This is a memory sketch by D. Olere a survivor of an alleged holocaust who says he was forced to be a Kapo (German = helper) in the Auschwitz crematoria Note the good condition of the Kapos; the hair and skin on the victims that were supposed to have been taken by the nasty Nazis to make lampshades, bags, rope etc.. HELLO READER We are only responsible for our articles etc. others herein are for theirs responsible or like Jane's are in honour of them for being a Folk Patriot until their death. Whatever pedantics think about my grammar I hope you clearly grasp what I say about which you are free to payfully use Your Voice in "Our Voice" to write, if you stay in our Folk Family norms of decency and is not insulting of anyone e.g. intrusive on their private life which is not against the criminal law or their social stated morals, otherwise you get your money back from this pioneering paper, which as an open Folk Forum gives payers the means ( By we being viably cheap with only entrants proved too poor to pay being dependent on the editor ) to publicly say their opinions on anything in this paper's Economics; Country; Culture; Health; Home; Politics; Travel; Sport etc. sections **About** its section place, entrants must trust the Editors' layout decision. **The ethnic media** e.g. Asian Times; The (Caribbean) Gleaner; Jewish and Muslim Chronicles; The Voice (Headlined as being

"Britains Best Black Paper") rightly support their kind, faiths etc. but under the Parasites' and Folk Traitors' vile propaganda media made hostile social climate ( That has cowed Our Folk to accept alien control of our economy and so military, political, cultural dictatorship of our country ) these papers, books etc. are in libraries and sold in shops while true Folk Loyal British ones are accused of racism etc. for supporting. as do the alien media, their folk and **banned** in Free Speech's name, to choke us to death against which "Our Voice" etc. will fight to the death. Wily Alien Racists call us racists to **exalt their race** and stop us from seeing nature has bred many races with richly diverse ethnics, cultures, giving Africans, Asians, Caucasians, Orientals a natural pride in their forebears and so defend their race, culture, land etc. as nature's raw law says: **Any specie unfit to live does into death flit.** So as all healthy races we defend ours but don't brazenly assume we are a superior **God Chosen Race** picked to rule the world, as do the megalomaniac phoney semite, pseudo jew, anti-goyite, paranoid Zionist bigots thru their repulsively offensive Elitist Racism.

**BASTIONS** Folk loyal daughters and sons The historical time has come Of our folk to be or not to be For we can no longer run From our ancestral duty of loyalty To keep our posterity's Folk Identity By taking authority over our Folk Destiny Which has been seized by pitiless alien enemies Through their usurys fostered Troy Horse Traitors Of bought pocket patriotic politicians Plus divisive church and workers misrepresentatives A creed of greed breed of slimy creeps Fattened by degenerate mind buying usurers Who have tamed their crowned puppet royalty To act as their governed loyal flunkies The parasites pawns who should be tried for Folk Treachery Having conscripted our folk as soldiers To fight and die for the parasites' profitable lies In foreign fields where millions of our youth forever lie Whom they have betrayed and thereby murdered By opening wide the gates of our country To overwhelming hordes of alien invaders Of fast breeding cheap labour and huckster quality Whose millions are growing rapidly And if we do not have the guts to stop them They shall outnumber us by the middle of the 21st century Having then the economic power and political vote To have their politic and culture on us forcibly taught Making Europeans aliens in their once kin countries As a classical example of corrupt and capture from within So shall our country's collapse a wider catastrophe begin Starting the domino fall of the European nations Under the express expansion of an alien invasion Unless Pan-Europeans from America to the Soviet Union Give quick re-birth to Euro Folk loyal politicians Who can reconcile our differing social ideologies To wisely found a peaceful future of folk integration Making Our Folks security their absolute priority Having the sound sense to reason our divisions mean extinction Under the much greater numerical mass of other races Who relative to us breed at Jack-Rabbit paces Whose stomachs are their expansions motivation Which have no moral restraints of humanism towards their enemies Over whom they desire to dictate their political and cultural expression Reflecting the social values of their Folk Brains' aims Whose growth would need to gain total domination By the ruthless obliteration of we Europeans and our civilisation Whilst all who resist are brutally slaughtered Leaving Our Folk enslaved and given no quarter As they are shorn of loyalty and bred out of Folk Identity Being subject to child slavery and lechery in the hands of the barbarians Reducing we Europeans to be like others dispossessed of their lands As are Gypsies - Tinkers - Palestinians eventually to be the Untouchables Which to e.g. the Folk Loyal Slavic Peoples would be despicable As any Folk Proud sisters and brothers united with their strong mother Whose folk can still trust their kinfolk loyalty to one another So they would never meekly accept such a death Rather they would all fight to the last breath Having known slavery under other barbaric invaders Who could then blame them for striking out instead of just talk To defend their folk from slavery's yoke Especially in this treacherous age of paradoxical pre-emptive invasions By securing their Folks souls and homelands doors Against being morally perverted and to barbarism reverted By a sick media in the hands of money mad warmongering profiteers Who conscript our youth to die whilst holding their own lives dear Having a senile imbeciles' Playboy mentality of irresponsibility Drunkly reeling under their politicians Gay Liberal philosophy Wallowing in the shit of their growing depravity Having no respect for civilisations necessary values of human decency Flippantly leaving to fate Europe's Folk Destiny Caring nought for ancestral loyalty to posterity By mass rearing a moronic breed of vandals On their cults of violence and pornography Who proudly befool their dead soldiers whom they betray By giving away their soldiers fought for land into alien hands And allow themselves to be bred into multi-mixed race lumpen proletarians Who have no Euro Folk Soul Conscience Loyalty So they pull down the pillars of Western Europe joyfully Such is the reality of Europe's sick plight And as is the doctors right only strong medicine can cure the blight Sometimes needing trained intelligent gutsy Combats To be rid of the rats that on our folk get fat If we are not to be shamefully forced into cowardly flight As fear stampeded lemmings into history's night Because the folk had been so bitterly taught By having millions of their kinfolk slaughtered As cannon fodder in their parasite masters' profitable wars That they fought for naught and had nought to fight for Having also learnt their forebears' lands were no longer their own They then retired into naive humanism to in despair moan Which stripped the menfolk of their natural will to their defend Leaving their women and children to suffer a barbaric end Then other folks archeologists - historians - anthropologists Shall epitaph the Europeans with the following meaning to ken The Europeans swallowed naive humanism and became too weak to live Amen Unless we quickly rise as one United Folk Who have cast out the rot and sealed our doors Against being slaughtered by hungered hordes Whose barbarism can only be prevented evermore By civilised humanity's self defensive determined swords And helping the hungry folk to help themselves create their wealth Thru teaching them productive work instead of shirk That fosters the qualities of self responsibility And not to breed children we cannot feed So all peoples can eat well and live merrily As we integrate our animating cultures into a World Democracy Perhaps you think I propagate race hate On the contrary I hate any Chosen Racist elitist traits As any fellow democrat I would like to see The nations of the world integrate peacefully Alas this ideal can only become a reality If each folk can defend their right to equality Not be subject to extinction under another folk's authority For nature's god is the sum of its laws Depending on their use or abuse forms of life come and go So a folk must have a strong and just nation As a homeland of shared values for their self preservation Until the world develops freely into a Democratic United Nation Defending the Human Rights of Peace, Justice, Liberty without discrimination For civilisations' laws must rest on the bastions of Folk Power So that they can over barbarism justly tower To the day of life's last flower If in this diverse seemingly timeless universe There could be such an End - **Jane's April 1978 "CHOICE"**

**The harder we work the sooner we'll win!** ( *Cont. from Jan. OV* )  
Some supporters formed up into Conservative Anti-Immigration Groups and continued corresponding with all and sundry on suitably headed notepaper. (see Votes Not Violence!) Others busied themselves putting out "Human Rights for Whites" leaflets and ENOCH IS RIGHT (and how right!) KILL THE RACE BILL and FIGHTING MULTIRACIALISM stickers. In addition there have been visits to a number of Community Relations Offices in London and elsewhere to put over the arguments of the ordinary English man and woman. Meetings have been addressed; twice we have given oral evidence to the Parliamentary Selection Committee on Immigration and Race Relations, and we have seen Mr. Whitelaw three times. There has been a good deal of travelling throughout the last 12 months and a regular exchange of news and views >with CHOICE activists.

Finally, you will be interested to hear that on 30th November 1977 two Manchester housewives took out a Summons at Manchester County Court against Michael Foot, M.P. Lord President of the Council, alleging that his Scottish Devolution Bill contravenes the 1976 Race Act in that it tends to treat the English less favourably than the Scots. At a preliminary hearing at Manchester County Court on 6th March 1978 the Registrar dismissed the Summons on grounds of no case to answer. Our two housewives contended that under the 1976 Race Act Ministers of the Crown, having made themselves responsible under this Act, have in fact abrogated their claim to immunity from the 1689 Bill of Rights which the Treasury Solicitor, acting for Michael Foot, had invoked in his submission to the Registrar. Furthermore the 1976 Race Act being the very first Act of Parliament in which Ministers of the Crown have made themselves responsible, have by so doing given the British people the basis for a first Article in a written Constitution.

We have received great encouragement for our efforts and are immensely grateful to all those good people who recognised our need for funds to finance and distribute the paper, write and post many hundreds of letters and parcels, travel from Scotland to Devonshire, and from Lowestoft to Cardiff. We needed every penny of it and then some, and if you feel we are doing a good job and keeping the flag flying, please continue your help in 1978. *Jane Birdwood*

How broad-minded would the queer creeps be if we shit in their tea Telling them its bad taste is only in the mind be tolerant not angry Such is the present morbid social mentality that equates democracy with feasting royalty Whilst 3 million starving unemployed are fed on porn from the arty arts society Making healthy minded folk vomit at the creepy growing creed of social decay's sickening perversity Cambrogie it is time we matured and cured our lands of the usury parasites borne blight Write and fight to free our folk from their degrading genocidal depraved plight So our youth will gladly work to live and not seek paradise by suicide Let us have the folk unity of Solidarity to destroy the dictatorships of bureaucracy and usury Firmly root out the inhumane parasites with their vandal rearing pitiless creed of greed and porn weeds Then re-seed the economic plant to blossom the personal dignity of equal social rights and responsibilities Our children will then teach theirs that there is no god to make a better life beyond Folk Democracy. **Many millions of Europeans and folk of other races have been enticed and sacrificed in the name of Capitalist 'democracy'** ( e.g. The Fijians who bravely stand to remain masters of their historical homelands and not be dodoed out of existence by the faster breeding - already a majority - Asian settlers who were imported as indentured cheap labour by the Brit-Zionist imperialists. ) or by **utopic Marxism**, that gives the realist usury parasite an illusively tasty political carrot, to bait and feed idealists on and use them as cheap labour, peanut paid, factory and cannon fodder, and thereby finance the growth of the parasites' mercenary military { **Who betray their dead by meekly letting rat run regimes do so.** } to destroy the National Folk Patriots and get world power; whilst colonising their suckers' countries, by yoking the folk under the usury parasites' loans. This colonising of the world's countries by a few leechy Pseudo-Jew Khazars { **Who if you query what they do e.g. Financial filching; Shechitah slaughtering; Holocaust hoaxing; have their laws and flunkeys to deadly punish you.** } has been for centuries, like a snowball ever growing in size and speed, from groping for power by local money lenders, united in their hijacked { Usury business blessing. } ritualised rabid racist religion, into the present global financiers who are realistic, conscious colonialists for their usury welded world wide webbed Imperium of Parasitism, thru their Zionist cabals' directed Capitalist /Communist Khazar Comrade Commissars pincer politic of **Invest in to Infest**, that drives their Capitalist, 'Socialist', 'Communist' bled until dead folk, to self slaughter in freedom's name and load them with huge e.g. war debts to put them in the red; being one of the foul ways that the sly leechers lure their Capitalist and Communist yoked folk, to knacker and enslave each other { **By being fooled to shed their forebears' wrought and fought for Folk Identity of unity against predatory mortal enemies, as being racist,** which now includes nationalism, **unless either be "Chosen Racist" ones,** as they need to destroy all expressions of Folk and Producer solidarity against being enslaved } under the locustic usurers who ravage their lands; in the name of democracy, that the parasite minority interpret as: Their freedom to pitilessly rob and imprison the producer majority and keep them enslaved, to be max bled until dead, in a parasitocracy

**Besides the borrowing and lending parasites, the bloody hands guilty for the holocaustic revolutions and wars, causing the hideous deaths of millions of innocent people, in the name of e.g. Marxism, are the cringing Christian clergy,** com pared to the fighting Muslim mullahs and like Folk Loyal Pseudo-Jewish rabbis { **Who mockingly bless Christmas as their kin's best day for business.** } as most of contemporary Christian clergy are cowards who have Jewdified Christianity by mostly preaching the Chosen Folk racist cult of Moses and so shame the self-sacrificing, brave fighting spirit of Jesus who was crucified for preaching against the parasitical usury and elitist race etc. Old Testament dogmas of Judaism to so found Christianity, that is now being ruined and buried by its church members' exodus, as they are not self cleansing of their usurer corrupted priests who preach sodomy and social suicidal masochism, promoting **Foe favouring; Traitor fostering; Folk Will destructive;** alleged sayings of Jesus e.g. "Turn the other cheek" and "Love your enemy." { **With the love, for the poored producers, as Jesus asserted when driving his hated parasite money lenders out of the temple, that any humanist will justly agree with.** } Also, the Christian? clergy's fellow European, notably French and British, bourgeois academics and other political idealists who { **In their usury masters' monetary captured and manipulated, cosy universits of licentious learning, dictated over by Zionist etc. alien favouring teachers to forward the alien folk's wants and liberally de-nationalise any native students' folk loyalty.** } being far from the working people's real political world, have caused the horrific deaths and disfigurings of countless millions of innocents, by promoting ruthless dictatorships, hiding behind obvious { **To critical sound sense minds, that teachers are supposed to have and foster in their students.** } tyrannical social philosophys, that claim to be humanistic, yet must use sadistic secret police and the crafty parasites' propaganda hysterical utopist mobs to stop any questioning of them, in the name of freedom; which terrible release of social sadism resulting in the hideous torture and deaths of the native loyal Folk Culturists, the bourgeois academics dismissively excuse, from within the peaceful security of their homes and lands { **Before they and theirs - and alas many innocents - reap the certain deadly retribution from their short sighted sown social seed that does inter-ethnic conflict breed.** } as being needed to cure the world's social problems, by applying the mechanics of industrial machines to human beings and so try to reduce the workers into being their unquestioning cogs, whom they see as statistical numbers, to fulfil their { **The parasites', flattery and finance manipulated quixotian intellectuals.** } grand dreams of directing the workers, to build their pompously planned heaven of monstrous factories, schools and barracks for the workers. whom they shepherdly overlord from their luxury towers of power with dismissive snob school accents, patronisingly saying - Be servilely thankful that we take care of you workers. So, do a parasitocracy's rulers destroy their victims' emotional spirits, { **Expressive of our diverse souls' artistic etc. individuality.** } so they can breed us to be a drab uniform mass of meek creeps { **Lower than sheep, who must be forcibly herded, penned and sheared.** } serving their masters, the realistic Pseudo-Jew "God Chosen People" parasites { **Having elited themselves in relation to their hijacked religions invented god.** } who instinctively know Socialism and Communism are, their worth backing to exploit sucker philosophys and, true to their leechy nature, have misled their utopia suckered workers and bourgeois academics to be bled until dead. Like sheep being fleeced and led to their slaughter, so do usury Zion's lions rob and sod their duped creeps, to whose booze and propaganda battered brains it is useless to any words of freedom aim. **For, only the solidarity of a militant minority of steadfast producers, having a democratic realistic economic / political alternative, can have the hard punching power to defeat a militant minority of pitiless parasites and so help the Folk majority win liberty, to hopefully breed mostly dupeless realists to oust the leechers' lured lackeys.** Hence, Folk Fascist Freedom Fighters must organise as co-op teams led by their democratic elected on merit leaders, under Folk Loyalty oath { **To give their all in battle than die enslaved as corralled cattle.** } against the pitiless parasites and their mercenaries, to win the Folk Vote of Confidence by getting rid of their usury jailers to economically unlock the prison gates to get a Folk True electoral system having Folk Accountable social servants who speak their Folk's Voice saying: **Parasites only bow to might and all that rouses their spite must for the producers be right.** Instead of uselessly praying for a god to do the bloody job or trying to win People's Power within the parasites' pantomime parliaments made Folk Traitor Laws and a personality politic's voting system of appointed candid-ates, safe seats, etc. backed by the usurers' money to forever, by force, make the producers cower and keep the parasites in power. **For in a true democracy a folk are served by their elected servants not dictatorially governed by them**

**OUR CAUSE** Like other parties in history we the *Patriotic People's Power Party (PPPP)* were born to fight for Our Folk's desire to survive and thrive by destroying the evil threatening to exterminate us against which we shall use our media etc. to foster as our name betokens Folk Loyal Nationalism i.e. Folk Family Unity or Folk Fascism which name the puppets of Zionism (**Parasitism, Racism and Imperialism's peak**) can call we giving us no shame for it is one of the few names that **embodies an anti parasite politic that the leechers express fear of** as most others e.g. Conservative, SWP, Labour, Communist are just our leechers' loving carrot and stick parties whom as their money masters' voices howl against Fascism in their phony democracy's name ironically snorting against our urged Populism i.e. *Sober Majority Folk Willed Rule (The only real democracy)* that they attack thru their medias' daily lies against us now backfiring on them to give us good free publicity that is winning over their disaffected who less vote for the cosmopolite parasites' puppets and are rightly turning to us saying *As you Fascists are our parasites' most feared foes then you must be we producers best friends who say we must bury our leechers to the reign over our made wealth gain.* This Folk Positive Propagation trend is making our Folk Traitor rulers tear out their hair in despair for in their haste to bury Our Folk Identity that unifies us in our fight against being suicidally genetic genocidally etc. bred into multi mixed race cheap labour they make draconic laws against us and abusively call our Folk Patriotic Civil Servants, Military, Police "**Institutionalised Racists**" for as Europeans having, like all true Orientals, Africans, Asians etc. healthy natural species of life an instinctive self preservation **Natural Patriotism** to serve and preserve their Caucasian kith and kin for which cause the PPPP exist aware that we will be ruthlessly opposed by our treacherous foes who like we must fight (**As nature only accepts those having the strength to exist**) to decide whom will rule in our land the Parasites as Our Folk's exterminators or we Producers as Our Folk's propagators **So Parasites, Folk Traitors, Toady Collaborators** heed this warning: **The Souls of Folk Patriots** you hunt, torture and murder expect their kinfolk to avenge them as they would them in *this holiest of wars you started for Our Folk to be or not to be* **LIVING AS A FREE FOLK ETERNALLY**

**OUR AIMS** The survival of our lands' genetic, history, cultural, geo united Folk needs the undivise strength of an ethnic (**W**)elsh(**I**)rish(**S**)cots(**E**)nglish run and owned **Republican Confederal Britain** with a united outer military, economic, political, cultural defence based on the max inner unity of **Competitive Producers'** anti usury/pollution run cooptivist industries; **Humane** social welfare; **Co-ordinated** laws for Our Folk's best (*Or we can be divided and conquered*) to reduce crime etc. For which the Irish need to unite before cosy chaired "Good Doers" and Folk Traitors (*Who even con their kin by claiming to be Folk loyal Socialists whom they stab in the back by greeting more Capitalist leechy aliens in*) make the Irish **bury themselves - As duped Brits in other parts of Britain are doing - unless the leechers are rooted or as needed booted out** by our retrieving the wealth they robbed from Our Folk to pay their transport home. "**Nazis steal our hard earned wealth**" We hear the sly leeches wail. **That the pitiless robbers gloatingly bled out of their bled till dead pauperised producers.** Ref: *The EU etc.* We are for a world money but not one worthed by leechy Soro speculators who bleed countries into being their colonies and, **as if sheep,** fleece the producers of their work's worthed money, so we urge Our Folk to **KEEP** and **DO AS THEY LIKE** with **THEIR WORK'S MADE MONEY**

**OUR VOICE** As a media of the PPPP = PATRIOTIC PEOPLES POWER PARTY so you can help us be viable TO VOICE OUR FOLK'S WILL we ask Folk Loyal organisations and persons to buy their legally responsible say and so add YOUR VOICES to make "OUR VOICE" heard on most anything (*With a truly named etc. SAE to be kept secret and only published as you say and per word and number pay for*) in notice, articles, letters etc. that will stay the author's copyright outside their use by "OUR VOICE" and its affiliated. **Verified Paid** ads got after 1 week before our publication will most likely have to wait for the next publication. **Ads discounts** = 15% between 5 to 25; 25% to 50; 35% for any over 50 issues of "OUR VOICE" whose public sale price + **add any post cost** is 50p; a 12 issue subscription £10; **Bulk buying** discounts = as the above Ads. **Half of early returned issues** will be refunded **Overseas Buyers and Advertisers** need only add the air or sea postage costs to the above stated prices and pay us in British money by Travellers' Cheque < **This c. sized 187 words** at our VAT incl. price of 25p per word/number (*c. 75% less than other papers*) would cost **£46** + £2.pw for a BOX NR. to be paid only by **cheque or PO** (*Cartoons, pictures, styled adverts etc. will be at consulted prices*) At postage cost all pw mail can be posted to the advertiser

**Any articles sent** ( We may publish anonymous ones **the senders hereby knowing they will lose their payments** if we do not publish them ) will only be published by "OUR VOICE" or its affiliates if their editors think them within their mores and acceptable to their FOLK LOYAL readers who as we accept that life is the strife to survive and thrive even among the human race made of history's evolved life enriching many varied cultures, tongues, races, ethnics that to feed etc. their growing folk numbers are territorially etc. expansive so we must each be co-operatively protective of own survival and maybe our evolved continuity in a confederal world order thru a peaceful merger of economies, tongues, cultures etc. for which reasons we will resist any favouring of life's most ruthless predators i.e. **Parasites and Folk Traitors** who for self profit spread their **folk debase and erase** perversities resulting in the deadly **AIDS** whose sodomic carriers are kept alive to more spread love's death and fairly dance on the streets demanding (**From our parasite yoked folk who dare not against them talk**) more Human Rights to murder Humanity plus we have **MAD COW DISEASE** ETC. ( Factualising the old saying: "**WHOMEVER THE GODS' WISH TO DESTROY THEY FIRST MAKE MAD**" ) and the agitating of the world's races etc. against each other to divide and conquer us and make us peanut paid multi mixed race cheap labour and cannon fodder slaves serving a leechy anti social welfare usury bred and fed self sanctified "**GOD CHOSEN RACE**" of **PSEUDO JEW KHAZARS** whose **DEMOCIDIC PROPAGANDA AND DRACONIC ANTI FOLK POWER LAWS ETC. PLUS IN WORK AND IN WORK AND WARS BEING BLED UNTIL DEAD FOR THEM** have weakened many of Our Folk's wills to survive and thrive and so they must be revived out of their suicidal sickness by eliminating our mind poisoners as ruthlessly as they do any sucker folk that swallow e.g. *THE PITILESS PSEUDO JEW KHAZAR CAPITALIST AND COMMUNIST COMRADE COMMISSARS'* WAILING WALL ANTI-RACISM BULL of contradictively (*For they have over many generations bled billions of us until dead as usury bred and fed leechy rulers that they fervently deny despite it being an obvious truth seen in their owning most of the world's top businesses, art works etc. which were leechd from their suckered folk on earth - not got from a god in heaven*) being a persecuted "**God Chosen Race**" that clearly makes their god a racist bigot So any betrayal of our military etc. dead and other undermining of our folk e.g. by favourably publishing our leechers' import of cheap labour (**As only in need will we let aliens be our advisers never Our Folk's supervisors or sports' etc. reps. for if we can't fight to win life's battles then we should be museum stuffed as a dodo folk**) will be tabu and if done will end the editors job as decided by "OUR VOICE" etc. Elected Guardians for going against their party etc. founders' wishes to preserve Our Folk by winning back control of our economy and so military, political, cultural power to revive Our Folk's natural lust to strife to survive and thrive that is secured by being soul bonded in **Our Folk Patriotic Politic that is religiously spirited in Our Folk Church Schools** *AS OUR INSULATION AGAINST ISOLATION AND EXTERMINATION*

*This is a FREE OPINION PAPER whose writers and editors are only legally responsible for their given views so if the above is to 'good doers' etc. a too raw sketch of the causes of Our Folk being led down Suicide Rd. and how to change it by burying Folk Traitor rulers (If not too late) to turn Our Folk from the edge of extinction then let aliens bury the fools who have Patriots hunted, jailed, tortured, killed for trying to warn Our Folk via e.g. "Our Voice" which as other Brit media is banned by Folk Traitors from libraries, shops, etc. that boast **AntiBrit** African, Asian, Jewish etc. media*
