during social needs from natural or man made ills as storms and wars, which costs, from the kept emergency funds, must be re-ratified, at least, every six months.) will be used to meet its humanising social services' needs and competitively cause a {e.g. Computerised} lowering of costs and betterment of their enterprises' products and services, which the Folk Voted Confederal and National Folk Forum's have been entrusted to well run, or be fired, for their Folk's best.

(9) The Confederal/National Folk Forum's will decide import/export taxes to promote and defend the basic heavy and light industries, farming etc., needed for a nation to have the military muscle and material strength to defend its folk's economic/political/cultural freedom, health, wealth desires, which the cosmopolite parasites' will, as in Argentina, Romania etc., try to topple and destroy by a world economic and psychological etc. warfare of boycotts and dumping goods below production costs, also by devaluing our Folk national currency on the usurers' world webbed market and financing e.g. traitor Yehudi Gorbachevs to make bloody counter revolutions for "Parasite's Power" whose vile leecher rule their sucker catching media pictures as being paradisaical, to discredit "People's Power" . Against such, the best tactics are assertive defence of one's Folk Financial etc. Interests with world wide ware bartering and a National Folk Forum voted percent of the (N.G.P.) National Gross Profit to support a Folk Militia and, cost only interest loans of reasonably secured amounts that help Our's and, as able, other Folk develop their skills to be free from being bled until dead by the sly parasites, so the world's Folk Families can live together in prosperous peace, instead of being used as stupified factory and cannon fodder who wage etc. underprice and butcher each other **to make sleazy leechers rich.** *Cont. in a following OV issue.*

HELLO READER We are only responsible for our articles etc. others herein are for theirs responsible or like Jane's are in honour of them being Folk Patriots until their death. Whatever pedantics think about my grammar I hope you clearly grasp what I say about which you are free to payfully use Your Voice in "Our Voice" to write, if you stay in our Folk Family norms of decency and is not insulting of anyone e.g. intrusive on their private life which is not against the criminal law or their social stated morals, otherwise you get your money back from this pioneering paper, which as an open Folk Forum gives payers the means (By we being viably cheap with only entrants proved too poor to pay being dependent on the editor) to publicly say their opinions on anything in this paper's Economics; Country; Culture; Health; Home; Politics; Travel; Sport etc. sections **About** its section place, entrants must trust the Editors' layout decision. **The ethnic media** e.g. Asian Times; The (Caribbean) Gleaner; Jewish and Muslim Chronicles; The Voice (Headlined as being "**Britains Best Black Paper**") rightly support their kind, faiths etc. but under the Parasites' and Folk Traitors' vile propaganda media made hostile social climate (*That has cowed Our Folk to accept alien control of our economy and so military, political, cultural dictatorship of our country*) these papers, books etc. are in libraries and sold in shops while true **Folk Loyal British** ones are accused of racism etc. for supporting, as do the alien media, their folk and **banned** in Free Speech's name, to choke us to death against which "Our Voice" etc. will fight to the death. **Wily Alien Racists** call us racists to **exalt their race** and stop us from seeing nature has bred many races with richly diverse ethnics, cultures, giving Africans, Asians, Caucasians, Orientals a natural pride in their forebears and so defend their race, culture, land etc. as nature's raw law says: **Any specie unfit to live do into death flit**. So as all healthy races we defend ours but don't brazenly assume we are a superior **God Chosen Race** picked to rule the world, as do the megalomaniac phoney semite, pseudo jew, anti-goyite, paranoic Zionist bigots thru their repulsively offensive Elitist Racism.

FOLK FORUM for letters and articles fostering United Folk Patriotism's Strength for **UNITED WE WILL LIVE AND DIVIDED WE WILL DIE** and it's urgent to help stop Our Folk being in a few years dodoed into oblivion by alien loyal democidic ethnic extincters driving us to commit Folk Suicide by multi mixed race genetic genocide to be cheap labour and cannon fodder in our country now a colony in the paranoid megalomaniac Self Sanctified "God Chosen Race" Pseudo Jew Indo-Turk Khazar Capitalist and Communist Comrade Commissars' World Webbed Imperium of Usury helped by their bought and viler flunky Folk Traitors who our forebears would have rightly shot and cast out their invited invaders for Folk Traitors are life's worst scum, foulest of foes and most heinous of racists for they gladly betray their kin and Folk Family to be sapped then bloodily annihilated in favour of a ruthless alien race of parasite dictators who live by bleeding till dead the producers for the fruits of their work thru ruling over their mass medias' penned sheepish flock of toady collaborators whose cowardly way of trying to please our insatiable leechers is causing Our Folk's oblivion that we can only end by being a Folk Faithful unity of devoted activists with the wits and guts to when able with all non self destructive means take control of our economy to get the military, political, cultural power without waiting for a messianic leader to win the majority of our kinfolk's hailing of Our Loyal Folk's Victory to survive and thrive forever freed from this class caste flunkey ranked slavery for we prefer to fight to make the parasites commit their own suicidal Final Solution by we economically etc. helping fellow producers to win the inevitable Decisive Conflicts to live and die worthily freed from slavery in a Grimm's mass media mind muddled and Pied Piper led into Carrolls' Wonderland believing our leechers lies as in Andersen's "The Emperors New Clothes" while existing on an Orwellian "Animal Farm" as unequally equal guinea pigs in a scientific social psychology run lab, propagandised to think we live in a democracy antheing "God Save Royalty" having been Big Boss carrot and stick driven to exist on booze, porn and balls to be cattleised, lovelessly lab bred, cloned, biocomputerised peanut paid en-gene-ered robotic slaves vacuously serving a leechy tribe of elitist parasites as their conned toady idiots used to gain their world power aims as a self haloed God Chosen Race and Churchill's ("Popular Science" June 1925)? writ wish that maybe made Huxley novel it in his "Brave New World" which is evolving rapidly

(2) OUR CAUSE Like other parties in history we the **Patriotic People's Power Party (PPPP)** were born to fight for Our Folk's desire to survive and thrive by destroying the evil threatening to exterminate us against which we shall use our media etc. to foster as our name betokens Folk Loyal Nationalism i.e. Folk Family Unity or Folk Fascism which name the puppets of Zionism (**Parasitism, Racism and Imperialism's peak**) can call we giving us no shame for it is one of the few names that **embodies an anti parasite politic that the leechers express fear of** as most others e.g. Conservative, SWP, Labour, Communist are just our leechers' loving carrot and stick parties whom as their money masters' voices howl against Fascism in their phony democracy's name ironically snorting against our urged Populism i.e. *Sober Majority Folk Willed Rule (The only real democracy)* that they attack thru their medias' daily lies against us now backfiring on them to give us good free publicity that is winning over their disaffected who less vote for the cosmopolite parasites' puppets and are rightly turning to us saying, *As you Fascists are our parasites' most feared foes then you must be we producers best friends who say we must bury our leechers to the reign over our made wealth gain*. This Folk Positive Propagation trend is making our Folk Traitor rulers tear out their hair in despair for in their haste to bury Our Folk Identity that unifies us in our fight against being suicidally genetic genocidally etc. bred into multi mixed race cheap labour they make draconic laws against us and abusively call our Folk Patriotic Civil Servants, Military, Police "**Institutionalised Racists**" for as Europeans having, like all true Orientals, Africans, Asians etc. healthy natural species of life an instinctive self preservation **Natural Patriotism** to serve and preserve their Caucasian kith and kin for which cause the PPPP exist aware that we will be ruthlessly opposed by our treacherous foes who like we must fight (**As nature only accepts those having the strength to exist**) to decide whom will rule in our land the Parasites as Our Folk's exterminators or we Producers as Our Folk's propagators **So Parasites, Folk Traitors, Toady Collaborators** heed this warning: **The Souls of Folk Patriots** you hunt, tor-ture and murder expect their kinfolk to avenge them as they would them in *this holiest of wars you started for Our Folk to be or not to be* **LIVING AS A FREE FOLK ETERNALLY**

(3) OUR AIMS The survival of our lands' genetic, history, cultural, geo united Folk needs the undivise strength of an ethnic (W)elsh(I)rish(S)cots(E)nglish run and owned **Republican Confederal Britain** with a united outer military, economic, political, cultural defence based on the max inner unity of **Competitive Producers'** anti usury/pollution run cooptivist industries; **Humane** social welfare; **Co-ordinated** laws for Our Folk's best (*Or we can be divided and conquered*) to reduce crime etc. For which the Irish need to unite before cosy chaired "Good Doers" and Folk Traitors (*Who even con their kin by claiming to be Folk loyal Socialists whom they stab in the back by greeting more Capitalist leechy aliens in.*) make the Irish **bury themselves - As duped Brits in other parts of Britain are doing - unless the leechers are rooted or as needed booted out** by our retrieving the wealth they robbed from Our Folk to pay their transport home. "Nazis steal our hard earned wealth" We hear the **sly** leeches wail. **That the pitiless robbers gloatingly bled out of their bled till dead pauperised producers.** Ref: The EU etc. We are for a world money but not one wothed by leechy Soro speculators who bleed countries into being their colonies and, as **if sheep**, fleece the producers of their work's worthed money, so we urge Our Folk to **KEEP and DO AS THEY LIKE** with their **WORK'S MADE MONEY**

(4) OUR VOICE As a media of the PPPP = PATRIOTIC PEOPLES POWER PARTY so you can help us be viable TO VOICE OUR FOLK'S WILL we ask Folk Loyal organisations and persons to buy their legally responsible say and so add YOUR VOICES to make "OUR VOICE" heard on most anything (*With a truly named etc. SAE to be kept secret and only published as you say and per word and number pay for*) in notice, articles, letters etc. that will stay the author's copyright outside their use by "OUR VOICE" and its affiliated. **Verified Paid** ads got after 1 week before our publication will most likely have to wait for the next publication. **Ads discounts** = 15% between 5 to 25; 25% to 50; 35% for any over 50 issues of "OUR VOICE" whose public sale price + **add any post cost** is 50p; a 12 issue subscription £10; **Bulk buying** discounts = as the above Ads. **Half of early** returned issues will be refunded **Overseas Buyers and Advertisers** need only add the air or sea postage costs to the above stated prices and pay us in British money by Travellers' Cheque < **This c. sized 187 words** at our VAT incl. price of 25p per word/number (*c. 75% less than other papers*) would cost £46 + £2.00 for a BOX NR. to be paid only by **cheque or PO (Cartoons, pictures, styled adverts etc. will be at consulted prices)** At postage cost all pw mail can be posted to the advertiser

(5) Any articles sent (We may publish anonymous ones **the senders hereby knowing they will lose their payments** if we do not publish them) will only be published by "OUR VOICE" or its affiliates if their editors think them within their mores and acceptable to their FOLK LOYAL readers who as we accept that life is the strife to survive and thrive even among the human race made of history's evolved life enriching many varied cultures, tongues, races, ethnics that to feed etc. their growing folk numbers are territorially etc. expansive so we must each be co-operatively protective of own survival and maybe our evolved continuity in a confederal world order thru a peaceful merger of economies, tongues, cultures etc. for which reasons we will resist any favouring of life's most ruthless predators i.e. **Parasites and Folk Traitors** who for self profit spread their **folk debase and erase** perversities resulting in the deadly **AIDS** whose sodomic carriers are kept alive to more spread love's death and fairly dance on the streets demanding (**From our parasite yoked folk who dare not against them talk**) more Human Rights to murder Humanity plus we have **MAD COW DISEASE ETC.** (*Factualising the old saying: "WHOMEVER THE GODS' WISH TO DESTROY THEY FIRST MAKE MAD"*) and the agitating of the world's races etc. against each other to divide and conquer us and make us peanut paid multi mixed race cheap labour and cannon fodder slaves serving a leechy anti social welfare usury bred and fed self sanctified "GOD CHOSEN RACE" of PSEUDO JEW KHAZARS whose **DEMOCIDIC PROPAGANDA AND DRACONIC ANTI FOLK POWER LAWS ETC. PLUS IN WORK AND IN WORK AND WARS BEING BLEED UNTIL DEAD FOR THEM** have weakened many of Our Folk's wills to survive and thrive and so they must be revived out of their suicidal sickness by eliminating our mind poisoners as ruthlessly as they do any sucker folk that swallow e.g. **THE PITILESS PSEUDO JEW KHAZAR CAPITALIST AND COMMUNIST COMRADE COMMISSARS'** WAILING WALL ANTI-RACISM BULL of contradictively (*For they have over many generations bled billions of us until dead as usury bred and fed leechy rulers that they fervently deny despite it being an obvious truth seen in their owning most of the world's top businesses, art works etc. which were leeches from their suckered folk on earth - not got from a god in heaven*) being a persecuted "God Chosen Race" that clearly makes their god a racist bigot So any betrayal of our military etc. dead and other undermining of our folk e.g. by favourably publishing our leechers' import of cheap labour (**As only in need will we let aliens be our advisers never Our Folk's supervisors or sports' etc. reps. for if we can't fight to win life's battles then we should be museum stuffed as a dodo folk**) will be tabu and if done will end the editors job as decided by "OUR VOICE" etc. Elected Guardians for going against their party etc. founders' wishes to preserve Our Folk by winning back control of our economy and so military, political, cultural power to revive Our Folk's natural lust to strife to survive and thrive that is secured by being soul bonded in **Our Folk Patriotic Politic that is religiously spirited in Our Folk Church Schools AS OUR INSULATION AGAINST ISOLATION AND EXTERMINATION**

(6) This is a FREE OPINION PAPER whose writers and editors are only legally responsible for their given views so *if the above is to 'good doers' etc. a too raw sketch of the causes of Our Folk being led down Suicide Rd. and how to change it by burying Folk Traitor rulers (If not too late) to turn Our Folk from the edge of extinction then let aliens bury the fools who have Patriots hunted, jailed, tortured, killed for trying to warn Our Folk via e.g. "Our Voice" which as other Brit media is banned by Folk Traitors from libraries, shops, etc. that boast AntiBrit African, Asian, Jewish etc. media*
