The final WW II report on the Gruinard Island tests suggested anthrax could be used to render cities uninhabitable "for generations". I would not go walking on Gruinard. If anthrax is still active at Soutra, there is no reason to suppose it has not survived on more recent sites. It is a very resilient and deadly bacterium Dr Brian Moffat Archaeologist

UK planned to wipe out Germany with anthrax

Allies World War Two shame By **George Rosie** in **2Sunday Herald**. As the world recoils at the horrific possibility of al-Qaeda terrorists waging anthrax war against United States citizens, the *Sunday Herald* can reveal that Britain manufactured five million anthrax cattle cakes during the second world war and planned to drop them on Germany in 1944. The aim of Operation Vegetarian was to wipe out the German beef and dairy herds and then see the bacterium spread to the human population. With people then having no access to antibiotics, this would have caused many thousands -- perhaps even millions -- of German men, women and children to suffer awful deaths. The anthrax cakes were tested on Gruinard Island, off Wester Ross, Scotland, which was finally cleared of contamination in 1990. Operation VEGETARIAN was planned for the summer of 1944 but, in the event, it was abandoned as the Allies' Normandy invasion progressed successfully. Details of the wartime secret operation are contained in a series of War Office files (WO 188) at the Public Record Office in Kew. **Some of the files are still classified**. The man whose task was to carry out Operation Vegetarian was **Dr Paul Fildes**, director of the biology department at Porton Down near Salisbury in Wiltshire. Fildes had previously been in charge of the Medical Research Council's bacterial chemistry unit at Middlesex Hospital. In early 1942, Fildes began searching Britain for suppliers and manufacturers of linseed-oil cattle cake to make five million small cakes. Large quantities of the bacillus itself had to be produced, while special containers to carry the cattle cakes had to be designed and made. Some RAF bombers had to be modified to deliver the anthrax-infected payload. And all of it had to be done as cheaply as possible. The raw material for the cake was provided by the Olympia Oil and Cake Company in Blackburn. The contract to cut the cattle cake into small pieces went to J & E Atkinson of Bond Street in London, perfumers and toilet-soap manufacturers and **suppliers to the royal family**. The Atkinsons calculated that they could produce 180,000 to 250,000 cakes, each 2.5cm in diameter and 10 grammes in weight, in a 44-hour week. The price was to be between 12 and 15 shillings per thousand. The firm pledged to deliver 5,273,400 cakes by April 1943. By the middle of July 1942, the Atkinsons informed Fildes that ' we are now producing at the rate of 40,000 per day' . The anthrax was manufactured by the Ministry of Agriculture and Fisheries at its veterinary laboratory in Surrey. An Oxford academic named Dr E Schuster was set to (ghoulishly OV Ed.) work devising the pump to inject the bacilli into the cattle cakes. The Porton Down scientists settled on cube-shaped cardboard containers, 18cm square, to carry the infected foodstuff. **Each held 400 cakes.** They would be fitted with a steel handle ' of a size which enables the operator to grasp the handle without difficulty when wearing thick leather or moleskin gloves ...' Thirteen women were then recruited from various soap-making firms sworn to secrecy and given the job of injecting the cattle cakes with anthrax spores. At the same time, Fildes and his team were working on the best way to deliver the diseased cattle feed to the German herds. The RAF's research unit came up with a simple solution -- easily made wooden trays that fitted on to aircraft flare chutes. Their Bomber Command Lancasters, Halifaxes and Stirlings were chosen for the job. By the beginning of 1944, Operation VEGETARIAN was ready to go. It was crucial to mount any attack in the summer months. Fildes said: ' The cattle must be caught in the open grazing fields when lush spring grass is on the wane.' ' Trials have shown that these tablets ... are found and consumed by the cattle in a very short time.' Cattle are concentrated in the northern half of Oldenburg and northwest Hanover. Aircraft flying to and from Berlin will fly over 60 miles of grazing land.' Fildes calculated that, at an average ground speed of 300mph, the distance would be covered in 18 minutes. ' If one box of tablets is dispersed every two minutes, then each aircraft will be required to carry and disperse nine, or say 10, boxes.' One Lancaster bomber returning from a raid on Berlin would be able to scatter 4000 anthrax-infected cakes over a 60-mile swathe in less than 20 minutes. A dozen aircraft would have been enough to litter most of the north German countryside with anthrax spores. Operation VEGETARIAN was a seriously deadly project. But, by the time Fildes' s operation was ready to go in the summer of 1944, the Normandy invasion had taken place and Allied armies were crashing through northern France and up through Italy. The war against Nazi Germany was instead being won by conventional means. At the end of 1945, five million anthrax-infected cattle cakes were incinerated in one of Porton Down' s furnaces.

From: The Guardian Our last occupation Jonathan Glancey Saturday April 19, 2003 Gas, chemicals, bombs: Britain has used them all before in Iraq No one, least of all the British, should be surprised at the state of anarchy in Iraq. We have been here before. We know the territory, its long and miasmatic history, the all-but-impossible diplomatic balance to be struck between the cultures and ambitions of Arabs, Kurds, Shia and Sunni, of Assyrians, Turks, Americans, French, Russians and of our own desire to keep an economic and strategic presence there. **Laid waste**, a chaotic post-invasion Iraq may now well be policed by old and new imperial masters promising liberty, democracy and unwanted exiled leaders, in return for oil, trade and submission. Only the last of these promises is certain. The peoples of Iraq, even those who have cheered passing troops, have every reason to mistrust foreign invaders. They have been lied to far too often, bombed and slaughtered promiscuously **Iraq** is the product of a lying empire. The

British carved it duplicitously from ancient history, thwarted Arab hopes, Ottoman loss, the dunes of Mesopotamia and the mountains of Kurdistan at the end of the first world war. Unsurprisingly, anarchy and insurrection were there from the start. **The British** responded with gas attacks by the army in the south, bombing by the fledgling RAF in both north and south. When Iraqi tribes stood up for themselves, we unleashed the flying dogs of war to "police" them. Terror bombing, night bombing, heavy bombers, delayed action bombs (*particularly lethal against children*) were all developed during raids on mud, stone and reed villages during Britain's League of Nations' mandate. The mandate ended in 1932; the semi-colonial monarchy in 1958. But during the period of direct British rule, Iraq proved a useful testing ground for newly forged weapons of both limited and mass destruction, as well as new techniques for controlling imperial outposts and vassal states. **The RAF** was first ordered to Iraq to quell Arab and Kurdish and Arab uprisings, to protect recently discovered oil reserves, to guard Jewish settlers in Palestine and to keep Turkey at bay. Some mission, yet it had already proved itself an effective imperial police force in both Afghanistan and Somaliland (today's Somalia) in 1919-20. British and US forces have been back regularly to bomb these hubs of recalcitrance ever since. **W. Churchill**, secretary of state for war and air, estimated that without the RAF, between 25,000 British and 80,000 Indian troops would be needed to control Iraq. Reliance on the airforce promised to cut these numbers to just 4,000 and 10,000. Churchill's confidence was soon repaid. **An uprising** of more than 100,000 armed tribesmen against the British occupation swept through Iraq in the summer of 1920. In went the RAF. It flew missions totalling 4,008 hours, dropped 97 tons of bombs and fired 183,861 rounds for the loss of nine men killed, seven wounded and 11 aircraft destroyed behind rebel lines. The rebellion was thwarted, nearly 9,000 Iraqis killed. Even so, concern was expressed in Westminster: the operation had cost more than the British funded Arab rising against the Ottoman Empire in 1917-18. **The RAF** was vindicated as British military expenditure in Iraq fell from £23m in 1921 to less than £4m five years later. This was despite the fact that the number of bombing raids increased after 1923 when **Squadron Leader Arthur Harris** - the future hammer of Hamburg and Dresden, whose statue stands in Fleet Street in London today took command of 45 Squadron. Adding bomb-racks to Vickers Vernon troop carriers, Harris more or less invented the heavy bomber as well as night "terror" raids. Harris did not use gas himself - though the RAF had employed mustard gas against Bolshevik troops in 1919, while the army had **gassed Iraqi rebels in 1920 "with excellent moral effect"**. **Churchill** was particularly keen on chemical weapons, suggesting they be used **"against recalcitrant Arabs as an experiment"**. He dismissed objections as "unreasonable". **"I am strongly in favour of using poisoned gas against uncivilised tribes [to] spread a lively terror"** In today's terms, "the Arab" needed to be shocked and awed. A good gassing might well do the job. **Conventional raids**, however, proved to be an effective deterrent. They brought Sheikh Mahmoud, the most persistent of Kurdish rebels, to heel, at little cost. Writing in 1921, Wing Commander J A Chamier suggested that the best way to demoralise local people was to concentrate bombing on the "most inaccessible village of the most prominent tribe which it is desired to punish. All available aircraft must be collected the attack with bombs and machine guns must be **relentless and unremitting and carried on continuously by day and night, on houses, inhabitants, crops and cattle.**" **"The Arab and Kurd now know"**, reported **Squadron Leader Harris** after several such raids, **"what real bombing means within 45 minutes a full-sized village can be practically wiped out, and a third of its inhabitants killed or injured, by four or five machines which offer them no real target, no opportunity for glory as warriors, no effective means of escape."** In his memoir of the crushing of the 1920 Iraqi uprising, Lieutenant-General Sir Aylmer L Haldane, quotes his own orders for the punishment of any Iraqi having weapons "with the utmost severity": **"The village where he resides will be destroyed, pressure will be brought on the inhabitants by cutting off water power the area being cleared of the necessities of life"**. **He added the warning: "Burning a village properly takes a long time, an hour or more according to size"**. Punitive British bombing continued through the 1920s. An eyewitness, Saleh Umar al Jabrim, describes a raid in February 1923 on a village in southern Iraq, where bedouin were celebrating 12 weddings. After a visit from the RAF, a woman, two boys, a girl and four camels were left dead. There were many wounded. To please his British interrogators?, Saleh declared: "These casualties are from God and no one is to be blamed." **One RAF officer, Air Commodore Lionel Charlton, resigned in 1924 when he visited a hospital after such a raid and faced armless and legless civilian victims. (Admirable humane guts. OV Ed.)** Others cared less for those under their control. "Woe betide any native [working for the RAF] who was caught in the act of thieving any article of clothing that may be hanging out to dry", wrote Aircraftsman 2nd class, H Howe, RAF Hunaidi, Baghdad. **"It was the practice to take the offending native into the squadron gymnasium. Here he would be placed in the boxing ring, used as a punch bag by members of the boxing team, and after he had received severe punishment, and was in a very sorry condition, he would be expelled for good, minus his job."** **At the time of the Arab revolt in Palestine in the late 1930s, Air Commodore Harris, as he then was, declared that "the only thing the Arab understands is the heavy hand, and sooner or later it will have to be applied"**. As in 1921, so in 2003. (**Churchill** also said: I do not understand this squeamishness about using gas. I am strongly in favour of using poison gas against uncivilised tribes, the use of gas, as a scientific expedient, should not be prevented by the prejudices of those who do not think clearly. How long shall Our Folk be conigned to let ghoulish rulers self righteously condemn, e.g. Saddam Hussein, and commit such heinous **War Crimes in our name**, making their victims **retaliatively hate us.** OV Ed.)

In Jane's June 1979 "CHOICE" RACE MADNESS Prior to the last General Election a Questionnaire was submitted to the Parliamentary Candidates by Opinion Research Centre. The first question asked candidates to say how important they considered each of 14 political issues listed, to be to the voters in their area, of which No 10 was "Improving Race Relations". Except for Question 2, all the remaining 7 concerned immigration, only West Indians and Asians being specifically mentioned, showing plainly the obsessive preoccupation with coloured immigrants and worsening race relations. The following are the 7 Questions: Q.3. Thinking now of certain issues at a national level, there are a number of things which some politicians have been saying which might affect West Indians, Asians or other ethnic minority groups in this country. Do you support or oppose the following issues? i) To make all West Indians, Asians and other minority groups living in this country return to their native country. ii) To draw up a register of West Indians, Asians and other minority groups, who are eligible to come to this country. iii) To ensure that West Indians, Asians and other minority groups in this country are treated the same as white people. iv) To encourage West Indians, Asians and other minority groups including the children born in this country to return to their native country. v) To encourage West Indians, Asians and other minority groups to actively participate in the activities of the community as a whole. Q.4. Are there any other national issues concerned with community or race relations, which you as a candidate consider to be particularly important? Q.5 Do you think West Indians, Asians and members of other ethnic minority groups should be encouraged to take a more active role in British politics? IF YOUR ANSWER IS 'YES', PLEASE GIVE YOUR REASONS BELOW. In which ways should they be encouraged? IF YOUR ANSWER IS 'NO' PLEASE GIVE YOUR REASONS BELOW. Why not? Q.6. Which of these methods of increasing the involvement of West Indians, Asians and other minority groups in politics would you favour? Getting more involved in the present political setup. Having their own party Neither of these Q.7. Do you think feeling between coloured white people is getting better getting worse or remaining the same? a) your constituency, b) the country as a whole, Getting better Remaining the same Getting worse Don't know Q.8 What is your opinion of the present Race Relations policies in this country? Q.9. What ways, if any, do you think the present Race Relations policy can be improved? From the outset, in 1948, when the then Prime Minister Atlee shrugged off the totally unexpected, imminent arrival of the first boatload of West Indians to the present wave of Boat People, the politicians have completely ignored the indigenous population and their idea of compassion is as crooked as their one-sided view of race relations. Do they really believe that taking opinion polls in 1979 will avert the disaster that threatens Britain? Following is a City of Westminster Councillor's idea of humanity and wisdom: Thank you, for sending me a copy of your periodical "Choice". I must tell you that this reflects my personal views for I firmly believe the concept of a free and democratic multi-racial society not just for Britain and Europe, but for world. This will be extremely hard to achieve and countries like Great Britain can provide a tremendous example of humanity and wisdom. Having said that, I am of course sympathetic to views of many individuals who feel they are in the words of Mrs. Thatcher, "swamped" by the waves of immigrants to this country. Nevertheless with so many other social experiments from the industrial Revolution onwards, the goal of a multi-racial society is a fine one to aim for. (Here one of our aloof ruling asses (Supposed to be our servants) snidely tells us in democracy's name to keep our gobs shut, for Our Folk's will is not their policy, as we are but guinea pigs for their social experiments. How long will Brits be such twits as to accept being dictatorially treated as guinea pigs, in democracy's name, by our self salaried etc. so called servants? OV Ed.)

GLADIATORS Friends! As Nationalist unity must be the common denominator Against those trying to divide our Folk Family to be our conquerors Tho we may differ in some ways of how to conduct the war To win for Selves and Folk freedom from predators For we must like all true Brit Folk Loyalist to the core Yearn to drop Folk Traitors through a gallow' s door While kicking the usury etc. parasites from our shores And sending home their mass imported cheap labour With phony asylum seekers 'legalised' by alien loyal judicators Who are importing Troy Horse divisions of Our Folk's exterminators After wilfully rearing Which we can only win by being action fired gladiators Not suckers assured we can surely win as electors By which hoped time we will be killed off by the alien predators For like the red squirrels who have by the greys been taken o'er Our Folk are on the brink of extinction **which is for evermore** And as predators naturally devour with scorn concil- iators We must more witheringly outwit and destroy the invading predators Caring no more for their human rights than they do for our lores Which daily they increasingly more haughtily abhor As conquerors taking us and our land o'er more and more Earning their scorn for being such cowed kowtow retreators And for cross breeding with the invaders as Race Traitors Considered to be pariah 'good doers' who do their kinfolk dishonour Derided as Lenin's "Useful idiots" lured to help be their Folk's liquidators Unworthy of our forebear's valour earned name of Folk Loyal warriors So we must not let Zionists fool us into being Our Folk's deviators By stiffly being "We can win the next election" propagators As if in a tete-a-tete tea party of agreeable neighbours Seemingly unaware **we are in a bloody world wide war** In which the Zionist divide and conquer nations like pitiless conquistadors Booting and shooting any who resist the looting by the conquerors As they have done in e.g. Germany that they still occupy as predators Using their Zionist brained US headed NATO armies to enforce their reign of terror To democidally exterminate the Germans thru the mass import of alien labour While reparatiously bleeding them slyly to death's door For a said holocaust without the right to question their allegors Who have via their usurious finance perforce become imperialist propagators Making them the earlier holocaustic world wars' profited instigators And as seen in the Balkans, Afghanistan and Iraq thru their skulky preventive wars In which how many innocent folk their 'brave' bombers can rapidly murder is the score They now aim to mop up any Folk still against the Zionist reign of terror Deadlier for the world's Folk Families than any threat of it before As it is a many little wars' war to decide if Our Folk will live or not anymore So whoever still thinks Folk unwilling laws they should honour Despite them being made by alien loyal legislators Should remember nature's basic law to any wanting to live as free survivors "Liberty can only be won by breaking laws and forces that uphold dictators" Thru having the wits and guts to fight by all means to death's door To preserve Our Folk by destroying any aiming to be our exterminators As now, Our Folks "To be or not to be" begs an answer from our souls' advisors Of whether we be buried into history as cowed collaborators "Or take up arms against a sea of troubles" and bury Folk Traitors "And by opposing them end them?" with our Zionist dictators To stop Our Folk being exterminated by the sly genetic democidors And so be our alien yoked and choked Folk's liberators By having the wits and guts of **Folk Loyal Gladiators** CM 21.10.2005 FPW

By the way; all the present natural inbred species of life have reproduced over millions of years without losing their identity and virility, therefore it's a lie, spread by parasite propagandists, who say inbreeding causes the weakening and death of a species, for it's caused by stronger predators or inbreeding of e.g., un-naturally kept alive, weak domesticated animals; people and other species on isolated islands, who spread their mutated (*Oftan cross bred made.*) debilitating or genocidal genes thru the species, as do tyrants' pacified humans, who have been cowed to tamely serve parasites and so breed and foster fellow flunkies, to serve e.g. the Pseudo-Jew Khazars, the slyest of predators, who lure their victims to believe their devourers are their saviours. i.e.. The Pseudos were the main shippers to America of African slaves { *Whose chiefs selling of them into slavery pales against the titanic scale of the present Folk Traitors' treachery, that betrays whole Folk Families into colonised slavery under the multi mixed race enforcing, democidal Pseudo Jewry.* } whom they now pretend to be freedom fighters for, as the Zionist bosses usury bleed the African peoples to death, having been lured as economically enslaved peanut paid cheap labour to mine etc. their African homeland' s great wealth for their vampiric, alien, robber rulers to own, by terrorising the natives with their bought, **many sadistic bullies,** militias' guns. FOLK FORUM for letters and articles fostering United Folk Patriotism for **UNITED WE WILL LIVE AND DIVIDED WE WILL DIE** and it's urgent to help stop Our Folk being in a few years dodoed into oblivion by alien loyal democidic ethnic extincers driving us to commit Folk Suicide by multi mixed race genetic genocide to be cheap labour and cannon fodder in our country now a colony in the paranoid megalomaniac Self Sanctified "God Chosen Race" Pseudo Jew Indo-Turk Khazar Capitalist and Communist Comrade Commissars' World Webbed Imperium of Usury helped by their bought and viler flunky Folk Traitors who our forebears would have rightly shot and cast out their invited invaders for Folk Traitors are life's worst scum, foulest of foes and most heinous of racists for they gladly betray their kin and Folk Family to be sapped then bloodily annihilated in favour of a ruthless alien race of parasite dictators who live by bleeding till dead the producers for the fruits of their work thru ruling over their mass medias' penned sheepish flock of toady collaborators whose cowardly way of trying to please our insatiable leechers is causing Our Folk's oblivion that we can only end by being a Folk Faithful unity of devoted activists with the wits and guts to when able with all non self destructive means take control of our economy to get the military, political, cultural power without waiting for a messianic leader to win the majority of our kinfolk's hailing of Our Loyal Folk's Victory to survive and thrive forever freed from this class caste flunkey ranked slavery for we prefer to fight to make the parasites commit their own suicidal Final Solution by we economically etc. helping fellow producers to win the inevitable Decisive Conflicts to live and die worthily freed from slavery in a Grimm's mass media mind muddled and Pied Piper led into Carrolls' Wonderland believing our leechers lies as in Andersen's "The Emperors New Clothes" while existing on an Orwellian "Animal Farm" as unequally equal guinea pigs in a scientific social psychology run lab, propagandised to think we live in a democracy anthing "God Save Royalty" having been Big Boss carrot and stick driven to exist on booze, pom and balls to be cattleised, lovelessly lab bred, cloned, biocomputerised peanut paid en-gene-ered robotic slaves vacuously serving a leechy tribe of elitist parasites as their conned toady idiots used to gain their world power aims as a self haloed God Chosen Race and Churchill's ("Popular Science" June 1925)? writ wish that maybe made Huxley novel it in his 'Brave New World' which is evolving rapidly

OUR CAUSE Like other parties in history we the **Patriotic People's Power Party (PPPP)** were born to fight for Our Folk's desire to survive and thrive by destroying the evil threatening to exterminate us against which we shall use our media etc. to foster as our name betokens Folk Loyal Nationalism i.e. Folk Family Unity or Folk Fascism which name the puppets of Zionism (**Parasitism, Racism and Imperialism's peak**) can call we giving us no shame for it is one of the **few** names that **embodies an anti parasite politic that the leechers express fear of** as most others e.g. Conservative, SWP, Labour, Communist are just our leechers' loving carrot and stick parties whom as their money masters' voices howl against Fascism in their phony democracy's name ironically snorting against our urged Populism i.e. **Sober Majority Folk Willed Rule (The only real democracy)** that they attack thru their medias' daily lies against us now backfiring on them to give us good free publicity that is winning over their disaffected who less vote for the cosmopolite parasites' puppets and are rightly turning to us saying **As you Fascists are our parasites' most feared foes then you must be we producers best friends who say we must bury our leechers to the reign over our made wealth gain.** This Folk Positive Propagation trend is making our Folk Traitor rulers tear out their hair in despair for in their haste to bury Our Folk Identity that unifies us in our fight against being suicidally genetic genocidally etc. bred into multi mixed race cheap labour they make draconic laws against us and abusively call our Folk Patriotic Civil Servants, Military, Police "**Institutionalised Racists**" for as Europeans having, like all true Orientals, Africans, Asians etc. healthy natural species of life an instinctive self preservation **Natural Patriotism** to serve and preserve their Caucasian kith and kin for which cause the PPPP exist aware that we will be ruthlessly opposed by our treacherous foes who like we must fight (**As nature only accepts those having the strength to exist**) to decide whom will rule in our land the Parasites as Our Folk's exterminators or we Producers as Our Folk's propagators **So Parasites, Folk Traitors, Toady Collaborators** heed this warning: **The Souls of Folk Patriots** you hunt, torture and murder expect their kinfolk to avenge them as they would them in **this holiest of wars you started for Our Folk to be or not to be LIVING AS A FREE FOLK ETERNALLY**

OUR AIMS The survival of our lands' genetic, history, cultural, geo united Folk needs the undivise strength of an ethnic (W)elsh(Irish)(S)cots(E)nglish run and owned **Republican Confederal Britain** with a united outer military, economic, political, cultural defence based on the max inner unity of **Competitive Producers'** anti usury/pollution run cooptivist industries; **Humane** social welfare; **Co-ordinated** laws for Our Folk's best (*Or we can be divided and conquered*) to reduce crime etc. For which the Irish need to unite before cosy chaired 'Good Doers' and FolkTraitors (Who even con their kin by claiming to be Folk loyal Socialists whom they stab in the back by greeting more Capitalist leechy aliens in,) make the Irish **bury themselves - As duped Brits in other parts of Britain are doing** - unless the leechers are rooted or as needed booted out by our retrieving the wealth they robbed from Our Folk to pay their transport home. "Nazis steal our hard earned wealth" We hear the **sly** leeches wail. **That the pitiless robbers gloatingly bled out of their bled till dead pauperised producers.** Ref: The EU etc. We are for a world money but not one worthed by leechy Soro speculators who bleed countries into being their colonies and, **as if sheep,** fleece the producers of their work's worthed money, so we urge Our Folk to **KEEP and DO AS THEY LIKE** with **THEIR WORK'S MADE MONEY**

OUR VOICE As a media of the PPPP = PATRIOTIC PEOPLES POWER PARTY so you can help us be viable TO VOICE OUR FOLKS WILL we ask Folk Loyal organisations and persons to buy their legally responsible say and so add YOUR VOICES to make 'OUR VOICE' heard on most anything (*With a truly named etc. SAE to be kept secret and only published as you say and per word and number pay for*) in notice, articles, letters etc. that will stay the author's copyright outside their use by 'OUR VOICE' and its affiliated. **Verified Paid** ads got after 1 week before our publication will most likely have to wait for the next publication. **Ads discounts** = 15% between 5 to 25; 25% to 50; 35% for any over 50 issues of 'OUR VOICE' whose public sale price + **add any post** cost is 25p; a 12 issue subscription £5; **Bulk buying** discounts = as the above Ads. **Half of early** returned issues will be refunded **Overseas Buyers and Advertisers** need only add the air or sea postage costs to the above stated prices and pay us in British money by Travellers' Cheque < **This c. sized 187 words** at our VAT incl. price of 25p per word/number (*c.75% less than other papers*) would cost **£46 + £2.pw** for a BOX NR. to be paid only by **cheque or PO** (Cartoons, pictures, styled adverts etc. will be at consulted prices) At postage cost all pw mail can be posted to the advertiser

Any articles sent (We may publish anonymous ones **the senders hereby knowing they will lose their payments** if we do not publish them) will only be published by 'OUR VOICE' or its affiliates if their editors think them within their mores and acceptable to their FOLK LOYAL readers who as we accept that life is the strife to survive and thrive even among the human race made of history's evolved life enriching many varied cultures, tongues, races, ethnics that to feed etc. their growing folk numbers are territorially etc. expansive so we must each be co-operatively protective of own survival and maybe our evolved continuity in a confederal world order thru a peaceful merger of economies, tongues, cultures etc. for which reasons we will resist any favouring of life's most ruthless predators i.e. **Parasites and Folk Traitors** who for self profit spread their **folk debase and erase** perversities resulting in the deadly AIDS whose sodomic carriers are kept alive to more spread love's death and fairly dance on the streets demanding (**From our parasite yoked folk who dare not against them talk**) more Human Rights to murder Humanity plus we have MAD COW DISEASE ETC. (Factualising the old saying: "**WHOMEVER THE GODS' WISH TO DESTROY THEY FIRST MAKE MAD**") and the agitating of the world's races etc. against each other to divide and conquer us and make us peanut paid multi mixed race cheap labour and cannon fodder slaves serving a leechy anti social welfare usury bred and fed self sanctified "**GOD CHOSEN RACE**" of PSEUDO JEW KHAZARS whose **DEMOCIDIC PROPAGANDA AND DRACONIC ANTI FOLK POWER LAWS ETC. PLUS IN WORK AND IN WORK AND WARS BEING BLED UNTIL DEAD FOR THEM** have weakened many of Our Folk's wills to survive and thrive and so they must be revived out of their suicidal sickness by eliminating our mind poisoners as ruthlessly as they do any sucker folk that swallow e.g. **THE PITILESS PSEUDO JEW KHAZAR CAPITALIST AND COMMUNIST COMRADE COMMISSARS'** WAILING WALL ANTI-RACISM BULL of contradictively (*For they have over many generations bled billions of us until dead as usury bred and fed leechy rulers that they fervently deny despite it being an obvious truth seen in their owning most of the world's top businesses, art works etc. which were leechd from their suckered folk on earth - not got from a god in heaven*) being a persecuted "**God Chosen Race**" that clearly makes their god a racist bigot So any betrayal of our military etc. dead and other undermining of our folk e.g., by favourably publishing our leechers' import of cheap labour (**As only in need will we let aliens be our advisers never Our Folk's supervisors or sports' etc. reps. for if we can't fight to win life's battles then we should be museum stuffed as a dodo folk**) will be tabu and if done will end the editors job as decided by 'OUR VOICE' etc. Elected Guardians for going against their party etc. founders' wishes to preserve Our Folk by winning back control of our economy and so military, political, cultural power to revive Our Folk's natural lust to strife to survive and thrive that is secured by being soul bonded in **Our Folk Patriotic Politic that is religiously spirited in Our Folk Church Schools AS OUR INSULATION AGAINST ISOLATION AND EXTERMINATION**

*This is a FREE OPINION PAPER whose writers and editors are only legally responsible for their given views so if the above is to 'good doers' etc. a too raw sketch of the causes of Our Folk being led down Suicide Rd. and how to change it by burying Folk Traitor rulers (If not too late) to turn Our Folk from the edge of extinction then let aliens bury the fools who have Patriots hunted, jailed, tortured, killed for trying to warn Our Folk via e.g. "Our Voice" which as other Brit media is banned by Folk Traitors from libraries, shops, etc. that boast **AntiBrit** African, Asian, Jewish etc. media*
