**JANE'S 7TH SUMMER EDITION "CHOICE" Britain's National Identity in New Danger**

One of the points in the 1979 Conservative Party Election Manifesto was the provision of a new British Nationality Act. The last one, enacted in 1948, was described by the Racial Preservation Society as "a dangerous legal fiction", and so it has proved to be. The proposed new Act is, therefore, of the greatest importance and significance to indigenous Britons, and cannot be left to our legislators who, in the past, have seemed to lean over backwards to ease in more and more New Commonwealth immigrants rather than uphold traditional impartiality and consider what was best for the British nation as a whole. The following letter from The Daily Telegraph provides us with a good background to the fundamental problems: NATIONALITY ACT ANOMALIES Sir, — It has surprised many people to the point of incredulity that so many persons with no apparent connections with the United Kingdom are able to claim a right of entry under our immigration laws. In most cases the claim is based on the rights of citizens of the United Kingdom. The root cause lies in the British Nationality Act, 1948, which recognised the right of self-governing Commonwealth countries to enact laws granting nationality to their own people. The Act provides a single national status for persons belonging to the United Kingdom and the non-self-governing territories of the Commonwealth, i.e. British subject, citizen of the United Kingdom and Colonies, and this status is given to persons born within the United Kingdom and colonies, persons descended from fathers who are citizens and certain others by naturalisation, registration, etc. The Act also provides, and this is where the problems start, that when a newly-independent Commonwealth country passes a nationality law those persons who were citizens of the United Kingdom and colonies by connection with that country, e.g. by birth there or by descent from a father born there, who do not automatically become nationals of the new country, remain citizens of the United Kingdom and colonies. The United Kingdom protects itself, to some extent, by reserving the right not to recognise nationality law enacted by a self-governing Commonwealth country; this having the effect of leaving some persons with the limbo status of "potential" national of that country. They remain British but do not retain citizenship of the United Kingdom and colonies. *Continued in coming OV issue OVEA.*

**A Folk Family can only stay free if they have the united might to be free**, instead of being fools who are lured to be enslaved and give their country away for the woesome wails of wily parasites, moaning they are religiously and racially persecuted. If true, it is due to their victims wailing to their plight of being bled till dead by the leechers and rising to smite and put them to flight. So, a Folk Family must have the spunk to live in the **real world** and be ready and willing to fight in defense of their way of life etc. against the fork tongued predatory parasites, by owning the media and being their Folk Family children's teachers of their laws, history, culture etc. and how to foster and protect them. Or, they will be enslaved by the parasites who are very self protective and use all means to stay alive and luxuriously live off any folk so stupid as to let them seize the media, economic, cultural, political, military, academic, judicial etc. cores and be their dictatorial teachers, causing the parasites to be media imaged in the minds of their bled until dead victims' children as being their folk-rooted rulers, forebears, heroes and saviours e.g. The religious ritualised rabid racist self segregating Zionist tribe of paranoid Pseudo-Jew Khazars, who as megalomaniac self sanctified "God Chosen Race" parasites, thru their monopolised film studios, preferably employ via their monopolised film or theatre agencies their own tribe's producers, directors, actors to make films picturing these self glorifying and flunky glorified rabid racists as heroic anti-racist knights, a super folk { **Of geniuses who pedestal Einstein above Newton etc.** } to whom they claim a god has spoken, who fight for { **Their made** } suffering ethnic minorities against their pictured, evil, mean, prejudiced, jackbooted, bullying, racist, native majority, whose history and culture etc. they scornfully debase, as schmucks who strut the world stage with their kitsch smut that they especially cast at their armed stooges' overcome, { **Literally inverting a folk's cultural etc. heritage e.g. Shakespeare's Shylock and Dickens's Fagin must be imaged as benefactors abused by the bigoted goys.** } to belittle Folk Patriotism by sneeringly equating it to the last refuge of a scoundrel { **In truth a scoundrel's last refuge is Folk Treachery.** } to give the native Folk Loyal majority a guilty conscience and lure their mass imported ethnic minorities to think the Pseudos { **Their Folklands' vile colonisers and bleeders.** } are saviours; thus parasites thru their BBC etc. soften the native majority and alien minority's minds, into accepting them as their rulers and so be enslaved to their 'poor oppressed parasite masters', as multi-mixed-race, cheap labour flunkies whose lands are turned into Koshered Khazars colonies, parasites' gangsterdoms, which anger normal folk on seeing injustices glaring at them, as the pauper poor in grimy slum ghettos and royal rich in lovely villas and palaces; yet the robber ruling class, who hate Fascism, can raise their enslaved masses to also fanatically hate it, without even known or studied it, and as parrots squawk their rulers' indriven cliches against Folk Patriotism or Anti Parasitism e.g. Racist, Bigot, Fucking Fascist whom, ironically, they accuse of denying free speech and attack any who query their defense of the ruling Pseudo-Jew Zionists who bleed them until dead, still damning Folk Fascists, having been, **from cradle to grave**, slyly propaganda programmed to be human robots. Such is the horrific mind moulding power of monopolised media made and applied, open and subliminal, scientific social psychology, that can flatter, shame, divide, conquer a debt, war wearied etc. weakened Folk Family and make it a colony of lackeys, who meekly work and die for their parasite rulers who, as wily social psychologists, take advantage of knowing most folk are not realists whose hearts must be won thru their minds, but romantics, notably women, whose minds must be won thru their hearts, as it is easier to escape into a fantasy world than face and try to overcome the real world's problems. This dominant social romanticism, fosters religious rooted heaven dreamers { **Tho they claim not to believe in a god, they mostly idolise a dictator of their beliefs into a living god.** } made political utopisms as are Anarchism, Socialism, Communism and their consequent intolerant, in the name of democracy, head bashing blindly fanatic followers, many of whose said aims seem humane yet are inhumane for they ignore the flaws of human nature { **That, with no differences, would be utopic and need no social philosophy to create their heaven: Making life a hell of a yawn.** } and assume we are all good, upon which ideal they try to build an equal for all { **Getting the same pay for any work no matter how much any parasital shirk.** } economy which naturally draws the wily leechers amongst us to take advantage of the many more simpleton goody do gooders, who think that leechers are the workers envied poor paragons, who only want to bleed us to death so they can luxuriously live and be charitable to us, their said bad, envious, intolerant, nasty Folk Fascist workers, whom they so generously peanut pay. Naturally, such fanatic fools' attempted utopian economys soon have too many crooks cooking the books, that bleeds a land until it is dead, whilst driving the folk into the money lenders' bed to try and get them out of the red but instead flushes them, **as debt ridden toady turds** with their naive utopias, into slum ghetto sewers. Whereas realists accept that all species of life are for food, self survival etc. made predatory by nature; so we humans as the highest evolved predators in the food circle, will - if we do not control our numbers - turn upon and devour ourselves, as historically we have been more often doing in ever deadlier wars. For which reason, the laws of necessity demand that we have a realistic economic, political philosophy with democratic applicable laws which suppress the bad and encourage the good in us to create a civilised world for every Folk Family's healthy, happy and prosperous survival.

**HELLO READER** We are only responsible for our articles etc. others herein are for theirs responsible or like Jane's are in honour of them for being a Folk Patriot until their death. Whatever pedantics think about my grammar I hope you clearly grasp what I say about which you are free to payfully use Your Voice in "Our Voice" to write, if you stay in our Folk Family norms of decency and is not insulting of anyone e.g. intrusive on their private life which is not against the criminal law or their social stated morals, otherwise you get your money back from this pioneering paper, which as an open Folk Forum gives payers the means ( By we being viably cheap with only entrants proved too poor to pay being dependent on the editor ) to publicly say their opinions on anything in this paper's Economics; Country; Culture; Health; Home; Politics; Travel; Sport etc. sections **About** its section place, entrants must trust the Editors' layout decision. **The ethnic media** e.g. Asian Times; The (Caribbean) Gleaner; Jewish and Muslim Chronicles; The Voice ( Headlined as being **"Britains Best Black Paper"**) rightly support their kind, faiths etc. but under the Parasites' and Folk Traitors' vile propaganda media made hostile social climate ( *That has cowed Our Folk to accept alien control of our economy and so military, political, cultural dictatorship of our country* ) these papers, books etc. are in libraries and sold in shops while true **Folk Loyal British** ones are accused of racism etc. for supporting, as do the alien media, their folk and **banned** in Free Speech's name, to choke us to death against which "Our Voice" etc. will fight to the death. **Wily Alien Racists** call us racists to **exalt their race** and stop us from seeing nature has bred many races with richly diverse ethnics, cultures, giving Africans, Asians, Caucasians, Orientals a natural pride in their forebears and so defend their race, cult-ure, land etc. as nature's raw law says: **Any specie unfit to live does into death flit**. So as all healthy races we defend ours but don't brazenly assume we are a superior **God Chosen Race** picked to rule the world, as do the megalomaniac phoney semite, pseudo jew, anti-goyle, paranoid Zionist bigots via their repulsively offensive Eliuist Racism.

**Never blame Parasites for they are born by the stupidity of twits who the sly Leechers keep max cheap labour bred by loans, laws, propaganda to be bled till dead**

**FOLK FORUM** for letters and articles fostering *United Folk Patriotism's Strength* for **UNITED WE WILL LIVE AND DIVIDED WE WILL DIE** and it's urgent to help stop Our Folk being in a few years dodged into oblivion by alien loyal democidic ethnic extincutors driving us to commit Folk Suicide by multi mixed race genetic genocide to be cheap labour and cannon fodder in our country now a colony in the paranoid megalomaniac Self Sanctified "God Chosen Race" Pseudo Jew Indo-Turk Khazar Capitalist and Communist Comrade Commissars' World Webbed Imperium of Usury helped by their bought and viler flunky Folk Traitors who our forebears would have rightly shot and cast out their invited invaders for Folk Traitors are life's worst scum, foulest of foes and most heinous of racists for they gladly betray their kin and Folk Family to be sapped then bloodily annihilated in favour of a ruthless alien race of parasite dictators who live by bleeding till dead the producers for the fruits of their work thru ruling over their mass medias' penned sheepish flock of toady collaborators whose cowardly way of trying to please our insatiable leechers is causing Our Folk's oblivion that we can only end by being a Folk Faithful unity of devoted activists with the wits and guts to when able with all non self destructive means take control of our economy to get the military, political, cultural power without waiting for a messianic leader to win the majority of our kinfolk's hailing of Our Loyal Folk's Victory to survive and thrive forever freed from this class caste flunkey ranked slavery for we prefer to fight to make the parasites commit their own suicidal Final Solution by we economically etc. helping fellow producers to win the inevitable Decisive Conflicts to live and die worthily freed from slavery in a Grimm's mass media mind muddled and Pied Piper led into Carrolls' Wonderland believing our leechers lies as in Andersen's "The Emperors New Clothes" while existing on an Orwellian "Animal Farm" as unequally equal guinea pigs in a scientific social psychology run lab, propagandised to think we live in a democracy anthing "God Save Royalty" having been Big Boss carrot and stick driven to exist on booze, porn and balls to be cattleased, lovelessly lab bred, cloned, biocomputerised peanut paid en-gene-ered robotic slaves vacuously serving a leechy tribe of elitist parasites as their conned toady idiots used to gain their world power aims as a self haloed God Chosen Race and Churchill's ("Popular Science" June 1925)? writ wish that maybe made Huxley novel it in his "Brave New World" which is evolving rapidly **(2) OUR CAUSE** Like other parties in history we the **Patriotic People's Power Party (PPPP)** were born to fight for Our Folk's desire to survive and thrive by destroying the evil threatening to exterminate us against which we shall use our media etc. to foster as our name betokens Folk Loyal Nationalism i.e. Folk Family Unity or Folk Fascism which name the puppets of Zionism (**Parasitism, Racism and Imperialism's peak**) can call we giving us no shame for it is one of the few names that **embodies an anti parasite politic that the leechers express fear of** as most others e.g. Conservative, SWP, Labour, Communist are just our leechers' loving carrot and stick parties whom as their money masters' voices howl against Fascism in their phony democracy's name ironically snorting against our urged Populism i.e. **Sober Majority Folk Willed Rule (The only real democracy)** that they attack thru their medias' daily lies against us now backfiring on them to give us good free publicity that is winning over their disaffected who less vote for the cosmopolite parasites' puppets and are rightly turning to us saying **As you Fascists are our parasites' most feared foes then you must be we producers best friends who say we must bury our leechers to the reign over our made wealth gain.** This Folk Positive Propagation trend is making our Folk Traitor rulers tear out their hair in despair for in their haste to bury Our Folk Identity that unifies us in our fight against being suicidally genetic genocidally etc. bred into multi mixed race cheap labour they make draconic laws against us and abusively call our Folk Patriotic Civil Servants, Military, Police **"Institutionalised Racists"** for as Europeans having, like all true Orientals, Africans, Asians etc. healthy natural species of life an instinctive self preservation **Natural Patriotism** to serve and preserve their Caucasian kith and kin for which cause the PPPP exist aware that we will be ruthlessly opposed by our treacherous foes who like we must fight ( **As nature only accepts those having the strength to exist** ) to decide whom will rule in our land the Parasites as Our Folk's exterminators or we Producers as Our Folk's propagators **So Parasites, Folk Traitors, Toady Collaborators** heed this warning: **The Souls of Folk Patriots** you hunt, torture and murder expect their kinfolk to avenge them as they would them in **this holiest of wars you started for Our Folk to be or not to be LIVING AS A FREE FOLK ETERNALLY (3) OUR AIMS** The survival of our lands' genetic, history, cultural, geo united Folk needs the undivise strength of an ethnic (Welsh)(Irish)(Scots)(English) run and owned **Republican Confederal Britain** with a united outer military, economic, political, cultural defence based on the max inner unity of **Competitive Producers'** anti usury/pollution run cooptivist industries; **Humane** social welfare; **Co-ordinated** laws for Our Folk's best ( *Or we can be divided and conquered* ) to reduce crime etc. For which the Irish need to unite before cosy chaired 'Good Doers' and Folk Traitors ( *Who even con their kin by claiming to be Folk loyal Socialists whom they stab in the back by greeting more Capitalist leechy aliens in.* ) make the Irish **bury themselves - As duped Brits in other parts of Britain are doing - unless the leechers are rooted or as needed booted out** by our retrieving the wealth they robbed from Our Folk to pay their transport home. **"Nazis steal our hard earned wealth"** We hear the sly leeches wail. **That the pitiless robbers gloatingly bled out of their bled till dead pauperised producers.** Ref: The EU etc. We are for a world money but not one worthed by leechy Soro speculators who bleed countries into being their colonies and, **as if sheep**, fleece the producers of their work's worthed money, so we urge Our Folk to **KEEP and DO AS THEY LIKE with THEIR WORK'S MADE MONEY (4) OUR VOICE** As a media of the PPPP = **PATRIOTIC PEOPLES POWER PARTY** so you can help us be viable TO VOICE OUR FOLK'S WILL we ask Folk Loyal organisations and persons to buy their legally responsible say and so add YOUR VOICES to make "OUR VOICE" heard on most anything ( *With a truly named etc. SAE to be kept secret and only published as you say and per word and number pay for* ) in notice, articles, letters etc. that will stay the author's copyright outside their use by "OUR VOICE" and its affiliated. **Verified Paid** ads got after 1 week before our publication will most likely have to articles sent** ( We may publish anonymous ones **the senders hereby knowing they will lose their payments** if we do not publish them ) will only be published by "OUR VOICE" or its affiliates if their editors think them within their mores and acceptable to their FOLK LOYAL readers who as we accept that life is the strife to survive and thrive even among the human race made of history's evolved life enriching many varied cultures, tongues, races, ethnics that to feed etc. their growing folk numbers are territorially etc. expansive so we must each be co-operatively protective of own survival and maybe our evolved continuity in a confederal world order thru a peaceful merger of economies, tongues, cultures etc. for which reasons we will resist any favouring of life's most ruthless predators i.e. **Parasites and Folk Traitors** who for self profit spread their **folk debate and erase** perversities resulting in the deadly AIDS whose sodomic carriers are kept alive to more spread love's death and fairly dance on the streets demanding ( **From our parasite yoked folk who dare not against them talk** ) more Human Rights to murder Humanity plus we have **MAD COW DISEASE ETC.** ( Factualising the old saying: **"WHOMEVER THE GODS' WISH TO DESTROY THEY FIRST MAKE MAD"** ) and the agitating of the world's races etc. against each other to divide and conquer us and make us peanut paid multi mixed race cheap labour and cannon fodder slaves serving a leechy anti social welfare usury bred and fed self sanctified **"GOD CHOSEN RACE"** of **PSEUDO JEW KHAZARS** whose **DEMOCIDIC PROPAGANDA AND DRACONIC ANTI FOLK POWER LAWS ETC. PLUS IN WORK AND IN WORK AND WARS BEING BLED UNTIL DEAD FOR THEM** have weakened many of Our Folk's wills to survive and thrive and so they must be revived out of their suicidal sickness by eliminating our mind poisoners as ruthlessly as they do any sucker folk that swallow e.g. **THE PITILESS PSEUDO JEW KHAZAR CAPITALIST AND COMMUNIST COMRADE COMMISSARS'** WAILING WALL ANTI-RACISM BULL of contradictively ( **For they have over many generations bled billions of us until dead as usury bred and fed leechy rulers that they fervently deny despite it being an obvious truth seen in their owning most of the world's top businesses, art works etc. which were leeches from their suckered folk on earth - not got from a god in heaven** ) being a persecuted **"God Chosen Race"** that clearly makes their god a racist bigot So any betrayal of our military etc. dead and other undermining of our folk e.g. by favourably publishing our leechers' import of cheap labour ( **As only in need will we let aliens be our advisers never Our Folk's supervisors or sports' etc. reps. for if we can't fight to win life's battles then we should be museum stuffed as a dodo folk** ) will be tabu and if done will end the editors job as decided by "OUR VOICE" etc. Elected Guardians for going against their party etc. founders' wishes to preserve Our Folk by winning back control of our economy and so military, political, cultural power to revive Our Folk's natural lust to strife to survive and thrive that is secured by being soul bonded in **Our Folk Patriotic Politic that is religiously spirited in Our Folk Church Schools AS OUR INSULATION AGAINST ISOLATION AND EXTERMINATION (6) This is a FREE OPINION PAPER whose writers and editors are only legally responsible for their given views so if the above is to 'good doers' etc. a too raw sketch of the causes of Our Folk being led down Suicide Rd. and how to change it by burying Folk Traitor rulers ( If not too late ) to turn Our Folk from the edge of extinction then let aliens bury the fools who have Patriots hunted, jailed, tortured, killed for trying to warn Our Folk via e.g. "Our Voice" which as other Brit media is banned by Folk Traitors from libraries, shops, etc. that boast AntiBrit African, Asian, Jewish etc. media (7) Please send ads and donations as all payments to our cause by recorded post to F.P.
