HELLO READER We are only responsible for our articles etc. others herein are for theirs responsible or like Jane's are in honour of them for being a Folk Patriot until their death. Whatever pedantics think about my grammar I hope you clearly grasp what I say about which you are free to payfully use Your Voice in "Our Voice" to write, if you stay in our Folk Family norms of decency and is not insulting of anyone e.g. intrusive on their private life which is not against the criminal law or their social stated morals, otherwise you get your money back from this pioneering paper, which as an open Folk Forum gives payers the means (By we being viably cheap with only entrants proved too poor to pay being dependent on the editor) to publicly say their opinions on anything in this paper's Economics; Country; Culture; Health; Home; Politics; Travel; Sport etc. sections **About** its section place, entrants must trust the Editors' layout decision. **The ethnic media** e.g. Asian Times; The (Caribbean) Gleaner; Jewish and Muslim Chronicles; The Voice Headlined as being "**Britains Best Black Paper**") rightly support their kind, faiths etc. but under the Parasites' and Folk Traitors' vile propaganda media made hostile social climate (*That has cowed Our Folk to accept alien control of our economy and so military, political, cultural dictatorship of our country*) these papers, books etc. are in libraries and sold in shops while true Folk **Loyal British** ones are accused of racism etc. for supporting. as do the alien media, their folk and **banned** in Free Speech's name, to choke us to death against which "Our Voice" etc. will fight to the death. **Wily Alien Racists** call us racists to **exalt their race** and stop us from seeing nature has bred many races with richly diverse ethnics, cultures, giving Africans, Asians, Caucasians, Orientals a natural pride in their forebears and so defend their race, culture, land etc. as nature's raw law says: **Any specie unfit to live does into death flit**. So as all healthy races we defend ours but don't brazenly assume we are a superior **God Chosen Race** picked to rule the world, as do the megalomaniac phoney semite, pseudo jew, anti-goyite, paranoic Zionist bigots thru their repulsively offensive Elitist Racism.

ECONOMICS

The founding ideology of Folk Fascism is economic warfare against all Parasitism, for whoever controls the economy decides the military, political, legal, cultural structure of society and any angered democrats' agitation and bloody action to try and make a viable democratic politic without a realistic democratic economic alternative that bans usury, is political romanticism that plays into the parasites' hands. For parasites are age old intriguers and masters at playing the social power game of beggarly wailing they are a bully majority's suspect and picked on few who, as very godly, right eous, honest, charitable folk, *i.e. crumb pay their bled till dead folk*, could not dream of taking world power and could not possibly do so. Yet anyone, with social sight, sees the world's rulers are such a few, for **it is easier for a few to have the unity and flexibility of policy etc. to outmanoeuvre an easier divisive majority by slyly luring, backing and pushing, especially the democratic spirited, into stupidly slaughtering each other for oppoive utopist's politics**, that have no realistic economic alternatives to feed the folk's needs and so fulfil the utopians' dream politics; thus, the parasites ruthlessly cull each generations' risen Resistivists trying to win democracy. Thereby the parasites succeed in making the producers deeper depressed about winning liberty, and more meekly accept their slavery; which is why *the well meant acts of social utopists are reactionary*. For by trying to make their impossible dream world they turn life into a nightmare for the Folk Majority; because, without a realistic democratic economic alternative they are forced to borrow from their birthed money lending leechers to pay for their utopic dreams, eventually making the economy fall under its debts as society's rulers do a **Zionist G.7** gooned, Goofy Gorbachev or Boozy Yeltsin act, giving the parasites total economic and so political etc. dictatorship over the folk and land. So, to get a democratic, independent, free Folk Loyal society, a folk must have the real control of a dynamic, cooperatively competitive unifying economy, that makes a Folk Unifying politic and culture instead of a Folk Divisive economy which makes a folk destructive politic by birthing an alien usurers pitiless parasites' dictatorship. And, as there can be no political democracy without having economic democracy, a true Folk Democracy can only be firmly built on a max regenerative capital making self sufficing economy, grown from the producers having full employment by their purchasing power equalling their production, giving the people, **if they have the guts and wits**, the direct ownership of the fruits of their work and so have the indirect commanding ownership of the means of production and distribution; not false promises of it, given by creed of greed Capitalists and

WANTED Folk Loyal men and women to be £12 (OAP etc. £6) a year **PATRIOTIC PEOPLE'S POWER PARTY MEMBERS OR VOLUNTEERS** whose **main reward** will be to win our forebears' wrought and fought for homeland back from parasites and Folk Traitors and their mass imported alien leechers and cheap labour whose hid policy is to exalt their cultures and selves by burying Our Folk and culture that unitedly we must firmly reverse e.g. by using their **twisted legal rope** to choke us **to hang them before they bury us**.

Membership's basic rules are total loyalty to our party members democratic majority decided (Or in a crisis by our elected reps) ground policies of a tough dedication to one's own and folk's welfare and freedom that thru our practical alternative producer politic to the present parasite one fires a fighting spirit trained and ready to rid our streets and halls etc. of anti democratic alien loyal fanatic mobs and oust Folk Traitors etc. with their welcomed in cheap labour and shyter armies in a fight to the death for the *Human Right of Our Folk to Survive and Thrive* by making our taxes paid politicians, police etc. do their **Folk Loyal duty** of resolutely defending Our Folk's Rights to peacefully demonstrate and speak our minds thru our media, in our shops and taxed for libraries etc. without fear of being hounded from our homes, jobs and arrested, beaten, jailed, acci-murdered under an undemocratic decided excuse e.g. **"Being liable to cause a breach of the peace"** to suppress Our Folk in *our forebears' wrought and fought for country* in submission to i.e. the wily Occupied Palestine loyal Khazar Capitalist & Communist Comrade Commissar Pseudo Jew **loan sharks'** made orders that we must fight and die for their vampiric usury dictated politic in democracy's name while denying our right to query the truth of their lies and support of alien rule favouring mobs etc. that cause Our Folk's need to rise to enforce life's *Natural Human Right Law* to stay alive and live in liberty by using all the needed force to proudly be and keep being **A Free Folk** by never letting **Folk Traitors** to again us yoke **with leechers** by whom we are **bled till dead** as their cowed slavish goy mokes

**Jane's 1979 6th EDITION“ CHOICE”
INVASION ByCourtesy of Parliament**

The ONE WORLD lobby has beavered away zealously for many years in the corridors of Whitehall and Westminster. Today we see all too clearly— unless we are mad or wilfully blind—the havoc they have wrought in this country with the aid of Parliament itself.

FOR IT IS PARLIAMENT WHICH, OVER THE LAST 30 YEARS, HAS DELIBERATELY PLANNED, INVITED AND PROMOTED A MULTIRACIAL, MULTINATIONAL INVASION OF GREAT BRITAIN.

It all started with a lie, the one about there being a labour shortage here when, in fact, there was none. What the politicians wanted, of course, was an excuse to launch their ONE WORLD invasion in order to destroy our national identity and chosen way of life. The invaders, they said, were desperately needed to run our hospitals and public transport, which without them would collapse (we are now seeing the reality); they told us that many of the new arrivals were fleeing from alleged persecution, and that they were penniless (we very soon saw how far from destitution they were). Most importantly, the politicians insisted that Britain had some sort of moral and legal obligation to admit everyone possessing—legitimately or otherwise—a British passport, or anyone who arrives here and says they are without means of support.

The results of the invasion can be seen in every city centre in the land as we have become the 'easy touch' and dumping ground for disillusioned nationals, political misfits, malcontents and revolutionaries from every corner of the globe. In addition, whole villages of illiterate, primitive people from the Indian subcontinent have been implanted upon our own deprived city dwellers, and there are thousands more to come

The smell of treason is strong and loathsome as politicians, civil servants and local authorities openly strive to bring Britain to the brink of disaster with their cruel nonsense about 'brotherly love and equality', their everlasting accusations about our discrimin ation, and their readiness to welcome allcomers. (e.g. Soon? The scientists will mind mould apes and monkeys to be **cococnut and banana millionaires playing for Arsenal etc. to be a part of the leechy class's made bread and circuses meant to soothe their bled masses.** OV Ed

phony Socialists, Communists, who scornfully treat the producers as idiots, and rightly so, as long as they are so stupid as to be conned and betrayed into being sold down the river, *on a scale that makes the African chiefs' selling of their race kin pale*, to be bred in slum ghettos as multi-mixed-race cheap labour and cannon fodder, who are bought and sold as wares on Stock Markets, to be bled till dead by a few pitiless parasites, who must destroy any other Folk Family's historical, cultural etc. unity of Folk Loyal Identity; so the Pseudo-Jew parasites can rule the world, behind their hijacked religion's ritualised rabid racism that, paranoically, self sanctifies them as being, their megalomaniac fantasy's made "God Chosen (Boss) Race

Such is the unavoidable autodynamic Folk Genocidal process inherent in usury driven Capitalism, which must mass import and breed the cheapest labour to get the maximum profits to pay the ever growing compound interest to the creed of greed driven, money power bloated, ruthless usurer; which is a reason why the cosmopolite parasites now encourage a falling native birth rate and relatively small wars to Mop Up their remaining opponents after their holocaustic World Wars' victories over the national parasites, giving them the excuse, during their boom and gloom monopolised 'Free Market' system's boom years to import alien cheap labour and so obliterate any natives whose Folk Solidarity has won them more of the cake they make { **Which cuts the parasites' profits.** } in the form of higher wages relative to their production to have a better standard of living compared to those whom the leechers import or if giving better profits they export capital, they have robbed from the native producers, to their other colonised countries, to bleed the natives for ever higher profits, for they are made to slave for the least peanut pay, to sink them to the caged monkeys' existence, in which to faster breed cheaper labour. Which slavery, Resistivists with their lives must Resist.

Folk Fascists know that, besides it being against nature {In this communication, travel, trade, time/space shrinking world of growing interdependence for their food, wares etc. and against humanity being eradicated by deadly diseases or suicidal wars;} no Folk Family can live in isolation and so must favour a World Confederation of Folk Familys' democratic acts to co-operate their folk's resources and abilities etc.; for due to the laws of need, the world's Folk Familys must overcome any mutual problems of living space, food etc. by building an economic, political co-operative world webbed industrial base for the survival of humanity's best to maybe make the means of befolking the universe { **From our world, the only known conscious centre of the universe.** } giving humanity a forever challenging adventure to happily live and work for their technological etc. victories, to fulfil the age-long driving dream of dynamically creative progressive humanity to live as eternal as the universe can feed its generation's linked chain. However, Folk Fascists seek to enter as free equals, with other Folk Familys, such a world fusing of their life enriching arts, tongues, traits, customs etc. to peacefully create a mutually enriching world culture, by first proving the Folk Fascists' ability and hence worth to do so, thru freeing their Folk Familys from being wilfully exterminated by decimating wars and anti folk re-breeding policies, to thus age a folk and multi-mix-race their Folk Familys - into museum jars - thru replacing them with mass imported alien cheap labour, under the excuse of needing to rejuvenate Our Folk: **By being cuckoo to foster aliens!**. Such are the Folk genocidal policies of the bloody handed alien predators, Folk Traitors and other scum; whose inherent blood sucking way of life and so natural draculian aim, is to have their palaces, luxuries etc. made by their enslaved workers, who are sciencefarm bred as the leechers cowed and cheapest possible labour, forced to exist in a grim cultureless world of slum ghetto concentration camps. So, the Folk Fascists' first task is to by hands and brains fight to each have their Folk Family preserving economics, to create their Folk Family administered parasiteless society, wherein the producers cannot be betrayed and robbed by e.g. Keynes or Friedman's pawnbroker policies to be bought and sold as goods on the Slave Stock Market, whilst imprisoned in slum ghettos being usury bled until dead as cowed, multi mixed race bred, rootless, powerless cheap labour and cannon fodder, for usury palaced parasites' profits. Against which Folk Genocidal acts, Folk Fascists { *Knowing humans must be the strongest of all life forms to dominantly survive, and for our own welfare, we must for each other and all life care.* } think that the soundest economic base, to build the functionally best Folk Democracy on, is one that positively harnesses the natural self survival instincts of us humans to best make our social needs and wants, so the producers' democratically united social self interests can co-optimely build a parasiteless and happy creative life for Our Folk, on the following Folk Family Loyal demographic principles that favour the repro-rejuvenating virility of Our Folk

(1) Nature's created for all, land, sea, air and their resources shall be socially owned, rented, beneficially conserved, worked and protected, to prevent the parasitical ownership and resulting pillage and destruction of nature's basic means of giving humanity etc. life.

(2) No person shall be allowed to parasitically live on another's work, therefore each producer, of whatever sex, age etc., shall be equally paid, according to their fellow producer's elected councils, socially verifiable, democratically decided value of their work.

(3) The direct producers will be paid relative to their fellow consumers' demands that decide the Folk Free Market prices of their bought products, above the affirmative costs of production, maintenance, distribution, expansion; it being forbidden to dump-sell goods, for promotion purposes etc. below their total production, distribution, pay etc. costs, unless they are socially licenced, due to insolvency etc., to be auctioned. Also, advertising etc. needed side costs shall be limited to Folk Verifiable percentages of production, to stop any vampiric growths that rob from the producers much of their work's worth to feed the creed of greed parasites whom, **if** they have the wits and guts, a folk will get rid of.

(4) The means of production shall be to the maximum possible, non-subsidised, self sustaining and competitive State, Co-operative and Immediate Family owned industries, fisheries, farms, mines, shops, hotels etc. and in a interwoven way, society's democratically elected administrators and representatives will be the social directors of the Folk Owned heavy industries, major ships, aircraft and other essential social industries and services, which shall be run by their personnel's democratically elected Producer's Councils of, socially qualified for the job, managers. Such social rule is vital for, as the human skeleton, society's economic one must first be kept steel strong and plially stable, to create its monetary base while flexibly supporting its motorising muscles, its organs' desires and defensive etc. needs, that are utterly crucial to build a self support economy, able to uphold the military might needed to guarantee the economic, trade, territorial, political, cultural etc. freedoms of one's folk by protecting them from being feeble, choked and butchered by predators due to e.g. *twit gulpers of Christian? spread "Love your enemy."* etc., **traitor fostering** social psychology, **Folk Loyalty crippling crap**; as "Life is the strife for the fittest to survive and thrive" being nature's ground law, that buries twits to breed the best able to economically etc. create the best life. The personnel owned co-ops will run hotels, fisheries, farms, light manufacturing etc. industries, distribution and repair services. The Family businesses, that can only abidingly employ their, of employment age, close family members, (*In their family's only enterprise within a 20 mile radius of other family member's like or connected enterprise.*) will have the right to own the varied small farms, fisheries, shops, market stalls, family hotels etc.. The self-employed teachers, artists, doctors, artisans, etc. shall run their own businesses and pay their obligatory social insurance etc.. All extra employees being protected by the social work laws, against being exploited as cheap labour or enslaved under imported etc. aliens and thereby robbed of any reasonably attainable worth of their contributed work. To minimise any, between the producers and consumers, middlemen costs, all producers will be able to display and sell their wares direct to the consumers and in any available and desired Co-operative or Folk Forum market, shop etc. at space rent, running and keeping etc. costs.

Any articles sent (We may publish anonymous ones **the senders hereby knowing they will lose their payments** if we do not publish them) will only be published by "OUR VOICE" or its affiliates if their editors think them within their mores and acceptable to their FOLK LOYAL readers who as we accept that life is the strife to survive and thrive even among the human race made of history's evolved life enriching many varied cultures, tongues, races, ethnics that to feed etc. their growing folk numbers are territorially etc. expansive so we must each be co-operatively protective of own survival and maybe our evolved continuity in a confederal world order thru a peaceful merger of economies, tongues, cultures etc. for which reasons we will resist any favouring of life's most ruthless predators i.e. **Parasites and Folk Traitors** who for self profit spread their **folk debase and erase** perversities resulting in the deadly **AIDS** whose sodomic carriers are kept alive to more spread love's death and fairly dance on the streets demanding (**From our parasite yoked folk who dare not against them talk**) more Human Rights to murder Humanity plus we have **MAD COW DISEASE** ETC. (Factualising the old saying: "**WHOMEVER THE GODS' WISH TO DESTROY THEY FIRST MAKE MAD**") and the agitating of the world's races etc. against each other to divide and conquer us and make us peanut paid multi mixed race cheap labour and cannon fodder slaves serving a leechy anti social welfare usury bred and fed self sanctified "**GOD CHOSEN RACE**" of **PSEUDO JEW KHAZARS** whose **DEMOCIDIC PROPAGANDA AND DRACONIC ANTI FOLK POWER LAWS ETC. PLUS IN WORK AND IN WORK AND WARS BEING BLED UNTIL DEAD FOR THEM** have weakened many of Our Folk's wills to survive and thrive and so they must be revived out of their suicidal sickness by eliminating our mind poisoners as ruthlessly as they do any sucker folk that swallow e.g. **THE PITILESS PSEUDO JEW KHAZAR CAPITALIST AND COMMUNIST COMRADE COMMISSARS'** WAILING WALL ANTI-RACISM BULL of contradictively (**For they have over many generations bled billions of us until dead as usury bred and fed leechy rulers that they fervently deny despite it being an obvious truth seen in their owning most of the world's top businesses, art works etc. which were leeches from their suckered folk on earth - not got from a god in heaven**) being a persecuted "**God Chosen Race**" that clearly makes their god a racist bigot So any betrayal of our military etc. dead and other undermining of our folk e.g. by favourably publishing our leechers' import of cheap labour (**As only in need will we let aliens be our advisers never Our Folk's supervisors or sports' etc. reps. for if we can't fight to win life's battles then we should be museum stuffed as a dodo folk**) will be tabu and if done will end the editors job as decided by "OUR VOICE" etc. Elected Guardians for going against their party etc. founders' wishes to preserve Our Folk by winning back control of our economy and so military, political, cultural power to revive Our Folk's natural lust to strife to survive and thrive that is secured by being soul bonded in **Our Folk Patriotic Politic that is religiously spirited in Our Folk Church Schools** **AS OUR INSULATION AGAINST ISOLATION AND EXTERMINATION**

This is a FREE OPINION PAPER whose writers and editors are only legally responsible for their given views so if the above is to 'good doers' etc. a too raw sketch of the causes of **Our Folk being led down Suicide Rd. and how to change it by burying Folk Traitor rulers (If not too late) to turn Our Folk from the edge of extinction then let aliens bury the fools who have Patriots hunted, jailed, tortured, killed for trying to warn Our Folk via e.g. "Our Voice" which as other Brit media is banned by Folk Traitors from libraries, shops, etc. that boast AntiBrit African, Asian, Jewish etc. media**
