ROTHSCHILD

**DON'T LET ANY SHYLOCKS STEALTH TAX OF YOUR MADE WEALTH AND SOUR YOUR GOOD HEALTH & TO HELL! ANY ZIONITED UNCIVIL SERVANT e.g. LIBRARIAN'S DICTATE TO WHAT WE READ / WRITE**

The cultures of ancient Greece and Rome likewise denounced usury. Aristotle called it the most unnatural and unjust of all trades. Money, he said, was to be used for exchange, not the breeding of money from money. Plato condemned it on the grounds that it set one class against another and was therefore destructive to the state. In Rome Cicero, Cato and Seneca made similar censures.

Usury was outlawed by the Church of Rome's Canon Law, but people got around it by various means. One was to claim that it was impractical to lend money completely free. There were, after all, various small costs involved—the time and paperwork, and sometimes the shipment—and some borrowers failed to repay their loans. Why should the lender lose money? So the Church allowed lenders to charge an interisse - A Latin word for 'a loss'- to cover these costs. Soon this 'loss charge' became a fixed percentage, and as greed reared its ugly head the percentage grew, turning the loss into a profit. Usury was back, under a new name – interest.

The Reformation saw the full legitimisation of usury. Calvin, one of the fathers of the Reformation dismissed Biblical references to the evils of making money out of money, arguing that they were irrelevant to his times, and that charging interest was as reasonable as charging rent for land. (Although American Indians and other cultures might wish to replace 'as reasonable' with 'as unreasonable'.) And when Henry VIII broke from Rome to set up 'The Church of England', he not only legitimised divorce he also gave the official seal of approval to usury.

The debate on the rights and wrongs of charging interest continued through the seventeenth and eighteenth centuries, but in the end the lure of easy money won the day. Today its hardly questioned; except perhaps by the person whose life is made a misery by the interest payments he cannot keep up. But certainly not by the governments and banks who make themselves so much money out of it. Nor by all the people who lend their money to these money-lenders on deposit

THE ABOVE – **MANY HISTORICAL FOLK'S** - VIEW OF OUR WORLD'S PRO AND CON OF USURY, THAT MOST ACCEPT, BUT FEW KNOW IT IS MONOPOLISED AND SO DICTATED BY CA. 0.0002% OF THE WORLD'S FOLK BY PARASITE'S BANKS, THAT RULE THEIR SHAKESPEARE'S **"POUND'S OF FLESH"** SHYLOCK VICTIMS, WHO ARE BLED TILL DEAD. SO WE PREFER NOT TO BE SOULESS UTOPIAN SERVILE ROBOTS, BUT RATHER AVERAGE, NORMAL HUMANS, WITH GOOD AND BAD TRAITS, WITH A FOLK WILLED, BEST, JUST, PRACTICAL, ECONOMIC AFFORDABLE, EFFECTIVE, USURY BANNED CONSTITUTION, THAN AN INHERITED RULER'S BILL OF 'RIGHTS' WHOSE MEANINGS, ONLY OUR RULERS CAN DICTATE

**WHEN I HEAR THE WORD GOD I SEE THE DEVILS WHO IN BOMBERS MASS MURDER CIVVIES IN A GOD OF LOVE'S NAME** PARASITE'S GOVERNMENTS DICTATE THEIR WILL OVER SLAVES. AND FOLK FAMILY FAITHFULLIST'S FORUMS ENACT A FREE FOLK'S ELECTED WILL

## **OUR FOLK'S CHOSE HOME & LAND tenets for the PEOPLE'S POWER PARTY'S draft CONSTITUTION**

**THE MAJORITY** of free elected individuals choice to be greater than *a minority's force to forbid a query of anything e.g. a war winners alleged holocaust*, whose propagandists forbid to question, *their tear jerked bled victims of £ / \$ etc. billions. That can help the individual's max freedom* from age e.g. 18, *of only one proved residence, they must vote*, to defend their social majority kinfolk's democratic voted will, in this constitution to keep their forebear's fought to death, **grounding**, of this and voted following eternal tenets, to by *We given, Our Republican Folk Family's eternal Constitution, that honours, our world's martyrs who suffered sadistic deaths for civilisation's founding word – QUESTION. So, have the guts and wits to defend it*

**TO WE**, *Each Nature's Race rooted breed*, loyal to ones Folk in lands we have historically won and settled, we democratic Republicans, love to be free from being under inherited royal etc dictators, class caste flunkey ranked subject slaves, **ironically called**, *"Our rulers said joke" Subject Citizens in a Constitutionless 'Constitution'* Also we want any Imperialist ruled lands to be free from alien rulers, and their immigrant kin, *most imported as cheap labour, by Folk Traitors* into other folk's lands, e.g. Britain. So go to your homeland, *helped willing or not*, to ever have, *as we want in Britain, only their own grown nationals in social office, in loyalty to their forebears, selves and offspring* able to choose any, faith voluntary financed etc or none, whose temples, can only be matched by like numbers of e.g. churches with members *safely* allowed, in their land's origin. These tenets are *to reverse the historical world's Folk Families, of being made extinct, by the ever foxy parasites*, into wild multi-mixed race deformants, instead of nature bred gene clean grown kin, who instinctively are self defensive Folk Families, and are harmonised, against being kept a divisive hysteria guideless mass by creed of greed Folk Traitor rulers, and to peacefully have the unity, skills, energy etc. for humanity to cross its space age hinders to other worlds in a re-cycling eternal universe, against being buried as over populated under fed, barbaric mobs, butchering selves for a *dwindling elements of life, water, oxygen, food.*

**MONEY**, can be a trade rooted and folk measure of their work's worth, so any, above general useful, miserly un-bank registered owner of money, will be guilty of blocking the productive growth of its worth, by increasing its Producer's costs of their work's ware etc., in *Social, Co-op, Private Enterprises on OUR FOLKS MADE LAND whose farmers we aim no more to be bled to dead as slaves by Lordy landlords. As our folk will be the owners of all the land, waters etc. that farmers, and producers of factories etc can long rent from their council who will pay 20% to the state to pay its social services for our untaxed folk's benefit, not parasites, in Folk owned Banks who are kept, by every 4? years elected, anti corruption councils, guarded by Folk Pensioners, to ensure we can pay for our politic to increase moneys worth and loans for instant securities, but never borrow into debt made wars, poverty etc. miseries*, and get a UN World Folk Bank, to agree to world currency exchanges relative to their worth on the world market's highest priced ware, until the UN can guarantee a stable world money of e.g. equal hour pay to the work's worth. *For less the Producers have the guts and wits to keep their made world's wealth, parasite owners of it, despite their propaganda ruled 'Communism' 'Democracy' etc. Will keep the Wealth Producers the Parasites Slaves*

**HEALTH** All wild life has the instinctive physical strive to survive and thrive, but as nature has evolved humans with the best co-opting limbs and wits we have become masters of other life and selves, plus have farm gardened natures fruits, in a tameless riotous universe, in which humanity's number's doom us to *die out on earth or live eternally on the stars* which need healthy gene hygiene clean fertile breeds, to ourselves seed, in state funded, as all folk run social services, e.g. **Public Transport, Folk Health Service**, with self sustained practical economies by e.g. co-optive doctors and other medics, providing only doctor prescribed needed free medicine and hospital ward care with, when able, additional private or charity extra paid for single etc. wards, services having, as all wage graded social employed e.g. nurses, police, military like incomes as their civil employed, not in royalty's reared workhouse minded subject ironic 'citizens' oft dictatorially uncivil servants barked "Be glad with the crumbs master's cast you" oft housed as swine in tight, gloomy towered/streets by 'architects' sunless, greenless slum ghettos

**MILITARY**, due to the reality that, we humans can criminally be bad for selves and others, we need armies, police, ambulance, lifeboat etc. personnel whose rank rose leaderships will, as all social services be elected every e.g. four years by their staff, of civil servants police chiefs, majors, judges, generals etc, who are approved or discharged and socially directed, e.g. war or peace by their relevant national or local Folk Electorates to forestall any Folk Traitors back stabbing *Troy Horse* treachery by importing so said refugee immigrants, of whatever age, less *they are not cheap labour* and a only allowed to get 3 year granted stays as guests, never to be given voting power, or in numbers that threaten to faster breed and so over rule and democidally make extinct the host folk e.g. Brits etc. *who best wake fore, the self god chose race, prefers to employ their bred flunkey monkeys*

**JUSTICE** – *Is the cement of our folk banks total ownership of our wealth's created worth; Individual and social freedom; Federal unity of Folk compatible diversity; Economic etc. betterment's just reward. To be by only Our Folk's elected fit Legalists whose folk juries may or not accept a sentence of any judge, who may leave it to Folk Period Prime District Judges, to be the nation's 4 yearly Top Judges liable to the National Folk's Forum made of a 4 yearly Senate, a following 4 yearly Legislature followed by a max 7 year, state of the nation's summary, decisive vote, Folk Agreed emergency Presidency, to a united like Folk Family won Folk Referendum under the Constitutional and Folk Lobby Period Laws e.g. the death sentence for none self defence death of another, the sentence to be as just as its killer thought just for their victim, e.g. by a victim's relative, whose spirit and kin can know justice has been done, rather than being unjustly kept in hell knowing the murderer is kept alive to enjoy a gloatful life, knowing they can be free, again to murder, whose freed's crimes. their free'ers should serve like just sentences*

**EDUCATION** in schools with teachers and elder students able to guide their fired questioners, not as duffer dumb stuffed soft sausages, but as glad folk able to face truths, not the parasites lies, and so enjoy life's fought, lost or won challenges as exercises

**MEDIA** To be owned and freely print *Equal spaced Pro / Con our world opinions and None Personal provable Private ones.* in own lands e.g. Britain, and other folk's media to be reciprocally imported and sold, *if not used to undermine our folk's will*

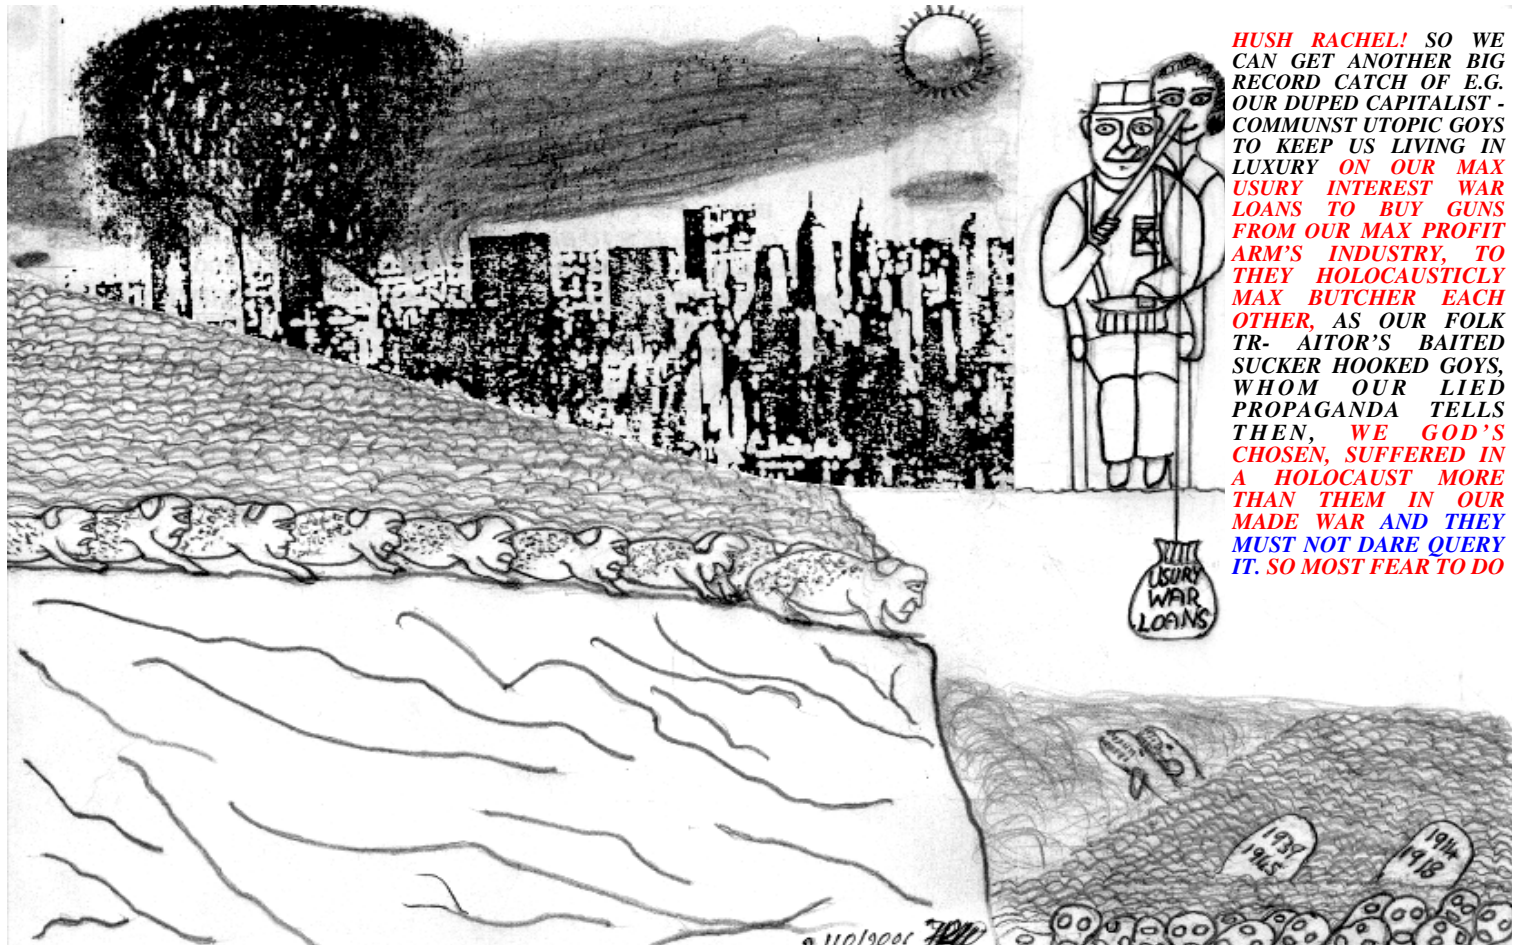

**CULTURE** Before our country was alien occupied and many by it deformed, We must revive our Folk's evolved tolerated ways / traits, arts' crafts, worthy to have the wits and guts to keep Our Folk's regenerated racial identity through Our Eternal Universe

**BILL OF RIGHTS** *Any historical or international All Life Rights – Not Against Our Constitution's Eternal Ones, to be our folk's freely elected or rejected ones e.g. We aim to end censorial librarians. Plus profiteers of charities who oft use war etc. to exploit its victims. And end bad communications, by the guilty, for its unproductive time taking robots, oft 'not knowers' etc instead of humans to speak to And have SLUM 'Architects', Mayors charged for Children denied to Play or in fear of gays*

**THIS A BRIT'S DRAFT** constitution for British Folk to choose or better, and any Folk Families like for any anti parasite's benefited world and worthy achieved, *Gloriously entered eternal universe, with maybe peaceful happy compatible life F.P.W*

# NATURE'S BRED SPECIES' STRIFE TO SURVIVE AND THRIVE IS THE VIVIFYING OLYMPIC GAME OF LIFE

**HUSH RACHEL! SO WE CAN GET ANOTHER BIG RECORD CATCH OF E.G. SO MOST FEAR TO DO**

**FIGHT TO LOVE LIFE MY LOVES**

## **LIFE'S OLYMPIC GAME AUG 2004**

When shall Our Folk again  
Freely over ourselves reign  
Instead of suffering the bane  
Of invading aliens intent to us hame  
Some now winning at Olympic games  
**Nominally done in Our Folk's name**  
Which defaming insult does us shame  
Having only our meekness to blame  
As we allow Folk Traitors to us chain  
To be cowed slaves for parasites' gain  
**And care for aliens more than our ain**  
**Loving them that makes our seed wane**  
**Which is the leechy alien invaders aim**  
**That must our forebear's souls inflame**  
**From feeling they died fighting for us in vain**  
**On seeing our Folk's blood poured down the drain**  
**Into spat on mix race fucked game to any foes claim**  
Having been trained to be simple mercenary swain  
Used to invade other lands and their folk enchain  
To be like we slaves meekly jesting over our defame  
**Scatterbrained to love etc. our leechers which is insane**  
While paupered into a multi mixed race powerless strain  
As mass bred cheap labour lured goofs kept totally inane  
Work and war bled to make the Zionists' world sovereign  
Because we seemingly lack the needed guts and brains  
**To unite and fight to live thru life's toughest campaign**  
Being to survive and thrive whatever the social terrain  
Against parasites who ruthlessly do their rule maintain  
To their luxury living at their bled producer's cost sustain  
**And so their ever repression is the aim we must attain**  
So we producers not parasites enjoy victory's fame  
By winning against our foes instead of in chains slain  
**Which is the main aim of Life's toughest Olympic Game**

Other races are considered as human excrement. Our destiny is to rule over the inferior races. Our earthly kingdom will be ruled by our leader with a rod of iron. The masses will lick our feet and serve us as our slaves." - By Israeli prime Minister M.
