The coincidental rise and evolved co-operation of the humane motivated invent ors of machines and materials, to make life easier, and that of the creed of greed realists usury Pseudo-Jews who cleverly created their security, by sheltering within their unifying hijacked religion and using their combined usury to get maximum rule over the sources of food for the body and mind, i.e. money and its bought and monopolised media, to forcibly lure their victims to help their parasite rulers gain world power as they migrated along the trade routes, mostly from Eastern into Western European lands, which have the raw materials and the Greek/Roman Christian founded, most favourable social tolerant and investigative climates, is a fantastic historical evolution that created Capitalism and gave humanity the means and strength of industry to use nature's powers, that has given humanity many benefits e.g. material knowledge, communications, transport, medicines etc. which, as atomic power that may be the only means of taking us into the universe, can also be misused to cause terrible suffering by mass murder wars, unemployment etc.. Maybe some of Capitalism's maturing woes were unavoidable, due to the inherent expanding dynamic of earthly Capitalism clashing with the sloth and enslaved minds of a humanity long fettered in Feudalism's mythology, biblical bigotry etc.. Whatever, Capitalism unwittingly { **As its motive is personal greed.** } was a great social advance, whose mass production of the needs and luxuries of life gave greater material wealth to most and political power for the realistic capitalists { **And a little to the producers thru their**, earlier uncorrupted, **spunky unions.** } to break the feudal lords' more direct slavery run monopolised economy of land ownership, and their puppet priests spread religious manured and myth fostered murky minds, haunted with suspicions and superstitions that are the economic and ideological base of feudal political and cultural power, and founded some principles of Democracy thru bloody revolution, for no old rulers ever peacefully give up the perks and luxuries of power, as nature demands that the new must be the stronger to survive. However, Capitalism has passed its productive peak that could luxury feed and palace its parasitical rulers; satisfy the profit wants of its investors; create:- maintenance and expansion capital; feed and clothe the producers etc.. Now, Usury Capitalism has not the, leecher free, money to sustain itself, and is in its death throes; { *e.g. This vile government has turned Britain from being the world's cradle of our industrial civilisation into one of the world's worst service stations whilst genetic genocidally replacing its native population with alien immigration, boding bloody inter ethnic war, that they must be tried for.* } for its parasitical rulers have seized the world's accessible wealth and can get no interest by investing in their usury colonised countries debt ruined industries, which cannot make wares as the workless cannot earn the money to buy them, so the farms and industries are not even able to feed the physical / mental needs of the world population, whose explosive growing numbers, of the dire hungry, will cause huge folk migrations, bloody revolts etc., due to the cowed folk's bowing to the usurers' ruthless politics, which now desperately tries to cull e.g. homeless/hungry children, unemployed, Folk Patriots in some lands, by death squads or armies of mercenary murderers, in localised holocaustic mopping-up wars, as the arms profiteering ghouls now try to avoid making world wars, instead they use totalitarian State Assassin Squad terrorism, for they could bury themselves as well as their expendable cannon fodder and innocent victims. **Cont. coming issue**

**IN Jane's April 1978 "CHOICE" Cont. from prior OV:
Letter to the Sunday Telegraph 12'3'78**

Sir,

The "sound of fury" to which Mr Evan Luard, M.P. referred in his letter comes from Mr Callaghan and his friends, not Mrs. Thatcher. All she said was that the number of further coloured immigrants to be admitted should be discussed and that perhaps new measures should be taken.

Mr. Luard says "immigration today from the new Commonwealth and Pakistan is almost entirely confined to dependants of those already here and the United Kingdom passport holders from Africa.... (both categories will in any case come to an end within the next few years)." How many years is "few"? Have the "dependants" been named and counted? If not, how can it be known when this category of immigration will cease?

Most remarkable was his failure to mention the importation (in return for which cash is often paid to the importers) of both male and female marriage partners. Mr. Luard and others should read the marriage advertisements in leading Indian papers. What would happen if every Indian male and female imported a spouse from India? Quite often the advertisements in the Indian paper specifies "no caste bars." In view of Hindu principles, these words raise the question whether the marriage proposed may be just a sham excuse for entry.

Lastly Me. Luard says the pronouncements of Conservative leaders are "likely to arouse the maximum fear and apprehension among the ethnic minorities in this country." I cannot for the life of me see why, nor have I seen or heard the least evidence for supposing anything of the sort. Perhaps I have missed something. Some white natives (though not Mr. Luard or Mr. Roy Jenkins or myself) have suffered severely as a result of colour immigration. For this reason further immigration should be discussed to see whether new measures are required. — Charles Pickthorn, London W.1

HOW VERY ODD! Isn't it extraordinary that when men of different tribes and races jointly find a solution for Rhodesia, multiracialists in Britain refuse to accept it?

who I can or can't hate. While I honestly can't think of anyone I do hate, I ought to have the freedom to hate the individual, or group, of my choosing. **But** Canadian hate crime laws are nothing more than ways to silence criticism of certain protected groups, particularly Jews and homosexuals, and are based on how that group feels about something rather than what supposed crime has been committed. There is no right under the law which guarantees you mustn't be offended. **It became** increasingly hard for me to accept that the Canadian people had allowed their right to free speech to be stripped from them with hardly a whisper of opposition, and I deeply resented the inability to speak my mind without fear of legal repercussions. As you can probably surmise, I am an opinionated woman and I chafed under the constraints placed on me. **Multiculturalism** was another bone of contention for me, particularly when the Multicultural act was brought in by a supposedly conservative Prime Minister in 1988, namely Brian Mulroney. While I can understand that Canada is mix of different races and ethnicities, I hated having to embrace all cultures in the mistaken assumption that they are all equal. They aren't. And I refuse to embrace other cultures at the expense of my own, especially if those other cultures are third world, backwards and barbaric. **Canada** was founded as a nation comprised mostly of people of white European descent, and at the current rate of immigration from third world countries, it won't be long before they are a minority there. Canada is in negative population growth by birth, and the unfettered immigration that they allow from less developed countries, thanks to their insanely lax immigration laws, will eventually lead to white Europeans being outnumbered by third world dreck. Vancouver, a large city on Canada's west coast, already has an almost 50% Asian population and Toronto is close to a 50% visible minority population. Current predictions are that people of white European descent will be in the minority in Canada within forty years. **In recent** years, Canadians have seen the legalization of gay marriage and the addition of sexual orientation to their Hate and Genocide Laws, which could, potentially, brand the Bible as hate speech. While I don't think homosexuals should be mistreated or discriminated against, I also don't believe that it should be possible to enact laws which exclude them from criticism. I don't hold any particular animus towards gay people, I simply believe that gay marriage is just another attempt by radical homosexual activists to destroy the very foundations of our society, the sanctity of marriage and the traditional family. **Taxation** was approaching punitive levels in Canada, the health care system was in deep trouble and the education system had failed our children. I felt that it was only a matter of time before we would be seeing the advent of legal physician-assisted suicide, a scary proposition in a country with universal healthcare and an aging "baby boomer" population. I didn't want Canada to go the way of the Netherlands where involuntary euthanasia is common place and committed with impunity. **I was** disturbed by the fact that the Canadian Charter Of Rights And Freedoms made no provisions to guarantee the right to private property, nor did it provide for the Canadian people to arm themselves if they so desired. Unlike the founding fathers, who understood that weapons were the last resort against a tyrannical government, Canada had provided no means for Canadians to protect themselves from such tyranny. **While I** don't consider myself unduly paranoid, it did disturb me that without a right to private property or to bear arms, the government could easily have become a totalitarian one and we would have had no defense against it. That, among other things, made staying intolerable. What most Canadians are not aware of is that Socialism, aka Communismlite, cannot exist without tyranny. It flies in the face of human nature and has never succeeded because it can't succeed. **It would** appear that the vast majority of Canadians pride themselves on being "progressive," "tolerant", "diverse" and "multicultural," I understood that those very things would sound the death knell for Canada as I used to know it, and I was right. The Canada of my youth is gone. She no longer provides the majority of peacekeepers around the world; she has a military that has become a laughing stock, even in Canada, with its outmoded and antiquated equipment. Not only could she not defend her own borders, should the need arise, she would be unable to handle a natural disaster on a large scale. On top of that, they allowed the Canadian Jewish Congress to drive prayer out of their schools and to allow for stores opening on the Sabbath. Christmas is being driven out of the schools there, as it is here, but at least here I still have the right to grouse about who's behind it without fear of criminal prosecution. **Canada** also allowed herself to be dragged into the conflict in Afghanistan in order to free up more American personnel for the war in Iraq, but they are seeing too many Canadian deaths in that third world backwater and most Canadians are unhappy about Canadians dying, although I'm sure most are not aware of the fact that they are dying for Israel. It is my strong belief that their current Prime Minister, ostensibly a Conservative, is, in reality, a neo-conservative who will pander to Israel at any and all opportunities. **It wasn't** until I was well into my "journey" to discover the truth about the "Jewish question" that I began to realize that I might have no other choice than to leave the country I was born and raised in, and the country I loved, despite her many faults. Once I knew which group was behind the social engineering, and the policies meant to destroy us, I knew I couldn't stay in Canada where I could run afoul of the hate crime laws for simply expressing my views on this issue. How is one to see society crumbling around them, knowing who is responsible for it while saying and doing nothing? I couldn't live with that. **I also** knew that a very large percentage of Canadian sources for the dissemination of news were owned by a Jewish conglomerate, Can West Global, who have an official editorial policy that there can be no criticism of Israel. I don't want my news censored and I certainly don't want news that protects Jews and Israel from any and all criticism, no matter how much that criticism might be warranted. Of course, to protest the monopoly on the dissemination of news and who's behind it would simply not be tolerated. **I miss Canada**, and I probably always will. My fervent hope is that she will be pulled back from the brink before it's too late, but I hold out very little hope of that. Canada is gone, and it will only become worse as minorities begin to outnumber those Canadians who are of white European descent. With a military that has become a laughing stock and her increasing irrelevance in the world around her, I believe that the Canada I know and loved is gone. **The sad truth is**, Canadians have only themselves to blame since they meekly chose to accept everything without question and without fighting back. Most of them even pat themselves on the back for being so "progressive" and "multi-cultural" and "diverse," while failing to recognize that all of those things will bring about Canada's demise. America may not be perfect, but at least there is a strong conservative movement and a population who will fight to keep their rights. **Now that** the US is trying to bring in hate crime legislation, which would silence free speech in this country as well, I may have to move again, since I refuse to live in a country where I can be fined or jailed for holding an opinion and expressing it. I hope and pray that the current hate crime bill is stopped in its tracks, but I fear it will happen eventually, and when it does, we are done. When free speech is dead in the last bastion of free speech, we will know that all is lost. **I only hope** it doesn't happen in my lifetime. **Or** in my children's

Jayne Gardener

July 24, 2007 Why I Left Canada By Jayne Gardener **People** often ask me why I felt the need to uproot my family and leave Canada for the United States. It's a complicated issue, and one that both my husband and I gave a lot of thought to before we finally decided that Canada was no longer the country it used to be and that it would be in our best interests to leave. **I honestly** felt like a traitor at first, as though we were abandoning Canadians such as Paul Fromm, Doug Christie and the many people Mr. Christie has defended as one of Canada's most ardent supporters of free speech. **But**, ultimately, I felt that we had to do what was best for us as well as for our children if they were to have promising futures, and so, after a great deal of soul-searching, we decided to leave. **It wasn't** just that Canada was moving far beyond Liberalism and into Socialism, which was alarming enough, but, with the advent of insane political correctness that had taken a chokehold on Canada, I could see the writing on the wall that free speech would invariably, at some point in time, be a thing of the past. **And I** was right. For anyone who isn't in the know, free speech is dead in Canada, despite citizens having a right to free speech as guaranteed under the Canadian Charter of Rights And Freedoms. Although Holocaust "denial" or reductionism isn't a crime per se, denying the Holocaust while blaming Jews for the social upheaval we're well aware of will, in many cases, land you right smack in front of the Canadian Human Rights Tribunal, created in 1977 and where truth is not a defense. **Yes**, in case you wondered, you heard me right. Canada has a tribunal where you can be found guilty, even if it can be proven that what you have said is the absolute God's honest truth. In other words, if you are accused of a hate (thought) crime, you are guilty before your case is even heard. **Coming** before the tribunal is like being put on trial for murder where the jury is comprised of the family members of the victim. Not exactly a fair and impartial means by which to impart justice. There is no freedom without the freedom to speak what's on your mind and I am a firm believer that a right granted to the people should not be ripped away in the name of "tolerance." **While I** certainly don't think anyone has a right to commit violence against a particular group or to incite others to commit violence, I can see no logical reason why the government of Canada should be allowed to determine

OUR CAUSE Like other parties in history we the **Patriotic People's Power Party (P PPP)** were born to fight for Our Folk's desire to survive and thrive by destroying the evil threatening to exterminate us against which we shall use our media etc. to foster as our name betokens Folk Loyal Nationalism i.e. Folk Family Unity or Folk Fascism which name the puppets of Zionism (**Parasitism, Racism and Imperialism's peak**) can call we giving us no shame for it is one of the **few** names that **embodies an anti parasite politic that the leechers express fear of** as most others e.g. Conservative, SWP, Labour, Communist are just our leechers' loving carrot and stick parties whom as their money masters' voices howl against Fascism in their phony democracy's name ironically snorting against our urged Populism i.e. *Sober Majority Folk Willled Rule (The only real democracy)* that they attack thru their medias' daily lies against us now backfiring on them to give us good free publicity that is winning over their disaffected who less vote for the cosmopolite parasites' puppets and are rightly turning to us saying *As you Fascists are our parasites' most feared foes then you must be we producers best friends who say we must bury our leechers to the reign over our made wealth gain*. This Folk Positive Propagation trend is making our Folk Traitor rulers tear out their hair in despair for in their haste to bury Our Folk Identity that unifies us in our fight against being suicidally genetic genocidally etc. bred into multi mixed race cheap labour they make draconic laws against us and abusively call our Folk Patriotic Civil Servants, Military, Police "**Institutionalised Racists**" for as Europeans having, like all true Orientals, Africans, Asians etc. healthy natural species of life an instinctive self preservation **Natural Patriotism** to serve and preserve their Caucasian kith and kin for which cause the P PPP exist aware that we will be ruthlessly opposed by our treacherous foes who like we must fight (**As nature only accepts those having the strength to exist**) to decide whom will rule in our land the Parasites as Our Folk's exterminators or we Producers as Our Folk's propagators **So Parasites, Folk Traitors, Toady Collaborators** heed this warning: **The Souls of Folk Patriots** you hunt, tor- ture and murder expect their kinfolk to avenge them as they would them in **this holiest of wars you started for Our Folk to be or not to be** **LIVING AS A FREE FOLK ETERNALLY**

OUR AIMS The survival of our lands' genetic, history, cultural, geo united Folk needs the undivisive strength of an ethnic (Welsh(I)rish(S)cots(E)nglish run and owned **Republican Confederal Britain** with a united outer military, economic, political, cultural defence based on the max inner unity of **Competitive Producers'** anti usury/pollution run cooptivist industries; **Humane** social welfare; **Co-ordinated** laws for Our Folk's best (*Or we can be divided and conquered*) to reduce crime etc. For which the Irish need to unite before cosy chaired 'Good Doers' and FolkTraitors (Who even can their kin by claiming to be Folk loyal Socialists whom they stab in the back by greeting more Capitalist leechy aliens in,) make the Irish **bury themselves - As duped Brits in other parts of Britain are doing - unless the leechers are rooted or as needed booted out** by our retrieving the wealth they robbed from Our Folk to pay their transport home. "Nazis steal our hard earned wealth" We hear the sly leeches wail. **That the pitiless robbers gloatingly bled out of their bled till dead pauperised producers.** Ref: The EU etc. We are for a world money but not one worthed by leechy Soro speculators who bleed countries into being their colonies and, **as if sheep**, fleece the producers of their work's worthed money, so we urge Our Folk to **KEEP** and **DO AS THEY LIKE** with **THEIR WORK'S MADE MONEY**

OUR VOICE As a media of the P PPP = PATRIOTIC PEOPLES POWER PARTY so you can help us be viable TO VOICE OUR FOLK'S WILL we ask Folk Loyal organisations and persons to buy their legally responsible say and so add YOUR VOICES to make "OUR VOICE" heard on most anything (*With a truly named etc. SAE to be kept secret and only published as you say and per word and number pay for*) in notice, articles, letters etc. that will stay the author's copyright outside their use by "OUR VOICE" and its affiliated. **Verified Paid** ads got after 1 week before our publication will most likely have to wait for the next publication. **Ads discounts** = 15% between 5 to 25; 25% to 50; 35% for any over 50 issues of "OUR VOICE" whose public sale price + **add any post** cost is 50p; a 12 issue subscription £10; **Bulk buying** discounts = as the above Ads. **Half of early** returned issues will be refunded **Overseas Buyers and Advertisers** need only add the air or sea postage costs to the above stated prices and pay us in British money by Travellers' Cheque < **This c. sized 187 words** at our VAT incl. price of 25p per word/number (*c.75% less than other papers*) would cost **£46** + £2.pw for a BOX NR. to be paid only by **cheque or PO** (Cartoons, pictures, styled adverts etc. will be at consulted prices) At postage cost all pw mail can be posted to the advertiser

Any articles sent (We may publish anonymous ones **the senders hereby knowing they will lose their payments** if we do not publish them) will only be published by "OUR VOICE" or its affiliates if their editors think them within their mores and acceptable to their FOLK LOYAL readers who as we accept that life is the strife to survive and thrive even among the human race made of history's evolved life enriching many varied cultures, tongues, races, ethnics that to feed etc. their growing folk numbers are territorially etc. expansive so we must each be co-operatively protective of own survival and maybe our evolved continuity in a confederal world order thru a peaceful merger of economies, tongues, cultures etc. for which reasons we will resist any favouring of life's most ruthless predators i.e. **Parasites and Folk Traitors** who for self profit spread their **folk debase and erase** perversities resulting in the deadly **AIDS** whose sodomic carriers are kept alive to more spread love's death and fairly dance on the streets demanding (**From our parasite yoked folk who dare not against them talk**) more Human Rights to murder Humanity plus we have **MAD COW DISEASE ETC.** (Factualising the old saying: "**WHOMEVER THE GODS' WISH TO DESTROY THEY FIRST MAKE MAD**") and the agitating of the world's races etc. against each other to divide and conquer us and make us peanut paid multi mixed race cheap labour and cannon fodder slaves serving a leechy anti social welfare usury bred and fed self sanctified "**GOD CHOSEN RACE**" of **PSEUDO JEW KHAZARS** whose **DEMOCIDIC PROPAGANDA AND DRACONIC ANTI FOLK POWER LAWS ETC. PLUS IN WORK AND IN WORK AND WARS BEING BLED UNTIL DEAD FOR THEM** have weakened many of Our Folk's wills to survive and thrive and so they must be revived out of their suicidal sickness by eliminating our mind poisoners as ruthlessly as they do any sucker folk that swallow e.g. **THE PITILESS PSEUDO JEW KHAZAR CAPITALIST AND COMMUNIST COMRADE COMMISSARS'** WAILING WALL ANTI-RACISM BULL of contradictively (*For they have over many generations bled billions of us until dead as usury bred and fed leechy rulers that they fervently deny despite it being an obvious truth seen in their owning most of the world's top businesses, art works etc. which were leeches from their suckered folk on earth - not got from a god in heaven*) being a persecuted "**God Chosen Race**" that clearly makes their god a racist bigot So any betrayal of our military etc. dead and other undermining of our folk e.g., by favourably publishing our leechers' import of cheap labour (**As only in need will we let aliens be our advisers never Our Folk's supervisors or sports' etc. reps. for if we can't fight to win life's battles then we should be museum stuffed as a dodo folk**) will be tabu and if done will end the editors job as decided by "OUR VOICE" etc. Elected Guardians for going against their party etc. founders' wishes to preserve Our Folk by winning back control of our economy and so military, political, cultural power to revive Our Folk's natural lust to strife to survive and thrive that is secured by being soul bonded in **Our Folk Patriotic Politic that is religiously spirited in Our Folk Church Schools** **AS OUR INSULATION AGAINST ISOLATION AND EXTERMINATION**

This is a FREE OPINION PAPER whose writers and editors are only legally responsible for their given views so if the above is to 'good doers' etc. a too raw sketch of the causes of Our Folk being led down Suicide Rd. and how to change it by burying Folk Traitor rulers (If not too late) to turn Our Folk from the edge of extinction then let aliens bury the fools who have Patriots hunted, jailed, tortured, killed for trying to warn Our Folk via e.g. "Our Voice" which as other Brit media is banned by Folk Traitors from libraries, shops, etc. that boast AntiBrit African, Asian, Jewish etc. media
