## Jane's April 1978 "CHOICE" WHOSE IS THE HIDDEN HAND?

What is the source of all this agitation to mix white and black races for their mutual destruction? We will find part of the answer from one Israel Cohen a communist spokesman" in England, who in 1912 wrote a book entitled "A Racial Programme for the Twentieth Century," setting forth the Communist policy. The following extract from this book was entered into the U.S. Congressional Record for June 7, 1957 (Page 7633). "We must realize that our party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races that for centuries they have been oppressed by the whites, we can mould them to the program of the Communist party. In America, we will aim for subtle victory. While inflaming the Negro minority against the Whites, we will endeavour to instill in the Whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise in prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige the Negro will begin a process which will deliver America to our cause." In 1978, the same tactics are in force to deliver ENGLAND to the Communists. ## The Sunday Telegraph Got it Right! RACE LAW

Complaints from the race relations industry that last week's 90-mmute B.B.C. debate on immigration was biased against their cause are wide of the mark. All debate on this subject is biased in their favour, since opponents of immigration cannot uninhibitedly **speak** their minds for fear of the Race Relations Act. This was obvious in the debate in question. The few ordinary members of the public who took part seemed strangely unwilling to speak freely about their objections to immigration. Those who complain should realise how far they have succeeded in preventing others from expressing their views.

are saving the world from their foes Whom they also portray as being sinister barbarian swine Fascists, bigoted, prejudiced racists their propaganda whines As the Pseudos take leading positions in each folk's social divisions To further divide and their Folk Identity's solidarity undermine So on their bled till dead nation the leechers can luxuriously dine But their tried to belittle Folk Patriots will not be swizzled Into believing that parasites are a god's divine And insist that usury and Folk Treachery are the vilest of crimes Against which they will fight for all time Despite the leechers' luring with their lies many naive believers Who must be in logic deceived or mentally feeble To surrender their land into alien hands for a fantasy god in a bible For if there is such a god to whom all are equal Then a Chosen People is not something credible As their god would be an hypocritical prejudiced bigoted racist Like the Khazar Capitalist and Communist Comrade Commissars Freudian paranoid elitist assumed God Chosen Folk racists Intent on making Our Folk commit suicide By enforced multi-mixed-race genetic genocide Changing our African, Asian, European and Oriental Folk Identities Into multi-mixed-race cheap labour nonentities Serving a self righteous tribe of megalomaniac parasites Deluded to believe they are philanthropists not thieves Who are destined to rule the world's folk by somebody divine From their renamed Je(w)rusalem in their satanically Occupied Palestine The world Folk Familie's remains to be stuffed in museum domains So the alien leechers can Our Homelands claim To be colonies in their world wide webbed Imperium of Usury In Britain evolved since the Norman Conquest When a foreign royalty, clergy and academy did our land infest And perverted our mother tongue to theirs on us be imprest As from Our Folk they did their economic base wrest So we could no longer our politic and culture express Having been made slave subjects as history attests Drilled to our conquerors' castles, palaces and churches build That we are now as sheared sheep taxed to upkeep And our Land Looting Lords in residential luxury keep To so secure that we be kept class caste inuredly immured For our foreign robber rulers Our Homeland to till As the conquerors' rooted feudal hierarchy willed Seen by the ruling prigs and clergy as their social science guinea-pigs Inpreached that we should love them our enemies No matter how much they robbed us and had us killed In slum ghettos, foreign fields and grimy mills But now in Our Folk the fantasy of a loving god the gores of war have nilled And as a coup de grace the atom bomb has mostly killed Leaving society very ill wallowing in pornographic swill Sex perverted by sated alien loyal academics about which lex their minds vortex Whilst they dope their jargon duped with utopic political pills That promise to make society better but only do the folk more fetter With growing debts to the cosmopolite parasites who take the country as security To make it a colony in their world wide webbed Imperium of Usury Over whose debt yoked folk they scornfully walk Having socially constructed puppet politicians and mercenary militias they can instruct To still or pitilessly kill off any folk who protestingly talk Against being made mass bred multi-mixed-race cheap labour products With an evolving future of being test tube born in pig wombs As under the guise of education the Pseudos apply scientific social psychology To birth goons as commodities that do their bleeders' profits boom Thereby turning our countries into farm yard laboratories Wherein the natives are denied the right to their traditional way of life live Which right to alien invaders they are being forced to give Unless for Our Forebears' wrought and fought for lands Instead of being bred and misled to be crowing cocks and cackling hens Folk Patriots unite to fight and smite the invading alien bands Which will need Folk Loyal gutsy women and men Who will stand up to be counted against the mercenary mounted Used by their Folk Traitor bosses to kill their Folk's free will But now Our Folk Will has been driven to the critical sill Where it must cowardly die or be willing to its own blood spill Happy to fight to life's end than to aliens' knees bend Which we must oath never to do whatever happens to me or you Saying to hell with any respect for the usurers corrupted U.N. Abusively indoctrinating us to believe we are racists if our own folk we prefer And that we must for our alien racist robber rulers first care Therefore never more should we take their cussing and bossing of us In Our Forebears' fought for homeland Wrought for we their offspring Our Forebears did understand Nor more have to meekly go with begging bowl in hand To aloof aliens' soaked offices for Social Benefits Which as bandits they run to their own credit Sometimes giving the meek natives some beggarly bits As they rightly treat us as twits for taking their bullshit When we should do as they would and do in their lands Send them back to their kins' land to take them in hand And let them wallow in their own bred poverty of breeding babes they cannot feed Because they are too lazy to get off their asses and work for their needs And thereby enrich with earned luxuries their own countries Such is the only fruitful way to help the money migrants And miscreant free welfare pursuants Who use any excuse to accuse their host folk of being racist tyrants For e.g. protesting against paying for their extravagant pageants And being coacted to be abject lowest class subjects Who are kept underschooled and made redundant Because the aliens' faster breeding cheaper labour is a profit creator Making our Money Merchant rulers profits more exorbitant And their alien loyal toady mercenaries more abundant To cow the natives into not daring to protest for fear of arrest At such a stage in a Folk's history pages comes the test Whether a Folk are worthy to be or not to be free as masters of their destiny Knowing that only a folk who first foster their own Can their own homeland own to forward their own Remembering that they have every right to fight against parasites Who have no qualms against obliterating any folk they yoke So we must rise against Our Folk's total demise United as one W.I.S.E. Folk who fight to death's night Rather than die as another of history's despised Then will be the bloody days a folk have to pay For bowing to the Folk Traitors swayed social decay Who with their alien parasite bosses we must smite Hunting them night and day so they never get away with their vile Peace and War Crimes Whose horrific Holocausts have countless millions of lives cost For which they must pay as they have forced their foes to do in their rule's time In the fated fight for Our Folk To Be, or Not To Be To decide if Our Folk can win their offsprings' pride By having the wits and guts in wily attacks To their homelands from alien hands win back And free their folk from being under aliens spiritually broke Each generation of Our Folk kept in debt under the usurers yoke To be by the leechers economically, politically and culturally choked So we must uproot our misled Folk's alien inschooled idolatry For the Folk Traitors in our robber rulers made history Whose policies have caused our country's bankruptcy And Our Folk's poverty by shattering our unity of Folk Identity To sell us into slavery to the Shylockian masters of usury Therefore we must free ourselves before the alien minorities become the majority And say Our Land is Theirs in the name of their numbers voted democracy As they have done in other lands like Malaya and Fiji For then we will be conscripted to be the aliens' mercenaries Butchering each other in internecine wars made hell So aliens in Our Forebears fought for land can dwell and over us their rule tell In their wars to decide who shall rule this land for evermore Such being due to our Folk Traitors opening our land's doors To welcome in faster breeding cheaper labour Whose profitability cosmopolite parasites naturally favour And will conspire day and night to our fight for freedom blight So we must not lose to them delight In the fated bloody showdown Between Folk Loyal Producers and the Parasites plus their flunkey Folk Traitor shite Which will decide if Our Folk have the needed qualities to wear victory's crown Or have our rulers succeeded in culling us to be a booze bred breed of brainless brawn Who for football, beer, chips and sex-bits to any alien rulers fawn As simple shekel shackled slaves Broken-down clowns who have not the wits and guts to prevent Our Folk's Sundown C.M. 3/3/95 FPW

**OUR CAUSE** Like other parties in history we the *Patriotic People's Power Party (PPPP)* were born to fight for Our Folk's desire to survive and thrive by destroying the evil threatening to exterminate us against which we shall use our media etc. to foster as our name betokens Folk Loyal Nationalism i.e. Folk Family Unity or Folk Fascism which name the puppets of Zionism ( **Parasitism, Racism and Imperialism's peak**) can call we giving us no shame for it is one of the **few** names that **embodies an anti parasite politic that the leechers express fear of** as most others e.g. Conservative, SWP, Labour, Communist are just our leechers' loving carrot and stick parties whom as their money masters' voices howl against Fascism in their phony democracy's name ironically snorting against our urged Populism i.e. *Sober Majority Folk Willed Rule ( The only real democracy)* that they attack thru their medias' daily lies against us now backfiring on them to give us good free publicity that is winning over their disaffected who less vote for the cosmopolite parasites' puppets and are rightly turning to us saying *As you Fascists are our parasites' most feared foes then you must be we producers best friends who say we must bury our leechers to the reign over our made wealth gain.* This Folk Positive Propagation trend is making our Folk Traitor rulers tear out their hair in despair for in their haste to bury Our Folk Identity that unifies us in our fight against being suicidally genetic genocidally etc. bred into multi mixed race cheap labour they make draconic laws against us and abusively call our Folk Patriotic Civil Servants, Military, Police "**Institutionalised Racists**" for as Europeans having, like all true Orientals, Africans, Asians etc. healthy natural species of life an instinctive self preservation **Natural Patriotism** to serve and preserve their Caucasian kith and kin for which cause the PPPP exist aware that we will be ruthlessly opposed by our treacherous foes who like we must fight ( **As nature only accepts those having the strength to exist**) to decide whom will rule in our land the Parasites as Our Folk's exterminators or we Producers as Our Folk's propagators **So Parasites, Folk Traitors, Toady Collaborators** heed this warning: **The Souls of Folk Patriots** you hunt, tor- ture and murder expect their kinfolk to avenge them as they would them in *this holiest of wars you started for Our Folk to be or not to be* **LIVING AS A FREE FOLK ETERNALLY**

**OUR AIMS** The survival of our lands' genetic, history, cultural, geo united Folk needs the undivisive strength of an ethnic (W)elsh(I)rish(S)cots(E)nglish run and owned **Republican Confederal Britain** with a united outer military, economic, political, cultural defence based on the max inner unity of **Competitive Producers'** anti usury/pollution run cooptivist industries; **Humane** social welfare; **Co-ordinated** laws for Our Folk's best ( *Or we can be divided and conquered* ) to reduce crime etc. For which the Irish need to unite before cosy chaired 'Good Doers' and FolkTraitors ( Who even con their kin by claiming to be Folk loyal Socialists whom they stab in the back by greeting more Capitalist leechy aliens in. ) make the Irish **bury themselves - As duped Brits in other parts of Britain are doing - unless the leechers are rooted or as needed booted out** by our retrieving the wealth they robbed from Our Folk to pay their transport home. "**Nazis** steal our hard earned wealth" We hear the sly leeches wail. **That the pitiless robbers gloatingly bled out of their bled till dead pauperised producers.** Ref: The EU etc. We are for a world money but not one worthed by leechy Soro speculators who bleed countries into being their colonies and, **as if sheep,** fleece the producers of their work's worthed money, so we urge Our Folk to **KEEP** and **DO AS THEY LIKE** with **THEIR WORK'S MADE MONEY**

**OUR VOICE** As a media of the PPPP = PATRIOTIC PEOPLES POWER PARTY so you can help us be viable TO VOICE OUR FOLK'S WILL we ask Folk Loyal organisations and persons to buy their legally responsible say and so add YOUR VOICES to make "OUR VOICE" heard on most anything ( *With a truly named etc. SAE to be kept secret and only published as you say and per word and number pay for* ) in notice, articles, letters etc. that will stay the author's copyright outside their use by "OUR VOICE" and its affiliated. **Verified Paid** ads got after 1 week before our publication will most likely have to wait for the next publication. **Ads discounts** = 15% between 5 to 25; 25% to 50; 35% for any over 50 issues of "OUR VOICE" whose public sale price + **add any post** cost is 50p; a 12 issue subscription £10; **Bulk buying** discounts = as the above Ads. **Half of early** returned issues will be refunded **Overseas Buyers and Advertisers** need only add the air or sea postage costs to the above stated prices and pay us in British money by Travellers' Cheque < **This c. sized 187 words** at our VAT incl. price of 25p per word/number ( *c. 75% less than other papers* ) would cost **£46** + £2.pw for a BOX NR. to be paid only by **cheque or PO** ( Cartoons, pictures, styled adverts etc. will be at consulted prices) At postage cost all pw mail can be posted to the advertiser

**Any articles sent** ( We may publish anonymous ones **the senders hereby knowing they will lose their payments** if we do not publish them ) will only be published by "OUR VOICE" or its affiliates if their editors think them within their mores and acceptable to their FOLK LOYAL readers who as we accept that life is the strife to survive and thrive even among the human race made of history's evolved life enriching many varied cultures, tongues, races, ethnics that to feed etc. their growing folk numbers are territorially etc. expansive so we must each be co-operatively protective of own survival and maybe our evolved continuity in a confederal world order thru a peaceful merger of economies, tongues, cultures etc. for which reasons we will resist any favouring of life's most ruthless predators i.e. **Parasites and Folk Traitors** who for self profit spread their **folk debase and erase** perversities resulting in the deadly **AIMS** whose sodomic carriers are kept alive to more spread love's death and fairly dance on the streets demanding ( **From our parasite yoked folk who dare not against them talk** ) more Human Rights to murder Humanity plus we have **MAD COW DISEASE** ETC. ( Factualising the old saying: "**WHOMEVER THE GODS' WISH TO DESTROY THEY FIRST MAKE MAD**" ) and the agitating of the world's races etc. against each other to divide and conquer us and make us peanut paid multi mixed race cheap labour and cannon fodder slaves serving a leechy anti social welfare usury bred and fed self sanctified "**GOD CHOSEN RACE**" of **PSEUDO JEW KHAZARS** whose **DEMOCIDIC PROPAGANDA AND DRACONIC ANTI FOLK POWER LAWS ETC. PLUS IN WORK AND IN WORK AND WARS BEING BLED UNTIL DEAD FOR THEM** have weakened many of Our Folk's wills to survive and thrive and so they must be revived out of their suicidal sickness by eliminating our mind poisoners as ruthlessly as they do any sucker folk that swallow e.g. **THE PITILESS PSEUDO JEW KHAZAR CAPITALIST AND COMMUNIST COMRADE COMMISSARS'** WAILING WALL ANTI-RACISM BULL of contradictively ( *For they have over many generations bled billions of us until dead as usury bred and fed leechy rulers that they fervently deny despite it being an obvious truth seen in their owning most of the world's top businesses, art works etc. which were leeches from their suckered folk on earth - not got from a god in heaven* ) being a persecuted "**God Chosen Race**" that clearly makes their god a racist bigot So any betrayal of our military etc. dead and other undermining of our folk e.g. by favourably publishing our leechers' import of cheap labour ( **As only in need will we let aliens be our advisers never Our Folk's supervisors or sports' etc. reps. for if we can't fight to win life's battles then we should be museum stuffed as a dodo folk** ) will be tabu and if done will end the editors job as decided by "OUR VOICE" etc. Elected Guardians for going against their party etc. founders' wishes to preserve Our Folk by winning back control of our economy and so military, political, cultural power to revive Our Folk's natural lust to strife to survive and thrive that is secured by being soul bonded in **Our Folk Patriotic Politic that is religiously spirited in Our Folk Church Schools** *AS OUR INSULATION AGAINST ISOLATION AND EXTERMINATION*

*This is a FREE OPINION PAPER whose writers and editors are only legally responsible for their given views so if the above is to 'good doers' etc. a too raw sketch of the causes of Our Folk being led down Suicide Rd. and how to change it by burying Folk Traitor rulers ( If not too late ) to turn Our Folk from the edge of extinction then let aliens bury the fools who have Patriots hunted, jailed, tortured, killed for trying to warn Our Folk via e.g. "Our Voice" which as other Brit media is banned by Folk Traitors from libraries, shops, etc. that boast AntiBrit African, Asian, Jewish etc. media*
