HELLO READER We are only responsible for our articles etc. others herein are for their responsible or like Jane's are in honour of them for being a Folk Patriot until their death. Whatever pedantics think about my grammar I hope you clearly grasp what I say about which you are free to payfully use Your Voice in "Our Voice" to write, if you stay in our Folk Family norms of decency and is not insulting of anyone e.g. intrusive on their private life which is not against the criminal law or their social stated morals, otherwise you get your money back from this pioneering paper, which as an open Folk Forum gives payers the means (By we being viably cheap with only entrants proved too poor to pay being dependent on the editor) to publicly say their opinions on anything in this paper's Economics; Country; Culture; Health; Home; Politics; Travel; Sport etc. sections **About** its section place, entrants must trust the Editors' layout decision. **The ethnic** media e.g. Asian Times; The (Caribbean) Gleaner; Jewish and Muslim Chronicles; The Voice (Headlined as being "**Britains Best Black Paper**") rightly support their kind, faiths etc. but under the Parasites' and Folk Traitors' vile propaganda media made hostile social climate (*That has cowed Our Folk to accept alien control of our economy and so military, political, cultural dictatorship of our country*) these papers, books etc. are in libraries and sold in shops while true **Folk Loyal British** ones are accused of racism etc. for supporting, as do the alien media, their folk and **banned** in Free Speech's name, to choke us to death against which "Our Voice" etc. will fight to the death. **Wily Alien Racists** call us racists to **exalt their race** and stop us from seeing nature has bred many races with richly diverse ethnics, cultures, giving Africans, Asians, Caucasians, Orientals a natural pride in their forebears and so defend their race, culture, land etc. as nature's raw law says: **Any specie unfit to live does into death flit.** So as all healthy races we defend ours but don't brazenly assume we are a superior **God Chosen Race** picked to rule the world, as do the megalomaniac phoney semite, pseudo jew, anti-goyite, paranoid Zionist bigots thru their repulsively offensive Elitist Racism.

DEATH OF A NATION - by Crusader

This government is deliberately dismantling and destroying our social structure by giving democratic rights to some and restricting them to others. **The best example** is their immigration policy and all the relevant problems that have been allowed to fester. Any attempt to address the problem in open debate is branded racist yet nobody was consulted about making this country multicultural. **Politicians would have** you believe it just happened, but it was deliberately manufactured and constantly maintained by introducing laws to make sure that immigration flow remains unchecked and unchallenged. There is a conspiracy to change a proud British patriotic and predominately Christian society, into a pathetic, moronic, disillusioned and couldn't care less state. The situation has been cleverly exacerbated by the uncontrolled influx of thousands of immigrants with alien beliefs, both religious and social. These strangers have no loyalty or respect for this country or its indigenous population, resulting in the fabric of a once proud nation being completely destroyed from within. **All vestiges of national identity** are being removed. Children are not taught about our nation's historical heritage unless the facts can be twisted to make them feel ashamed to be British. The flying of the Union Flag is discouraged along with any other patriotic symbols or events. Politicians fall over themselves to support St Patrick's Day parades but a similar St Georges Day event would be banned as a racist rally, and we all know why. **When did you last see** a St George's Day rose worn by a T.V. announcer? It becomes less likely as more and more British announcers are replaced by members of the ethnic minority (shortly to be the ethnic majority). The mixed race scenes that we constantly see on television are all part of the scheme to brainwash the people into multicultural acceptance. **The break up** of the United Kingdom is on a fast moving agenda beginning with self rule for Scotland and Wales and the sell out of loyalists to republican terrorists in Northern Ireland. **Soon England** will be broken into Regions. They will then be at each other's throats for crumbs of power and finance, a classic case of divide and conquer. Once the United Kingdom has become a hotchpotch of race, religions, loyalties and regions with true Brits marginalized and ridiculed, then it will be easy to integrate the isolated fragmented regions into the United Socialist Republic of Europe. Anyone who doubts the EU left wing agenda need look no further than their spiteful reaction when the Austrian people had the audacity to democratically elect right wing members to their parliament. **The Government** has never worried about civil unrest as it can be used to further their aims. **If you secretly** cause breakdown in society, then you are in the best position to stop it by the use of force and draconian laws, to thus be a (Phoney OV Ed) saviour of the people, a tried and tested formula used by the Communists for decades. **With more and more** laws to curtail free speech and the fear of being branded an extremist, they are manipulating the people into a feeling of despairing inevitability that this country is finished. This is vividly reflected in recent voting apathy. The government are relying on their grass roots support and the tolerant British people, always thinking that everything will work out in the end. **If the British public does not wake up soon, they will come to realise too late that they no longer have a choice. By that time we will be living in a foreign, rigidly controlled, alien state among the ashes of a once great and proud nation.** From issue 20 of the N/F Paper: **The Flame** www.the-flame.org.uk (ALAS! MANY OF OUR FOLK REARED IN THIS FEUDAL FARM YARD REGIME TO BE MORE TIMID THAN SHEEP DO AS BOWED FLUNKEYS TO THE PARASITE CREEPS TOADILY EXIST AND DIE IN BOOZE SLEEP. OV Ed)

If you want to live free today Do not throw your life away On your knees wasting away While to a mythical god you pray Whining like a poor dog at bay Or in your leechers ballot box a vote lay For they rig it to keep them in power anyway Just moving their furniture around they smugly say For this parliament's politicians are but flunkey fays Servants of the financiers who do them pay So what is our freedoms way From our leechers who do against us their politic play? History says - Take and keep the economy under Our Folk's sway Then it will be Our Folk's politic society will display Which will the ethnic extincitor parasites totally slay Before they succeed in burying Our Folk away That my kinfolk history says is the main way You can be free while you live your life's day Providing you never let Folk Traitors lead you astray To let parasites live in luxury while you exist on peanut pay Again making Our Folk slaves under the leechers' sway For you lacked the wits and grit to survive life's fray And were such idiots as to yourselves betray As you are proving to be today Kowtowing to your leechers who you toadily obey Instead of blowing life's scum away So Our Folk can work dance sing thru their lifes days Freed from parasites OK OV Ed

The battle for freedom of speech in our nation's universities. Britain's universities are world renowned for their excellent standard of education and students from all over the Europe and beyond come to Britain every year to study. We are told that the brightest young minds that Britain has to offer make up our student population, but the Politically Correct authorities treat students like children. University students studying the sciences are expected to be able to devise experiments to test or disprove theories; those studying arts subjects are supposed to learn how to develop an argument or to criticise a position. For these practical reasons - let alone the fact that the right to speak your own mind is something for which generations of Britons no older than today's students have bled and died on battlefields all over the world - one might expect to find a healthy respect for free speech. But it's just not like that any more. **Marxist attack** Free speech was first destroyed by the Marxists who dominated the Student Unions and NUS in the 1970s. They adopted a "No Platform for Racists and Fascists" policy, under which various followers of mass murderers such as Lenin; Trotsky, Stalin and Mao decided who was a "racist" or a "fascist." This affront to the long established British tradition of free speech has stood pretty much intact since then, but it's getting increasingly wobbly as each new generation of students includes fewer and fewer Marxist bigots, bores and cranks. **Nationalists organised** Last year, a group of nationalist students organised a direct challenge to the "No Platform" policy at Leeds University. We met stiff resistance from various Stalinist and Leninist groups such as the pro-IRA, pro-paedophile Socialist Workers Party, as well as the Jewish Society, who went to the lengths of bringing in Ray Hill, a convicted thief and racist thug who spent time as paid informer and *agent provocateur* in the BNP, to build support for the repressive status quo. This eventually led to the University's Free Speech Society being banned by the Union Council. Last year the student paper *Leeds Student*, was the voice of reason on campus. It remained impartial on the issue and allowed an open debate that ran all year. What really perplexed many students was the fact that although the BNP is a totally legal and registered political party, we weren't allowed to voice our opinions. Many people took part in this debate and young nationalists on campus spent much time debating with other students on this issue. **Don't mention the BNP** This year, however, the people running *Leeds Student* have been told that if they as much as mention the BNP or Young BNP leader Mark Collett they will lose all their funding! They couldn't even print my opinion in a survey about favourite flavours of ice cream! The ban even applies to stories critical of the party, lest their appearance give us a voice under the "right to reply." So the Union Executive and the Union Council have taken the disgustingly undemocratic step of banning all political debate, including criticism of the BNP, to prevent our political message or even our very existence being publicised. Thus the 'liberals' are now even gagging the Marxist groups which first came up with the no platform policy. We are all being robbed of the right to express our opinions on race, culture and heritage. The student population at Leeds has been turned from a vibrant group of young people with flourishing open debate on a range of topics to one in which everyone is silenced under a sick Stalinist form of oppression, a totalitarian regime under which even a society for the preservation of free speech is banned! **Censorship** The people who put this No Platform policy in place say that the BNP and its members are mad and no one really wants to hear what we have to say, thus the No Platform policy protects students! Well if we are so mad then why won't they debate with us? Surely their ideology is not that weak? The truth is that no one seeks to silence a mad man for this is pointless, as his ramblings are easily exposed. But an individual who tells the uncomfortable truth about the failings of a sick society is always a threat. Thus the Union and its corrupt council and executive have banned the very mention of the BNP or of my name. Nothing could show better just how much they fear our message. Deep down they know that the liberal system is collapsing and that our message is one of truth and love, not lies and hatred. They know that nationalism is the wave of the future, but they still think they can play King Canute. They will learn, however, that no-one - least of all the Union Executive of Leeds University - can turn back the tide of history! *Mark Collett, YBNP leader in Dec. 2001* - **IDENTITY** www.bnp.org.uk (Any who deny you to question their said truths do thereby prove they lie, for truth need not fear any who query its proof as only by doing so can one verify truth. Chutzpah beyond belief! The Knesset, the Israeli Parliament, has just produced a bill that would enable Israel to demand the extradition to its own shores of anyone, anywhere, who dared engage in 'Holocaust' denial. The bill was approved unanimously in its first reading on July 20th 2004. That denial of the 'Holocaust' should be an offence under Israeli law will surprise no one. But the Israelis are not satisfied with this. What they want is a person who writes an article or makes a speech in say, the United States, France or Britain which questions the truth of any part of the output of the 'Holocaust' industry may be prosecuted under Israeli laws and forcibly taken to Israel to face trial. In the case of France, laws already exist which make 'Holocaust' denial a crime but such laws have not yet been passed in this country or America. No matter! The Jews will have us prosecuted under their own laws anyway and taken to their country to be tried for an offence which does not exist in our own countries. In other words Eichmann-style kangaroo courts in which anyone who offends them can be hauled up! Kidding? You can be sure they aren't! These people, you see, regard themselves as absolutely special, and not subject to the same rules as other nations. They actually believe that what they decide is a crime, should become a crime everywhere, and one for which they can punish the offender! **Spearhead 426** www.spearhead-uk.com (The Khazar Pseudo Jews are so brazen for they can squeeze the economic balls of their cowed 'citizens' OV Ed)

The above articles tell how the world's bled till dead producers, under the dictatorship of the elitist paranoid megalomaniac Self Chosen Race of usurious leechers, are being gagged and jailed in the parasites' World Webbed Imperium of Usury wherein the producers are turned against each other to commit mutual mixed race Folk Family suicide after digging their own graves for the vampiric self God Chosen Race undertakers, throned in their brutally occupied Palestine paranoidly believing their megalomaniac leaders' lies that they are a god's Chosen Race who have suffered an holocaust etc., for which gentiles must be punished and made their slaves to fulfil their hijacked then secularised Judaisms myths, of being a god's Chosen divinely destined to rule the world. From Jane's June 1979 "CHOICE" WHOSE IS THE HIDDEN HAND? What is the source of all this agitation to mix white and black races for their mutual destruction? We will find part of the answer from one Israel Cohen, a communist spokesman in England, who in 1912 wrote a book entitled "A Racial Programme for the Twentieth Century", setting forth the Communist policy. The following extract from this book was entered into the U.S. Congressional Record on June 7, 1957 (Page 7633). "We must realize that our party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races that for centuries they have been oppressed by the whites, we can mould them to the program of the Communist party. In America, we will aim for a subtle victory. While inflaming the Negro minority against the Whites, we will endeavour to instill in the Whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise in prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige the Negro will begin a process which will deliver America to our cause". In 1979, the same tactics are in force to deliver ENGLAND to the Communists. (**Such are** the ethnic extirper aims and tactics of the Parasite Pseudo Jew Khazar Capitalist and Communist Comrade Commissar Self Sainted God Chosen Racist's whom - **disguised in their hijacked Judaism with its biblical myths of a racist god having chosen them to rule the world** - have by secularising Judaism, **contrary to the True Jews' Judaism**, turned it into their global ideology to get world rule via the auto dynamic of usury's compounded interest risen and driven economics giving them the world's natural and human made wealth and so overwhelming economic power to dictate their world politic to divide the world's races, nationalists etc. against each other in mutual suicidal wars etc. and forcibly stew them into a max cowed multi mixed race of the very cheapest labour and cannon fodder who slavishly serve the Self Chosen Race of leechers in their ruthlessly Occupied Palestine that their propaganda claims is their god's Promised Land. **To so turn the True Jews' biblical myths into the Pseudo Jews reality.** OV Ed.) **YOU TAKES YOUR CHOICE** When the Editor of the (London) Kensington Post received a copy of CHOICE, he sent a Reporter round who very neatly and accurately headed his comment "100,000 TAKE THEIR CHOICE" and continued: "You don't have to pay your money but you can still take your 'Choice'. That is if you are one of the 100,000 subscribers to an Earls Court-based newspaper which circulates throughout Great Britain, and which flourishes by printing anti-immigration articles." **SCRAP IT SISTER !!** On the second anniversary of the odious 1976 Race Relations Act the Runnymede Trust (**Typical of how Our Folk' foes use a democratising document's, e.g. The Magna Carta, place name for their dictatorial aims.** OV Ed.) has issued a report on how it is working. According to the Director the potential of the Act has yet to be tested properly for it has not been sufficiently invoked against us! Despite the fact that, according to her, there is "ample evidence of direct or indirect discrimination" Responsibility, she says, lies with the statutory bodies who should do more research; and she thinks the Commission for Racial Equality should mount its own investigations (I thought that was what they already did when they haul us before the Courts). "In the 1980s' the Trust hopes there will be more 'strategic' use of the law. If they take my advice they will scrap it and scam! **Alas!** CRE - Commissariat of Race Exacerbators - have grown in power, via **Folk Traitors** able to fool and bow a cowardly mass of Our Folk - singing ~ **Never shall be slaves** ~ into betraying their soldiers, forebears and offspring by, as **toady slaves**, backing Our Folk's democide under the alien parasites rule. OUR CAUSE Like other parties in history we the **Patriotic People's Power Party (PPPP)** were born to fight for Our Folk's desire to survive and thrive by destroying the evil threatening to exterminate us against which we shall use our media etc. to foster as our name betokens Folk Loyal Nationalism i.e. Folk Family Unity or Folk Fascism which name the puppets of Zionism (**Parasitism, Racism and Imperialism's peak**) can call we giving us no shame for it is one of the **few** names that **embodies an anti parasite politic that the leechers express fear of** as most others e.g. Conservative, SWP, Labour, Communist are just our leechers' loving carrot and stick parties whom as their money masters' voices howl against Fascism in their phony democracy's name ironically snorting against our urged Populism i.e. **Sober Majority Folk Willed Rule (The only real democracy)** that they attack thru their medias' daily lies against us now backfiring on them to give us good free publicity that is winning over their disaffected who less vote for the cosmopolite parasites' puppets and are rightly turning to us saying **As you Fascists are our parasites' most feared foes then you must be we producers best friends who say we must bury our leechers to the reign over our made wealth gain.** This Folk Positive Propagation trend is making our Folk Traitor rulers tear out their hair in despair for in their haste to bury Our Folk Identity that unifies us in our fight against being suicidally genetic genocidally etc. bred into multi mixed race cheap labour they make draconic laws against us and abusively call our Folk Patriotic Civil Servants, Military, Police "**Institutionalised Racists**" for as Europeans having, like all true Orientals, Africans, Asians etc. healthy natural species of life an instinctive self preservation **Natural Patriotism** to serve and preserve their Caucasian kith and kin for which cause the PPPP exist aware that we will be ruthlessly opposed by our treacherous foes who like we must fight (**As nature only accepts those having the strength to exist**) to decide whom will rule in our land the Parasites as Our Folk's exterminators or we Producers as Our Folk's propagators **So Parasites, Folk Traitors, Toady Collaborators** heed this warning: **The Souls of Folk Patriots** you hunt, torture and murder expect their kinfolk to avenge them as they would them in **this holiest of wars you started for Our Folk to be or not to be** **LIVING AS A FREE FOLK ETERNALLY**

OUR AIMS The survival of our lands' genetic, history, cultural, geo united Folk needs the undivisive strength of an ethnic (**Welsh(Irish)(Scots)English** run and owned **Republican Confederal Britain** with a united outer military, economic, political, cultural defence based on the max inner unity of **Competitive Producers'** anti usury/pollution run cooptivist industries; **Humane** social welfare; **Co-ordinated** laws for Our Folk's best (*Or we can be divided and conquered*) to reduce crime etc. For which the Irish need to unite before cosy chaired 'Good Doers' and FolkTraitors (*Who even con their kin by claiming to be Folk loyal Socialists whom they stab in the back by greeting more Capitalist leechy aliens in.*) make the Irish **bury themselves - As duped Brits in other parts of Britain are doing - unless the leechers are rooted or as needed booted out** by our retrieving the wealth they robbed from Our Folk to pay their transport home. OUR VOICE As a media of the PPPP = PATRIOTIC PEOPLES POWER PARTY so you can help us be viable TO VOICE OUR FOLKS WILL we ask Folk Loyal organisations and persons to buy their legally responsible say and so add YOUR VOICES to make 'OUR VOICE' heard on most anything (*With a truly named etc. SAE to be kept secret and only published as you say and per word and number pay for*) in notice, articles, letters etc. that will stay the author's copyright outside their use by 'OUR VOICE' and its affiliated. **Verified Paid** ads got after 1 week before our publication will most likely have to wait for the next publication. **Ads discounts** = 15% between 5 to 25; 25% to 50; 35% for any over 50 issues of 'OUR VOICE' whose public sale price + **add any post** cost is 25p; a 12 issue subscription £5; **Bulk buying** discounts = as the above Ads. **Half of early** returned issues will be refunded **Overseas Buyers and Advertisers** need only add the air or sea postage costs to the above stated prices and pay us in British money by Travellers' Cheque < **This c.sized 187 words** at our VAT incl. price of 25p per word/number (*c.75% less than other papers*) would cost **£46 + £2.pw** for a BOX NR. to be paid only by **cheque or PO** (*Cartoons, pictures, styled adverts etc. will be at consulted prices*) At postage cost all pw mail can be posted to the advertiser

Any articles sent (We may publish anonymous ones **the senders hereby knowing they will lose their payments** if we do not publish them) will only be published by 'OUR VOICE' or its affiliates if their editors think them within their mores and acceptable to their FOLK LOYAL readers who as we accept that life is the strife to survive and thrive even among the human race made of history's evolved life enriching many varied cultures, tongues, races, ethnics that to feed etc. their growing folk numbers are territorially etc. expansive so we must each be co-operatively protective of own survival and maybe our evolved continuity in a confederal world order thru a peaceful merger of economies, tongues, cultures etc. for which reasons we will resist any favouring of life's most ruthless predators i.e. **Parasites and Folk Traitors** who for self profit spread their **folk debase and erase** perversities resulting in the deadly AIDS whose sodomic carriers are kept alive to more spread love's death and fairly dance on the streets demanding (**From our parasite yoked folk who dare not against them talk**) more Human Rights to murder Humanity plus we have MAD COW DISEASE ETC. (Factualising the old saying: "**WHOMEVER THE GODS' WISH TO DESTROY THEY FIRST MAKE MAD**") and the agitating of the world's races etc. against each other to divide and conquer us and make us peanut paid multi mixed race cheap labour and cannon fodder slaves serving a leechy anti social welfare usury bred and fed self sanctified "**GOD CHOSEN RACE**" of PSEUDO JEW KHAZARS whose **DEMOCIDIC PROPAGANDA AND DRACONIC ANTI FOLK POWER LAWS ETC. PLUS IN WORK AND IN WORK AND WARS BEING BLED UNTIL DEAD FOR THEM** have weakened many of Our Folk's wills to survive and thrive and so they must be revived out of their suicidal sickness by eliminating our mind poisoners as ruthlessly as they do any sucker folk that swallow e.g. **THE PITILESS PSEUDO JEW KHAZAR CAPITALIST AND COMMUNIST COMRADE COMMISSARS'** WAILING WALL ANTI-RACISM BULL of contradictively (**For they have over many generations bled billions of us until dead as usury bred and fed leechy rulers that they fervently deny despite it being an obvious truth seen in their owning most of the world's top businesses, art works etc. which were leeches from their suckered folk on earth - not got from a god in heaven**) being a persecuted "God Chosen Race" that clearly makes their god a racist bigot So any betrayal of our military etc. dead and other undermining of our folk e.g., by favourably publishing our leechers' import of cheap labour (**As only in need will we let aliens be our advisers never Our Folk's supervisors or sports' etc. reps. for if we can't fight to win life's battles then we should be museum stuffed as a dodo folk**) will be tabu and if done will end the editors job as decided by 'OUR VOICE' etc. Elected Guardians for going against their party etc. founders' wishes to preserve Our Folk by winning back control of our economy and so military, political, cultural power to revive Our Folk's natural lust to strife to survive and thrive that is secured by being soul bonded in **Our Folk Patriotic Politic that is religiously spirited in Our Folk Church Schools AS OUR INSULATION AGAINST ISOLATION AND EXTERMINATION**

This is a FREE OPINION PAPER whose writers and editors are only legally responsible for their given views so if the above is to 'good doers' etc. a too raw sketch of the causes of Our Folk being led down Suicide Rd. and how to change it by burying Folk Traitor rulers (If not too late) to turn Our Folk from the edge of extinction then let aliens bury the fools who have Patriots hunted, jailed, tortured, killed for trying to warn Our Folk via e.g. "Our Voice" which as other Brit media is banned by Folk Traitors from libraries, shops, etc. that boast AntiBrit African, Asian, Jewish etc. media
