On the stage of life we, varied human species of life, have been gifted with the best corporate limbs and brains to create, survive and thrive among the numerous species of life, due to memories that have grown languages able to descriptively memorise pictures of ourselves and environment etc to other like spoke, thereby we are able to with varied tools make, **many by numbers**, history's of ourselves within the universe's rotated bodies periods, by which we can predict our and any species times of existence, that only we are conscious of. At present our worldly foretellers have long warned us that we are living on the brink of death yet the mass of us, **despite education** still believe in an invisible omnipotent being which consciously has made the universe and all its beings, plus itself out of an unconscious nothing, that means it cannot not exist, as all is matter **even our thoughts are of matter**, making them exposable if we could copy the brain's mechanics. However, though we have made many wonderful life-bettering things that have brought us to the eternal universe's door we have made many deadly weapons that threaten our existence in it, for we have mostly not matured beyond childish adolescent grumbling, even butchering each other, about our many diverse godly believes, **mostly whipped up by lying 'holocaust' propagandists**, instead of having a world folk family uniting, matured peaceful humane worldly wise made constitution, able to use humanity's exposed nature's material sciences, needed to eternally survive in the universe, instead of being the bled until dead corpses of the usurious money lenders work and war fodder slaves in the **atomised ghostly, sky gaping, money towered ruins of their creed of greed's graves**. Such a constitution would need it's folk families referenda's agreement of external laws e.g. a world currency whose bank's profits from private and social industry to be used to finance each folk land's worth, of its like prime social benefits as defence, education, health, justice. But any internal self decided e.g. cultural, charity laws will be by their members financed. *The above is expressive of the intent of our party members and voters, for a Global Folk Family's "Constituted Corporate Competitive Constitution"*

Be wary of the foxy lot of snooty penny poppy patriots, who, as a mjority of MPs claim they are sovereign, so they have total, dictatorial authority over we the people who e.g. voted for BREXIT against they, the majority of parliamentarians who voted against it (And should have been changed out to Brexiters) as now they are trying to subvert Our Folks will, to avoid being buried by the gang of Cosmopolite Parasite Banker's EU (EUROPEAN UNDERTAKERS) having a Puppet PM who voted against Brexit, then pretends? is for it, with her MPs as a negating majority, claiming sovereignty over OUR FOLK to, as their said Servants of this 'democracy' which they snobishly dispise as populism, and rob us of, the best that our work be-gets, with their hijacked 'Labour' lot of aspiring ruling class, of snooty fops, the vilest Folk Traitors of the lousy lot, who should be ?, for helping to subvert the Brexit that Folk Patriot Farage led Folk's Will begot. For the folk majority should be sovereign, As Cromwell told Rump Parliament "You've sat too long for any good you've been doing . in God's name go! SO KIN BE WA- RY of the FOXY LOT and let, in loyalty to our dead who wrought and fought for what good we have, NE'ER BE FORGOT

Is the universe a recycling eternal raving radiated web of radiant energy, whose like, prime numbers, cross knotted webs form atoms, the smallest of constructively binding varied matter?, which whirl into stars and outer globes, that when ran-domly cooling lose their rotive energy and implode, causing an explosive radiated regeneration of suns etc. and possible ex-pansion of a timeless universe - for it has nought but itself, to relatively measure it by. The world's loudest anti anti-semites and anti anti-racist are the Fork Tongued sly Zionists who as the most fanatic racists and anti semites, say: "Our race is the Master Race. We are divine gods on this planet. We are as different from the inferior races as they are from insects. In fact, compared to our race, other races are beasts and animals, cattle at best. Other races are considered as human excrement. Our destiny is to rule over the inferior races. Our earthly kingdom will be ruled by our leader with a rod of iron. The masses will lick our feet and serve us as our slaves." - By Israeli prime Minister M. Begin speaking to the Knesset [Israeli Parliament] New Statesman, 25.6.82 (For which self characterization, the Supreme Racist Terrorist responsible for the mass murder of Palestinians got the now ignoble's Nobel Prize

And "There is no such thing as a Palestinian people. It is not as if we came and threw them out and took their country. They didn't exist." -Said by Golda Meir, Prime Minister of Israel, Statement to Sunday Times, 1969-06-15 (Judging by present Brits etc. cowed naive meekness the Troy Horse Zionist may soon say to their armies of alien 'refugees', after they have butchered us, this about Our Folk and countries.
