**UNKNOWN SOLDIER**

My breathing is getting harder
My pulse is very low
My wounds are less painful
But death is ever so slow
Howling winds are blowing
Snow is falling fast
There is not a one to speak to
Before I breathe my last
I turn my eyes to heaven
Thinking it will pity me
But all is dark and solemn
And not one star I see
I think some evil power
Must have brought me here to die
And all the mercies of heaven and earth
It can and will defy
No! I swear that hell and heaven
Are centred on this earth
For some there is lots of sorrow
For others lots of mirth
{ My Fathers about 1927 }

UNKNOWN CIVVY

My breathing gets harder
Heart beats are very low
Wounds feel less painful
Blood loss leakly slows
Life's thoughts rovingly float
In death's shrouds caught
Howling winds shriek past
Snow is burying me fast
Nobody near to speak to
Alone I will breathe my last
I look at the cloud drifting sky
In search of the heaven on high
Hoping a kindly god will save me
From going anon to the unknown yon
Without any kin's solacing company
But all is dark and doomy
So no saviour's star I see
I think for whom and why
Do I lie in piles of rubble to die
Too late I start to ken and sigh
For I did not the war profiteers defy
Now my parting spirit wails the cry
How many more millions will die
Fools who fall for the traitors' lies
As did I another dim victim
Once bubbling with life's vim
Brim full with idealism
Seeking a social utopism
A paradisaical heaven on earth
Where for love we each other serve
So now with my last breath
I say Goodbye life - Hello death
Hoping my soul will in peace rest
Forgiven for having uttered no protest
Against our preachers blessed leechers
Imperialist wars of bloody conquest
In which for their breed's profit they invest
Will be the right epitaph in its brevity
To summarise me an unknown Civvy

**CRUCIFIED**

The self God Chosen Race tribe
Of leechy usurers Christ defied
And was horrifically crucified
So in his memory we have yuletide
That birthed Christianity world wide
By his disciples with martyrlly pride
To be a good way of living guide
Against the money lender etc. tribe
2000 years on any who do them chide
Are still socially hunted and ostracised
And in transit 'legally' kidnapped
To be by traitors made laws tried
And their freedom imprisonly denied
Proving Christianity has been Zionised
Bought by the leechy devil's Judas bribes
And by Anti - Christs its priest sodomised
For the good have been so demoralised
They lack Christ's guts and are petrified
To be as wimps fearing by queers swiped
Thereby Christianity has been Satanised
To so betray for what Christ died
And further true justice override
To protect the Folk Traitors who have lied
And attack any who the holocaust elide
Believing truth is by questioning verified
For which brave act they are proscribed
And the zionited judges do their jailing decide
So on getting power we will put them inside
And some hang as treacherous ethnocides
For having vilely aided Our Folk's Suicide
By enforced multi mixed race democide
Thus betraying Our Folk who have died
While fighting for Our Folk to abide
And honest justice over them preside
That will bury any parasite tribe
Thus would Christianity be De-Zionised
And aid a heaven on earth in its stride
For which Christ gutsily fought and died
Then he will not in vain have been Crucified

WANTED Folk Loyal men and women to be £12 (OAP etc. £6) a year *PATRIOTIC PEOPLE'S POWER PARTY MEMBERS OR VOLUNTEERS* whose *main reward* will be to win our forebears' wrought and fought for homeland back from parasites and Folk Traitors and their mass imported alien leechers and cheap labour whose hid policy is to exalt their cultures and selves by burying Our Folk and culture that unitedly we must firmly reverse e.g. by using their **twisted legal rope** to choke us to **hang them before they bury us**.

Membership's basic rules are total loyalty to our party members democratic majority decided (Or in a crisis by our elected reps) ground policies of a tough dedication to one's own and folk's welfare and freedom that thru our practical alternative producer politic to the present parasite one fires a fighting spirit trained and ready to rid our streets and halls etc. of anti democratic alien loyal fanatic mobs and oust Folk Traitors etc. with their welcomed in cheap labour and shyster armies in a fight to the death for the *Human Right of Our Folk to Survive and Thrive* by making our taxes paid politicians, police etc. do their **Folk Loyal duty** of resolutely defending Our Folk's Rights to peacefully demonstrate and speak our minds thru our media, in our shops and taxed for libraries etc. without fear of being hounded from our homes, jobs and arrested, beaten, jailed, acci-murdered under an undemocratic decided excuse e.g. "**Being liable to cause a breach of the peace**" to suppress Our Folk in *our forebears' wrought and fought for country* in submission to i.e. the wily Occupied Palestine loyal Khazar Capitalist and Communist Comrade Commissar Pseudo Jew **loan sharks'** made orders that we must fight and die for their vampiric usury dictated politic in democracy's name while denying our right to query the truth of their lies and support of alien rule favouring mobs etc. that cause Our Folk's need to rise to enforce life's *Natural Human Right Law* to stay alive and live in liberty by using all the needed force to proudly be and keep being **A Free Folk** by never letting **Folk Traitors** to again us yoke **with leechers** by whom we are **bled till dead** as their cowed slavish goy mokes

Jane's 1979 6th WINTER EDITION" CHOICE" 'THAT TRICKLE'

Government blandly announces the coming of 2000 black 'Rhodesian students' (probably there are guerrillas among them, and certainly most of them will be dependent upon our rates and taxes): thousands of Arabs and Egyptians appear, and disaffected Iranian 'students' protest regularly on the streets of Kensington, and cover our walls with their unwelcome political views and notices of meetings. Nor can we forget the thousands of other disaffected 'students' and revolutionaries who are drawn here from South America and every other part of the world. On top of this notch potch of humanity we have to reckon not with a 300% increase in EEC nationals, all of whom also appear to possess some divine right of unfettered entry, with all that that implies.

Mrs. Thatcher was so right when she said we might be feeling swamped. We ARE swamped, and the pity is that directly the predictable attacks descended upon her head, she retreated rapidly, with the result that all Parties in Parliament have reverted to their former gentlemen's agreement to restrict all reference to immigration to a minimum while they vigorously woo the coloureds in preparation for the next General Election. Thus, while Mr. Whitelaw regularly dines with Asians and West Indians and pats them on the back for their great contribution to British life. The Prime Minister opens their cultural centres, leaving the Local Housing Associations to make sure his coloured friends are conveniently housed to ensure support for Labour at the polling stations. Does anyone really suppose the Bengalis would receive a fraction of the attention they now enjoy, both in manpower and money, if Their 'right' to vole were removed?

The "trickle" will turn out to be the sickest joke of the second half of the 20th century.

*Because Our Folk in democracy's and free speech's name have been so choked by Folk Traitors and the so called Nationalist Parties have been and still are, despite the many more legions of alien invaders and being lured to commit suicide by multi mixed race democide, so toady compliant in trying to get power thru the ruling Cosmopolite Parasites rigged ballot box dictatorship as to cause objective estimates of them doing so to be nil, for Our Folk's leechers will militarily etc. oppose it and in a few years Our Folk will be relative to the alien vote a minority. So the only way Our Folk will be Free is to obey the nature's basic law of survival, that naturally overrides any other laws: **Have the Guts and Wits to Fight to Live against Dying on Your Knees. For Life is the Strife to Survive and Thrive** OV Ed*

EUROPEANS On Europe's brother bloodied battlefields For the cosmopolite usurers profitable yield Europe' Folk Flowers were pitilessly cut down And now aliens occupy their homes and towns As they in death's silence are forever laid Where their anger cannot be heard For if their souls could to the living call They would bitterly say: Curse your days You cowed kin who do their Folk Loyalty betray To now over their vandal wretched graves Have their living kin for alien parasites slave And their kin and children being thought taught To hate their forebears and what they wrought The Folk Freedoms for which they fought Now by alien teachers taught as being nought Having changed their names into native ones to social office gain From where they can their host folk defame Then as their power grows they do their true names proudly show Backed by alien loving Folk Traitor preachers Who see naught wrong in Our Folk being more yoked And thereby their soldiery and forebears being betrayed As their many millions of misled war dead's supreme sacrifice Is in the Folk Memory being dismissively diminished and portrayed By a few Indo-Turk Khazar Pseudo Jew's mass media devised propaganda artifice They use to wail the world o'er that they lost more In a holocaust whose truth you question at your freedom and life's cost If you reject being a terrorised brass monkey flunkey until you die And dare say the questioning of their claimed holocaust they deny Because they know it is a lie which if exposed would them decry Then their holocaustic occupation of Palestine World Folk Opinion would defy And their usury's bought world authority would be greatly reduced To reflect their few numbers that in a true democracy would be vote adduced But now despite our misled military dying in the name of democracy We are also forbidden to publicly question our rulers' treacherous policy Of mass importing alien cheaper labour to prey on and supervise Our Folk in every way Whose hordes are by the ruling cosmopolite parasites favoured And their import from Africa and Asia is welcomed by Folk Traitors To graft their genes on Europe's work and war wearied folk Without their voted will which is totally choked By the Usurer Mafia's monopolised mass media And their parliament's of puppet politicians treachery In their aim to erase Our Folk by a genetic genocide policy Favouring the lesbi, fay, lib, pimp and whore Who help the parasites to make our living poor As they interbreed with the worst alien seed That is content to exist and breed amidst poverty Many so dehumanised as to even with animals pair Then say the social responsible producers should be the losers By having to pay for their no care living's welfare As they mongrelise away each race's Folk identity Into a multi-mixed-race cheap labour nonentity Sinking all but the parasite rulers to life's lowest level Making life for the producers a living hell Having no Folk Solidarity power to their robbers expel Thus are a folk by parasite rulers wilfully undermined To become in the saga of humanity defined A once-upon-a-time folk buried in a history book line After fast multiplying types submissive to the ruling Mafia Helped by war's faster reared queer intelligentsia Choking the growth of Our Folk's culture Perversed by the parasite's bred porn doped vultures Squaking their dark mind's gory vulgarities Promoting their cosy armchair wrought political utopias That sink the people into deeper dungeoned poverty Under their exploiters creed of greed Whom the bourgeois socialist intelligentsia fear to criticise Lest they be called racists and get their pay etc. excised Then by the Pseudos had hounded and socially ostracized For daring to declare to the usurers' yoked folk That it is a tribe of Khazar Capitalist and Communist Commissars Who as vampiric Pseudo Jews are to death leeching you Wherever from Washington to Moscow they abode on the globe Their usury tentacles predatively probe So you Europeans etc. who dare to speak with deeds Before the leechy usurers do us unto death bleed Unite Our Folk to smite all parasites And their vile Folk Traitor flunkeyites To end their clobber conscripted cannon fodder Being sent to fight and die in foreign fields To their homeland into alien hands yield Subjecting one's folk to the barbarity of cheap labour slavery That reduces humanity into their parasites' bled until dead commodity Which is why you must ruthlessly fight to be free For leechers will not even think of giving you pity If you fail to uproot the leechers and their toadys The class caste flunkey ranked mercenaries Who plunder, rape and slay for the highest pay And whine about their Human Rights when put to flight Which humanist's cannot give to parasites and their flunkeyites As they sadistically kill babes etc. with vile delight To thus pitilessly destroy the innocents' Human Rights Which can only be a reality when they bury the parasites With their ghoulish mercenary flunkeyites Who at present feel so secure in their sinecure But with the uniting of Our Folk's wits and guts Our day will come when Our Will shall be done And we will not be so meek as to make a mockery of Human Rights By forgiving the parasite shite And their more vile Folk Traitor flunkeyites We will give them at least the like grim justice With like pre-emptive claws and retroactive laws As they first chose to unjustly practice Against their overwhelmed victims with sadistic malice After ignoring a Folk's warnings of revengeful mornings That it is a Folk's natural Human Right to prevent its extermination By fighting to cause such foes total annihilation For we like Adolf shall not be so tender As to Our Folk into slavery render On any enemys' terms of unconditional surrender We shall have the joy no matter our enemies inflicted woes Of making our foes reap the sorrows they did sow In the total war between the world's folk and their yokers To evermore decide whose - Parasites or Producers - Human Rights To reverse the wilfull importation of alien loyal nations Which is a Dr. Devil's prescribed cancerous injection of self extermination After the terrible sufferings of Folk Family fragmentation Due to money mad rulers' made wars and mass cheap labour importation Causing religious and racial confrontations and confliotions In which those with Folk Traitor traits do our foes grace As every alien cause they hysterically embrace Being by Zion's media so mind mugged as to their own folk debase In a bio-sick desire to have their folk erased Into a multi mixed race then by aliens replaced To wilfully cause each folk except Zion's destruction And tho it is contrary to the leechers' creed of greed That makes their maximum profit their life driving need The wily lie-full leechers ironically urge world conservation Of all other species except humanity's Whose extinction they cause by the gore of revolution and war And enforced multi-mixed-race genetic genocide of their yoked folk So anybody who does in favour of the parasites talk Should be given to them to choke as they do Our Folk For in the growing global war between producers and parasites Which is forced upon the producers by their bleeders Who by their inbred nature's creed of greed Do for max profitability need to breed meek toadys Which realist democrats will not let themselves be As their soul nature cannot accept slavery And so they are forced to fight to be free Knowing that they will get no mercy from their enemy Therefore they will not be such suckers who lose a war Because they fall for the parasites phoney Human Rights furore And find their Folk are enslaved for evermore Instead of summing up their fight as 'No Rights for Parasites' So there can never be any truce As we will never be free if we should so lose The right for which parasites force us to fight To such social shite reduce by their nooses Intended to Our Folk goose Only then will we fulfil our loyal dead's dreams And never hear again the wails of alien faiths Which seek to bury ours in history's grave For we prefer to hear the ethics that true Christians' church bells ring From which with Greek rooted philosophy did democracy bring Making consensual folk opinion our earthly religion That gives the individual maximum freedom of opinion And socially accountable personal responsibility Within the majority democratic decided security of their Folk Family From which democratic social thesis's given promise The dynamic of European civilisation could again spring To merrily of Our Folk's victory sing Having freed our folk and land from being in alien hands With victory reviving our Folk's self esteem Which our vile alien rulers do scornfully demean Because of our stupidity to fall for their waited duplicity Which we must erase out of our social mentality If we are ever to be truly free By learning from e.g. Sinbad's moral meant teachings That our kindness can be abused to bind us And cast off our nation's back Old Man Zion To free Our Folk from bearing the usurers yoke Thereby freeing Our Land from being in the leechers' hands So we may seed again a strong folk proud loyal breed Able to stand equal to the Africans, Asians and Orientals In the world forums' of a Democratic Confederate of Nations Having the Common Cause of preserving their Folk and Lands From being made extinct species and colonised in Pseudo-Jews' hands By breeding unyokable parasite resistive hardy folk So we may help sow the universe with viable adventurous quality people Technically at least as good as the present Japanese And well schooled to make a social life to Our Folk please Never more to be any aliens' cheap labour factory fodder flunkeys Which cannot be done by the leechers bled until dead gullible Bred from their morally and mentally enfeebled To be for the parasite's profit max exploitable So cowed as to be odious toadys who to alien masters proudly kowtow And stab freedom strikers in the back as do scabs Such are the types bred by ethnic extincers in the leechers' social lab That we endemic ethnics must convert to Our Folk's freedom assert Democratically weaving our rich Folk Cultures Into a natural world woven multi folk society Served by their elected responsible producer reps Hopefully having the sound sense to live in peace eternally In Our Folk democratically run and accountable social alternative With the world's folk freed from the usurers' yoke And with Africans, Asians, Orientals respect regained As never again will we let parasites we Europeans shame By being used as anti nationalist infused pawns in our leechers' imperialist game Then no longer may ass brained idealists brayingly blame The world's faults and woes on we Folk Faithful their spitefully defamed Under their Pseudo-Jews' Chosen Race leechers dictation Having Our Folks extinction as their aim We pioneers of humanity's technological and social liberation Shining the light of science thru dark ignorance Freeing us from earth's prison into the limitless universe In harmony with other races as we thru time and space traverse Justly proud to remain democratic ingrained Europeans Fighting against any who would baton us under their dictation So we can share life's joys with all in the universe of nations As undemeaned, free, anti-parasite, creative Europeans C.M. 3/6/89

HELLO READER We are only responsible for our articles etc. others herein are for theirs responsible or like Jane's are in honour of them for being a Folk Patriot until their death. Whatever pedantics think about my grammar I hope you clearly grasp what I say about which you are free to payfully use Your Voice in "Our Voice" to write, if you stay in our Folk Family norms of decency and is not insulting of anyone e.g. intrusive on their private life which is not against the criminal law or their social stated morals, otherwise you get your money back from this pioneering paper, which as an open Folk Forum gives payers the means (By we being viably cheap with only entrants proved too poor to pay being dependent on the editor) to publicly say their opinions on anything in this paper's Economics; Country; Culture; Health; Home; Politics; Travel; Sport etc. sections **About** its section place, entrants must trust the Editors' layout decision. **The ethnic media** e.g. Asian Times; The (Caribbean) Gleaner; Jewish and Muslim Chronicles; The Voice (Headlined as being **"Britains Best Black Paper"**) rightly support their kind, faiths etc. but under the Parasites' and Folk Traitors' vile propaganda media made hostile social climate **(That has cowed Our Folk to accept alien control of our economy and so military, political, cultural dictatorship of our country)** these papers, books etc. are in libraries and sold in shops while true **Folk Loyal British** ones are accused of racism etc. for supporting. as do the alien media, their folk and **banned** in Free Speech's name, to choke us to death against which "Our Voice" etc. will fight to the death. **Wily Alien Racists** call us racists to **exalt their race** and stop us from seeing nature has bred many races with richly diverse ethnics, cultures, giving Africans, Asians, Caucasians, Orientals a natural pride in their forebears and so defend their race, culture, land etc. as nature's raw law says: **Any specie unfit to live does into death flit**. So as all healthy races we defend ours but don't brazenly assume we are a superior **God Chosen Race** picked to rule the world, as do the megalomaniac phoney semite, pseudo jew, anti-goyite, paranoid Zionist bigots thru their repulsively

FOLK FORUM for letters and articles fostering United Folk Patriotism's Strength for **UNITED WE WILL LIVE AND DIVIDED WE WILL DIE** and it's urgent to help stop Our Folk being in a few years dodoed into oblivion by alien loyal democidic ethnic extirctors driving us to commit Folk Suicide by multi mixed race genetic genocide to be cheap labour and cannon fodder in our country now a colony in the paranoid megalomaniac Self Sanctified "God Chosen Race" Pseudo Jew Indo-Turk Khazar Capitalist and Communist Comrade Commissars' World Webbed Imperium of Usury helped by their bought and viler flunky Folk Traitors who our forebears would have rightly shot and cast out their invited invaders for Folk Traitors are life's worst scum, foulest of foes and most heinous of racists for they gladly betray their kin and Folk Family to be sapped then bloodily annihilated in favour of a ruthless alien race of parasite dictators who live by bleeding till dead the producers for the fruits of their work thru ruling over their mass medias' penned sheepish flock of toady collaborators whose cowardly way of trying to please our insatiable leechers is causing Our Folk's oblivion that we can only end by being a Folk Faithful unity of devoted activists with the wits and guts to when able with all non self destructive means take control of our economy to get the military, political, cultural power without waiting for a messianic leader to win the majority of our kinfolk's hailing of Our Loyal Folk's Victory to survive and thrive forever freed from this class caste flunkey ranked slavery for we prefer to fight to make the parasites commit their own suicidal Final Solution by we economically etc. helping fellow producers to win the inevitable Decisive Conflicts to live and die worthily freed from slavery in a Grimm's mass media mind muddled and Pied Piper led into Carrolls' Wonderland believing our leechers lies as in Andersen's "The Emperors New Clothes" while existing on an Orwellian "Animal Farm" as unequally equal guinea pigs in a scientific social psychology run lab, propagandised to think we live in a democracy antheing "God Save Royalty" having been Big Boss carrot and stick driven to exist on booze, porn and balls to be cattleised, lovelessly lab bred, cloned, biocomputerised peanut paid en-gene-ered robotic slaves vacuously serving a leechy tribe of elitist parasites as their conned toady idiots used to gain their world power aims as a self haloed God Chosen Race and Churchill's ("Popular Science" June 1925)? writ wish that maybe made Huxley novel it in his "Brave New World" which is evolving rapidly **(2) OUR CAUSE** Like other parties in history we the **Patriotic People's Power Party (PPPP)** were born to fight for Our Folk's desire to survive and thrive by destroying the evil threatening to exterminate us against which we shall use our media etc. to foster as our name betokens Folk Loyal Nationalism i.e. Folk Family Unity or Folk Fascism which name the puppets of Zionism (**Parasitism, Racism and Imperialism's peak**) can call we giving us no shame for it is one of the **few** names that **embodies an anti parasite politic that the leechers express fear of** as most others e.g. Conservative, SWP, Labour, Communist are just our leechers' loving carrot and stick parties whom as their money masters' voices howl against Fascism in their phony democracy's name ironically snorting against our urged Populism i.e. *Sober Majority: Folk Willed Rule* (**The only real democracy**) that they attack thru their medias' daily lies against us now backfiring on them to give us good free publicity that is winning over their disaffected who less vote for the cosmopolite parasites' puppets and are rightly turning to us saying. *As you Fascists are our parasites' most feared foes then you must be we producers best friends who say we must bury our leechers to the reign over our made wealth gain*. This Folk Positive Propagation trend is making our Folk Traitor rulers tear out their hair in despair for in their haste to bury Our Folk Identity that unifies us in our fight against being suicidally genetic genocidally etc. bred into multi mixed race cheap labour they make draconic laws against us and abusively call our Folk Patriotic Civil Servants, Military, Police **"Institutionalised Racists"** for as Europeans having, like all true Orientals, Africans, Asians etc. healthy natural species of life an instinctive self preservation **Natural Patriotism** to serve and preserve their Caucasian kith and kin for which cause the PPPP exist aware that we will be ruthlessly opposed by our treacherous foes who like we must fight (**As nature only accepts those having the strength to exist**) to decide whom will rule in our land the Parasites as Our Folk's exterminators or we Producers as Our Folk's propagators **So Parasites, Folk Traitors, Toady Collaborators** heed this warning: **The Souls of Folk Patriots** you hunt, tor- ture and murder expect their kinfolk to avenge them as they would them in *this holiest of wars you started for Our Folk to be or not to be* **LIVING AS A FREE FOLK ETERNALLY** **(3) OUR AIMS** The survival of our lands' genetic, history, cultural, geo united Folk needs the undivise strength of an ethnic (**Welsh**)(**Irish**)(**Scotts**)(**English** run and owned **Republican Confederal Britain** with a united outer military, economic, political, cultural defence based on the max inner unity of **Competitive Producers'** anti usury/pollution run cooptivist industries; **Humane** social welfare; **Co-ordinated** laws for Our Folk's best (*Or we can be divided and conquered*) to reduce crime etc. For which the Irish need to unite before cosy chaired 'Good Doers' and Folk Traitors (*Who even can their kin by claiming to be Folk loyal Socialists whom they stab in the back by greeting more Capitalist leechy aliens in.*) make the Irish **bury themselves - As duped Brits in other parts of Britain are doing - unless the leechers are rooted or as needed booted out** by our retrieving the wealth they robbed from Our Folk to pay their transport home. "Nazis steal our hard earned wealth" We hear the **sly** leeches wail. **That the pitiless robbers gloatingly bled out of their bled till dead pauperised producers.** Ref: The EU etc. We are for a world money but not one **worried** by leechy Soro speculators who bleed countries into being their colonies and, as if **sheep**, fleece the producers of their work's worthed money, so we urge Our Folk to **KEEP AND DO AS THEY LIKE with THEIR WORK'S MADE MONEY** **(4) OUR VOICE** As a media of the PPPP = PATRIOTIC PEOPLES POWER PARTY so you can help us be viable TO VOICE OUR FOLK'S WILL we ask Folk Loyal organisations and persons to buy their legally responsible say and so add YOUR VOICES to make "OUR VOICE" heard on most anything (*With a truly named etc. SAE to be kept secret and only published as you say and per word and number pay for*) in notice, articles, letters etc. that will stay the author's copyright outside their use by "OUR VOICE" and its affiliated. **Verified** Paid ads got after 1 week before our publication will most likely have to wait for the next publication. **Ads discounts** = 15% between 5 to 25; 25% to 50; 35% for any over 50 issues of "OUR VOICE" whose public sale price + **add any post** cost is 50p; a 12 issue subscription £10; **Bulk buying** discounts = as the above Ads. **Half of early** returned issues will be refunded **Overseas Buyers and Advertisers** need only add the air or sea postage costs to the above stated prices and pay us in British money by Travellers' Cheque < **This c. sized 187 words at** our VAT incl. price of 25p per word/number (c. 75% less than other papers) would cost **£46 + £2**.pw for a BOX NR. to be paid only by **cheque or PO** (**Cartoons, pictures, styled adverts etc. will be at consulted prices**) At postage cost all pw mail can be posted to the advertiser **(5) Any articles sent** (We may publish anonymous ones **the senders hereby knowing they will lose their payments** if we do not publish them) will only be published by "OUR VOICE" or its affiliates if their editors think them within their mores and acceptable to their FOLK LOYAL readers who as we accept that life is the strife to survive and thrive even among the human race made of history's evolved life enriching many varied cultures, tongues, races, ethnics that to feed etc. their growing folk numbers are territorially etc. expansive so we must each be co-operatively protective of own survival and maybe our evolved continuity in a confederal world order thru a peaceful merger of economies, tongues, cultures etc. for which reasons we will resist any favouring of life's most ruthless predators i.e. **Parasites and Folk Traitors** who for self profit spread their **folk debase and erase** perversities resulting in the deadly **ADS** whose sodomic carriers are kept alive to more spread love's death and fairly dance on the streets demanding (**From our parasite yoked folk who dare not against them talk**) more Human Rights to murder Humanity plus we have MAD COW DISEASE ETC. (Factualising the old saying: *"WHOMEVER THE GODS' WISH TO DESTROY THEY FIRST MAKE MAD"*) and the agitating of the world's races etc. against each other to divide and conquer us and make us peanut paid multi mixed race cheap labour and cannon fodder slaves serving a leechy anti social welfare usury bred and fed self sanctified "GOD CHOSEN RACE" of PSEUDO JEW KHAZARS whose **DEMOCIDIC PROPAGANDA AND DRACONIC ANTI FOLK POWER LAWS ETC. PLUS IN WORK AND IN WORK AND WARS BEING BLEED UNTIL DEAD FOR THEM** have weakened many of Our Folk's wills to survive and thrive and so they must be revived out of their suicidal sickness by eliminating our mind poisoners as ruthlessly as they do any sucker folk that swallow e.g. **THE PITILESS PSEUDO JEW KHAZAR CAPITALIST AND COMMUNIST COMRADE COMMISSARS'** WAILING WALL ANTI-RACISM BULL of contradictively (*For they have over many generations bled billions of us until dead as usury bred and fed leechy rulers that they fervently deny despite it being an obvious truth seen in their owning most of the world's top businesses, art works etc. which were leeches from their suckered folk on earth - not got from a god in heaven*) being a persecuted "God Chosen Race" that clearly makes their god a racist bigot So any betrayal of our military etc. dead and other undermining of our folk e.g. by favourably publishing our leechers' import of cheap labour (**As only in need will we let aliens be our advisers never Our Folk's supervisors or sports' etc. reps. for if we can't fight to win life's battles then we should be museum stuffed as a dodo folk**) will be tabu and if done will end the editors job as decided by "OUR VOICE" etc. Elected Guardians for going against their party etc. founders' wishes to preserve Our Folk by winning back control of our economy and so military, political, cultural power to revive Our Folk's natural lust to strife to survive and thrive that is secured by being soul bonded in **Our Folk Patriotic Politic that is religiously spirited in Our Folk Church Schools AS OUR INSULATION AGAINST ISOLATION AND EXTERMINATION** **(6) This is a FREE OPINION PAPER** whose writers and editors are only legally responsible for their given views so if the above is to 'good doers' etc. a too raw sketch of the causes of Our Folk being led down Suicide Rd. and how to change it by burying Folk Traitor rulers (If not too late) to turn Our Folk from the edge of extinction then let aliens bury the fools who have Patriots hunted, jailed, tortured, killed for trying to warn Our Folk via e.g. "Our Voice" which as other Brit media is banned by Folk Traitors from libraries, shops, etc. that boast **AntiBrit** African, Asian, Jewish etc. media **(7) Please send ads and donations as all payments to our cause by recorded post to F.P.
