HONOR ODR FOLKS DEAD BY

For a greater "CREATIVE BRITAIN" We are half thru an epic year's stew of history that in democracy name, humanity is still drowning itself, in wars with a spread and so chances of using, mass life destructive atomic weapons, plus anarchic sexual perverts self extinction by banning gene hygiene as too disciplinary e.g. quarantining of Aids, that I and others advocated from its start, to no avail, resulting in millions and maybe billions before it buries humanity or save from hideously dying, by the 'cured' being free to spread it. Long ago doctors said diabetes was avoidable by ending its cross breeding, but a "free choice" vocal minority said it "infringed individual freedom" at the cost of many individual's freedom! to live as the freeing of murderers, to do again, and the cosmopolite parasites bought folk traitor politicians enforced folk family, democide, on a scale millions of times more than any alleged holocaust by favouring mass multi mixed race immigration that you'd think 'intelligent' humanity would prevent, but not so, why?

For the majority of humanity are content with the ability to work to give selves and dependants a happy life, but a minority, seek power to dictate their wants be done by others, which naturally the free willed resist, but the more lithe and united parasitical minority win over a divisive free willed individual majority. Which is why, without sinking into the depths of history, W.I.S.E brits can be described as a French Norman conquered folk, who were so brutally pacified as to be a self ridiculing court jester humoured, feudal class caste flunky ranked folk, who toadily sing god save ( their forebears hated ) foreign royalty to reign over them. Now, as puppet crowned and subject 'citizens' of their wilier rulers, the false Jew Khazars, anti goys, Communist comrade com-missars, who have hijacked Judaism and duped into false anti semite Secular Zionism, having turned Jewish law, giving usury loans to we, Zions god's ubermenschen untermensch, heathen, and jail in a world webbed imperium of usury colonised countries, by loaning them into bankruptive debt and so own behind an ironic wail of anti semitism, against any who say they be history's arch crooks and anti semi-tes, as in Palestine, the global hub of their imp-erium of usury wars, that uses its colonies e.g. USA, UK military as bled till dead cannon fodder, to barbarically mass murder bomb civies, whose kin relatively suicide bomb Which usury fed and bred ruthless parasitism can be buried if humanity put its majorities individ freedoms first, in a world of Folk Family loyal employee and employers co-op owned industries, democratic elected proportional job rep Folk Forums, served by social owned banks whose profits, with least or no personal taxes, sustain social needs, e.g. hospitals schools. As the Patriotic Peoples Power Party advises. To make our countries great to live in and so work, fight and die defending it for our true offspring, able to befok the universe FPW

ROTHSCHILD

President – Do you think Benjamin Franklin 1706-90 A Founder of the American Constitution was an Anti Semite for he thought it was the truth about usurious Jews but now would think your family to be folk tongued fake jews pro zionist anti Semites "There is a big danger for the United States of America, this great danger is the ( now Zionist fake ) Jews. Gentlemen, in every land that the Jews have settled in, they have sunk the norm level and lowered the degree of commercial honesty. They have remained apart and unassimilated, and created a state within a state,

B. FRANKLIN

and when opposed they try ( by usury ) to strangle the nation financially as the case of Portugal and Spain. For more than 1700 years, they've lamented their sorrowful fate namely, that they were driven out of their claimed motherland, but gentlemen, if the world today gave them Palestine as their property, most would immediately find pressing reasons for not returning there. Why ? For they are vampires, who can't live amongst themselves; they must live among Christians and others who do not belong to their race. If they are not excluded from the United States by the Constitution, within less than a 100 years, they will stream into this country in such numbers they will rule and destroy us and change our form of Government for which we Americans shed our blood and sacrificed life, property and personal freedom. If the Jews are not excluded within 200 years our children will be working in the fields to feed the Jews while they stay in the Counting House gleefully rubbing their hands I warn you, gentlemen, if you do not exclude the Jews forever, your grand-children will curse you in your graves. ( How right he was ) Their ideas are not those of Americans even when they've lived among us for ten generations The leopard cannot change its spots. The Jews are a danger to this land and if they are allowed to enter they will imperil our institutions – "they should be excluded Whatever we think of Jews I feel they be digging own graves, by letting Khazars be Zionist secular 'Jews' they have accepted the Zionist kapo's made and profited from the holocaust lie and will surely have to pay their victims, in the eternal scorned outcast's future for their propaganda lies FPW

## **OUR FOLK'S CHOSE HOME & LAND tenets for the PEOPLE'S POWER PARTY'S draft CONSTITUTION**

**THE MAJORITY** of free elected individuals choice to be greater than *a minority's force to forbid a query of anything e.g. a war winners alleged holocaust*, whose propagandists forbid to question, *their tear jerked bled victims of £ / \$ etc. billions. That can help the individual's max freedom* from age e.g. 18, *of only one proved residence, they must vote*, to defend their social majority kinfolk's democratic voted will, in this constitution to keep their forebear's fought to death, **grounding**, of this and voted following eternal tenets, to by *We given, Our Republican Folk Family's eternal Constitution, that honours, our world's martyrs who suffered sadistic deaths for civilisation's founding word – QUESTION. So, have the guts and wits to defend it*

**TO WE**, *Each Nature's Race rooted breed*, loyal to ones Folk in lands we have historically won and settled, we democratic Republicans, love to be free from being under inherited royal etc dictators, class caste flunkey ranked subject slaves, *ironically called, "Our rulers said joke" Subject Citizens in a Constitutionless 'Constitution'* Also we want any Imperialist ruled lands to be free from alien rulers, and their immigrant kin, *most imported as cheap labour, by Folk Traitors* into other folk's lands, e.g. Britain. So go to your homeland, *helped willing or not*, to ever have, *as we want in Britain, only their own grown nationals in social office, in loyalty to their forebears, selves and offspring* able to choose any, faith voluntary financed etc or none, whose temples, can only be matched by like numbers of e.g. churches with members *safely* allowed, in their land's origin. These tenets are *to reverse the historical world's Folk Families, of being made extinct, by the ever foxy parasites*, into wild multi-mixed race deformants, instead of nature bred gene clean grown kin, who instinctively are self defensive Folk Families, and are harmonised, against being kept a divisive hysteria guideless mass by creed of greed Folk Traitor rulers, and to peacefully have the unity, skills, energy etc. for humanity to cross its space age hinders to other worlds in a re-cycling eternal universe, against being buried as over populated under fed, barbaric mobs, butchering selves for a *dwindling elements of life, water, oxygen, food.*

**MONEY**, can be a trade rooted and folk measure of their work's worth, so any, above general useful, miserly un-bank registered owner of money, will be guilty of blocking the productive growth of its worth, by increasing its Producer's costs of their work's ware etc., in *Social, Co-op, Private Enterprises on OUR FOLKS MADE LAND whose farmers we aim no more to be bled to dead as slaves by Lordy landlords. As our folk will be the owners of all the land, waters etc. that farmers, and producers of factories etc can long rent from their council who will pay 20% to the state to pay its social services for our untaxed folk's benefit, not parasites, in Folk owned Banks who are kept, by every 4? years elected, anti corruption councils, guarded by Folk Pensioners, to ensure we can pay for our politic to increase moneys worth and loans for instant securities, but never borrow into debt made wars, poverty etc. miseries*, and get a UN World Folk Bank, to agree to world currency exchanges relative to their worth on the world market's highest priced ware, until the UN can guarantee a stable world money of e.g. equal hour pay to the work's worth. *For less the Producers have the guts and wits to keep their made world's wealth, parasite owners of it, despite their propaganda ruled 'Communism' 'Democracy' etc. Will keep the Wealth Producers the Parasites Slaves*

**HEALTH** All wild life has the instinctive physical strive to survive and thrive, but as nature has evolved humans with the best co-opting limbs and wits we have become masters of other life and selves, plus have farm gardened natures fruits, in a tameless riotous universe, in which humanity's number's doom us to *die out on earth or live eternally on the stars* which need healthy gene hygiene clean fertile breeds, to ourselves seed, in state funded, as all folk run social services, e.g. **Public Transport, Folk Health Service**, with self sustained practical economies by e.g. co-optive doctors and other medics, providing only doctor prescribed needed free medicine and hospital ward care with, when able, additional private or charity extra paid for single etc. wards, services having, as all wage graded social employed e.g. nurses, police, military like incomes as their civil employed, not in royalty's reared workhouse minded subject ironic 'citizens' oft dictatorially uncivil servants barked "Be glad with the crumbs master's cast you" oft housed as swine in tight, gloomy towered/streets by 'architects' sunless, greenless slum ghettos

**MILITARY**, due to the reality that, we humans can criminally be bad for selves and others, we need armies, police, ambulance, lifeboat etc. personnel whose rank rose leaderships will, as all social services be elected every e.g. four years by their staff, of civil servants police chiefs, majors, judges, generals etc, who are approved or discharged and socially directed, e.g. war or peace by their relevant national or local Folk Electorates to forestall any Folk Traitors back stabbing **Troy Horse** treachery by importing so said refugee immigrants, of whatever age, less *they are not cheap labour* and a only allowed to get 3 year granted stays as guests, never to be given voting power, or in numbers that threaten to faster breed and so over rule and democidally make extinct the host folk e.g. Brits etc. *who best wake fore, the self god chose race, prefers to employ their bred flunkey monkeys*

**JUSTICE** – *Is the cement of our folk banks total ownership of our wealth's created worth; Individual and social freedom; Federal unity of Folk compatible diversity; Economic etc. betterment's just reward. To be by only Our Folk's elected fit Legalists whose folk juries may or not accept a sentence of any judge, who may leave it to Folk Period Prime District Judges, to be the nation's 4 yearly Top Judges liable to the National Folk's Forum made of a 4 yearly Senate, a following 4 yearly Legislature followed by a max 7 year, state of the nation's summary, decisive vote, Folk Agreed emergency Presidency, to a united like Folk Family won Folk Referendum under the Constitutional and Folk Lobby Period Laws e.g. the death sentence for none self defence death of another, the sentence to be as just as its killer thought just for their victim, e.g. by a victim's relative, whose spirit and kin can know justice has been done, rather than being unjustly kept in hell knowing the murderer is kept alive to enjoy a gloatful life, knowing they can be free, again to murder, whose freed's crimes. their free'ers should serve like just sentences*

**EDUCATION** in schools with teachers and elder students able to guide their fired questioners, not as duffer dumb stuffed soft sausages, but as glad folk able to face truths, not the parasites lies, and so enjoy life's fought, lost or won challenges as exercises

**MEDIA** To be owned and freely print Equal spaced Pro / Con our world opinions and None Personal provable Private ones. in own lands e.g. Britain, and other folk's media to be reciprocally imported and sold, *if not used to undermine our folk's will*

**CULTURE** Before our country was alien occupied and many by it deformed, We must revive our Folk's evolved tolerated ways / traits, arts' crafts, worthy to have the wits and guts to keep Our Folk's regenerated racial identity through Our Eternal Universe

**BILL OF RIGHTS** *Any historical or international All Life Rights – Not Against Our Constitution's Eternal Ones, to be our folk's freely elected or rejected ones e.g. We aim to end censorial librarians. Plus profiteers of charities who oft use war etc. to exploit its victims. And end bad communications, by the guilty, for its unproductive time taking robots, oft 'not knowers' etc instead of humans to speak to And have SLUM 'Architects', Mayors charged for Children denied to Play or in fear of gays*

**THIS A BRIT'S DRAFT** constitution for British Folk to choose or better, and any Folk Families like for any anti parasite's benefited world and worthy achieved, *Gloriously entered eternal universe, with maybe peaceful happy compatible life F.P.W*

The why Christ was born to be crucified Is for he was a true gutsy man Who in life the usurers he defied By whipping them until they ran In terror from the temple into the street Where into the social sewers they did retreat From Christ who made a stand with whip in hand **Knowing the basis of social poverty Was the usurious money lenders robbery Of the folk under their loan's yoke** Due to the zionited priest's lie of what a god spoke Saying it gave the Self Chosen Racists the right to their leechd choke. **Against which brave Christ did with force speak For he was not so weak as to turn the other cheek As the zionited priests preach To their lured flock falsely teach To make their cowed love their enemies And accept being ruthlessly leechd** As Zion's eternally bled till dead toadies Yet most of us still fall into the trap Of believing our leechy rulers "Love your enemy" crap That must make Christ's soul snap On seeing we most still be our leecher's work and war saps **For against usury blessed Judaism he spoke and acted, which resurrected him thru his word folk appealing ideology's economic base of Christianity and by it, contrary to only aristocracy's Greek one, total folk democracy, that he crystalised in his "Eye of a needle" and we are all equal to God, that was a total break from Judaism's usury, raising the believe God made men and women to complement and benefit each other, and none were chosen, for such teachings he was crucified**
