HELLO READER We are only responsible for our articles etc. others herein are for theirs responsible or like Jane's are in honour of them for being a Folk Patriot until their death. Whatever pedantics think about my grammar I hope you clearly grasp what I say about which you are free to payfully use Your Voice in "Our Voice" to write, if you stay in our Folk Family norms of decency and is not insulting of anyone e.g. intrusive on their private life which is not against the criminal law or their social stated morals, otherwise you get your money back from this pioneering paper, which as an open Folk Forum gives payers the means ( By we being viably cheap with only entrants proved too poor to pay being dependent on the editor ) to publicly say their opinions on anything in this paper's Economics; Country; Culture; Health; Home; Politics; Travel; Sport etc. sections About its section place, entrants must trust the Editors' layout decision. The ethnic media e.g. Asian Times; The (Caribbean) Gleaner; Jewish and Muslim Chronicles; The Voice

(Headlined as being "Britains Best Black Paper") rightly support their kind, faiths etc. but under the Parasites' and Folk Traitors' vile propaganda media made hostile social climate ( That has cowed Our Folk to accept alien control of our economy and so military, political, cultural dictatorship of our country ) these papers, books etc. are in libraries and sold in shops while true Folk Loyal British ones are accused of racism etc. for supporting. as do the alien media, their folk and banned in Free Speech's name, to choke us to death against which "Our Voice" etc. will fight to the death. Wily Alien Racists call us racists to exalt their race and stop us from seeing nature has bred many races with richly diverse ethnics, cultures, giving Africans, Asians, Caucasians, Orientals a natural pride in their forebears and so defend their race, culture, land etc. as nature's raw law says: **Any specie unfit to live does into death flit.** So as all healthy races we defend ours but don't brazenly assume we are a superior God Chosen Race picked to rule the world, as do the megalomaniac phoney semite, pseudo jew, anti-goyite, paranoid Zionist bigots thru their repulsively offensive Elitist Racism.

**Jane's April 1978 "CHOICE" DID YOU KNOW THAT ? . . .**

There is no limit to the number of wives a man nay claim supplementary benefits for — if they all live in the same household, MPs were told by Stanley Jrme, Social Security Minister in a written Parliamentary answer on 8th February, 1978. Mr. Orme added, however, that this was the case in theory only. In practice inquiries suggested that very few such claims are made — and no payments are known to have been made to a man in respect of more than *two* wives. (What are we all waiting for?) New guidance for prospective immigrants will soon be issued telling them how difficult it is to find a home in large cities, Home Secretary Merlyn Rees aid in a Commons written reply on 17th February, 1978. (He can say that again!) An increasing number of racial attacks against Asians are taking place in the East End of London, despite special police measures aimed at preventing them. An adding machine boss asked girls who came to him for a job: "What is 8% of £100?" The question stumped a string of about 15 girls, mostly coloured, *who* could not work out the answer. He told a careers office who had sent the young coloured girls along for an interview: "Surely there must be some of our own girls who are unemployed." But this got him into trouble because two of the girls accused him of racial discrimination and claimed compensation under the Race Act. A Leeds industrial tribunal, however, acquitted him of refusing to employ the girls because they are coloured. After protests from the public the Government stopped all further Job Creation subsidies to the Indian terrorist group Amand Marg, known for its practice *of* ritual murder, but not before £60,000 of taxpayers' money had already been spent on a Liverpool job creation project. The William Byrd Primary School at Harlington (Middlesex) was closed on 24th January 1978 when it was confirmed that two of its pupils had typhoid fever. The boys, who are brothers, were believed to have caught the disease on a Christmas holiday to India. A spokesman for Hillingdon Council said the risk of infection to the school's 360 pupils was minimal. Once again the Government has begun talks with Pakistan about giving aid for a number of projects, including supplying merchant ships, Mrs. Judith Hart, Overseas Development Minister, said in a written Commons reply on 21st February, 1978. We gave £18 million in aid to Pakistan in 1976/7 and £12.8 million in the first nine months of the current financial year, she said. On 18th January last the morning radio news bulletin announced that Britain was to give £20 million to Jamaica. A race relations housing adviser is to be appointed at ( Year 1978 ) £6,790 a year by Lewisham Council.

the traitor moves amongst those within the gates freely. His sly whispers rustling thru all the alleys of the city Words of stealth even heard in the halls of government itself For the traitor does not appear to be a conspiring traitor As his accents are familiar to his victims who trust him He wears their faces and garments and pretends their graces Whilst appealing to the baseness deep in the hearts of all men He rots the nation's soul as he works unknown and secretly Night and day plotting to undermine the pillars of a city He infects the body politic so that it can no longer resist A murderer is less to be feared than a traitor in our midst" So you said long ago to try to warn us of traitors Wise Cicero But when told of traitors few care and most scoffingly stare Forcing us to go into a bloody future of inter ethnic conflict Due to aliens being welcomed to take our land by traitor edicts So for Our Folk to live we must traitors try and invaders evict For now Our Folk cannot for their freedom publicly say or pray As they will be accused of racism by traitors and locked away So Cicero to fight and smite the enemy is Our Folks only way Or by aliens welcomed across our shores by vile Folk Traitors We shall be kept as the leechers bled until dead slaves evermore Fearing to say our thoughts imprisoned behind our grim cell doors That no democrat can be expected to tolerate and will feel just hate Preferring to exterminate traitors than to meekly suffer such a fate So whilst we are alive Cicero thank you for trying to let us know And giving just reason why folk who want to be free Must kill the vile sources of treason So Bye Bye Cicero

**Serialized extracts from the ( 1992 ) PPPP's manifesto book: The Justicians' Millenia 2000 A.D.+ ( ISBN 09529719 )**

**Patriotic People's Power Party members - in alliance with any like Democratic Folk Fascist "Folk Freedom First" partys** - aim to get and keep a maximum possible auto-dynamic Folk Loyal society of freely expressive, socially assertive, genetically selective breeders of brain, brawn and beauty social self-interest motivated producers, having social equality and relative to production economic equality. Our meaning of a producer being any who, if physically capable, lives by the fruits of their own work which benefits life, aiming for a happy life thru the riddance of parasites or other vile Folk Offenders. A producer can be an employee; employer; artisan; tradesman; or of the professions, police; military; a civil social servant; sportsperson; etc.. Being social realists, we accept that humans have various productive abilities, which with hard work, talents, intelligence, conditions and luck, some will become best in their jobs and we will adopt them as leaders whose merits have earned our respect, but we will never let them be our unremovable dictators, in our real Folk Democracy of complex economic, political, cultural activities, that must exist for the maximum creation and production of products and services, to give a society of free producers their richly varied needs and desires. As producers are on average equally productive, we will not let any parasites exploit us, to rob from us the fruits of our work. So, to prevent us being by leechers bred and bled until dead, without being dogmatic idealists, who choke the creative dynamic of real producers with an army of bureaucrats, we must have an economic system of employee-employer-state co-operation with the clean auto-dynamic of true sport, which gives all an interest in bettering the quality and quantity of production to better their standard of living whilst caring for the disadvantaged, by giving our sick, aged, orphaned children etc. the available maximum of human needs and means to help them creatively get the joy of self made fulfilment, as a social right and not a misers' crumb charity. This humanitarian dynamised productivity can only be created by satisfying the capital co-optive social partnership of employees, employers, state, thru them having the common interest of being rewarded relative to their production. The percentage of production the state earns, from its industries and services etc., will be its main source of income, thereby removing from the producers' backs the yoke of parasitical government employed tax collectors, snoopers, and those most lousiest creatures, the Parasite's Puppet M.P's, and other vile Folk Traitors, used for centuries to rob the folk of their created wealth, to let the money-lenders live on their usury's claimed pounds of flesh and the blood they have bled from countless millions in their imperialist wars. This Folk Fascist economic policy will keep in the hands of the producers the needed economic power to truly be political, cultural and socially equal individuals, proudly loyal to their unifying Folk Identity, that secures their Folk Freedom to joyfully reflect their created varied personalities, by reaping the wealth of their own productivity. Thus, making it affordable for the producers to home themselves in their designed houses of social approved safety standards etc. in gardened estates; instead of being reared by the parasites' mass media etc., as mentally moulded, biocomputerised submissive zombies, existing in grim, rubbish strewn, barracked slum ghettos, having the downtrodden's hopelessly crushed and defeated bearing and long suffering looks, as many of Our Folk do under the usurers' politic made yoke of tax soak and protest choke, compared to some of our world's worse fed folk who exist in cesspool slums but, as yet, have not had their natural free, bawdy, joyful spirit of personal dignity broken by the ruthless parasites, as with inbred free spirits, folk pride and hope they togetherly sing their songs and dance their dances - **as natural loving men and women who do not try to be of the opposite sex** - that put some colour and joy into their lives, whilst they bravely fight any parasites to their life's last breath. So, always recall these laws: Life is the strife for the economic means to survive and thrive. Therefore parasites can only live and be rich, by pitilessly keeping their producers stupid, divided, cowed and thereby bled until dead poor. So producers must unitedly fight to smite the parasites, to be free from existing as slum ghetto bred mites. As only they who free themselves are truly free, for their freedom does not rely on a giver's dictates. So boldly defy the parasites or as their rightly scorned shite die.

**FOLK CONSTITUTION**

**Like nature that has evolved the human brain with inbred ground principles and means, for its body's protection and guidance**, so does a democratic society need, as a foundation for its continuity of life, a clearly written Folk Constitution of unalterable, unadditional, unannulable, unamendable ground laws to protect each generation from its forebears' possible mistakes or sly subversive parasites intent on their dictatorship, by craftily reversing the meanings of the Folk Constitution meant to forever, if fulfilled, secure Our Folk's abiding freedom on the solid ground laws of their Folk Constitution, written in the blood of their doughty Folk Fascist Freedom Fighters, whose memory must be forever honoured, *as they trustingly voted with Their Lives for Their Folk to survive and thrive*, so whoever betrays them must be treated as a murderer. For, whatever the future brings, it is the first duty of any folk to be true to their Freedom's Founders and thereby true unto themselves, by never brooking any invalidation of this, their freedom's Folk Constitution as written in the following articles and sworn to be kept with this Folk Oath: By our Folk's Constitution, to my Homeland's Folk I do swear to defend until death, by all doable ways and means necessary, our Folk Constitution's just laws and to do my Folk Loyal duty of serving Our Folk's democratically willed wishes, interests, welfare, safety etc., and if a peace sobered Folk Court's jury fairly judge me to be a Folk Traitor, I shall accept the punishment that I must suffer if the Folk Court's given sentence agrees with the Folk Jury's said degree of my Folk Treachery, for I trust Our Folk will be always just and will eventually punish any who judge me unjustly or are unjust to others.

"**Nazis steal our hard earned wealth**" We hear the sly leeches wail. **That the pitiless robbers gloatingly bled out of their bled till dead pauperised producers.** Ref: **The EU etc.** We are for a world money but not one worthed by leechy Soro speculators who bleed countries into being their colonies and, **as if sheep,** fleece the producers of their work's worthed money, so we urge Our Folk to **KEEP and DO AS THEY LIKE** with **THEIR WORK'S MADE MONEY**

**OUR VOICE** As a media of the PPPP = PATRIOTIC PEOPLES POWER PARTY so you can help us be viable TO VOICE OUR FOLK'S WILL we ask Folk Loyal organisations and persons to buy their legally responsible say and so add YOUR VOICES to make "OUR VOICE" heard on most anything (*With a truly named etc. SAE to be kept secret and only published as you say and per word and number pay for*) in notice, articles, letters etc. that will stay the author's copyright outside their use by "OUR VOICE" and its affiliated. **Verified Paid** ads got after 1 week before our publication will most likely have to wait for the next publication. **Ads discounts** = 15% between 5 to 25; 25% to 50; 35% for any over 50 issues of "OUR VOICE" whose public sale price + **add any post cost** is 50p; a 12 issue subscription £10; **Bulk buying** discounts = as the above Ads. **Half of early** returned issues will be refunded **Overseas Buyers and Advertisers** need only add the air or sea postage costs to the above stated prices and pay us in British money by Travellers' Cheque < **This c. sized 187 words** at our VAT incl. price of 25p per word/number (*c. 75% less than other papers*) would cost **£46** + £2.pw for a BOX NR. to be paid only by **cheque or PO** (*Cartoons, pictures, styled adverts etc. will be at consulted prices*) At postage cost all pw mail can be posted to the advertiser

**Any articles sent** ( We may publish anonymous ones **the senders hereby knowing they will lose their payments** if we do not publish them ) will only be published by "OUR VOICE" or its affiliates if their editors think them within their mores and acceptable to their FOLK LOYAL readers who as we accept that life is the strife to survive and thrive even among the human race made of history's evolved life enriching many varied cultures, tongues, races, ethnics that to feed etc. their growing folk numbers are territorially etc. expansive so we must each be co-operatively protective of own survival and maybe our evolved continuity in a confederal world order thru a peaceful merger of economies, tongues, cultures etc. for which reasons we will resist any favouring of life's most ruthless predators i.e. **Parasites and Folk Traitors** who for self profit spread their **folk debase and erase** perversities resulting in the deadly **AIDS** whose sodomic carriers are kept alive to more spread love's death and fairly dance on the streets demanding (**From our parasite yoked folk who dare not against them talk**) more Human Rights to murder Humanity plus we have **MAD COW DISEASE** ETC. ( Factualising the old saying: "**WHOMEVER THE GODS' WISH TO DESTROY THEY FIRST MAKE MAD**" ) and the agitating of the world's races etc. against each other to divide and conquer us and make us peanut paid multi mixed race cheap labour and cannon fodder slaves serving a leechy anti social welfare usury bred and fed self sanctified "**GOD CHOSEN RACE**" of **PSEUDO JEW KHAZARS** whose **DEMOCIDIC PROPAGANDA AND DRACONIC ANTI FOLK POWER LAWS ETC. PLUS IN WORK AND IN WORK AND WARS BEING BLED UNTIL DEAD FOR THEM** have weakened many of Our Folk's wills to survive and thrive and so they must be revived out of their suicidal sickness by eliminating our mind poisoners as ruthlessly as they do any sucker folk that swallow e.g. **THE PITILESS PSEUDO JEW KHAZAR CAPITALIST AND COMMUNIST COMRADE COMMISSARS'** WAILING WALL ANTI-RACISM BULL of contradictively (*For they have over many generations bled billions of us until dead as usury bred and fed leechy rulers that they fervently deny despite it being an obvious truth seen in their owning most of the world's top businesses, art works etc. which were leechd from their suckered folk on earth - not got from a god in heaven*) being a persecuted "**God Chosen Race**" that clearly makes their god a racist bigot So any betrayal of our military etc. dead and other undermining of our folk e.g. by favourably publishing our leechers' import of cheap labour (**As only in need will we let aliens be our advisers never Our Folk's supervisors or sports' etc. reps. for if we can't fight to win life's battles then we should be museum stuffed as a dodo folk**) will be tabu and if done will end the editors job as decided by "OUR VOICE" etc. Elected Guardians for going against their party etc. founders' wishes to preserve Our Folk by winning back control of our economy and so military, political, cultural power to revive Our Folk's natural lust to strife to survive and thrive that is secured by being soul bonded in **Our Folk Patriotic Politic that is religiously spirited in Our Folk Church Schools** **AS OUR INSULATION AGAINST ISOLATION AND EXTERMINATION**

*This is a FREE OPINION PAPER whose writers and editors are only legally responsible for their given views so if the above is to 'good doers' etc. a too raw sketch of the causes of Our Folk being led down Suicide Rd. and how to change it by burying Folk Traitor rulers (If not too late) to turn Our Folk from the edge of extinction then let aliens bury the fools who have Patriots hunted, jailed, tortured, killed for trying to warn Our Folk via e.g. "Our Voice" which as other Brit media is banned by Folk Traitors from libraries, shops, etc. that boast **AntiBrit** African, Asian, Jewish etc. media*
