HELLO READER We are only responsible for our articles etc. others herein are for theirs responsible or like Jane's are in honour of them for being a Folk Patriot until their death. Whatever pedantics think about my grammar I hope you clearly grasp what I say about which you are free to payfully use Your Voice in "Our Voice" to write, if you stay in our Folk Family norms of decency and is not insulting of anyone e.g. intrusive on their private life which is not against the criminal law or their social stated morals, otherwise you get your money back from this pioneering paper, which as an open Folk Forum gives payers the means (By we being viably cheap with only entrants proved too poor to pay being dependent on the editor) to publicly say their opinions on anything in this paper's Economics; Country; Culture; Health; Home; Politics; Travel; Sport etc. sections About its section place, entrants must trust the Editors' layout decision. The ethnic media e.g. Asian Times; The (Caribbean) Gleaner; Jewish and Muslim Chronicles; The Voice (Headlined as being "Britains Best Black Paper") rightly support their kind, faiths etc. but under the Parasites' and Folk Traitors' vile propaganda media made hostile social climate (That has cowed Our Folk to accept alien control of our economy and so military, political, cultural dictatorship of our country) these papers, books etc. are in libraries and sold in shops while true Folk Loyal British ones are accused of racism etc. for supporting. as do the alien media, their folk and banned in Free Speech's name, to choke us to death against which "Our Voice" etc. will fight to the death. Wily Alien Racists call us racists to exalt their race and stop us from seeing nature has bred many races with richly diverse ethnics, cultures, giving Africans, Asians, Caucasians, Orientals a natural pride in their forebears and so defend their race, culture, land etc. as nature's raw law says: Any specie unfit to live does into death flit. So as all healthy races we defend ours but don't brazenly assume we are a superior God Chosen Race picked to rule the world, as do the megalomaniac phoney semite, pseudo jew, anti-goyite, paranoid Zionist bigots thru their repulsively offensive Eliitist Racism.

AIM Bobby Sand's brave death fast for Folk Liberty's life is running out fast True Folk Patriots everywhere should now united firmly stand and demand Down with the foreign crown loyal settlers' flag on their masters' mercenaries masts Raise high the Republican flag of freedom over Folk Patriot United Ireland To secure his and kin martyrs Folk Loyal aim To rule their own kin's sown land As true Folk Patriots will understand C.M. 1/5/81

SELF DECEIVED Now Bobby Sands we late can see How politically naive and betrayed we can be For we foolishly thought we fought Each for the land our forebear's wrought To be the homeland of each Our Folk Freed from being politically choked By being economically max bled until dead Jackbooted under a leechy yoke But all we see after many years of bloody strife Is our countries swamped with conflictive alien life Seeking to we their Zionist fooled host folk stife Being the results of the Folk Traitors' back stabbing knife Wielded by Liberal and 'Labour' assumed camaraderie Who turned Our aimed Folk Loyal producer cooptive nationalism Into their utopian rosy dream's internationalism That the money mighty Cosmopolite Parasite Globalists favour To lure the world's Folk into being multi mixed race max cheap labour In Zion's world wide webbed Imperium of Usury Jailing Our Folk in debt bound slavery That in freedom's name forbids Our Folk to talk About the parasites hidden under a religious cloak Exposing them to be ruthless Pseudo Jew Khazars Who hijacked Judaism that does not usury bar Making them an elitist self "God Chosen" tribe of racists Arisen from the Caucasian mountain's bazaars As ruthless rustlers and caravan plunderers To be a usury driven gagngsterdom of leechers Pitiless Capitalist and Communist Comrade Commissars Globally spread leeching their suckered folk till dead Aiming to rule the world from their Occupied Palestine Having turned our countries into colonies by Folk Traitors misled In a Jewish god's name totally secular like the Philistines Reducing any true Jews left into a confused few Being buried like we as a multi mixed race stew That the Zionists scornfully flush down history's loo Because we were too stupid to see We were being incited by the global parasites To against each other divisively fight and smite E.g. English against Irish and Blacks against Whites Which bait alas many Folk Loyal parties bite Urging us to butcher each other to our leechers' delight As our weakened work and war bled folk swells Zion's might To easier yoke and choke Our Folk Whom we now see are being multi mixed race bred And as max cheap work and war fodder bled till dead While our lands are by Folk Traitors given into alien hands Contrary to what Folk Loyal leaders would evoke Knowing their job was to preserve their Folk Against being enslaved and buried under an alien yoke Soon to erupt into an inter ethnic wrath made blood bath Staining our lovely green countries red with the blood of the dead Unless we soon unify into being WISE Brits Who never submit to ideas of utopic twits And purge ourselves of the leechers who do our death urge Instead of being driven into committing suicide By being so cowed as to meekly kow tow Into accepting our multi mixed race democide So rise Celt and Saxon as WISE Brits not twits Don't be buried in the dark night without a fight To instead live by putting to flight the few Pseudo Jew parasites And always burying the viler Folk Traitor shite Plus send back to their lands the imported foreign hands While culling the multi mixed race curse That's bred to be bled till dead filling the parasite's purse Then we will not have fought and died in vain For again Our Folk will over themselves reign And the joy from the fruits of their work gain By breaking our leechers usury wrought chains That does their ownership of Our Folks work maintain And cutting the Parasite's Puppet Governments' dictatorial reins To make Our Folk's majority voted desires sovereign Plus reciprocally inter live peace fully Hopefully cured against being lured to butcher each other So instead the world's folk can cooptively themselves immerse In gaining humanity's needed aim to traverse the. universe Never again letting Folk Traitors convert our countries Into multi mixed race cheap labour colonies In a Zionist World Wide Imperium of Usury Giving aliens increasing social authority as police, teachers, doctors, military Due to Folk Traitors enforcing Our Folk's docility to alien authority And nanny driven breeding of Our Folk with the meekest faculties Lured to think they can get real People Power Thru a parasite rigged ballot box that does their votes devour Into just utopic dreams never to flower For Our Folk did not practice basic social hygiene To keep society from parasites and perverts clean Having e.g. unquestionly their leecher's holocaust lies believed And so for being so stupidly naive were treacherously **self deceived FPW**

WANTED Folk Loyal men and women to be £12 (OAP etc. £6) a year **PATRIOTIC PEOPLE'S POWER PARTY MEMBERS OR VOLUNTEERS** whose **main reward** will be to win our forebears' wrought and fought for homeland back from parasites and Folk Traitors and their mass imported alien leechers and cheap labour whose hid policy is to exalt their cultures and selves by burying Our Folk and culture that unitedly we must firmly reverse e.g. by using their **twisted legal rope** to choke us **to hang them before they bury us.**

Membership's basic rules are total loyalty to our party members democratic majority decided (Or in a crisis by our elected reps) ground policies of a tough dedication to one's own and folk's welfare and freedom that thru our practical alternative producer politic to the present parasite one fires a fighting spirit trained and ready to rid our streets and halls etc. of anti democratic alien loyal fanatic mobs and oust Folk Traitors etc. with their welcomed in cheap labour and shyster armies in a fight to the death for the *Human Right of Our Folk to Survive and Thrive* by making our taxes paid politicians, police etc. do their **Folk Loyal duty** of resolutely defending Our Folk's Rights to peacefully demonstrate and speak our minds thru our media, in our shops and taxed for libraries etc. without fear of being hounded from our homes, jobs and arrested, beaten, jailed, acci-murdered under an undemocratic decided excuse e.g. **"Being liable to cause a breach of the peace"** to suppress Our Folk in *our forebears' wrought and fought for country* in submission to i.e. the wily Occupied Palestine loyal Khazar Capitalist and Communist Comrade Commissar Pseudo Jew **Ioan sharks'** made orders that we must fight and die for their vampiric usury dictated politic in democracy's name while denying our right to query the truth of their lies and support of alien rule favouring mobs etc. that cause Our Folk's need to rise to enforce life's **Natural Human Right Law** to stay alive and live in liberty by using all the needed force to proudly be and keep being **A Free Folk** by never letting **Folk Traitors** to again us yoke **with leechers** by whom we are **bled till dead** as their cowed slavish goy mokes

IN Jane's April 1978 "CHOICE" 25 (Now nigh 55 OV Ed.) years late

We also reject out of hand the Government decree that allows any penniless, non-English speaking individual or group of people to enter Britain at will and immediately claim every penny, privilege and night they can get their hands on. Such a case occurred in February 1978 when a pregnant Ugandan Asian, with no fewer than 5 children aged 3 to 14 years, arrived at London airport without the proper documentation which she had been told by overseas Consular officials to produce. She has since given birth to a girl, and is now awaiting a further 5 members of her family. Michael Ward, Labour MP for Peterborough, where the family now lives, is reported to have said that "he was surprised that the Home Office expected him to take up the family's case" because, in his view there is a moral case for admitting them 'as with the Ugandan Asians who flocked to Britain in 1971". Readers will not find much difficulty in working out how much 12 penniless Asians are likely to cost the taxpayer. When one reads this sort of report one can be forgiven for being thoroughly dubious and cynical about the promises and intentions of politicians. This cynicism is heightened by the five-point plan spelled out by Mr. Whitelaw to the Conservative Students in Loughborough, which he emphasized was exclusively concerned with improving the future lives of immigrants in Britain. Here it is:- **1.** To reverse the "sad decline of our inner cities where so many members of the ethnic minorities have made their homes". **2.** To provide a stimulus for the growth of small enterprises, many begun by members of ethnic minorities, which will bring back jobs to those in the cities. That means sensible taxation policies and an end to unnecessary bureaucratic burdens". **3.** To help citizens buy and own their own homes "to spread a spirit' of independence and a sense of pride in the community". **4.** To revise the "foolish planning and housing , policies that have driven small businesses out of operation and have made privately rented accommodation scarce in our cities". **5.** To develop educational programmes to combat language problems that put many members of minority communities at disadvantage. **Cont. next OV (Parasites naturally urge all but themselves to assimilate into the oblivion of being max mixed race cheap labour. OV Ed.**

Cont. from prior OV :- **Like a growing child humanity has partly had to learn from its mistakes and maybe now we have reached a stage of maturity**, whereby we can peacefully settle our differences on a sound sense economic founded social ideology, which can bridge our political and cultural gulfs for our common good, as there can be no political democracy without economic democracy, which is the irreconcilable enemy of usury: or else, humanity {**Nature's, countless ages evolved, consciousness and conscience, for we are the only known aware beings in the universe.**} is doomed to a hellish existence and suicide, as we are on the edge of a cataclysmic era, due to our in theory possible { *But unliable, for there will be no equal growth of basic foods to feed our needs, which will result in plagues, like AIDS, and fighting each other to try and stay alive*} boosting of the world population from 5 to about 45 billion before reaching the 9 month limit of human birth in the first half of the 22nd century, c.150 yes hence, causing a relative fall of fresh water, food growing and living space plus living temperature guarding ozone layer; to so destroy earth's greenery and water { **Our earth's catalytic, carbon dioxide taking and oxygen giving lungs.**} thus choking most life with we stupefied humans to death, having sunk under the bio-line. by our made methane, sulphur dioxide etc. { **Killing many folk in smoggy cities i.e. London" Dec. 1952 more? than 5000 dead.**} as the dinosaurs maybe helped to make themselves extinct by their farted methane gas, as they outgrew the renewal of their plant food, so sinking the depth and density of the oxygen needed to fuel the huge beings, whose ensuing weakness made them easy prey to packs of smaller animals. Hopefully, humanity will leave on the moon, planets and in space, carriers of notes about us and our times, then if intelligent life evolves in the far future, it can learn from us and maybe stop it making our stupid mistakes of letting our inbred reactive emotions rule over our centuries hard wrought and fought for reason. **Whatever caused the dinosaurs' death**, humans have the boon of catalytic brains to convert some intook material into spiritual i.e body energy. creating memory the basis of thought so we can know we be and develop reason. to give us a warning knowledge and theoretical possibility of averting a like fate, if we can VERY SOON agree to trv and do so. For we have only c.50 years to do so, as already the hungry of overpopulated lands are spilling over their borders into relatively rich parts of the world, that are just able to sustain their, thru centuries of blood, sweat, tears, made living standards and cities' crucial services, that are the functional foundations of civilisation, e.g. roadways, sewerage, health, services, now collapsing under the weight of their parasitical borrowers debt to the leechy usurers, as they cannot pay for their upkeep and will totally tumble under the invasions of less skilled, faster breeding, cheaper labour, with the ensuing ruin of industries able to make the least needs of decent human life, causing the fall of civilised law and order and raising of the perverts' reign of barbarism, as already usurer rule has bred vile child kidnappers.sex abusers.murderers and death squads. that pitilessly cull the feebled in some lands. Also the, yearly c. doubling deadly AIDS now spreading much faster than the c.3% yearly growth of the world's population, to be, at least, a chronic plague, c. year 2025, 34 years hence. when the world's population of 8 billion will mostly be AIDS virus infected. **THIS WARNING IS NOT A BIBLE BABBLER'S GOD MADE "END OF THE EARTH" SCAREMONGERING, IT'S THE SUM OF ALL SCIENCES' STATISTICAL FACTS.** So we must quickly and cooptively agree on a realistic humanist social ideology, that gives humanity a guide to their uniting plus their resources under democratic folk elected national leaderships of Folk Loyal, able, mature and worthy persons, with a least age related upward grading of social legislative/administrative office directorship, starting at 25 to a least age of 40 for the heads of office, to avoid having reckless immature utopists as social heads, and instead have the sober sound sense mature realists, utterly needed to attain victory **IN HUMANITY'S WAR OF SURVIVAL**, to achieve a democratic world govern- ment of Confederated Folk-Family Nations, with a co-ordinated and assertive policy of population and pollution control; elimination of the parasitical exploitation of humanity; isolation and cure of deadly infectious sicknesses; reduction and destruction of mass murder weapons; the fair distribution of the basic foods and needs of life in relation to humanity's social and technological possibilities to a higher qualitative living; a democratic, reachable to all, competitive education to foster humanity's best, able to survive the real hardships of life; the allowance of relative and doctor teams' fully democratically decided humanitarian euthanasia, to humanistically ease the hellish existence of those suffering incurable and unbearable physical or mental pains and disabilities; the teaching of genetics and eugenics to encourage the conscious breeding of a healthy quality folk, who naturally hate being mass bred in slum ghettoes as the leechers' bled until dead cheap labour and so, to give their offspring a chance to make their own high standard of living. they will not breed before they can feed their seed. **Such being needed to keep humanity alive, also maybe able to populate the universe,** thru the full employment and education of all, to better their skills, increase their creative production of foods and other needs and make the means of expanding into the universe; being the only ways to human foreverness, in an ever joyful adventure of overcoming the challenges of a forever changing universe, that has no beginning or end and thru whose time and space we are to each our minds, some beloved, passing faces. **Such an ideology to create humanity's maximum possible joy**, is dependent on our not being hypocrites, who presume to be angels before earning entrance to their supposed heaven, instead of being normal humans, with our conflicting more or less bad and good spirits within us, (**Religiously personified as being the Devil and God**) of which the good must defend us against the bad within us for our own and social joy, peace and prosperity, so we can democratically agree on and apply a flexible social ideology, that according to circumstances is able to provide humanity with the maximum possible needs and desires to the level of their social soul's and technological development, and as radical as the social situation demands, within the tolerant but limiting dictates of nature's laws of necessity: e.g. to cure AIDS, which is due to the perverts going beyond nature's sexual tolerances for the safety of life's reproductive organs and, as a deadly disease. making it a vile criminal act to let it freely spread and cause the **hideous torments, mutilations deaths of millions of people** { Humanity ? } **instead of isolating and treating its carriers as humanely as able, before it overwhelms society's economic resources**, as already seen in some lands, where victims die on the streets as the healthy are too scared of getting it, having no means to care for the infected and dying. whom our folk, whilst still able, out of the wise logic of self interest for not wanting to suffer the spread of AIDS. must truly help to care for; **instead of spending more on parasite profiting weapons of mass murder**, to supposedly save us from outer foes, while the Trojan Horse parasites', folk loyalty paralysing, creed of greed politics, mass breed us into a multi-mixed-race cheap and child labour hive, { Using their vile law. BBC etc. to keep the folk meek. by mind doping;them to believe it is normal and irevocable. } to, **as parasitoid wasps**, ethnically devour us from within or bury us by AIDS.

For their easier rule and exploitation, the parasites'policy of divide and conquer { e.g. *In the name of democracy. into multi divisive political partys, importation of alien cheap labour and shysters to multi-mix-race destroy native peoples.*} has kept humanity" at war against itself, threatening its own existence, instead of encouraging humanity to co-optimely unite for the survival and betterment of life, as Folk Fascist policies do. The urgency of a national cooptive world policy is obvious to anyone having sound sense and is aware of the scientific factulised statistics regarding the fast population growth, the much lower growth of food production, the falling fresh water supplies, the increasing air pollution etc. **which dangerously threaten the existence of humanity.. that is now in a cataclysmic situation thru the explosive AIDS pandemic, which threatens to wipe out humanity, unless, very soon, a miracle medicine is found or the virus mutates into a non deadly one, or we humanely quarantine those of us who are infected**, so that the healthy can normally live, before the life sustaining economic resources are destroyed, under the costs etc. weight of the fast growing AID's sufferers. **So dire is huminitys plight, knowledge of which is being criminally denied us e.g. Mad Cows Disease, by our - maximum personal profit today, let tomorrow for itself care** - drunk with power parasite rulers and their monopolised media that, with their lobby and consultancy etc. bribes steered puppet politicians. anything-goes laissez-faire pillar to post drunkards' politic, have made most of thinking humanity lose hope of ever getting the producers' Folk Solidarity { **For there is only dithering misrule without firmly fixed sound principles to found any politic on.**} needed to fulfil the humanist aims of securing social health, wealth and Human Rights for all, except for e.g. parasites who do humanity blight Such loss of hope for humanism to win is understandable, after the various, fanatic utopist's dogmatically asserted, heaven aspiring religions and politics have been discredited, for most fear filled escapists from the parasites' state terrorism, have adulatively trusted in mythical gods and idolised humans, to try and create grand societies, **conceived in the brains of Simple Simon utopists, which have birthed monstrous dictatorships that flatteringly attract idealists** who can easy be led and bled until dead **by the realist parasites**, who abuse the word democracy to mean, at best, allowing the usury enslaved majority to change the political name but not the content of the parasites' usury arisen and driven economy, **that decides** the real political and cultural control of society.

OUR CAUSE Like other parties in history we the **Patriotic People's Power Party (PPPP)** were born to fight for Our Folk's desire to survive and thrive by destroying the evil threatening to exterminate us against which we shall use our media etc. to foster as our name betokens Folk Loyal Nationalism i.e. Folk Family Unity or Folk Fascism which name the puppets of Zionism (**Parasitism, Racism and Imperialism's peak**) can call we giving us no shame for it is one of the few names that **embodies an anti parasite politic that the leechers express fear of** as most others e.g. Conservative, SWP, Labour, Communist are just our leechers' loving carrot and stick parties whom as their money masters' voices howl against Fascism in their phony democracy's name ironically snorting against our urged Populism i.e. **Sober Majority Folk Willed Rule (The only real democracy)** that they attack thru their medias' daily lies against us now backfiring on them to give us good free publicity that is winning over their disaffected who less vote for the cosmopolite parasites' puppets and are rightly turning to us saying **As you Fascists are our parasites' most feared foes then you must be we producers best friends who say we must bury our leechers to the reign over our made wealth gain.** This Folk Positive Propagation trend is making our Folk Traitor rulers tear out their hair in despair for in their haste to bury Our Folk Identity that unifies us in our fight against being suicidally genetic genocidally etc. bred into multi mixed race cheap labour they make draconic laws against us and abusively call our Folk Patriotic Civil Servants, Military, Police "**Institutionalised Racists**" for as Europeans having, like all true Orientals, Africans, Asians etc. healthy natural species of life an instinctive self preservation **Natural Patriotism** to serve and preserve their Caucasian kith and kin for which cause the PPPP exist aware that we will be ruthlessly opposed by our treacherous foes who like we must fight (**As nature only accepts those having the strength to exist**) to decide whom will rule in our land the Parasites as Our Folk's exterminators or we Producers as Our Folk's propagators **So Parasites, Folk Traitors, Toady Collaborators** heed this warning: **The Souls of Folk Patriots** you hunt, torture and murder expect their kinfolk to avenge them as they would them in **this holiest of wars you started for Our Folk to be or not to be** **LIVING AS A FREE FOLK ETERNALLY**

OUR VOICE As a media of the PPPP = PATRIOTIC PEOPLES POWER PARTY so you can help us be viable TO VOICE OUR FOLK'S WILL we ask Folk Loyal organisations and persons to buy their legally responsible say and so add YOUR VOICES to make "OUR VOICE" heard on most anything (**With a truly named etc. SAE to be kept secret and only published as you say and per word and number pay for**) in notice, articles, letters etc. that will stay the author's copyright outside their use by "OUR VOICE" and its affiliated. **Verified Paid** ads got after 1 week before our publication will most likely have to wait for the next publication. **Ads discounts** = 15% between 5 to 25; 25% to 50; 35% for any over 50 issues of "OUR VOICE" whose public sale price + **add any post cost** is 50p; a 12 issue subscription £10; **Bulk buying** discounts = as the above Ads. **Half of early** returned issues will be refunded **Overseas Buyers and Advertisers** need only add the air or sea postage costs to the above stated prices and pay us in British money by Travellers' Cheque < **This c. sized 187 words** at our VAT incl. price of 25p per word/number (*c. 75% less than other papers*) would cost **£46** + £2.pw for a BOX NR. to be paid only by **cheque or PO** (Cartoons, pictures, styled adverts etc. will be at consulted prices) At postage cost all pw mail can be posted to the advertiser

Any articles sent (We may publish anonymous ones the senders hereby knowing they will lose their payments if we do not publish them) will only be published by "OUR VOICE" or its affiliates if their editors think them within their mores and acceptable to their FOLK LOYAL readers who as we accept that life is the strife to survive and thrive even among the human race made of history's evolved life enriching many varied cultures, tongues, races, ethnics that to feed etc. their growing folk numbers are territorially etc. expansive so we must each be cooperatively protective of own survival and maybe our evolved continuity in a confederal world order thru a peaceful merger of economies, tongues, cultures etc. for which reasons we will resist any favouring of life's most ruthless predators i.e. **Parasites and Folk Traitors** who for self profit spread their **folk debase and erase** perversities resulting in the deadly **AIDS** whose sodomic carriers are kept alive to more spread love's death and fairly dance on the streets demanding (**From our parasite yoked folk who dare not against them talk**) more Human Rights to murder Humanity plus we have **MAD COW DISEASE** ETC. (Factualising the old saying: "**WHOMEVER THE GODS' WISH TO DESTROY THEY FIRST MAKE MAD**") and the agitating of the world's races etc. against each other to divide and conquer us and make us peanut paid multi mixed race cheap labour and cannon fodder slaves serving a leechy anti social welfare usury bred and fed self sanctified "**GOD CHOSEN RACE**" of **PSEUDO JEW KHAZARS** whose **DEMOCIDIC PROPAGANDA AND DRACONIC ANTI FOLK POWER LAWS** ETC. **PLUS IN WORK AND IN WORK AND WARS BEING BLED UNTIL DEAD FOR THEM** have weakened many of Our Folk's wills to survive and thrive and so they must be revived out of their suicidal sickness by eliminating our mind poisoners as ruthlessly as they do any sucker folk that swallow e.g. **THE PITILESS PSEUDO JEW KHAZAR CAPITALIST AND COMMUNIST COMRADE COMMISSARS'** **WAILING WALL ANTI-RACISM BULL** of contradictively (**For they have over many generations bled billions of us until dead as usury bred and fed leechy rulers that they fervently deny despite it being an obvious truth seen in their owning most of the world's top businesses, art works etc. which were leeches from their suckered folk on earth - not got from a god in heaven**) being a persecuted "**God Chosen Race**" that clearly makes their god a racist bigot So any betrayal of our military etc. dead and other undermining of our folk e.g. by favourably publishing our leechers' import of cheap labour (**As only in need will we let aliens be our advisers never Our Folk's supervisors or sports' etc. reps. for if we can't fight to win life's battles then we should be museum stuffed as a dodo folk**) will be tabu and if done will end the editors job as decided by "OUR VOICE" etc. Elected Guardians for going against their party etc. founders' wishes to preserve Our Folk by winning back control of our economy and so military, political, cultural power to revive Our Folk's natural lust to strife to survive and thrive that is secured by being soul bonded in **Our Folk Patriotic Politic that is religiously spirited in Our Folk Church Schools** **AS OUR INSULATION AGAINST ISOLATION AND EXTERMINATION**

This is a FREE OPINION PAPER whose writers and editors are only legally responsible for their given views so if the above is to 'good doers' etc. a too raw sketch of the causes of **Our Folk being led down Suicide Rd. and how to change it by burying Folk Traitor rulers (If not too late) to turn Our Folk from the edge of extinction then let aliens bury the fools who have Patriots hunted, jailed, tortured, killed for trying to warn Our Folk via e.g. "Our Voice" which as other Brit media is banned by Folk Traitors from libraries, shops, etc. that boast AntiBrit African, Asian, Jewish etc. media**
