WE ARE AGAINST INJURING NON COMBATANTS
THE GLOBAL PARASITES AND FOLK FAMILY PRODUCERS ARE THE
BASIC RACES IN A FOREVER TOTAL WORLD WAR FOR PRIMACY

HELLO READER We are only responsible for our articles etc. others herein are for theirs responsible or like Jane's are in honour of them for being a Folk Patriot until their death. Whatever pedantics think about my grammar I hope you clearly grasp what I say about which you are free to payfully use Your Voice in "Our Voice" to write, if you stay in our Folk Family norms of decency and is not insulting of anyone e.g. intrusive on their private life which is not against the criminal law or their social stated morals, otherwise you get your money back from this pioneering paper, which as an open Folk Forum gives payers the means (By we being viably cheap with only entrants proved too poor to pay being dependent on the editor) to publicly say their opinions on anything in this paper's Economics; Country; Culture; Health; Home; Politics; Travel; Sport etc. sections **About** its section place, entrants must trust the Editors' layout decision. **The ethnic** media e.g. Asian Times; The (Caribbean) Gleaner; Jewish and Muslim Chronicles; The Voice (Headlined as being "Britains Best Black Paper") rightly support their kind, faiths etc. but under the Parasites' and Folk Traitors' vile propaganda media made hostile social climate (*That has cowed Our Folk to accept alien control of our economy and so military, political, cultural dictatorship of our country*) these papers, books etc. are in libraries and sold in shops while true **Folk Loyal British** ones are accused of racism etc. for supporting, as do the alien media, their folk and **banned** in Free Speech's name, to choke us to death against which "Our Voice" etc. will fight to the death. Wily Alien Racists call us racists to **exalt their race** and stop us from seeing nature has bred many races with richly diverse ethnics, cultures, giving Africans, Asians, Caucasians, Orientals a natural pride in their forebears and so defend their race, culture, land etc. as nature's raw law says: **Any specie unfit to live does into death flit.** So as all healthy races we defend ours but don't brazenly assume we are a superior **God Chosen Race** picked to rule the world, as do the megalomaniac phoney semite, pseudo jew, anti-goyite, paranoid Zionist bigots thru their repulsively offensive Elitist Racism.

FOREWORD

I hope this foreword tells why I wish my verse to be heard
In memory of millions of civvies and military who have died
And their beloved whose sorrowed souls for them bitterly cried
With silenced hate for the parasites' puppet politicians who lied
Having promised in war's throes our folk a "Land Fit For Heroes"
If their conscripted fought and died to defeat our rulers' foes
Maybe they meant that fools' haven which bible barkers call heaven
For now our rulers import alien hordes of cheap labour and shysters
To make our folk any rights of protest forgo against being made dodo
By being fooled to commit suicide by multi-mixed-race genetic genocide
Having their remains stuffed in museum jars labelled with their names
To be added to the list of those defamed in history's scrolls of shame
For our rulers culled most Folk Patriots in the slaughter of gory wars
Leaving mostly meek who for Folk Traitors and alien rulers humbly squeak
So I hope my verse will help rouse our folk to throw off the alien yoke
Therefore I dedicate my writings to all who do Folk Traitors hate
For their planned selling of our folk and land into alien hands
Whilst reviling Our Folk's nationalism with the name racism
And hounding them with laws aimed to destroy Folk Patriotism
Whose bearers prefer to die fighting to live free than be toadies
Cowed to bow to aliens by their parasite rulers state terrorism
About such is this booklet of FORGET-ME-NOT verse
Whose economic price I hope is within your purse
It begins with my revised 1976 "Expressions of an Activist"
Which verses end on page fourteen then I switch
To later titles in alphabetical align some with dated time
Others adhere about the noted year due to my unsettled state
Which in careless spates did not think to all my verse date
Maybe much of what my verse says does your grey cells flay
Because they put into question beliefs implanted by indoctrination
In schools etc. with truths that we are forbidden to even think need proofs
As a folk with critical grown knowledge would not timidly be kept hostages
In economic bondage as their usury etc. leechers' media stuffed sausages
Which is why many truth seeking eyes see them as vile lies
For the truth grows stronger if it can verify claims anybody denies
As propaganda ideas spread by Mammon's monopolised mind moulding medias
Which saturate the folk and state organs to their ruler's will dictate
Published by the creed of greed parasites who on fooled victims must feed
So they need to breed and foster a meek uncritical Simple Simon seed
That cheaply can be fed on peanut pay whilst being bled until dead
Easily misled to generally believe only what their rulers allow to be read
And conned by the mass media to work, fight and die for the ruling Money Mafia
A few Pseudo-Jew Indo-Turk Khazar Capitalist and Communist Comrade Commissars
Self sanctified as a "God Chosen People" to the world's religious folk bamboozle
By using emotive words that when heard do the souls of humanists disturb
As their claimed Holocaust whose bawled truth we are forbidden to sleuth
Before they remove all proofs that their truths are war propaganda spoofs
Or they shriek pogrom when a folk rise against their pitiless gangsterdom
Frantically fighting for freedom from being a cheap labour cannon fodder colony
And bred to be the greedy leechers bled slaves from the cradle to grave
In the Pseudo-Jew Indo-Turk Khazars' world wide webbed Imperium of Usury
Which we must bury in the trash of history so we can be free from slavery
So I hope you have the kind of mind that reads anything to the truth find
Instead of taking flight from criticism's searching light as do the socially blind
Fooled to live a lie believing they live in a democracy antheing e.g. God Save royalty
Groping thru life as the easy conned to work, fight and die for the wily parasites
Which is why by owning all the media any knowledge of their victims' verse they deny
Braced by their flunkey politicians, police, courts and Zion's other driven toadies
The little cogs that as their Capitalist bosses do in their shops "Marxism Today" flog
Propping up e.g. the Student Wets' Party to hector such a social psychological terror
As to make our alien and Folk Traitor yoked folk fear to in their streets walk and to talk
Against the usury dictators' ruthless rule that can only be broke by politically aware folk
Ignited to unite and fight to smite the parasites and set the torch of Folk Freedom alight
So ends my foreword to verse kept unheard by liars who live in fright of truth's light

CHARACTER, CULTURE AND COUNTRY EXTRACT FROM "STRANGERS IN TOWN" by Tom Stacey

The need of each man for his community or, at another level, for his nation, is intimately bound up with his self-view and his self-esteem. Hence the power of leaders to call on the sense of loyalty. Hence the influence of other members of that community who have excelled or achieved noble things. Hence the influence of the whole community's success or failure, present and past. And beneath all the more conscious ties of allegiance there does lie the community's role as the psychological bed, the trusted and familiar home, whose norms and styles and precepts are the household gods of each individual spirit.

This sense of security within the group or community with which the individual identifies itself has nothing to do with racial superiority or purity. It may have nothing to do with race at all. (For example, ever since the postwar resettlement families from London took up their abode in Crawley New Town, there has been resentment among the indigenous country-town folk of old Crawley.) What this sense of identity does have to do with is affinity: social affinity,. historical, stylistic, physiological, geographical, linguistic, religious - in which a certain racial or ethnic cohesion may play a part.

I would stress that this need for affinity is a *positive* force, not a negative one. Certainly the context of a "we" implies a "they". But among the bulk of mankind the sense of "we" exists essentially to nurture a happy, intuitive participating life. It is often generous, welcoming, embracing. Yet any community must have its limits and they cannot be so broad as to defy identification by its members.

When the individual's ability to identify himself with his community becomes flawed, deep unease will ensue. The spirit is no longer certain of its ultimate restingplace. Concepts that were once entirely and unthinkingly trustworthy - such as "we", "I", "ours" and "AS", "nation", "history", "heritage", "destiny", "character", "culture", "country", "British" (for instance) or "unBritish" and "un-English" - such concepts and innumerable others become opaque or retain their meaning only by conscious and often distorting emphasis.

All of us gain succour from our shared heroes, our victories and even our defeats, our inherited charactel'istics. The indigenous English share Drake, Wellington and Churchill; the defeat of the Armada, Waterloo and the Battle of Britain; Shakespeare, Dickens, Thomas Hardy. We share our sense of fair play, of humour, of law and government, of family and home - all the intimate and intuitive style of life. These are not things that can be bought off the peg, as it were. They are acquired imperceptibly and exercised instinctively: *Of course* they are exclusive; they belong to the blood somewhat jealously. Such attributes are and always have been a vital constituent of humankind's security everywhere.

INNOCENTS Your blood by fanatic terrorists shed Whose contempt for human life has bred Cowards with dark minds and slinky souls Who fear to fairly fight for their goals And directly smite their said enemies Wherever they be in offices or fortresses Or vital transit etc. centres of their economy Instead of wilfully attacking innocent folk Who are also suffering under the same yoke Of being slyly misled and bled until dead By the parasites whom all humanists must smite So the innocent can see the right of their fight And no longer parrot their rulers taught thoughts Such social changers must revolutionaries be In their fight to win the victory of democracy Not blind fanatics with mentally sick fantasies Who wilfully injure and kill innocent folk And thereby make them favour the parasites' yoke Saying that if we cannot catch and punish them Then some justice of vengeance will be ours when Their slinky souls burn in a purgatory Of having to live with the hellish memory Of being cowards who killed folk wilfully Instead as Freedom Fighters being their defenders Who always try to prevent injuring innocents

In Jane's Winter 1980 "CHOICE" THE MULTIRACIAL MADNESS

How can any honest judge or magistrate hand out impartial judgment in the present chaotic circumstances? Roy Bramwell, in his booklet "Justice be Damned", put it like this: ". . . I put forward the proposition that the function of the judge in today's circumstances is to adjudicate on the law as it exists in statutory form, and to sentence offenders. He can have no other function in contemporary Britain. Many matters are, of course, not covered by statutory law. My contention is that there is then no case. In a non-homogenous society there can be no law other than statutory law, which is one reason why I have always been a bitter opponent of massive immigration. The woof and weft, the fine threads of judgment that can only come from men who know each other by being as of one to another (by nourishment from a common custom - a shared race memory), have been cruelly destroyed by the introduction of unrecognisable species of different, even opposite, ethos. One's heart goes out to Judges like Lords Devlin and Reid, Professors such as James and Allen, in their determination to uphold the tradition of customs, case-made and judge-made law, but in the multiracial state those things. like so much else are just the dreams of the time when we were whole men on our own soil, our own land, in the knowledge that our fellow-citizens' ancestors made law with our own. . . Gone forever the day when a famous 19th century judge could say simply "the principle here is the clear one of right or wrong". This pre-supposes common ground, regardless of class, of an order which can only be that of a people, held together by the shared, hard experience of the centuries, the mutual unspoken agreements which have woven together their lives."

Tom Stacey also understands the real causes of the racial *impasse* confronting Britain today, and we reproduce (**see above**) part of an article this widely - travelled observer wrote several years ago. Let the Bishop of Bradford, making his Maiden speech in a House of Lords Debate on the proposed new immigration rules on 11th December 1979, have the last word: "**After seven years,**" he said, "**I believe that notwithstanding the efforts that we have made, we are in a greater state of explosive danger than we were.**" "How is our nation to stand and pull together, as it is frequently invited to do,

FOLK FORUM for letters and articles fostering United Folk Patriotism's Strength for **UNITED WE WILL LIVE AND DIVIDED WE WILL DIE** and it's urgent to help stop Our Folk being in a few years dodoed into oblivion by alien loyal democidic ethnic extincers driving us to commit Folk Suicide by multi mixed race genetic genocide to be cheap labour and cannon fodder in our country now a colony in the paranoid megalomaniac Self Sanctified "God Chosen Race" Pseudo Jew Indo-Turk Khazar Capitalist and Communist Comrade Commissars' World Webbed Imperium of Usury helped by their bought and viler flunky Folk Traitors who our forebears would have rightly shot and cast out their invited invaders for Folk Traitors are life's worst scum, foulest of foes and most heinous of racists for they gladly betray their kin and Folk Family to be sapped then bloodily annihilated in favour of a ruthless alien race of parasite dictators who live by bleeding till dead the producers for the fruits of their work thru ruling over their mass medias' penned sheepish flock of toady collaborators whose cowardly way of trying to please our insatiable leechers is causing Our Folk's oblivion that we can only end by being a Folk Faithful unity of devoted activists with the wits and guts to when able with all non self destructive means take control of our economy to get the military, political, cultural power without waiting for a messianic leader to win the majority of our kinfolk's hailing of Our Loyal Folk's Victory to survive and thrive forever freed from this class caste flunkey ranked slavery for we prefer to fight to make the parasites commit their own suicidal Final Solution by we economically etc. helping fellow producers to win the inevitable Decisive Conflicts to live and die worthily freed from slavery in a Grimm's mass media mind muddled and Pied Piper led into Carrolls' Wonderland believing our leechers lies as in Andersen's "The Emperors New Clothes" while existing on an Orwellian "Animal Farm" as unequally equal guinea pigs in a scientific social psychology run lab, propagandised to think we live in a democracy antheing "God Save Royalty" having been Big Boss carrot and stick driven to exist on booze, porn and balls to be cattleised, lovelessly lab bred, cloned, biocomputerised peanut paid en-gene-ered robotic slaves vacuously serving a leechy tribe of elitist parasites as their conned toady idiots used to gain their world power aims as a self haloed God Chosen Race and Churchill's ("Popular Science" June1925)? writ wish that maybe made Huxley novel it in his "Brave New World" which is evolving rapidly

OUR CAUSE Like other parties in history we the **Patriotic People's Power Party (P PPP)** were born to fight for Our Folk's desire to survive and thrive by destroying the evil threatening to exterminate us against which we shall use our media etc. to foster as our name betokens Folk Loyal Nationalism i.e. Folk Family Unity or Folk Fascism which name the puppets of Zionism (**Parasitism, Racism and Imperialism's peak**) can call we giving us no shame for it is one of the **few** names that **embodies an anti parasite politic that the leechers express fear of** as most others e.g. Conservative, SWP, Labour, Communist are just our leechers' loving carrot and stick parties whom as their money masters' voices howl against Fascism in their phony democracy's name ironically snorting against our urged Populism i.e. *Sober Majority Folk Willled Rule (The only real democracy)* that they attack thru their medias' daily lies against us now backfiring on them to give us good free publicity that is winning over their disaffected who less vote for the cosmopolite parasites' puppets and are rightly turning to us saying *As you Fascists are our parasites' most feared foes then you must be we producers best friends who say we must bury our leechers to the reign over our made wealth gain.* This Folk Positive Propagation trend is making our Folk Traitor rulers tear out their hair in despair for in their haste to bury Our Folk Identity that unifies us in our fight against being suicidally genetic genocidally etc. bred into multi mixed race cheap labour they make draconic laws against us and abusively call our Folk Patriotic Civil Servants, Military, Police "**Institutionalised Racists**" for as Europeans having, like all true Orientals, Africans, Asians etc. healthy natural species of life an instinctive self preservation **Natural Patriotism** to serve and preserve their Caucasian kith and kin for which cause the P PPP exist aware that we will be ruthlessly opposed by our treacherous foes who like we must fight (**As nature only accepts those having the strength to exist**) to decide whom will rule in our land the Parasites as Our Folk's exterminators or we Producers as Our Folk's propagators **So Parasites, Folk Traitors, Toady Collaborators** heed this warning: **The Souls of Folk Patriots** you hunt, tor- ture and murder expect their kinfolk to avenge them as they would them in **this holiest of wars you started for Our Folk to be or not to be** **LIVING AS A FREE FOLK ETERNALLY**

OUR AIMS The survival of our lands' genetic, history, cultural, geo united Folk needs the undivisive strength of an ethnic (W)elsh(I)rish(S)cots(E)nglish run and owned **Republican Confederal Britain** with a united outer military, economic, political, cultural defence based on the max inner unity of **Competitive Producers'** anti usury/pollution run cooptivist industries; **Humane** social welfare; **Co-ordinated** laws for Our Folk's best (*Or we can be divided and conquered*) to reduce crime etc. For which the Irish need to unite before cosy chaired 'Good Doers' and FolkTraitors (Who even can their kin by claiming to be Folk loyal Socialists whom they stab in the back by greeting more Capitalist leechy aliens in,) make the Irish **bury themselves - As duped Brits in other parts of Britain are doing - unless the leechers are rooted or as needed booted out** by our retrieving the wealth they robbed from Our Folk to pay their transport home. "**Nazis** steal our hard earned wealth" We hear the sly leeches wail. **That the pitiless robbers gloatingly bled out of their bled till dead pauperised producers.** Ref: The EU etc. We are for a world money but not one worthed by leechy Soro speculators who bleed countries into being their colonies and, **as if sheep,** fleece the producers of their work's worthed money, so we urge Our Folk to **KEEP** and **DO AS THEY LIKE** with **THEIR WORK'S MADE MONEY**

OUR VOICE As a media of the P PPP = PATRIOTIC PEOPLES POWER PARTY so you can help us be viable TO VOICE OUR FOLK'S WILL we ask Folk Loyal organisations and persons to buy their legally responsible say and so add YOUR VOICES to make "OUR VOICE" heard on most anything (*With a truly named etc. SAE to be kept secret and only published as you say and per word and number pay for*) in notice, articles, letters etc. that will stay the author's copyright outside their use by "OUR VOICE" and its affiliated. **Verified Paid** ads got after 1 week before our publication will most likely have to wait for the next publication. **Ads discounts** = 15% between 5 to 25; 25% to 50; 35% for any over 50 issues of "OUR VOICE" whose public sale price + **add any post** cost is 50p; a 12 issue subscription £10; **Bulk buying** discounts = as the above Ads. **Half of early** returned issues will be refunded **Overseas Buyers and Advertisers** need only add the air or sea postage costs to the above stated prices and pay us in British money by Travellers' Cheque < **This c. sized 187 words** at our VAT incl. price of 25p per word/number (*c.75% less than other papers*) would cost **£46** + £2.pw for a BOX NR. to be paid only by **cheque** or **PO** (Cartoons, pictures, styled adverts etc. will be at consulted prices) At postage cost all pw mail can be posted to the advertiser

Any articles sent (We may publish anonymous ones **the senders hereby knowing they will lose their payments** if we do not publish them) will only be published by "OUR VOICE" or its affiliates if their editors think them within their mores and acceptable to their FOLK LOYAL readers who as we accept that life is the strife to survive and thrive even among the human race made of history's evolved life enriching many varied cultures, tongues, races, ethnics that to feed etc. their growing folk numbers are territorially etc. expansive so we must each be co-operatively protective of own survival and maybe our evolved continuity in a confederal world order thru a peaceful merger of economies, tongues, cultures etc. for which reasons we will resist any favouring of life's most ruthless predators i.e. **Parasites and Folk Traitors** who for self profit spread their **folk debase and erase** perversities resulting in the deadly **AIDS** whose sodomic carriers are kept alive to more spread love's death and fairly dance on the streets demanding (**From our parasite yoked folk who dare not against them talk**) more Human Rights to murder Humanity plus we have **MAD COW DISEASE** ETC. (Factualising the old saying: "**WHOMEVER THE GODS' WISH TO DESTROY THEY FIRST MAKE MAD**") and the agitating of the world's races etc. against each other to divide and conquer us and make us peanut paid multi mixed race cheap labour and cannon fodder slaves serving a leechy anti social welfare usury bred and fed self sanctified "**GOD CHOSEN RACE**" of **PSEUDO JEW KHAZARS** whose **DEMOCIDIC PROPAGANDA AND DRACONIC ANTI FOLK POWER LAWS ETC. PLUS IN WORK AND IN WORK AND WARS BEING BLED UNTIL DEAD FOR THEM** have weakened many of Our Folk's wills to survive and thrive and so they must be revived out of their suicidal sickness by eliminating our mind poisoners as ruthlessly as they do any sucker folk that swallow e.g. **THE PITILESS PSEUDO JEW KHAZAR CAPITALIST AND COMMUNIST COMRADE COMMISSARS'** WAILING WALL ANTI-RACISM BULL of contradictively (*For they have over many generations bled billions of us until dead as usury bred and fed leechy rulers that they fervently deny despite it being an obvious truth seen in their owning most of the world's top businesses, art works etc. which were leeches from their suckered folk on earth - not got from a god in heaven*) being a persecuted "**God Chosen Race**" that clearly makes their god a racist bigot So any betrayal of our military etc. dead and other undermining of our folk e.g., by favourably publishing our leechers' import of cheap labour (**As only in need will we let aliens be our advisers never Our Folk's supervisors or sports' etc. reps. for if we can't fight to win life's battles then we should be museum stuffed as a dodo folk**) will be tabu and if done will end the editors job as decided by "OUR VOICE" etc. Elected Guardians for going against their party etc. founders' wishes to preserve Our Folk by winning back control of our economy and so military, political, cultural power to revive Our Folk's natural lust to strife to survive and thrive that is secured by being soul bonded in **Our Folk Patriotic Politic that is religiously spirited in Our Folk Church Schools** **AS OUR INSULATION AGAINST ISOLATION AND EXTERMINATION**

This is a FREE OPINION PAPER whose writers and editors are only legally responsible for their given views so if the above is to 'good doers' etc. a too raw sketch of the causes of Our Folk being led down Suicide Rd. and how to change it by burying Folk Traitor rulers (If not too late) to turn Our Folk from the edge of extinction then let aliens bury the fools who have Patriots hunted, jailed, tortured, killed for trying to warn Our Folk via e.g. "Our Voice" which as other Brit media is banned by Folk Traitors from libraries, shops, etc. that boast AntiBrit African, Asian, Jewish etc. media
