#### **JANE'S 7TH SUMMER EDITION 'CHOICE' Britain's National Identity in New Danger**

House of Commons, London, SW1A 0AA **Dear Mrs. Brown,** I have received your further letter. I did not mention  
polygamous wives because I have had no evidence that this is a problem. When I questioned the British Immigration  
Authorities in Delhi, Bombay and Decca last August they could not give me any cases, nor can the Home Office. If  
you have firm evidence I shall be pleased to receive it. I have noted your other views. Yours faithfully, Keith Speed  
Keith Speed Esq., M.P., House of Commons, London, SW1A 0AA. 20/2/79

**Dear Sir, in reply to your letter of the 12th inst)** I can well imagine that the Home Office was unable to give  
you any particulars of polygamous marriages in this country as, foolishly, they do not appear to keep any record of  
such matters and have no idea whatsoever of the number of coloured immigrants already settled here and producing  
more children than the indigenous population. Mr David Lane is still using the absurd figure of under 2 million for the  
immigrant population, although last year Mr. Dudley Smith, vice-Chairman of the Commons Select Commission on  
Race Relations, said it was 3.5 million. Whatever use are such unreliable statistics? From the evidence of my own  
eyes, I would put the figure as much higher. Obviously Mrs. Thatcher had a reason for saying it might be necessary  
to think again about fiances and polygamous wives. **I am surprised you have not seen** references to polygamous  
marriages in the Press. I enclose two such cuttings. As far back as the Ugandan influx into this country it was reported  
in the Press that one immigrant with two wives and thirteen children was sitting on his backside in a reception camp  
waiting for two houses within easy reach of each other to be provided for him. What inept politicians we have to  
allow British taxpayers to be duped for so many years! No doubt a lot of such politicians hope they will be dead and  
gone before the real trouble starts. It is a pity they do not have to live among the sort of people — sometimes illiterate  
peasants with poor standards of hygiene — they have forced their fellow countrymen in working class districts to live  
amongst against their will! I enclose a copy of a letter I received from the Home Office which complacently admits  
to polygamy being permissible in Britain. As you know, an Englishman with more than one wife would be charged  
with, bigamy. Why should immigrants be treated more favourably? **I also enclose an account of Mr. Hawley's**  
report on immigration abuse and that of the Commons Select Committee on Race Relations. It cannot be a coincidence  
that, both reports specifically mention the fact of second and third wives getting into Britain as dependants.

**I am glad to know** that the Conservative Party will stop male fiances and husbands coining into this country, which  
privilege has already been so flagrantly abused, but unfortunately far too many Asians have gained admission here  
by this ruse and we are stuck with them. **I must say I was highly amused** to read your statement that most  
immigrants know that "one does not get something for nothing." This is precisely what happens here when uninvited,  
sometimes penniless, immigrants walk into Britain and immediately draw on all the benefits of the Welfare State  
before having contributed one penny towards the cost. No wonder resentment is growing among English people!  
How can you make such a statement? **I think the Welfare State** is at the root of our troubles and that without it we  
would not have an immigration problem. It is plain to be seen that most coloured immigrants come here to reap the  
benefits of our Welfare State, so dearly paid for by the indigenous population. There is not another country in the  
world which lavishes Welfare benefits on immigrants immediately they step foot in the country. No wonder our  
economic position is in such dire straits! I could not find any reference in your speech to the indigenous population,  
whose lives have been disrupted by this massive unwanted coloured invasion, and think it is about time that the  
Conservative Party paid a little more attention to their welfare. **I think it is outrageous** that foreigners should gain  
entrance into Britain, and all the good things which go with it, by means of polygamous marriages and am very  
surprised and disappointed that you as the Tory spokesman on immigration do not think it necessary to make a  
thorough investigation about this scandalous state of affairs. Yours faithfully, E.M. Brown (Mrs.)

POLITICS

**This meekness to parasites has partly come by the, at first progressive, leaders of the Trade Unions** having become Folk Traitors who rabidly endorse the Capitalists' genetic genocidal policy of mass importing cheap labour and shysters, which uproots the basis of Socialism in whose name they defend their betrayal of the union members, by hounding and expelling Folk Worker loyal activists whom they, as apers of their Chosen Race money masters, call racists etc.. An example {if needed} of the corruption and Folk Treachery of the Trade Union and Labour Party etc. { **Born by martyrs fighting their folk's robber rulers whom they now blaringly, toadily echo.** } leaders is the Seamans' Union, which secretly took millions of pounds in bribes from the Shipping Federation, to impose their employment of Lascars etc. to work for a mite of the British seamen's pay, causing the unemployment of British seamen and death of the British Merchant Navy. As they are doing to the British ship of state, luring off the native crew for a cheaper alien one. Thus serving the usury leechers, whose lives depend on fulfilling the basic law of Capitalism, which is to invest in the cheapest labour to get the max profit from their suckered servile workers, who, as yet, have not birthed a true National Liberation movement as they have had their Folk Identity constantly belittled and quashed by utopist Socialists etc., { **Most wither into Lily Liberals, New Labourites or Crabby Conservatives** } most are student children of the middle class, whose Student Wet's idea of being Socialist Workers is to be scruffy, lewd **and kill democracy in its name**, by kicking to hell anyone not agreeing to be as they are, the Capitalist Scrooges, mass media mind moulded, crap cultured stooges who are used as pawns to turn the workers against their true liberators, the Folk Fascists, whom parasites, as judged by their constant howls, most of all fear.

**Due to the sly cosmopolite parasites and the viler Folk Traitor collaborators' dictatorship, Britain has become a concentraton camp colony ( Now in 2012 an Electronic Gulag ) of cheap labour**, who are free to flee but lack the money, in the Pseudo-Jew Khazars Imperium of Usury, and we mostly Anglo/Celt historical rooted natives are being forced { **As Britain's rulers have done to many folk as the Fijians, who admirably have the guts to fight against their extinction** } into genetic genocide by our alien loyal rulers' mass importing alien settlers and forcibly promoting them to be Our Folk's teachers, newscasters, shopkeepers, doctors, police, military etc. under the guise of being multi cultural humanists as they try to ruthlessly hound us out of existence in the name of racism, that the fast growing alien racists and their more vile Folk Traitor collaborators defamingly call native Folk Patriotism, and if we continue to bow to being "Sold down the river." as is our rulers hate meant fate for us, then we can only blame our stupid, gutless selves for being pickled and exhibited in museum jars with other weakened and made extinct folk species e.g. Arawaks and Tasmanians. **So, we who want to keep our folk alive, must get off our arses and in unity fight for our Human Right to exist free from being made extinct by parasites, whom we will need to make extinct to preserve our breed.** To do this, we must grasp that the first drive of life is to have food to breed upon and territory to live on, which is why most aliens come here to oust us from our forebears' fought for and wrought Folkhomeland, not to higher our living standard but to lower it to better theirs and put their way of life over ours. All healthy species of life have lusty natural instincts of self survival, making them wary of other predators who try to lure their prey into thinking they are safe, as also happens between us species of humanity, e.g. aliens come to our land wailing of tyranny in their land and flatteringly appeal to our goodwill to let them stay; then they unify to demand housing and work priorities and seize the economy { **Helped by their Folk Traitor friends** } from which firm foothold they accuse their host-folk of racism and demand like rights to run the land, speak and teach their mother tongues, religions, cultures and enact their laws, around which they territorially polarise and, as the ethnically different money migrants grow in numbers, they turn the natives into their mercenaries and toadys. The natives are then rightly made an extinct species, as they did not have the wits and guts to stay alive and keep their forebears' fought for and wrought territory. With their growing suppression of the natives the alien ethnics, who were ostensibly united in their defensive offensive war against the natives, increasingly divide in defence of their own kithkin and cultures as each ethnic tribe tries to expand into other ethnics' settled areas. Thus they cause horrendous blood baths; such being the historically verified results of any parasites' enforced multi-ethnic-cultural society that is naively favoured by well meaning utopists, who cause the slaughter of their own folk and thereby add to the huge catalogue of horrendous War Crimes { **e.g. The 150.000 Dresdenians fire-storm choked and burnt to death and the 250 thousand civilians vapourised in a second in Hiroshima and Nagasaki.** } committed by the yet unpunished parasites and their stooges, who hypocritically thanked their, so called, God of Love for their hate filled hideous bombs; for which crimes they should be tried and revengeful justice applied to please the souls of their imprisoned, tortured and murdered and all those horrifically butchered in Zion's profiting wars, and their paupered producers who have or are being bled until dead. As such sadistically vindictive, unforgiving criminals, **the biggest, brazenest, vilest liars that nature ever did sire**, must never again fool us to forgive them, so they may live to again yoke and pitilessly murder our folk, about which they hyenally joke.

Big Bosses Calling having the gall to claim that they are impartial Coming out of an alien face which denies any Folk Loyal Briton air space To question the authorities' treachery of imposing a multi mixed race policy Without and against the will of the Folk majority Whilst spreading Zion's propaganda as holy truths Calling t anybody racist if they do not naively accept what they say without verifiable proof E.g. Holocaust allegations that we are forbidden to question After the war victors sat in judgement of their own case to all objective justice erase Using retroactive made ( ex post facto ) laws as their claws Backed by giving credence to hearsay and to extracted by torture evidence Most often given and got by sadistic interrogators loyal to Zion And even now their accused nation is all fair hearing refused Which is another abolition of a founding stone of civilisation That justice must have the right to question any accusation To stop anyone being subjected to the blight of an inquisition Wherein hearsay wildly holds sway O'er the hysterics made lynch laws of the day Which abuse of justice only liars approve For they fear

the truth that welcomes authentic proof And so foster the tongs of political correctness Whose prongs deny Our Human Right to possibly be wrong And by Troy Horse ploys welcome in foes to a folk and their faiths destroy Being pickled in museum jars by a few Pseudo-Jew Khazars Against which fate loyal W.I.S.E. Folk must rise To make any Folk Traitor scum pay treachery's price Which should make Hell seem a Paradise Such soul bitterness Folk Patriots feel Against the slimy Folk Traitor eels Who betray their ancestry and posterity And the millions of slaughtered soldiery Who wrought and fought for Our Land Not to have Our Folk yoked under alien hands That knead and weal Our Folk to alien Chosen Racists kneel A chutzpah self sanctified Khazar Pseudo-Jew tribe Who have the gall to us Folk Loyal nationalists call racists After claiming a divine gave them the right to as a nation occupy Palestine That they have done by the bomb with haughty aplomb Whose countless butchered victims of the ruthless racist swine Are surely worthier a Holocaust Shrine That truth awoken humanists will build in due time For despite any cowed museum etc. curators granted exhibition Truth over their funky flunkiness will surely prevail And to the lying propagandists' self made crucifixes them nail With the epitaph: The biggest and vilest truth twisters that ever did exist Whose holocaust lies they forbade all even their accused to deny Having conned the world's folk to eat humble pie And to them who make justice a joke in grovelling idolisation talk But history will never forgive such present slinks Whose cowardice to their Folk's foes stinks For they dare not speak or act in protest Against the horrific Palestine Holocaust Such protests being tests for true humanists As they may their freedom and lives cost Instead in democracy's name the wimps timidly comply To do as their robber rulers say and believe their lies Upon such they make questioning their claimed Holocaust a holy crime With more truth gagging laws than any dictators aforesaid Making some freethoughters think of seeking asylum in Moslem lands At least they have the wits and guts to proudly stand In humanity's fight against being enslaved by cosmopolite parasites Of whom in a nutshell humanist souls' knell Send the Devils back to Hell For Folk Patriots cannot with them or Folk Traitors dwell To under them meekly exist in Hell So for our soul peace we must them quell Giving this warning of the rising social storm Against Folk Traitors who apart have us torn To have Our Folk be slave born Serving those who did humanist Christ crucifyingly thorn For on their usury's parasitism and Chosen Folk elitist racism Christ did angrily pour scorn And as a good example he drove the money lenders out of the temple And said "If anyone is wilfully cruel to a child put a millstone around their neck and dump in the sea Without any sermon of "Love your enemy" Which lie his life acts do decry It being a ruse to believers confuse Used by rulers to their crimes excuse With their pitiless exploitation of a host nation Profiting on a host folk's good will to them kill By drilling a host folk's youth still living in dreams Who would have been their folk's cream To be slaughtered in foreign fields And so to alien parasites their Folkland yield Whose monopolised media derides a folk's pride By defaming the justly honoured dead of their host folk To such vile lies the dead cannot reply And their living kin are too dead scared to talk Having been mass media reared to their alien robbers cheer And their Own Folk Loyal vilely smear Calling bigots any resistivists to being ruled by alien racists Who favour the mass import of alien cheap labour To drive a host folk to commit suicide By multi-mixed-race genetic genocide Dying in shekel shackled slavery to the barons of usury Who dodo us in museum jars to be seen for x dollars As they turn our countrys into colonies In their world wide webbed Imperium of Usury With its Zionist asserted Chosen Racist Elitism To which Jesus said all are equal in the eyes of God Thus founding democracy's ground On which People's Power justice is found But now leechers and aliens etc. do it with hate pound Against which demise of our forebears fought for freedoms Europeans must rise as one to assert their masterdom By placing into real life situations The meanings of "Love your enemies" and Turn {to them} the other cheek" sermons Which Christ never meant to be used by the enemies of Christendom As a litany to forgive tyrants and so strengthen tyranny As all should know he did so clearly show When he did from the temple the money lenders throw For Christ was no wimp who before humanitys devils go limp As do our present priests upon whose weakness the aliens feast For their temples are welcomed into the lands of Christendom By such as high priests and popes who are such dopes That they believe other religions will allow in their lands churches of Christendom When in fact those that try soon die as the native religion does them the right to preach deny So they are only tolerated with hate if there is a strong backing force to prevent their sacking And fighting to save the lands of Christendom from being overwhelmed by alien religions That naturally seek domin- ation over other religions and their eventual elimination In this predatory world on which only those with wits and guts can in peace and freedom live So we must free our lands from Folk Traitors etc. whom we must never forgive And as they now hound etc. us for our Folk Loyalty We must hound, try and punish them for Folk Treachery Having put our folkland in alien hands Causing Our Folk to suffer much until the alien yoke they have broke If we truly wish to be free and happy in the only known life we live For which Jesus and others did their lives give As true Christians who to no tyrants freely bow Nor for Pseudo-Jew' Chosen Racists break their vow Never to the foes of Christ's humanism kow-tow For rather than see Their Folk as slaves be born And reared to be butchered as the alien leechers' cattle They prefer to on parasites pour Christ's scorn And as Free Folk joyfully live and die in battle In any bloody revolution suffering its thorns So may this epistle warn of the rising social storm Of Folk Traitor inflicted ethnic, race and cultural conflicts That the pitiless parasites' oppressive leechy policies has born To birth their death in a bloody storm C.M. Above a cheap mobile phone shop in a chaotic street in north Delhi, there is a grimy apartment whose peeling walls are decorated with photographs of adoring mothers nursing their babies. The woman cooing at her child in the biggest portrait is beautiful, white and affluent-looking — in stark contrast to the flat's five residents, four of whom are pregnant, while the other is being pumped full of hormones in the hope she will soon conceive. They are all uneducated, bare-footed, dirt-poor Indian women from outlying villages — and given the emotional turmoil that awaits them, the very last thing they would wish to do is spend their enforced nine months of confinement here gazing upon images of maternal bliss.

A WORLD OF FILCHER SERVICES ADVERT PRINTED BY PIMP PUBLICATIONS FOR THE KOSHERS' CRE = CHOSEN RACE EMPLOYED

Like most adverts the above carries an intended clear message for even the most stupid to read its meaning but since the 19th century coming of hordes of Pseudo Jew Khazars as pogrom ( Meaning their usury leached host folk revolted against being bled until dead by them ) wailing money migrants there has been a like growth of political propaganda adverts implying mixed race breeding used to divide each race against themselves and each other to, by the media manipulators indoctrinated Debase and Erase all except the Elitist self "God Chosen Race" scientific social psychology, drive each race engaged as our leechy rulers' social laboratory guinea-pigs to commit Folk Suicide by accepting in the name of Anti Racism our obliteration possibly into test tube blended and pig womb etc. born multi mixed race cheap labour bio-robots to serve the Elitist Racist self sanctified "God Chosen Race" Pseudo Jew Khazars for they our leechers have bled out of us, as united usurious loan sharks, the money power to control the economy and so politic etc. to promote their tribe's hijacked religion guised national interests over ours, to make them dictators over we their to-date Simple Simon host folk who smugly lack the social savvy to learn from our forebears fairy tales e.g. "Red Riding Hood" and "The Three Little Piggies" warnings, which alas on mostly deaf ears are repeated by their Folk Faithful ( Called morons by our Parasite bosses' parroting slunkey Folk Traitors' and ineblic toady collaborators ) against our foes flattery of being "Love Your Enemy" tolerant etc. until too late a folk find they have been made harshly dictated over slaves by their greeted and tolerated "Eye For An Eye" beggarly money migrants who have fooled their tribe's minors and the mass of us goys to think that this world minute minority of hyper rich parasites, living off the producers as religious ritualised racist templed miserly money merchants, are a pogrom and holocaust hounded poor God Chosen Holy Folk "meant to be a light to all nations." Which to their God must be its Devil's best joke.

**HELLO READER** We are only responsible for our articles etc. others herein are for theirs responsible or like Jane's are in honour of them for being a Folk Patriot until their death. Whatever pedantics think about my grammar I hope you clearly grasp what I say about which you are free to payfully use Your Voice in "Our Voice" to write, if you stay in our Folk Family norms of decency and is not insulting of anyone e.g. intrusive on their private life which is not against the criminal law or their social stated morals, otherwise you get your money back from this pioneering paper, which as an open Folk Forum gives payers the means (By we being viably cheap with only entrants proved too poor to pay being dependent on the editor) to publicly say their opinions on anything in this paper's Economics; Country; Culture; Health; Home; Politics; Travel; Sport etc. sections **About** its section place, entrants must trust the Editors' layout decision. **The ethnic media** e.g. Asian Times; The (Caribbean) Gleaner; Jewish and Muslim Chronicles; The Voice (Headlined as being "**Britains Best Black Paper**") rightly support their kind, faiths etc. but under the Parasites' and Folk Traitors' vile propaganda media made hostile social climate (**That has cowed Our Folk to accept alien control of our economy and so military, political, cultural dictatorship of our country**) these papers, books etc. are in libraries and sold in shops while true **Folk Loyal British** ones are accused of racism etc. for supporting, as do the alien media, their folk and **banned** in Free Speech's name, to choke us to death against which "Our Voice" etc. will fight to the death. **Wily Alien Racists** call us racists to **exalt their race** and stop us from seeing nature has bred many races with richly diverse ethnics, cultures, giving Africans, Asians, Caucasians, Orientals a natural pride in their forebears and so defend their race, cult-ure, land etc. as nature's raw law says: **Any specie unfit to live does into death flit**. So as all healthy races we defend ours but don't brazenly assume we are a superior **God Chosen Race** picked to rule the world, as do the megalomaniac phoney semite, pseudo jew, anti-goyite, paranoid Zionist bigots via their repulsively offensive Eliuist Racism.

**Never blame Parasites for they are born by the stupidity of twits who the sly Leechers keep max cheap labour bred by loans, laws, propaganda to be bled till dead**

**FOLK FORUM** for letters and articles fostering United Folk Patriotism's Strength for **UNITED WE WILL LIVE AND DIVIDED WE WILL DIE** and it's urgent to help stop Our Folk being in a few years dodged into oblivion by alien loyal democidic ethnic extincutors driving us to commit Folk Suicide by multi mixed race genetic genocide to be cheap labour and cannon fodder in our country now a colony in the paranoid megalomaniac Self Sanctified "God Chosen Race" Pseudo Jew Indo-Turk Khazar Capitalist and Communist Comrade Commissars' World Webbed Imperium of Usury helped by their bought and viler flunky Folk Traitors who our forebears would have rightly shot and cast out their invited invaders for Folk Traitors are life's worst scum, foulest of foes and most heinous of racists for they gladly betray their kin and Folk Family to be sapped then bloodily annihilated in favour of a ruthless alien race of parasite dictators who live by bleeding till dead the producers for the fruits of their work thru ruling over their mass medias' penned sheepish flock of toady collaborators whose cowardly way of trying to please our insatiable leechers is causing Our Folk's oblivion that we can only end by being a Folk Faithful unity of devoted activists with the wits and guts to when able with all non self destructive means take control of our economy to get the military, political, cultural power without waiting for a messianic leader to win the majority of our kinfolk's hailing of Our Loyal Folk's Victory to survive and thrive forever freed from this class caste flunkey ranked slavery for we prefer to fight to make the parasites commit their own suicidal Final Solution by we economically etc. helping fellow producers to win the inevitable Decisive Conflicts to live and die worthily freed from slavery in a Grimm's mass media mind muddled and Pied Piper led into Carrolls' Wonderland believing our leechers lies as in Andersen's "The Emperors New Clothes" while existing on an Orwellian "Animal Farm" as unequally equal guinea pigs in a scientific social psychology run lab, propagandised to think we live in a democracy antheing "God Save Royalty" having been Big Boss carrot and stick driven to exist on booze, porn and balls to be cattleased, lovelessly lab bred, cloned, biocomputerised peanut paid en-gene-ered robotic slaves vacuously serving a leechy tribe of elitist parasites as their conned toady idiots used to gain their world power aims as a self haloed God Chosen Race and Churchill's ("Popular Science" June 1925)? writ wish that maybe made Huxley novel it in his "Brave New World" which is evolving rapidly **(2) OUR CAUSE** Like other parties in history we the **Patriotic People's Power Party (PPPP)** were born to fight for Our Folk's desire to survive and thrive by destroying the evil threatening to exterminate us against which we shall use our media etc. to foster as our name betokens Folk Loyal Nationalism i.e. Folk Family Unity or Folk Fascism which name the puppets of Zionism (**Parasitism, Racism and Imperialism's peak**) can call we giving us no shame for it is one of the few names that **embodies an anti parasite politic that the leechers express fear of** as most others e.g. Conservative, SWP, Labour, Communist are just our leechers' loving carrot and stick parties whom as their money masters' voices howl against Fascism in their phony democracy's name ironically snorting against our urged Populism i.e. **Sober Majority Folk Willed Rule (The only real democracy)** that they attack thru their medias' daily lies against us now backfiring on them to give us good free publicity that is winning over their disaffected who less vote for the cosmopolite parasites' puppets and are rightly turning to us saying **As you Fascists are our parasites' most feared foes then you must be we producers best friends who say we must bury our leechers to the reign over our made wealth gain**. This Folk Positive Propagation trend is making our Folk Traitor rulers tear out their hair in despair for in their haste to bury Our Folk Identity that unifies us in our fight against being suicidally genetic genocidally etc. bred into multi mixed race cheap labour they make draconic laws against us and abusively call our Folk Patriotic Civil Servants, Military, Police "**Institutionalised Racists**" for as Europeans having, like all true Orientals, Africans, Asians etc. healthy natural species of life an instinctive self preservation **Natural Patriotism** to serve and preserve their Caucasian kith and kin for which cause the PPPP exist aware that we will be ruthlessly opposed by our treacherous foes who like we must fight (**As nature only accepts those having the strength to exist**) to decide whom will rule in our land the Parasites as Our Folk's exterminators or we Producers as Our Folk's propagators **So Parasites, Folk Traitors, Toady Collaborators** heed this warning: **The Souls of Folk Patriots** you hunt, torture and murder expect their kinfolk to avenge them as they would them in **this holiest of wars you started for Our Folk to be or not to be** **LIVING AS A FREE FOLK ETERNALLY (3) OUR AIMS** The survival of our lands' genetic, history, cultural, geo united Folk needs the undivise strength of an ethnic (W)elsh(I)rish(S)cots(E)nglish run and owned **Republican Confederal Britain** with a united outer military, economic, political, cultural defence based on the max inner unity of **Competitive Producers'** anti usury/pollution run cooptivist industries; **Humane** social welfare; **Co-ordinated** laws for Our Folk's best (**Or we can be divided and conquered**) to reduce crime etc. For which the Irish need to unite before cosy chaired 'Good Doers' and Folk Traitors (**Who even con their kin by claiming to be Folk loyal Socialists whom they stab in the back by greeting more Capitalist leechy aliens in**) make the Irish **bury themselves - As duped Brits in other parts of Britain are doing - unless the leechers are rooted or as needed booted out** by our retrieving the wealth they robbed from Our Folk to pay their transport home.
