HONOUR OUR FOLKS DEAD BY FIGHTING FOR OUR LIVING

**HELLO READER** We are only responsible for our articles etc. others herein are for theirs responsible or like Jane's are in honour of them for being a Folk Patriot until their death. Whatever pedantics think about my grammar I hope you clearly grasp what I say about which you are free to payfully use Your Voice in "Our Voice" to write, if you stay in our Folk Family norms of decency and is not insulting of anyone e.g. intrusive on their private life which is not against the criminal law or their social stated morals, otherwise you get your money back from this pioneering paper, which as an open Folk Forum gives payers the means ( By we being viably cheap with only entrants proved too poor to pay being dependent on the editor ) to publicly say their opinions on anything in this paper's Economics; Country; Culture; Health; Home; Politics; Travel; Sport etc. sections **About** its section place, entrants must trust the Editors' layout decision. **The ethnic media** e.g. Asian Times; The (Caribbean) Gleaner; Jewish and Muslim Chronicles; The Voice ( Headlined as being "**Britains Best Black Paper**") rightly support their kind, faiths etc. but under the Parasites' and Folk Traitors' vile propaganda media made hostile social climate ( *That has cowed Our Folk to accept alien control of our economy and so military, political, cultural dictatorship of our country* ) these papers, books etc. are in libraries and sold in shops while true **Folk Loyal British** ones are accused of racism etc. for supporting. as do the alien media, their folk and **banned** in Free Speech's name, to choke us to death against which "Our Voice" etc. will fight to the death. **Wily Alien Racists** call us racists to **exalt their race** and stop us from seeing nature has bred many races with richly diverse ethnics, cultures, giving Africans, Asians, Caucasians, Orientals a natural pride in their forebears and so defend their race, culture, land etc. as nature's raw law says: **Any specie unfit to live does into death flit**. So as all healthy races we defend ours but don't brazenly assume we are a superior **God Chosen Race** picked to rule the world, as do the megalomaniac phoney semite, pseudo jew, anti-goyite, paranoid Zionist bigots thru their repulsively offensive Elitist Racism.

Get up Lads and Lassies from your arses  
Stop being the booze brained masses  
The parasites rob as their driven asses  
Kept as slaves under economic duress  
As peanut paid workers kept under stress  
So they can max profit from you press  
And let us whilst we live this one life  
Accept that life is first a strife to survive  
And then the vying struggle to thrive  
That needs the wits and guts to drive  
Any trying to you of your work's fruit deprive  
Into hell to suffer slaving in the Devil's hive  
Which is now up to you our Folk Loyal youth  
Backed by we elders who have not stood aloof  
From always fighting to preserve the truth  
So you Folk Loyal youth will have the proof  
Against Folk Traitors who deserve no ruth  
As it is they who have misled Our Folk to be goofs  
Who let aliens dictate over them under their roofs  
Yes Goofs - Or one must be blind not to see  
What the Zionited leeches are doing to we  
As a deadly plague infesting our country  
Making it a multi mixed race menagerie  
And cheap labour cannon fodder colony  
Villaged in their global Imperium of Usury  
Wherein our children under alien oriented 'care'  
Are by traitor teachers stuffed to hate their forebears  
And Producers are by their leechers' porn torn apart  
Debased to erase all Folk Loyalty from their hearts  
And under traitor unions' sway meekly accept peanut pay  
As the fays have even kinked love into a sordid sex game  
Used to breed the cheapest labour for the parasites' gain  
Resulting in rearing the queers' borne AIDS in its train  
That threatens to exterminate us all in humanity's name  
For a few goody goodys' think quarantine is inhumane  
So the infected are allowed to spread the deadly bane  
For which we who stay on our arses are also to blame

As we let the fays display their shitty ways without shame  
While our alien leechers' neroically play away their days  
Most as Pseudo Jew Khazars strutting the world as tsars  
Ruthless Capitalist and Communist Comrade Commissars  
Whose laws drive our men and women against each other  
By democidal scientific social psychological applied chides  
Luring us to love races whose stuff does Our Folk smother  
And so like the idiotic dodoes commit Folk Family Suicide  
For they stupidly bring the alien races' numbers to the fore  
Causing our Folk to have little hope to be free anymore  
Because soon they will lose their mother tongue  
So no longer can their bards' lyrics be sung  
Nor will anyone hear church bell chimes rung  
Likely ousted by "Allah is great" wailed from a mullah's lung  
As Taf, Mac, Pat, Tom to kingdom come will have gone  
For as their leechers' mass media mind moulded ones  
Goofed i.e. by the Mamzers' BBC daily whined holocaust con  
Profitably spread by its pseudo semite anti goyite scions  
They would blindly attack rather than listen to anyone  
Warning they will be butchered as mutton by the alien legions  
Who we Folk True elders have tried to be rid of peacefully  
But have been hunted gagged jailed beaten by the oligarchy  
And some killed in the name of free speech and democracy  
So now we tell Folk Loyal youth to wisely learn from we  
That they can only know liberty when Our Folk are free  
Militarily starting with being rid of Folk Traitors terminally  
For the leechers have managed to Our Folk divide  
Thru FolkTraitors suppressing our unity and pride  
By betraying Our Folk's youth who in foreign fields died  
Then to replace our millions of dead to whom our rulers' lied  
Thru mass importing money migrant alien armies to over us bide  
And crush all of we who want our rulers for treachery tried  
As parasitical two faced wheeler dealers  
Helped by life's vilest scum the Folk Traitors  
And their like turncoat toady collaborators  
Whom our dead military would if they could  
On the spot have the lousy lot shot  
As a vengeful reminder to **BETRAY THEM NOT**

Cont. from prior OV:- **As the word democracy means government by the majority, with the implied meaning that they shall decide what is best for the most;** we must not, as do Simple Simon utopists, believe that a functional democracy means everybody all the time being the direct deciders of their society's daily needs, which is impossible as the old saying "Too many cooks spoil the broth." so age wisely crystallises it; for the majority is too numerous and busy doing other essential productive work, to always be able to directly decide, other than by plebiscite, as in e.g. Switzerland, on basic social questions. So, a realistic functional democracy must be People's Parliament managed by a few guardian reps of the electorates' governing Folk Will. Such Folk Representatives must be of proven Folk Loyal and incorruptable character, to be entrusted to serve the interests of and be accountable to the governing folk majority, under the daily dictates of the Producer's Purchasing Power's monetary ruled base, deciding the policys of their folk elected reps in legislative and administrative offices of limited terms, to quench the stench of corruption from privilege and bribery made ruling classes, that grow out of the rising greed for more power of ruling gangs to fill each others bellys, as they have too much power for too long. **To get such a Folk Democracy,** we must be rid of our snivelling timidity that kowtows to tyrants as gods, then only sobs of being bled by the sods, most born by a folk's borrowing after their gutless apathy to the rise of Bully-Boy and Folk Traitor scum into gangster rulers, who pitilessly quash and rob the folk while selling them and their lands into the hands of better organised, more ruthless gangs of alien leechers who, for their security and luxury living, keep us divided, at war with ourselves, to ->

**WANTED** Folk Loyal men and women to be £12 ( OAP etc. £6) a year **PATRIOTIC PEOPLE'S POWER PARTY MEMBERS OR VOLUNTEERS** whose **main reward** will be to win our forebears' wrought and fought for homeland back from parasites and Folk Traitors and their mass imported alien leechers and cheap labour whose hid policy is to exalt their cultures and selves by burying Our Folk and culture that unitedly we must firmly reverse e.g, by using their **twisted legal rope** to choke us to **hang them before they bury us.**

**Membership's** basic rules are total loyalty to our party members democratic majority decided ( Or in a crisis by our elected reps ) ground policies of a tough dedication to one's own and folk's welfare and freedom that thru our practical alternative producer politic to the present parasite one fires a fighting spirit trained and ready to rid our streets and halls etc. of anti democratic alien loyal fanatic mobs and oust Folk Traitors etc. with their welcomed in cheap labour and shyster armies in a fight to the death for the **Human Right of Our Folk to Survive and Thrive** by making our taxes paid politicians, police etc. do their **Folk Loyal duty** of resolutely defending Our Folk's Rights to peacefully demonstrate and speak our minds thru our media, in our shops and taxed for libraries etc. without fear of being hounded from our homes, jobs and arrested, beaten, jailed, acci-murdered under an undemocratic decided excuse e.g. **"Being liable to cause a breach of the peace"** to suppress Our Folk in *our forebears' wrought and fought for country* in submission to i.e. the wily Occupied Palestine loyal Khazar Capitalist and Communist Comrade Commissar Pseudo Jew **loan sharks'** made orders that we must fight and die for their vampiric usury dictated politic in democracy's name while denying our right to query the truth of their lies and support of alien rule favouring mobs etc. that cause Our Folk's need to rise to enforce life's **Natural Human Right Law** to stay alive and live in liberty by using all the needed force to proudly be and keep being **A Free Folk** by never letting **Folk Traitors** to again us yoke **with leechers** by whom we are **bled till dead** as their **cowd slavish goy mokes**

**IN Jane's April 1978 "CHOICE" 25 ( Now nigh 55 OV Ed.) years late**  
Cont. from prior OV:- We wish to promote English language training in factories, run evening classes and mobilise unemployed teachers for the teaching of English. There is nothing worse than the disadvantage of not being able to speak the English language properly", Mr. Whitelaw said. Not, of course, one single word about us or our future: just the same old nauseating cliches from Mr; Whitelaw about "where would our transport system be today if the West Indians had not come?"and' "Where would we be without *our* West Indian nurses?" Answer: a darn sight better off.

We need none of us delude ourselves that we count *for* anything but voting fodder with politicians of all parties in Parliament. For decades it has stuck out a mile that the only people in Britain who matter are coloured immigrants who, from the moment of their arrival, were singled *out* by successive Governments for 'positive discrimination' in the three most vital areas, namely, employment, housing and education. Society is now almost wholly geared to the colour of a man's face. If you are white *you* are accused of prejudice, discrimination and of meting *out* 'degrading treatment' to coloureds, not to mention being passed over for jobs, homes and schooling. If, on the other hand, *you* are black, *you* are paid for being 'deprived', laws are passed to make *you* feel 'equal' and if *you* are not qualified for a specific job, *you* must be trained for it, not turned away.

All this, of course, is in the name of 'equal opportunity' and 'racial harmony' for these are the twin obsessions of today's Establishment. Very little else seems to matter. If anyone so much as murmurs these things and suggests that it is the politicians and the race industry who are the discriminators, the whole machinery of 'anti-racism' is set in motion against him; never mind if he has never hated a black man in h's life, whether he has coloured friends as so many of us have, and only longs. for a return to normality, his own way of life and an end to the everlasting and overwhelming problems thrown up by the alien invasion: he at once becomes the lowest of the low - someone they unfailingly label 'racist' and 'fascist'. The horrors of nazism are immediately dredged up, and if he should even **think** about repatriation, memories of 'cattle trucks' and concentration camps are hurriedly conjured up, and he is , portrayed as some sort of monster. **To be cont**

Such is the monstrosity of the Folk Traitors whose treacherous politic helps the alien self sainted "God Chosen Race" of elitist Cosmopolite Parasites economic dictatorship, to make Our Folk Family commit suicide by multi mixed race democide and be our leechers bled until dead cheapest multi mixed race slaves, who meekly work, fight and die for the self righteous, ruthless Holy Folk ov.Éa.

usuriously bleed us until dead and state terrorise any who oppose them, *whom they self righteously call terrorists*. Such are the basic causes for the cataclysmic situation that humanity's Folk Families are in, because they try to deny the reality, that life is a forever strife between the good and bad that decides which shall thrive. So Folk Fascists must be responsible realists, not reckless utopists whose idealism leechy bleeders love to live on.

When condemning anything, it is best to try and offer a hopefully better one to it. so despite being a sceptical optimist, who feels that humanity may be going too fast down Suicide Road to be stopped, I yet hope there are ample folk with the wits and guts to unite and stop humanity's suicide; so after some economic/political background notes, I submit, to any interested in trying to save their lives, folk and world, some social ideas for a sound economy based Folk Loyal politic to make a strong martial defense and cultural creativity, to cause a social dynamism that makes work a joy, which may give humanity the industrial means of survival and a rich happy life, thru the infinity of the universe in an eternally adventurous journey, as nature challenges us to do. *Making it more honourable to be a producer citizen in Our Folk Democracy, than any parasites' flunkey subject, puppet royalty, president or prime minister etc. in a parasitocracy.*

**All folk must have a motive for living, which for Folk Fascists is to live democratically happy and free by smiting parasites whose life motive is to live in lazy luxury by enslaving us.** So a folk, like a ship's crew, need an awareness of direction backed by proved sound ideas and means of guidance thru life's stormy seas, to stay alive and well, as the real masters' of their own state ship's destiny; for a folk having feckless social ways {Living only today to hell with tomorrow} with no clear social course, as a drunk's skunky pillar to post murky life, will make such a folk show the lewditys of their decadence, as do the small fry who wallow in their Wilde spread shit, and become prey to e.g. the further seeing "God Chosen Race, world rule motivated, realistic Pseudos, who naturally favour a manageable folk disunity and foster it by any means, {e.g. *Baiting of idealist youth to fall prey to the predative parasites in their made utopic political partys.*} so they can easier take and keep control of such a society of easy fooled to be bled until dead victims. All normal life is defensively wary and the wiser it is the more it looks for means to secure its future; but a folk can get so overconfident in their defences' strength, as to lesser care to prepare for the morrow, at this stage the parasites grow and lead them into their bully boy imperialist wars of conquest and plunder, till such a jingoed up suckered folk are so butchered and their lands bled, thereby thru despair a folk no longer for the morrow care and are buried into history by alien invaders; as is now happening to the Euro-Americans who try to police the world, as did the alien leecher led ethnic British, who now toadily hand over their land to aliens on a plate to be robbed of their own and forebear's work, due to the ethnic Brits having no folk cleansing society to keep them strong and free from leeches. So, a true Folk Democracy must school cull such human weaknesses by economic, political, martial, cultural, social cleansing laws that oust Folk Traitor ethnic extincters etc. to so bar the folk from again dropping their guards against being made the ruthless, wily parasites' usury shackled victims, mass media fooled, bled until dead slaves.

**Sound sense folk will agree that absolute feudalism, in which arrogantly brutal lords of the land parasitically lived off their cruelly bonded and beaten slave labour, may have continued for ever,** without the money lenders' {*Mostly Pseudo-Jews as true Christians and Moslems could not be usurers.*} accumulative wealth, being invested in the inventors' machines that increase the produce of most hand or brain done work many times at less cost per worker e.g. for food, clothing, reduced living space, due to manufacturing and farming being technically rationalised by industrialisation, to make at least costs the max fantastic profits, that naturally drew the money lending leechers, to as business buccaneers become, overnight, usury finance lords, without whose inherent creed of greed dynamising initiative, humanity would not so fast, if ever, have broken the enslaving landowners forged economic and so political and cultural physical/mental chains of flunkey served feudalism, much of whose social sloth still exists. With the defeat of Feudalism, by the usurer and inventor etc. symbiotically arisen and driven Industrial Capitalism, humanity bloomed with a freedom of expression that created millions of wonderful things and ideas, founding a possible industrial base to make the material and mental wealth by which we can totally free ourselves from inherited Feudal class caste, flunkey ranked Industrial Capitalism's social system with its increasingly reactionary successor Usury Capitalism. {*Now in its death throes, as earlier mutual benefitting relations for industrialist and usurer inevitably yielded to the usurers' parasitism, whose inbred perverse framers, have made the 20th c. humanity's bloodiest.*} This gangster gun legalised, acme of corruption and thievery, of which it so piously accuses its foes, with scientific brutality mind moulded the producers to accept the slavery of being bled till dead by the leechers. Now, to be free, we must destroy the parasitocracys and build merit and maturity crediting democracys, that maybe can, so we must try, free us from the confines of our planet and sun system {Once a dual one until the stronger sun broke its mate into planets, all recycling into dual suns ad-infin? Our possible living space, only as radii deep as our sun's sped life beams.? } into the forever freedom of the universe; where we shall realise that so called "God's Laws" are "Nature's Laws", that are rewarding or retributive relative to one's own and social actions. Just as, by misusing its discoveries and creations, humanity has been used to make hideous weapons for megalomaniac parasites, to let their barbarised mercenary armies sadistically mass murder and enslave humanity, to be easier bled until dead, as the parasites monopolised mass media's scientific social psychological mind moulded mercenary morons, macho mad prestige prisoners, who meekly serve the usurers' bought dicatatorial rule. Such genocidal politic, naturally grows from the inbred dictates of usury centralising capital into the fewest hands, most being the gluttonous self sanctified Pseudo-Jews, who get less able to give credit to their gigantic debt shackled countries, notably the growing number of nations with gross national products G.N.P. {*= A nation's annual total value of provided services and produced goods.*} that are much less than their debts of compounded interest to the usury parasites. For creed of greed parasites, like the AIDS viruses, are unable to stop devouring the body they live on, by fooling and destroying their victims' immunity system. e.g. The wailing Khazar Pseudo Jews are welcomed, by easy lured and led simpletons, into a country as supposed pogrom etc. oppressed fellow humans, but they won't assimilate, preferring to segregate and stay united in their racist rabbis' taught bull that they are a mythical god's Chosen Race, and hide their parasitism under the cloak of their hijacked Jewish religion, then thru the weapon of collective usury they cooperatively make and promote their Trojan Horse control and capture of their host folk's economic, political, cultural, martial and judicial governing cells to suppress and destroy the host folk's social defence - immune - system and thus overwhelm any folk resistance to the parasites' take over and eventual destruction of the Folk Body. In the same way, thru our being social psychologically de-immunised to be dehumanised, feeble-minded, weak-willed slaves of the usurers, we are not resisting, in fact we are fooled to help our ruthless leechy rulers to misuse our inventors' products, meant for humanitys best, to destroy ourselves, as we are doing, unless we quickly act to stop the social rot; for the earlier creed of greed driven, and so unintended human benefitting usurer co-creators of capitalism now dictate over their earlier partners, the industrialists and inventors, to be their enslaved humanity's exterminators, due to the locustic parasites' rapacious greed that usury bleeds until dead their bred cheap labour who are unable to feed their life needs and so erupt into hungry anarchic gangs, as in Albania, Cambodia etc., to destroy all 'isms' including humanism. **cont. next issue**

**FOLK FORUM** for letters and articles fostering *United Folk Patriotism's Strength* for **UNITED WE WILL LIVE AND DIVIDED WE WILL DIE** and it's urgent to help stop Our Folk being in a few years dodoed into oblivion by alien loyal democidic ethnic extincers driving us to commit Folk Suicide by multi mixed race genetic genocide to be cheap labour and cannon fodder in our country now a colony in the paranoid megalomaniac Self Sanctified "God Chosen Race" Pseudo Jew Indo-Turk Khazar Capitalist and Communist Comrade Commissars' World Webbed Imperium of Usury helped by their bought and viler flunky Folk Traitors who our forebears would have rightly shot and cast out their invited invaders for Folk Traitors are life's worst scum, foulest of foes and most heinous of racists for they gladly betray their kin and Folk Family to be sapped then bloodily annihilated in favour of a ruthless alien race of parasite dictators who live by bleeding till dead the producers for the fruits of their work thru ruling over their mass medias' penned sheepish flock of toady collaborators whose cowardly way of trying to please our insatiable leechers is causing Our Folk's oblivion that we can only end by being a Folk Faithful unity of devoted activists with the wits and guts to when able with all non self destructive means take control of our economy to get the military, political, cultural power without waiting for a messianic leader to win the majority of our kinfolk's hailing of Our Loyal Folk's Victory to survive and thrive forever freed from this class caste flunkey ranked slavery for we prefer to fight to make the parasites commit their own suicidal Final Solution by we economically etc. helping fellow producers to win the inevitable Decisive Conflicts to live and die worthily freed from slavery in a Grimm's mass media mind muddled and Pied Piper led into Carrolls' Wonderland believing our leechers lies as in Andersen's "The Emperors New Clothes" while existing on an Orwellian "Animal Farm" as unequally equal guinea pigs in a scientific social psychology run lab, propagandised to think we live in a democracy anthening "God Save Royalty" having been Big Boss carrot and stick driven to exist on booze, porn and balls to be cattelised, lovelessly lab bred, cloned, biocomputerised peanut paid en-gene-ered robotic slaves vacuously serving a leechy tribe of elitist parasites as their conned toady idiots used to gain their world power aims as a self haloed God Chosen Race and Churchill's ("Popular Science" June 1925)? writ wish that maybe made Huxley novel it in his "Brave New World" which is evolving rapidly

**OUR CAUSE** Like other parties in history we the *Patriotic People's Power Party (PPPP)* were born to fight for Our Folk's desire to survive and thrive by destroying the evil threatening to exterminate us against which we shall use our media etc. to foster as our name betokens Folk Loyal Nationalism i.e. Folk Family Unity or Folk Fascism which name the puppets of Zionism (**Parasitism, Racism and Imperialism's peak**) can call we giving us no shame for it is one of the few names that **embodies an anti parasite politic that the leechers express fear of** as most others e.g. Conservative, SWP, Labour, Communist are just our leechers' loving carrot and stick parties whom as their money masters' voices howl against Fascism in their phony democracy's name ironically snorting against our urged Populism i.e. *Sober Majority Folk Willed Rule (The only real democracy)* that they attack thru their medias' daily lies against us now backfiring on them to give us good free publicity that is winning over their disaffected who less vote for the cosmopolite parasites' puppets and are rightly turning to us saying *As you Fascists are our parasites' most feared foes then you must be we producers best friends who say we must bury our leechers to the reign over our made wealth gain.* This Folk Positive Propagation trend is making our Folk Traitor rulers tear out their hair in despair for in their haste to bury Our Folk Identity that unifies us in our fight against being suicidally genetic genocidally etc. bred into multi mixed race cheap labour they make draconic laws against us and abusively call our Folk Patriotic Civil Servants, Military, Police "**Institutionalised Racists**" for as Europeans having, like all true Orientals, Africans, Asians etc. healthy natural species of life an instinctive self preservation **Natural Patriotism** to serve and preserve their Caucasian kith and kin for which cause the PPPP exist aware that we will be ruthlessly opposed by our treacherous foes who like we must fight (**As nature only accepts those having the strength to exist**) to decide whom will rule in our land the Parasites as Our Folk's exterminators or we Producers as Our Folk's propagators **So Parasites, Folk Traitors, Toady Collaborators** heed this warning: **The Souls of Folk Patriots** you hunt, torture and murder expect their kinfolk to avenge them as they would them in *this holiest of wars you started for Our Folk to be or not to be* **LIVING AS A FREE FOLK ETERNALLY**

**OUR AIMS** The survival of our lands' genetic, history, cultural, geo united Folk needs the undivise strength of an ethnic (**Welsh(Irish)(Scots)(English)** run and owned **Republican Confederal Britain** with a united outer military, economic, political, cultural defence based on the max inner unity of **Competitive Producers'** anti usury/pollution run cooptivist industries; **Humane** social welfare; **Co-ordinated** laws for Our Folk's best (*Or we can be divided and conquered*) to reduce crime etc. For which the Irish need to unite before cosy chaired 'Good Doers' and Folk Traitors (*Who even con their kin by claiming to be Folk loyal Socialists whom they stab in the back by greeting more Capitalist leechy aliens in.*) make the Irish **bury themselves - As duped Brits in other parts of Britain are doing - unless the leechers are rooted or as needed booted out** by our retrieving the wealth they robbed from Our Folk to pay their transport home. "**Nazis steal our hard earned wealth**" We hear the sly leeches wail. **That the pitiless robbers gloatingly bleed out of their bled till dead pauperised producers.** Ref: The EU etc. We are for a world money but not one worthed by leechy Soro speculators who bleed countries into being their colonies and, **as if sheep,** fleece the producers of their work's worthed money, so we urge Our Folk to **KEEP and DO AS THEY LIKE** with **THEIR WORK'S MADE MONEY**

**OUR VOICE** As a media of the PPPP = PATRIOTIC PEOPLES POWER PARTY so you can help us be viable TO VOICE OUR FOLK'S WILL we ask Folk Loyal organisations and persons to buy their legally responsible say and so add YOUR VOICES to make "OUR VOICE" heard on most anything (*With a truly named etc. SAE to be kept secret and only published as you say and per word and number pay for*) in notice, articles, letters etc. that will stay the author's copyright outside their use by "OUR VOICE" and its affiliated. **Verified Paid** ads got after 1 week before our publication will most likely have to wait for the next publication. **Ads discounts** = 15% between 5 to 25; 25% to 50; 35% for any over 50 issues of "OUR VOICE" whose public sale price + **add any post cost** is 50p; a 12 issue subscription £10; **Bulk buying** discounts = as the above Ads. **Half of early returned issues** will be refunded **Overseas Buyers and Advertisers** need only add the air or sea postage costs to the above stated prices and pay us in British money by Travellers' Cheque < **This c. sized 187 words** at our VAT incl. price of 25p per word/number (*c. 75% less than other papers*) would cost **£46 + £2.pw** for a BOX NR. to be paid only by **cheque or PO** (Cartoons, pictures, styled adverts etc. will be at consulted prices) At postage cost all pw mail can be posted to the advertiser

**Any articles sent** ( We may publish anonymous ones **the senders hereby knowing they will lose their payments** if we do not publish them ) will only be published by "OUR VOICE" or its affiliates if their editors think them within their mores and acceptable to their FOLK LOYAL readers who as we accept that life is the strife to survive and thrive even among the human race made of history's evolved life enriching many varied cultures, tongues, races, ethnics that to feed etc. their growing folk numbers are territorially etc. expansive so we must each be co-operatively protective of own survival and maybe our evolved continuity in a confederal world order thru a peaceful merger of economies, tongues, cultures etc. for which reasons we will resist any favouring of life's most ruthless predators i.e. **Parasites and Folk Traitors** who for self profit spread their **folk debase and erase** perversities resulting in the deadly AIDS whose sodomic carriers are kept alive to more spread love's death and fairly dance on the streets demanding (**From our parasite yoked folk who dare not against them talk**) more Human Rights to murder Humanity plus we have MAD COW DISEASE ETC. ( Factualising the old saying: "**WHOMEVER THE GODS' WISH TO DESTROY THEY FIRST MAKE MAD**" ) and the agitating of the world's races etc. against each other to divide and conquer us and make us peanut paid multi mixed race cheap labour and cannon fodder slaves serving a leechy anti social welfare usury bred and fed self sanctified "**GOD CHOSEN RACE**" of PSEUDO JEW KHAZARS whose **DEMOCIDIC PROPAGANDA AND DRACONIC ANTI FOLK POWER LAWS ETC. PLUS IN WORK AND IN WORK AND WARS BEING BLED UNTIL DEAD FOR THEM** have weakened many of Our Folk's wills to survive and thrive and so they must be revived out of their suicidal sickness by eliminating our mind poisoners as ruthlessly as they do any sucker folk that swallow e.g. **THE PITILESS PSEUDO JEW KHAZAR CAPITALIST AND COMMUNIST COMRADE COMMISSARS'** WAILING WALL ANTI-RACISM BULL of contradictively (*For they have over many generations bled billions of us until dead as usury bred and fed leechy rulers that they fervently deny despite it being an obvious truth seen in their owning most of the world's top businesses, art works etc. which were leeched from their suckered folk on earth - not got from a god in heaven*) being a persecuted "**God Chosen Race**" that clearly makes their god a racist bigot So any betrayal of our military etc. dead and other undermining of our folk e.g. by favourably publishing our leechers' import of cheap labour (**As only in need will we let aliens be our advisers never Our Folk's supervisors or sports' etc. reps. for if we can't fight to win life's battles then we should be museum stuffed as a dodo folk**) will be tabu and if done will end the editors job as decided by "OUR VOICE" etc. Elected Guardians for going against their party etc. founders' wishes to preserve Our Folk by winning back control of our economy and so military, political, cultural power to revive Our Folk's natural lust to strife to survive and thrive that is secured by being soul bonded in **Our Folk Patriotic Politic that is religiously spirited in Our Folk Church Schools AS OUR INSULATION AGAINST ISOLATION AND EXTERMINATION**

*This is a FREE OPINION PAPER whose writers and editors are only legally responsible for their given views so if the above is to 'good doers' etc. a too raw sketch of the causes of Our Folk being led down Suicide Rd. and how to change it by burying Folk Traitor rulers (If not too late) to turn Our Folk from the edge of extinction then let aliens bury the fools who have Patriots hunted, jailed, tortured, killed for trying to warn Our Folk via e.g. "Our Voice" which as other Brit media is banned by Folk Traitors from libraries, shops, etc. that boast **AntiBrit African, Asian, Jewish etc. media***
