Rioters in France think they're the **White** ones. For two weeks, France has been rocked by racial violence. This isn't New Orleans, wrecked by a powerful hurricane, but the aftermath is identical. In New Orleans, the non-Whites seized the chance to destroy the city, loot, rob, kill and rape. Following the hurricane Katrina which caused a brief condition where White law could not be enforced, and within a few hours Negro Rule was supreme, a polite way of saying total savagery, became the norm, until White law was only restored by force of arms. In France, it is basically the same. For France is in decline as non-Whites pour in, to make the country their own. The non-Whites don't love the White race or the French nation; they covet the wealth of France and so by using a ridiculous catalyst, the non-White hordes began a violent, destructive anti-White frenzy. The actual catalyst for the violence in France is interesting. No one disputes the facts, they are simple. **The French police** were pursuing two non-White criminals whom in their bid to escape got into a high-voltage power station, and got electrocuted. **The non-Whites** have a healthy sense of racial identity, they don't care about the White laws of France. To the non-Whites, there was one issue: Whites pursued non-Whites who died. That was enough. And I don't fault them for thinking so. Only muddle-headed liberals believe non-Whites want to become dark-skinned Whites and conform to everything White. In the **planets history**, no race was able to conform to another race's standards. Every effort has been naturally resisted. The non-Whites didn't move to France because they are a bunch of brain-washed liberals, racial wannabes or move to France for they wished to be White and act like them. They went because France is falling apart, for Jews, Liberals and trans-national corporate elite, who can't grasp the concept of race, control France's national policies. **The non-Whites** moved to take the wealth from France. The non-Whites are not able, as a group, to create and maintain France's physical infrastructure and could never create the social services and health care that the great nation of France has made, or the beauty of France's cities, towns and countryside. **To top this off**, the non-Whites cannot resist the joy of just signing a piece of paper to get free money, free place to live and free healthcare. **Not since** the last days of the totally corrupt Roman Empire, has there existed any place on the planet that would allow such a thing. In their countries non-Whites live in conditions, very primitive compared to White nations. **This White-to-non-White gap** exists due to ours and their DNA coding. Our gene differences decide our ability to cooperate with others in our group, or organize, to create and build. Other races genetically differ and will always be unable to achieve what Whites do. This is simply the inequality of the races that will never change. To non-Whites, a place like France is a fantasy come true, they only need to sneak into the country, sign a few forms and "presto," they have a home in a White country. They don't need to work. They get the free health care they want, get given money, as they sit around and breed more children to be more powerful. **Non-Whites** will always be more prone to criminal behavior because of their DNA, which can never be changed. Non-Whites have a different psychology also due to their DNA. This will always be true. **For** the races' biological differences makes it impossible for them to assimilate into another race's nation. This is just part of biological law. Thousands of years ago, from the beginning of the White race, and millions of years before, all creatures have felt a kinship towards those of the same gene pool, and an animosity or outright hostility towards any existing within the same plane, but slightly different genetically. **In this regard** it is absolutely inaccurate to use the word "immigration" when speaking of non-Whites moving into White nations. They are invaders, prevented by laws of nature from being assimilated into any White society. **That is why**, since the beginning of recorded history, if we go back to the city-state of Ur, in the fertile crescent, which is now Iraq, and look at the history there, we see racial conflict between the Whites who built the colossal Ziggurats and the walled in city-states, with the primitive, nomadic Semitic tribes against whom they fought. Once any weak Whites (e.g. **Folk Traitors**) opened the city walls and allowed non-Whites to live amongst them, it was over. And France will also fall and be just as extinct as the city-state of Ur, if they don't remove the aliens from their homeland. **The non-Whites** have used a simple crime as an excuse to set France on fire. The bleeding-heart liberals don't understand. To them, there must be too many racist French who were mean to the non-Whites. This, the deluded liberals say, created so much anger under the surface it has now exploded. **This is interesting**, for the world's White racial separatists openly say that non-Whites are a different race and so cannot be assimilated, and because of this, there will always be racial tension. **The Liberal way** of thinking, is to tax the evil White people more to give more money to non-Whites, which makes them feel the Whites are getting even weaker. This in turn encourages the non-Whites to demand even more. **If e.g. France** quells the current race riots, the Liberals will think the violent non-Whites are victims of White racism. They will demand more money to cure the problem and may want even more oppressive laws against White people. This is truly crazy, but bear in mind that convinced Liberals are truly crazy fools. **And there really is** no better word to describe a modern Liberal other than - Fool. Some liberals have high IQs, so they can't be called idiots. But a liberal is the opposite of a wise man, who is a fool. Wisdom is the ability to understand people and groups of people correctly. Fools are people who have no ability to do this. White separatism today is unpopular with the mainstream media, but that doesn't detract from the fact that racial separation is the only wise choice to make with the current problem. The Liberals can only throw salt in the wound. Liberals are fools. **The non-Whites** are not fools. They are opportunists that exploit the stupid mistakes of White nations. And, at the forefront in bad policy making is the powerful Jewish media. **Look at Time** magazine. This Jew owned magazine is the largest and most influential weekly magazine in America. Since America is the planet's only Superpower, this puts *Time* magazine at the pinnacle of power. **The Time's** says about the racial disaster in France: "Why Paris is burning. Failure to integrate immigrants has brewed a potent cocktail of rage." So, that gives us a very accurate take on what the Jews want. Firstly, they don't want to address the crimes that non-Whites are involved in, but try to muddy the water and focus the reader's on an imaginary failure of which France is guilty. From that blatantly Jewish rhetoric, they offer their solution to the problem, which is what the foolish and controlled mob of Liberals, will parrot. The first word to come out of the Liberals' and Jews' mouth is "poverty." For some reason, they think that if a non-White person is poor, then they are justified in burning down buildings, flipping over cars, attacking White people, looting, robbing and raping. **The second word** out of the Liberal's mouth is "unemployment." And in fact, even *Time* magazine talks about the terrible living conditions poor non-White immigrants have and the 40% unemployment rates. Now think about it. They come to France illegally, apply for welfare, drive out the poor Whites and take over their neighborhoods. Then they naturally have a higher unemployment rate, but somehow this is a problem for the Whites in France. =>

In Jane's June 1979 "CHOICE" **THE RACE OCTOPUS** led by arch-inverse racist David Lane, the Commission for Racial Equality is very busy winding its tentacles closer and closer round the nation's life. The Commission's Plan '79 is now in full swing and no one who opposes multiracialism should underestimate the menace they pose to Britain. Here are some of the numerous activities and petty victories they have joyfully notched up in the May edition of their paper **NEW EQUALS:- ACTIVITY** Thousands enter national Racial Harmony Poster competition. Prince Charles presented awards on 1/5/79. British Youth Council is holding a multi-cultural festival for some 2,000 youngsters at Gilwell Park (Scout Association's main camping grounds) on 9/6/79. The event is billed as a "celebration of Britain's multi-cultural society". The CRE supported the Anne Frank Exhibition which was brought from Amsterdam by the Joint Committee against Racism. Scouting reaches out to Black Youth. 1-day Seminar on "Scouting in the multi-racial society". The Crafts Advisory Committee of Gt. Britain and Minorities' Arts Advisory Service are collaborating to compile a register of people skilled in ethnic crafts. North Beds. Council has approved in principle a plan to convert Bedford's old railway station into an international community centre to house the CRC offices and provide facilities for minority groups. Blackburn and District Film Society has decided to go multiracial and is launching a special drive to attract new members from ethnic minorities. A survey by Wandsworth CRC has shown that late night opening by Asian shops has improved race relations in Southfields. (What about the Shop Act) A new anti-racist film aimed at young people — "Divide and Rule — Never" has been made by the Newsreel Collective.

PETTY VICTORY A private children's home, which felt the village where it is located was an unsuitable environment for black children was 'required' by CRE to change its policy on admissions. Report on Robert Relf's Appeal before Lord Justice Lawton. £100 damages in landmark race case. West Indian secretary awarded £100 for "injury to her feelings" because the owners of a flat wanted to rent their flat to a stable family rather than to young single people. Judge Stockdale said: "One has to do one's best to make the Act work". (So now we know). £75 award against Employment Bureau, one of whose employees tried to give a job to an indigenous than to an alien-born interviewer. A Headington butcher refused to give a job to a black boy because he felt it would be bad for business. The boy was awarded £250 against the butcher who asked a Careers Officer: "Did the careers service have to send black youngsters?" The CRE decides to conduct an investigation into the recruitment of Machine Tool Fitters in the Press Shop at the Castle Bromwich Body Plant of BL Cars Ltd. A 21 year old black girl who was refused a part time bar job because of her colour was awarded £315 by a Bristol Industrial Tribunal. (The Club concerned was unable to select the girl they wanted because one of the applicants was black.) **There's an awful lot more!** (To the above I have only space to say. This corrupt regime's treachery stinks like rotten hay. Which Our Folk should in its coffin lay. Before we are by them buried as fays. Because we lacked the wits and guts to blow them away. OV Ed.)

Never a word that 100% unemployed before invading France; and those employed have displaced entire White neighborhoods, by violence and a never ending stream of racially-based social irritations. When non-White pour into White countries, only a Jew and a Liberal can conclude that it is the White taxpayers that must fix this problem by taking jobs and money from Whites and redistributing it to the non-White invaders. **To top this off**, only a Jew and a Liberal can conclude that unemployment within the illegal alien community is justification to burn down parts of France. But, Liberals and Jews are not insane. The Liberals are fools; often well-meaning fools lead astray by the Jewish pied piper, who plays a tune of interracial world harmony, which lures the foolish Liberal. **On the other hand**, Jews are not fools. They are parasites. The White race has a natural social immunity, like all living bodies. In a human body, we have hunter T-cells, macrophages and a dynamic assortment of anti-bodies to detect, go after and remove anything foreign. **Foreign** is bad for the body and for our nations. France doesn't have a poverty or unemployment problem, France has a foreigner problem. And the natural immune system for our nations to detect foreign antigens is political racism. France doesn't burn because of any Liberal fantasy about White racism; France is burning, because France needs a great deal of: pro-White racism. **France already has** a huge abundance of anti-White racism; hence France burns. The Jews know this is the only hope for the White race, but they also realize they too are foreigners. And, when Whites organize and start to remove the more obvious foreigners, the Jews will follow. **So, the Jews** have a very huge, interest in keeping the Whites fooled and not united. **But, let'**s not just blame the Jews for this. After the industrial revolution, the White race developed a new powerful elite. These were the captains of industry, the new global capitalists. They were wealthy beyond words and didn't have any use for the traditional ruling elite. **They had more money** and wanted more power. The Jews saw an opportunity to use their wealth, gain favor with the advancing new rulers, the capitalist elite, and forged a powerful union. These new elite, captains of industry and big business fat cats, knew how to make millions of dollars on selling products. They made dreams come true with railroads, telegraph wires, cars, airplanes, electricity, and many other social advancements, but they didn't understand race. **Race is not** an upfront variable in the economic circle of manufacturing, banking, mining, shipping, or retail. Race is a variable to all these things, but it is a force to all these fields at once. All forms of commerce are affected indirectly by race. **This is like** a large, complicated math formula that has each economic variable at play and the entire formula is multiplied by the outside variable of race. And to see this, requires wisdom. **The technical** know how and the great ability to make the Internet and cell phones are firmly a part of the ruling elite, but the race variable has been deemed as the ultimate taboo, even when it is thrown into many people's faces. The biological mechanism that governs each person's behavior is such that, they repel letting themselves come to those correct conclusions on racial matters. Instead, they take the easy way out, with reservations; they just accept the very false, yet ruling Jewish dogma of racial equality. **This then** removes the needed variable of race from their policy planning formula. There are some very well-educated minds that look at the destroyed, rubble of so many former White neighborhoods around the city of Chicago and see block after block of what were once healthy, thriving White neighborhoods that were bulldozed at the orders of the city, to make it safer. And, these intelligent people – because they can't factor in the needed race variable – come to false conclusions over and over again. **In France**, some of these non-Whites that are setting fires only arrived in France recently. But, others have been there for three generations. They can't assimilate, for it is biologically impossible, so France has a non-French antigen within their borders that can never help France and will always hinder France. **So**, France burns and the French government wants to give the criminals cake. And, one other important fact remains. Millions of French people see this problem for what it is. They see this huge racial problem and would like it to be fixed correctly. **But truth** has never set anyone free, only actions can do that. Every slave in the South knew they were slaves and that never set them free. **For France** to rise up above this mess will require the French to organize and take back their land. **Let'**s look at the next French election for President. If Le Pen can be second in the election, with a Leftist being first, then Le Pen will most likely win in the French run off. If Le Pen was President of France, if France had a real leader, a nationalist with backbone, such as Jean Marie Le Pen, and the non-Whites went ape, Le Pen would mobilize the nation, and in short order smash the non-White rebellion. **He would** then speak the truth about race. Millions of French men and women would rejoice, a new national consciousness would emerge, and the French people would feel something stirring in their hearts, that felt very good, and strangely familiar. **They would feel** a sense of love for France; like they feel love for their children, spouse and parents. They would look at their White French neighbors and see they are their extended family, too. They would see non-Whites in stark, blatant reality for what they are: foreign invaders. This sense of healthy, loving identity would sweep over them with a sense of purpose and goodness, and fill them with natural Folkish love. Their French minds would be free of the alien poison that the Jews force-fed them for 60 years and they would feel the warmth of sunshine. With a real, nationalist leader, like Le Pen as President, the lungs of France would breathe in the first breath of health in three generations and order would be restored. The aliens invaders would have to go home, crime would drop, the drug epidemic subside, organized criminal syndicates greatly weakened, social services put back in order and tax levels drop. **A new**, healthy, vibrant racial renaissance would overtake France and the French people would again begin to create the greatest art the world has seen, the great advancements in science that France has given to us, the brave leaders, from Viersenjoivoix, to Napoleon, from the Eiffel tower to the fastest bullet trains. France is indeed a great White nation. **It is** a terrible shame for the country to be overrun with non-Whites, but it is times like these that shake the fluff out of people's heads and let them hink about problems clearly. **France** is in turmoil, but this started long before the latest race riots. But racial change is in the air and this will ultimately help more White people in France understand the truth about a multiracial society. **Many people** have predicted what would happen to France if new leadership wasn't put in power to restore order. The famous book *"The Camp of Saints"* was first published over thirty years ago and is globally well-known, it spells out racial doom for France, unless France understood the reality of race. Now this well-written book stands as a prophecy fulfilled, which says to France: "I told you so." **The situation** in France is the same in Britain, Sweden, Italy and America. Dr. William Pierce spent the last 36 years of his life as a messenger, warning the world that this would happen. There will either be more racial disasters, such as in France today, in New Orleans yesterday, or there will be hope and a future for White people once we organize and change our nations. **France**, like America, needs wise White men in the seats of power to get out of their mess. **France needs** Jean Marie Le Pen as their President, as only he can, just now, heal France. **Join with us, the National Alliance**, and help us make those needed changes for the good of the White race and our White nations. www.natvan.com

Whatever you think of the above, I agree with it except for the harping on preserving the White Race while disparaging other races who are also victims of the Zionist self God Chosen elitist racist Pseudo Jew Khazar Capitalist/Communist Comrade Commissars' Imperialist policies to exterminate the world's races and Folk Families via multi-mixed race democide, done by turning all races etc. **in and out** against each other, **except** their parasite one whom the world's folk **naturally hate**, for their self ghettoed support of their united vampiric leeching giving them a luxury living and a global rule **far over** their work's worth and numbers, thus they keep the world's peoples powerless in relative dire poverty. Thereby the sly parasites outwit us, by luring all races to fight each other for their leechers, so foolish disparaging of the Zionites other bled races is self betraying and so self defeating, which the sly leechers love and incite, making it treachery if any claimed Folk Loyalists do it for our foes, against which the world's races must unitedly act globally to remove the leechers from power and reverse their **ie.** democidic immigrant policies, so the world's races can live in harmony via **their made anti Zionist Confederal Cooptive UN.** *ov*

In this picture we see the resultant poisonous fruit of the social tree seeded by the Norman conquest, in whose gauntlet fisted bloody hands founded feudal system we have been bred into a class caste flunkey ranked society, wherein the Anglo-Celtic folk have been driven into being the folk culture destroyed **"hewers of wood and carriers of water"** worker and soldier bees whom, at first resistant work and war fodder, have been dungeoned driven to build and defend the castles and palaces of their now servilely served alien oriented aristocracy of lord and lady drones and royal bees whom, as they no longer have any roots, which were dug up by the **Republican Revolution**, in their origin land of France or amongst their conquered and aloofly and patronisingly scorned Anglo Celts, have evolved a bourgeois trader, religious and academia class barrier that aspires to be in speech and ways like their fostering rulers and consequently favour alien associations resulting, **as pictured**, in their greeting reps of alien cheap labour and promoting them, **naively, as eventually they will also be pitilessly buried by their welcomed 'friends'**, as the supervisors over their, **as Folk Traitors**, turcoated on kinfolk. Now since this hive was taken over by the Zionist bee keepers, who leech it for the max honey, this Zionist parasite marionetted Loony Left Land with its Punch and Judy parliament, queered aristocracy, pimp and whored academia, multi mixed race shirker bees and machoed up cannon fodder, human bee hive asylum, has gone into rapid self extermination of its native folk who are being enforced to commit multi mixed race democide, which can only be reversed by an actively United Front of the Bold Hearted staffed Folk Patriot Parties having the wits not to let their foes lure them into being against each other in conflict. Instead of having the guts to on their foes death blows inflict. No matter what the leechers' draconic laws edict. Otherwise the laws of nature historically predict. The parasites will Our Folk from life evict. **FPW**

Naturalists We clitorics and foreskinners should be proud. That our forebears were not so bowed. As to have it ever be allowed. That their creators work be disavowed. By having their babies bodies mutilated. Under Dark Age priests of the perverted. Who claim that by a god it is dictated. To distort what mother nature over aeons created. To protect the body from invasive blights. Which could destroy love's feelings of delight. That encourage the breeding of a folk willing to fight. Against being denied life's light by parasites. Who in a Dark Age religious ceremony. Have their foreskins cut off surgically. Which can be to we normal humanity. A means of checking the identity of our enemies. To prevent them to amongst us infiltrate. And over us their leeching dictate. Which would Our Folk eventually exterminate. Unless as Naturalists we naturally do them first annihilate. **Cambridge Manumit** **FPW**

Listen my Folk loyal gal
 To what I tell my Pal
 If thru this war you stay alive
 Tell Our Folk we killed did strive
 For them to survive and thrive
 As a free folk working to enjoy life
 Not to be worker and soldier bees
 Of their made honey being deprived
 By leechers in an alien farmed beehive

FOLK FORUM for letters and articles fostering United Folk Patriotism for **UNITED WE WILL LIVE AND DIVIDED WE WILL DIE** and it's urgent to help stop Our Folk being in a few years dodoed into oblivion by alien loyal democidic ethnic extincers driving us to commit Folk Suicide by multi mixed race genetic genocide to be cheap labour and cannon fodder in our country now a colony in the paranoid megalomaniac Self Sanctified "God Chosen Race" Pseudo Jew Indo-Turk Khazar Capitalist and Communist Comrade Commissars' World Webbed Imperium of Usury helped by their bought and viler flunky Folk Traitors who our forebears would have rightly shot and cast out their invited invaders for Folk Traitors are life's worst scum, foulest of foes and most heinous of racists for they gladly betray their kin and Folk Family to be sapped then bloodily annihilated in favour of a ruthless alien race of parasite dictators who live by bleeding till dead the producers for the fruits of their work thru ruling over their mass medias' penned sheepish flock of toady collaborators whose cowardly way of trying to please our insatiable leechers is causing Our Folk's oblivion that we can only end by being a Folk Faithful unity of devoted activists with the wits and guts to when able with all non self destructive means take control of our economy to get the military, political, cultural power without waiting for a messianic leader to win the majority of our kinfolk's hailing of Our Loyal Folk's Victory to survive and thrive forever freed from this class caste flunkey ranked slavery for we prefer to fight to make the parasites commit their own suicidal Final Solution by we economically etc. helping fellow producers to win the inevitable Decisive Conflicts to live and die worthily freed from slavery in a Grimm's mass media mind muddled and Pied Piper led into Carrolls' Wonderland believing our leechers lies as in Andersen's "The Emperors New Clothes" while existing on an Orwellian "Animal Farm" as unequally equal guinea pigs in a scientific social psychology run lab, propagandised to think we live in a democracy anthing "God Save Royalty" having been Big Boss carrot and stick driven to exist on booze, pom and balls to be cattleised, lovelessly lab bred, cloned, biocomputerised peanut paid en-gene-ered robotic slaves vacuously serving a leechy tribe of elitist parasites as their conned toady idiots used to gain their world power aims as a self haloed God Chosen Race and Churchill's ("Popular Science" June 1925)? writ wish that maybe made Huxley novel it in his 'Brave New World' which is evolving rapidly

OUR CAUSE Like other parties in history we the **Patriotic People's Power Party (PPPP)** were born to fight for Our Folk's desire to survive and thrive by destroying the evil threatening to exterminate us against which we shall use our media etc. to foster as our name betokens Folk Loyal Nationalism i.e. Folk Family Unity or Folk Fascism which name the puppets of Zionism (**Parasitism, Racism and Imperialism's peak**) can call we giving us no shame for it is one of the **few** names that **embodies an anti parasite politic that the leechers express fear of** as most others e.g. Conservative, SWP, Labour, Communist are just our leechers' loving carrot and stick parties whom as their money masters' voices howl against Fascism in their phony democracy's name ironically snorting against our urged Populism i.e. **Sober Majority Folk Willed Rule (The only real democracy)** that they attack thru their medias' daily lies against us now backfiring on them to give us good free publicity that is winning over their disaffected who less vote for the cosmopolite parasites' puppets and are rightly turning to us saying **As you Fascists are our parasites' most feared foes then you must be we producers best friends who say we must bury our leechers to the reign over our made wealth gain.** This Folk Positive Propagation trend is making our Folk Traitor rulers tear out their hair in despair for in their haste to bury Our Folk Identity that unifies us in our fight against being suicidally genetic genocidally etc. bred into multi mixed race cheap labour they make draconic laws against us and abusively call our Folk Patriotic Civil Servants, Military, Police "**Institutionalised Racists**" for as Europeans having, like all true Orientals, Africans, Asians etc. healthy natural species of life an instinctive self preservation **Natural Patriotism** to serve and preserve their Caucasian kith and kin for which cause the PPPP exist aware that we will be ruthlessly opposed by our treacherous foes who like we must fight (**As nature only accepts those having the strength to exist**) to decide whom will rule in our land the Parasites as Our Folk's exterminators or we Producers as Our Folk's propagators **So Parasites, Folk Traitors, Toady Collaborators** heed this warning: **The Souls of Folk Patriots** you hunt, tor- ture and murder expect their kinfolk to avenge them as they would them in **this holiest of wars you started for Our Folk to be or not to be** **LIVING AS A FREE FOLK ETERNALLY**

OUR AIMS The survival of our lands' genetic, history, cultural, geo united Folk needs the undivise strength of an ethnic (W)elsh(Irish((S)cots(E)nglish run and owned **Republican Confederal Britain** with a united outer military, economic, political, cultural defence based on the max inner unity of **Competitive Producers'** anti usury/pollution run cooptivist industries; **Humane** social welfare; **Co-ordinated** laws for Our Folk's best (*Or we can be divided and conquered*) to reduce crime etc. For which the Irish need to unite before cosy chaired 'Good Doers' and FolkTraitors (Who even con their kin by claiming to be Folk loyal Socialists whom they stab in the back by greeting more Capitalist leechy aliens in,) make the Irish **bury themselves - As duped Brits in other parts of Britain are doing - unless the leechers are rooted or as needed booted out** by our retrieving the wealth they robbed from Our Folk to pay their transport home. "Nazis steal our hard earned wealth" We hear the **sly** leeches wail. **That the pitiless robbers gloatingly bled out of their bled till dead pauperised producers.** Ref: The EU etc. We are for a world money but not one worthed by leechy Soro speculators who bleed countries into being their colonies and, **as if sheep,** fleece the producers of their work's worthed money, so we urge Our Folk to **KEEP** and **DO AS THEY LIKE** with **THEIR WORK'S MADE MONEY**

OUR VOICE As a media of the PPPP = PATRIOTIC PEOPLES POWER PARTY so you can help us be viable TO VOICE OUR FOLKS WILL we ask Folk Loyal organisations and persons to buy their legally responsible say and so add YOUR VOICES to make 'OUR VOICE' heard on most anything (*With a truly named etc. SAE to be kept secret and only published as you say and per word and number pay for*) in notice, articles, letters etc. that will stay the author's copyright outside their use by 'OUR VOICE' and its affiliated. **Verified Paid** ads got after 1 week before our publication will most likely have to wait for the next publication. **Ads discounts** = 15% between 5 to 25; 25% to 50; 35% for any over 50 issues of 'OUR VOICE' whose public sale price + **add any post** cost is 25p; a 12 issue subscription £5; **Bulk buying** discounts = as the above Ads. **Half of early** returned issues will be refunded **Overseas Buyers and Advertisers** need only add the air or sea postage costs to the above stated prices and pay us in British money by Travellers' Cheque < **This c. sized 187 words** at our VAT incl. price of 25p per word/number (*c.75% less than other papers*) would cost **£46 + £2.pw** for a BOX NR. to be paid only by **cheque or PO** (Cartoons, pictures, styled adverts etc. will be at consulted prices) At postage cost all pw mail can be posted to the advertiser

Any articles sent (We may publish anonymous ones **the senders hereby knowing they will lose their payments** if we do not publish them) will only be published by 'OUR VOICE' or its affiliates if their editors think them within their mores and acceptable to their FOLK LOYAL readers who as we accept that life is the strife to survive and thrive even among the human race made of history's evolved life enriching many varied cultures, tongues, races, ethnics that to feed etc. their growing folk numbers are territorially etc. expansive so we must each be co-operatively protective of own survival and maybe our evolved continuity in a confederal world order thru a peaceful merger of economies, tongues, cultures etc. for which reasons we will resist any favouring of life's most ruthless predators i.e. **Parasites and Folk Traitors** who for self profit spread their **folk debase and erase** perversities resulting in the deadly AIDS whose sodomic carriers are kept alive to more spread love's death and fairly dance on the streets demanding (**From our parasite yoked folk who dare not against them talk**) more Human Rights to murder Humanity plus we have MAD COW DISEASE ETC. (Factualising the old saying: "**WHOMEVER THE GODS' WISH TO DESTROY THEY FIRST MAKE MAD**") and the agitating of the world's races etc. against each other to divide and conquer us and make us peanut paid multi mixed race cheap labour and cannon fodder slaves serving a leechy anti social welfare usury bred and fed self sanctified "**GOD CHOSEN RACE**" of PSEUDO JEW KHAZARS whose **DEMOCIDIC PROPAGANDA AND DRACONIC ANTI FOLK POWER LAWS ETC. PLUS IN WORK AND IN WORK AND WARS BEING BLED UNTIL DEAD FOR THEM** have weakened many of Our Folk's wills to survive and thrive and so they must be revived out of their suicidal sickness by eliminating our mind poisoners as ruthlessly as they do any sucker folk that swallow e.g. **THE PITILESS PSEUDO JEW KHAZAR CAPITALIST AND COMMUNIST COMRADE COMMISSARS'** WAILING WALL ANTI-RACISM BULL of contradictively (*For they have over many generations bled billions of us until dead as usury bred and fed leechy rulers that they fervently deny despite it being an obvious truth seen in their owning most of the world's top businesses, art works etc. which were leechd from their suckered folk on earth - not got from a god in heaven*) being a persecuted "**God Chosen Race**" that clearly makes their god a racist bigot So any betrayal of our military etc. dead and other undermining of our folk e.g., by favourably publishing our leechers' import of cheap labour (**As only in need will we let aliens be our advisers never Our Folk's supervisors or sports' etc. reps. for if we can't fight to win life's battles then we should be museum stuffed as a dodo folk**) will be tabu and if done will end the editors job as decided by 'OUR VOICE' etc. Elected Guardians for going against their party etc. founders' wishes to preserve Our Folk by winning back control of our economy and so military, political, cultural power to revive Our Folk's natural lust to strife to survive and thrive that is secured by being soul bonded in **Our Folk Patriotic Politic that is religiously spirited in Our Folk Church Schools AS OUR INSULATION AGAINST ISOLATION AND EXTERMINATION**

*This is a FREE OPINION PAPER whose writers and editors are only legally responsible for their given views so if the above is to 'good doers' etc. a too raw sketch of the causes of Our Folk being led down Suicide Rd. and how to change it by burying Folk Traitor rulers (If not too late) to turn Our Folk from the edge of extinction then let aliens bury the fools who have Patriots hunted, jailed, tortured, killed for trying to warn Our Folk via e.g. "Our Voice" which as other Brit media is banned by Folk Traitors from libraries, shops, etc. that boast **AntiBrit** African, Asian, Jewish etc. media*
